DIRECTOR OF MISSIONS REPORT
OCTOBER 1997
Gayle D. Brown

We hear the words so often--change, transition, reorganization. In Southern Baptist life, all these things are taking place at a rapid rate! At the national level, we are all aware of the reorganization and change that is taking place. The Foreign Mission Board has become the International Mission Board. The Home Mission Board is now the North American Mission Board. At the North Carolina Baptist State Convention meeting in November, a new Executive Secretary-Treasurer will be elected, replacing Dr. Roy Smith who is retiring. This will undoubtedly bring about some changes in the North Carolina Baptist State Convention as to missions and ministry.

In the Buncombe Baptist Association, we are experiencing change and transition. This year we have experienced one staff retirement with Dee Foreman, and one resignation with Carolyn Charles. Both of these staff members have served Buncombe Baptists well during the past twelve years.

Ron Kiser has come on staff as Director of Congregational Development for the association. Ron brings pastoral experience, organizational skills, and vision which will help chart the future of the association.

The Association Strategy Planning Committee is moving forward with the able leadership of James Lamb. The ASP is studying other association structure, redefining the Buncombe Baptist Association Mission Statement, and working with the Personnel Committee to update job descriptions for all association staff.

We are moving fast toward the next century. The ministry and work of local Baptist churches is changing to meet the various needs of our population. The Buncombe Baptist Association wants to partner with local congregations and assist them as they mature believers and send them out into the world with the Gospel of Jesus Christ.

There are exciting years ahead for Buncombe Baptist Association! As the Lord blesses, we will pay off the $80,000 debt of the Resource Center, build a stronger relationship with the churches of the association, and rewrite portions of the association's Constitution and Bylaws that will speak to the present needs of today and the future.

CHURCH AND COMMUNITY MINISTRIES REPORT
OCTOBER 1997
Carolyn Johnson Charles, Director

Flea Market Ministry

To boost our witness and ministry at the Dreamland Flea Market Chapel and to assist our volunteers in this outreach ministry, we began the year with a Witness-Training Seminar led by Evangelist Ray Jenkins. This was the third conference of this type we have offered.

The ministry this year has gone well with three worship services on Sundays. The Spanish service on Sundays later moved to Bent Creek Baptist Church.

Reverend Russell Hilliard retired as the chaplain of the flea market ministry after working five years. Reverend Ed Robertson became the new chaplain.

The ministry continues to meet weekly the vital spiritual needs of dealers and visitors.

Multi-Housing Ministry

Three churches have been involved this year in seeking to begin outreach ministries in multi-housing settings. This includes Emma, Newfound, and Beverly Hills Baptist Churches. Beverly Hills had two summer students working in apartment ministries.

Newfound and Beverly Hills Baptist have just completed a six-week training session to further equip volunteers to minister in this type of setting. Kenneth Holland, consultant with the Baptist State Convention Church Extension Department, led the sessions.

Cult Awareness Conferences

Thirty people attended several conferences on Cult Awareness led by North American Mission Board staff. The staff included Phil Roberts, Director of Interfaith Witness with NAMB, and Bill Gordon, associate in the Interfaith Witness Department, Janice Lyons, Christian counselor, and Gayle and Ken Nelson, leading the Jehovah's Witnesses conference. Conferences included: New Age, Satanism/Occult, Mormonism and Jehovah's Witnesses.

Bele Chere Event

Volunteers from our churches witnessed to thousands of visitors to the Bele Chere Festival. They also gave water and provided a place to take care of young children. Fourteen professions of faith were made with the help of Wade Caldwell and Reverend Ray Jenkins.

Fair Ministry

This year the fair was a nine-day event with an increasing amount of volunteers and ministry given. Thousands of lives were impacted with the love of Christ shared by nearly four hundred volunteers. Churches gave in a mighty way through food donations, clothes, and financial assistance. Five associations in Western North Carolina (Carolina, Green River, Haywood, Mitchell, Polk and Transylvania) joined our teams. All the volunteer teams did an excellent job witnessing and ministering to human needs during the fair.

Twelve professions of faith were reported--a fair worker at the Break Tent and eleven decisions were made at the Missions Booth.

As the week closed, it was evident that the presence of Christ had been made known to the workers of the carnival. As they talked and expressed appreciation for our presence at the

fair, we could see their spirits renewed. As a token of their appreciation for our support to them during the fair, they took up a "love offering" among themselves and presented it to us in two cards full of signatures. Thanks be to God for all the volunteers who had a part in the ministry outreach of the fair.

Literacy

A survey was conducted at Oaknoll Apartments to determine interest of residents in tutoring and other life skills.

The literacy information brochure was updated and distributed to places frequently visited by the general public.

Five people attended a Conversational English (CE) Workshop held at First Baptist Church, Asheville and conducted by Alice Fleming.

Tutoring Children and Youth Program (TCY) was held during the school year at Oakley Methodist Church (Debra Hauser, Coordinator); and at First Baptist Church, Black Mountain (Jane Allison, Coordinator). The program will resume in Black Mountain on November 18, 1997 for the 1997-98 school year.

"Read Me A Story" Program was initiated at ABCCM Homeless Shelter in Asheville and at Women's Correctional Center in Black Mountain for the purpose of assisting residents and inmates in reading a book on audio tape and sending the book and tape to the children from whom they are separated.

Angel Tree Christmas Project

This is a project coordinated with the help of Prison Fellowship to sponsor inmates' children with Christmas toys and clothes. Sponsoring a child includes giving two gifts of the child's choice up to $40 per child. Gifts are taken to the child's home and presented in honor of the parent who is incarcerated and in the name of Christ. Thanks so much to all of you who participated in this project. Because of your generosity, over 275 children were placed this year.

ASSOCIATIONAL MISSIONS DEVELOPMENT COUNCIL
OCTOBER 1997
Clarence Vassar, Chairman

This group is responsible to "START SOMETHING NEW" in the churches of our association. The group met many times during the year looking at the possibilities of starting something new through ministries, Bible studies, mission VBS, or fellowship groups.

Carolyn Charles and I met with the pastor and/or staff member in three of our churches with the intent of starting a new work. In each situation, we did a windshield survey in the church

fields of these churches. What we discovered was multihousing units, trailer parks, and apartments with high concentration of unchurched people. It is apparent that Buncombe County has thousands of individuals that must be reached for Christ by our 96 churches. Our churches have no excuses for not growing.

The results of this year's labor has produced ministries but as yet no new work. The new year 1997-98 should produce some dynamic results which could include starting something new because of this year's labor.

Thanks to all who served on the Associational Missions Development Council and especially Carolyn Charles. Carolyn was responsible for coordinating all the meetings and the paperwork to make things happen. She made hundreds of phone calls for this group's work.

Pray that we will use this approach to "start something new."

LANGUAGE MISSIONS
Russell B. Hilliard, Sr.

On September 1, 1997, 250 Spanish-speaking persons met in Montreat for the first Hispanic Western North Carolina regional rally. Twelve pastors from Tennessee to Hickory were called together by pastors' conference president Randall Piacentini of Waynesville. Secretary/Treasurer Charles Alonso baptized six persons from Spruce Pine and one person from Waynesville.

Plans are now in place to celebrate the first regional Spanish Sunday School workshop on October 18 at Bent Creek Baptist Church. Teachers from the Baptist State Convention of North Carolina and from the Western North Carolina region will seek to sharpen Bible teaching and outreach skills.

The two Spanish language missions are still sponsored by the Merrimon Avenue Baptist Church and the Bent Creek Baptist Church. The hope is to see a broader sponsorship and participating, for Hispanics are now living in all areas of Buncombe County.

Language groups in the Korean and Russian languages also meet in churches of the association. The Korean language groups meet at Calvary, First Baptist of Asheville, and Skyland. The Russian language group meets at Merrimon Avenue Baptist Church.

English language classes are still held weekly in a joint project between Asheville Buncombe Community Technical College and the Hispanic Baptist Mission of West Asheville. These classes meet at Grace Baptist Church on Tuesdays at 6:30 p.m. Conversational Spanish classes are also held at Grace Baptist Church on Tuesdays at 6:30 p.m.

During the 1997 year two Hispanic pastors have been ordained. The Reverend Jairo Contreras has been called as a church planter by the Floyd's Creek Baptist Church, the Green River Baptist Association, and the Sandy Run Baptist Association. The French Broad and Transylvania Baptist Associations have called the Reverend Job Servin for the continuing ministries in their areas.

Many of the Christmas trees for homes in America are grown in Western North Carolina. It is, indeed, an appropriate and a beautiful thing that the persons cultivating these special trees come to a living faith in the Lord Jesus Christ. It may be that your tree this Christmas will not only have been shaped and harvested by a person speaking Spanish, but will have been blessed with a prayer by a newly born again Spanish-speaking Christian.

CONGREATIONAL DEVELOPMENT REPORT
OCTOBER 1997
Ron Kiser. Director

Congregational Development is a new staff position, emerging in the metropolitan associations of our state conventions. The work of congregational development involves three assignments: *church program development, church leadership development, and church growth.*

CHURCH PROGRAM DEVELOPMENT

Church Development is part of the work of the Director of Congregational Development. During this Associational year, we have tried to build on the superb work done by DEE FOREMAN, in the area of church programs. Thanks to the excellent leadership teams Dee developed, work progressed in many program areas. Details of the work done in our church programs are reported elsewhere in the book of reports. STEVE ACKERMAN has provided able leadership in our associational *Sunday School* work. SUSIE BLACK led our VBS ASSISTeam in training workers from our churches in the annual VBS workshop. This year's meeting was the best attended VBS Conference we've had in several years. A special thanks to Susie, who leaves this position this year, after several years of excellent leadership. WAYNE HIGGINS continued to provide quality leadership for the Associational *Brotherhood. Baptist Men* completed construction ministry in Homestead, Florida, supported the Rest Area Ministry at Easter and Memorial Weekends, and led in many of the ministries at the Mountain State Fair in September. Challengers Basketball completed another season, under the capable leadership of DONNIE PRESSLEY. JIM HALL, RA Car Competition Leader, put together an exciting competition at Ridgeway Church. DAN RICE, Associational RA Director, led in the RA Track Meet, and in the annual RA Leadership Conference. Dan is doing an outstanding job. *Boys' Mission Camp,* directed by STEVE HARRIS, was another highlight of Associational RA work. The Associational WMU *Leadership Team,* directed by MARTHA HICKS, has continued to be involved in many mission projects, and in many programs of missions education and support. The WMU promotes more than 20 associational mission projects, and conducts five training and educational events each year. The WMU organization has been restructured and streamlined to meet the needs of the 21st century. But two things remain unchanged: WMU remains the missions conscience and the "helping hands" of all Southern Baptist missions work, and the work of our Associational WMU Leadership team remains outstanding. This year's *Girls' Mission Camp* was directed by EDWINA MESSER and LIBBY PIERCE. These ladies did an excellent job. MIKE ADCOCK capably served as Associational Music Director. Mike worked with an excellent Music Council, which planned and conducted associational music ministries. DAVID HIGHTOWER and MARTHA COGDILL directed the *1996 Adult Choir Concert.* RICK RAMSEY and ELAINE

GREGG led our Associational *Youth Choir Retreat*. LOVEY BIGHAM again directed the Association's *Children's Choir Camp*. SCOTT MERCER led the Associational *Youth Coordinating Committee* in sponsoring several events in 1996-97. The *Youth Ministers' Fellowship* and the *Ministers of Education Fellowship* met monthly to share ideas and to plan events. CATHRYN KINSER continued to serve faithfully as Media Director for our Association this year. Cathryn has done an excellent job of keeping our churches and the association staff informed of media methods and resources. *Church Training* has been remodeled into *Discipleship and Family Life* to provide contemporary resources every church can use. DR. PHIL DILLINGHAM, pastor of Friendship Church and a gifted preacher, writer and teacher, has served as our Discipleship Supporter for 1996-97. *Associational Bible Drill Director* KATHY BURRIS works hard each year, and her work is appreciated.

Our Association is blessed with quality leaders who provide direction for our church programs/ ministries. I'm grateful to all who served on these leadership teams. For more details, see each program report. *To God be the Glory!*

CHURCH LEADERSHIP AND CHURCH GROWTH

The first year as Congregational Development Director has been spent visiting the churches and getting trained to minister in this new position more effectively. I have made 42 visits to the churches of our association since January, and I have preached 25 times, made 27 presentations on the work of the association, conducted 7 mission studies, 2 missions fairs, and one deacons' retreat. I have also assisted congregations in long-range planning, pastor search committee orientation, and conflict resolution, and have led a revival in one of our associational churches. In addition, I have been trained as a consultant in the Conflict Resolution Network, and in the Re-Visioning process of Long-Range Planning. I have also done some preliminary work in two church growth projects. One is in partnership with the Baptist Sunday School Board and the Baptist State Convention of North Carolina in the area of Sunday School growth. Our association is also partnering with the State Convention in a new work project, a mentoring ministry at Burton Street Center. This ministry is being conducted in partnership with Calvary Church, and with the BSU of UNC-A. Both these ministries will be developed more fully in 1998.

Congregational Development is a new ministry that involves helping churches discover, develop and do their God-called mission. Like Barnabas, I am called to encourage and assist (Acts 11:19-30) in any way I can. I thank God for the calling, the commission, and the challenge!

REACHING -TEACHING MINISTRY REPORT
OCTOBER 1997
Stephen D. Ackerman, Director

Sunday School is now the Bible Reaching-Teaching Division of our State Convention and Southern Baptist Convention. Adjusting to the new name and thrust of the materials taught and produced was the biggest challenge of our ASSISTeam this year. In accord with our purpose to help our churches effectively teach God's Word, we provided a Spring Training

Conference for all ages on February 22, 1997, at First Baptist Church, Weaverville. Thirty-six persons representing eleven churches participated as our ASSISTeam provided capable leadership. No fall conference was held, though numerous consultations were held to assist local churches at their request.

Special gratitude has been expressed to those of the ASSISTeam who have had to resign because of health reasons or leaving our association churches. We are looking forward to the new team members God will send our way.

Next year's plans include a Spring Conference scheduled March 21, the ACTraining Conference the weekend of April 17-18 at Biltmore Baptist, a Fall Conference on August 15, and we will participate in providing specific conferences during our Associational Key Leadership Training.

Additionally, Al Ridling of the Sunday School Board has invited us to be a part of a 1998 or 1999 national Sunday School growth project. Details have to be worked out, but this is an exciting potential activity.

DISCIPLESHIP AND FAMILY LIFE
OCTOBER 1997

"Church Training" has been remodeled into a contemporary resource every church can use. Dr. Phil Dillingham, pastor of Friendship Baptist Church and a gifted preacher, writer and teacher, has served as our Discipleship Supporter for 1996-97. Dorothy Doi, Minister to Families at Grace Baptist Church, will be the Discipleship Supporter for 1997-98. Dr. Dillingham will serve as assistant. The Resource Center continues to provide the support group resources and Bible Study resources such as *Experiencing God.* The resources and the Discipleship Supporters, along with the Director of Congregational Development, are here to assist churches in developing customized Discipleship Training and Christian Family Education ministries.

Associational Bible Drill. Kathy Burris has continued to serve as Associational Bible Drill Director. This year's Bible Drill was held at Grace Baptist on March 22. Sixty-three young people from eight churches participated, with 23 older children qualifying for state competition. Kathy works hard each year and her work is appreciated.

WOMAN'S MISSION UNION REPORT
OCTOBER 1997
Martha E. Hicks, Director

This year has passed quickly. Our Associational WMU is doing well. We have some growth this year with several of our churches beginning WMU organizations. I have met with three of these and plan to meet with the fourth.

Our Leadership Team has met for planning four times this year. We have had around 20 projects going on in Buncombe Association sponsored by WMU. These are International Students, Prison Ministry at Christmas, Mountain State Fair (food and hygiene kits), BSU at

UNC-A lunches and health kits. Foster Grandparents, Bele Chere diaper changing station, Fruitland Student Wives at Christmas, work with Juvenile Evaluation Center, South Africa Partnership, Broyhill Children's Home, Western Carolina Rescue Mission, Martha Home, Baptist Maternity Home, ABCCM and Homeless Shelter, Baptist Retirement Home, Rickman Nursing Home, HelpMate, AIDS, Child Advocacy, etc.

Our GA Camp was very good this year. A total of 53 attended; there were 2 professions of faith and 16 rededications.

Last year our Leadership Conference was held in September and the Women on Mission Retreat was held in October at Lake Junaluska. Mrs. Esther Walker, an outstanding Bible teacher, did a study in the Book of Psalms. The World Day of Prayer for Baptist Women around the world met in each district in the association with the associational WMU district leaders leading. The offering from these meetings was sent to the Baptist Women's Division of the Baptist World Alliance.

This year, three of our churches have started or plan to start WMU work in their church. I have had conferences with these WMU Directors and several new directors in some churches and they are very enthusiastic about the new organization of WMU work. It is very flexible and you design it according to the need of each church. Recently, I heard of another church planning to begin work again in their church, after several years of no WMU mission work in the church. We just say "Praise the Lord" as we continue to grow in missions and ministry.

Our annual leadership training for WMU and Brotherhood was held On September 22 at West Asheville Baptist Church. We were glad to have Mrs. Cathy Tuttle of Rutherfordon, one of our approved special WMU leaders, leading us in this conference.

As we face a new year in our Association, let us continue our good work in missions and ministry--not only doing missions which is most important, but also teaching and training our women, youth, children, and preschoolers about missions here and around the world.

BROTHERHOOD REPORT
OCTOBER 1997
Wayne Higgins, Director

Baptist Men, under the able leadership of Wayne Higgins, continued to practice missions and ministry.

MISSIONS CAMP SUMMARY
OCTOBER 1997

The 1997 Buncombe Baptist Mission Camps are now history, but some of the decisions made during this year's camps will last for eternity! This year, the Buncombe Baptist Association sponsored two weeks at Camp Truett. Girls' camp was held July 14-18, with 53 attending. The boys' camp was held July 28-August 1, with 40 attending. This year's campers came from 16 churches, with several churches sending campers both weeks. As a result of these two weeks of camps, we had 11 professions of faith, 27 rededications, and 3 persons indicating possible commitments to Christian service.

Now, a personal word: I'm thankful for your continued support of our Associational missions camps. These camps provide an unparalleled opportunity for evangelism and missions education. We will have two camps again next year, and our goal is to enroll 120 persons in camp. Next year's camp dates will be July 27-31 (girls) and August 3-7 (boys). Please put these dates on your church's 1998 calendar, and encourage the leaders in your children's ministry to see that the kids from your church are involved.

MEDIA-LIBRARY REPORT
OCTOBER 1997
Cathryn Kinser, Director

The director has tried to keep our churches and the association staff informed of media methods and resources. She has served as a resource person for our churches, assisting several churches in starting or upgrading media centers. Several librarians from the association were enlisted for involvement in the SBC seminar in February, and the state training at Caswell in May. A training event was held in January instructing librarians in the use of the *Master Library System* and its upgrades. The Association is also in the process of upgrading many resources in the Associational Media Center. New resources include: a "Preacher's Corner," featuring resources for the busy pastor, the installation of a used computer in the Media room (no Windows!), and the provision of several new resources for evangelism, outreach, church planting, and long-range planning. We also have a number of excellent new video resources, including George Barna's *How to Turn Your Church Around* and *The Power of Vision*.

MULTI-ETHNIC CHRISTIAN FELLOWSHIP
OCTOBER 1997
Buddy Corbin, Chairman

The work of the Multi-Ethnic Christian Fellowship shifts its focus from planning for the Bill Jones Crusade and the Habitat for Humanity joint-project to the matter of children at risk. The committee met with Reverend L. C. Ray, Director of "One Youth at a Time," to determine the direction of this special work. A $1,000 was contributed to this organization and a forthcoming meeting was held at First Baptist Church, Asheville in November 1996.

On January 1997 the Multi-Ethnic Christian Fellowship met at Calvary Baptist Church for a public/promotion meeting, enlisting volunteers for mentoring through "One Youth at a Time." The committee sponsored a training session at the Baptist Resource Center soon thereafter.

A dialogue session with Black/White church leaders was held in the Spring, setting goals and plans to conserve the net benefits of past projects. Furthermore, the meeting aimed to advance relationships with the Korean/Hispanic Christian communities for future planning.

Baptist State Convention. This "cell" church now meets at Venable School for corporate worship on Sunday mornings. This church has been supportive of the Buncombe Baptist Association and the Cooperative Program. In fact, Asheville Community Church was listed as 19th in the state for percentage giving to the Cooperative Program.

The Membership Committee recommends Asheville Community Church come under the watchcare of the Buncombe Baptist Association as of October 14, 1997.

ASSOCIATION STRATEGY PLANNING COMMITTEE
OCTOBER 1997
James Lamb, Chairman

James Lamb, Chairman, Pastor, Grovestone Baptist Church; Steve Ackerman, Pastor, Barnardsville Baptist Church; Charlie Sams, Pastor, Starnes Cove Baptist Church; Jackie Collins, Pastor, Ridgeway Baptist Church; Paul Talmadge, Retired, Billy Graham Training Center; Buddy Corbin, Pastor, Calvary Baptist Church; Tim Lolley, Pastor, Beverly Hills Baptist Church; Peggy House, Secretary, Oakley Baptist Church; Gayle D. Brown, Ron Kiser, Carolyn Charles, Nancy Owen, and Barbara Wright, Associational Staff.

The Association Strategy Planning Committee is active and studying all aspects of our association ministry and work. The committee recommended the changes in the Constitution and Bylaws which the association will take action on during the annual meeting. The ASP Committee will be studying association structure, developing a missions statement, and recommending changes that will help make our association more relational, effective, and efficient as we enter the next century.

I want to express appreciation to all pastors, staff, and laypersons of the Buncombe Baptist Association as we are in these days of change and transition.

YOUTH COORDINATING COMMITTEE
OCTOBER 1997
Scott Mercer, Chairman

This year the associational youth coordinating committee has met monthly for the purpose of planning associational youth events, discussing youth ministry happenings, and solving problems among youth groups.

On May 2, the council hosted a lock-in at the Sports Club of Asheville. We had approximately 125 in attendance, representing 6 churches.

This summer we advertised and promoted an associational youth mission trip. Two churches from the association participated in this mission endeavor with the Charleston Baptist Association. We worked in four areas of ministry: beach ministry, Backyard Bible Club, migrant camp, and seafarers' ministry.

Coming up on October 25 is perhaps one of the most important activities the youth council will sponsor this year. There will be a youth leader training workshop from 9:00 a.m. until 12:00 noon at the Resource Center. Three sessions will be offered for youth workers as well as youth leaders. These conference titles include: "Understanding and Guiding Today's Youth," "Youth Ministry Basics," and "Back to the Future: Strategy Planning for Youth Groups." We hope to have great participatlon from many of our local churches for this training event.

CHRISTIAN LIFE AND PUBLIC AFFAIRS COMMITTEE
OCTOBER 1997
Gail Harding, Chairman

Activities for the last year include:

- Preparing 11 Information Pages for the Buncombe Baptist monthly newsletter;
- Meeting with two county school board members to discuss school-based health centers and abstinence-until marriage sex education (August 1);
- Meeting with Buncombe County school superintendent Dr. Robert Bowers to discuss school-based health centers (August 20) and abstinence-until marriage sex education (October 9);
  NOTE: Resource notebooks were prepared for the board members and superintendent.
- Participating in a meeting with the North Carolina Deputy State Superintendent of Public Instruction Dr. Richard Thompson in Raleigh (September 17) to discuss the establishment, implementation and oversight of an abstinence-until-marriage sex education program being funded by the Federal government. North Carolina could receive $1.15 million for the initial 1997-1998 project period, and can re-apply for additional funds during each of he next four years (potentially $6 million over the five-year period.)

MEMBERSHIP COMMITTEE
October 1997
Hilton Moore, Chairman

The Vance Avenue Baptist Church has been under the watchcare of the Buncombe Baptist Association for the past year. This congregation, though small in number, is strong in spirit and is carving out their future seeking God's guidance. The Membership Committee recommends Vance Avenue Baptist Church be recognized with full membership in the Buncombe Baptist Association effective October 14, 1997.

The New Life Community Church, pastored by Dr. Steve Harris, has made application to come under the watchcare of the Buncombe Baptist Association. The Membership Committee has met with Dr. Harris and reviewed the request of this congregation. Following two meetings with Dr. Harris discussing New Life Community Church and reviewing their purpose and mission, the Membership Committee recommends New Life Community Church come under the watchcare of the Buncombe Baptist Association for a year as of October 14, 1997.

The Asheville Community Church, pastored by Reverend Mike Cobb, has been a mission of the West Asheville Baptist Church and has received financial support from the North Carolina Baptist State Convention. This "cell" church now meets at Venable School for corporate worship on Sunday mornings. This church has been supportive of the Buncombe Baptist Association and the Cooperative Program. In fact, Asheville Community Church was listed as 19th in the state for percentage giving to the Cooperative Program.

The Membership Committee recommends Asheville Community Church come under the watchcare of the Buncombe Baptist Association for one year as of October 14, 1997.

CHURCH/PASTOR/STAFF RELATIONS COMMITTEE
OCTOBER 1997
Hatcher Elliott, Chairman

Your chairman has not had occasion to call on the full committee in this year. The sensitive nature of our service often limits our service to one or two persons. We are especially blessed in having a Director of Missions whose gentle spirit, prayerful approach and Christian fairness keeps the door open for churches, pastors and staff members to seek counsel. In many cases, the committee is relieved of involvement.

We have been called upon to help in two situations this year. Brothers Gayle Brown and Ron Kiser have, with God's help, assisted us in bringing some healing to both. We do not involve the committee in the business of an individual or church unless invited to do so.

With all the various attacks of the enemy upon our churches, we feel it necessary to call upon all our churches to pray for one another.

Committee Members:
Derrill Smith, Lloyd Wolfe, Barbara Wright, Stella Fox

ORDINATION COMMITTEE
OCTOBER 1997
Roy Houston, Chairman

The Ordination Committee, composed of Cecil Hopps, Mike Scroggs, G. Hanford Hamby, James Johnson, Gayle Brown and Chairman Roy Houston examined and recommended for ordination to the Gospel Ministry the following:

Anthony McCaleb, Westwood Baptist, March 24, 1997
Bobby Ammons, Mountainview Baptist, May 13, 1997

The Ordination Committee will, at the request of a member church, assist with the examination of a candidate for the Gospel Ministry. A pamphlet entitled "Suggested Guidelines Leading to Ordination" is available in the associational office to anyone needing assistance or information concerning ordination.

BUNCOMBE BAPTIST MINISTERS' CONFERENCE
OCTOBER 1997
Charlie Sams, President

Ministering in the nineties can be very exciting, and draining. The Buncombe Baptist Ministers' Conference meets each Monday at 10:00 a.m. for an hour of needed respite. There's plenty of conversation and laughter when ministers get together and "unwind." Our Resource Center provides a relaxing atmosphere for a refreshing mixture of fellowship, inspiration, and information--all relevant to the life of those involved in a church vocation. The topics are wide-ranging, interesting, challenging, and helpful.

Our conference has the reputation of being inclusive and courteous to all. The purpose and desire is to be a genuine support for all who are comrades in the cause of Christ. Here is a meeting that can make a positive difference!

BIVOCATIONAL MINISTERS' REPORT
OCTOBER 1997
Cecil Hopps, President

Bivocational ministers enjoy a unique calling from God. Yet the blessings of a dual-role ministry are equally varied. While not everyone is called to such a diverse role as the bivocational, we feel doubly blessed of God to serve Him in this way.

Nineteen ninety-seven has been a great year for us. We had our second annual retired ministers and wives' appreciation dinner early in the year. It was a great success.

The Bivocational Ministers' Conference continues to meet on the third Tuesday of each month at 7:00 p.m. at the Buncombe Baptist Resource Center.

On September 26 and 27, the Fifth Annual Western North Carolina Bivocational Conference was held at the Buncombe Baptist Resource Center. Dale Holloway, Consultant, Bivocational Ministers, North American Mission Board was guest preacher. Reverend Bill Marr, Pastor of Northridge Baptist Church, Rural Hall, North Carolina and President of the North Carolina Bivocational Ministers' Conference also spoke. It was a wonderful weekend for all who attended.

The Bivocational Ministers' Conference officers for 1997-98 are: Cecil Hopps, President, Ray Hipps, Vice-President; Carolyn Hipps, Secretary-Treasurer; Tommy Wilkes, Program; and Linda Hopps, Hostess. Make plans now to attend the North Carolina Baptist Bivocational Ministers' Conference at Caraway Conference Center in Asheboro July 24, 25, 26 1998. We will be looking for you!

BAPTIST STUDENT UNION REPORT
OCTOBER 1997
Joe David Fore, Campus Minister
Joy Jones, Associate

Baptist Campus Ministry and the work of Baptist Student Union continue to grow and do well at UNC-A. There is numerical growth, but the most exciting part of our ministry is to the witness the spiritual development and emotional maturity of the students.

The UNC-A BSU had an exciting year with a number of special successes in ministry on campus. It is always exciting to watch new students learn from those who have gone before, take over as leaders, and bring their own personalities and gifts into the ministry.

Choosing the theme "Love Your Neighbor as Yourself," the students focused on recognizing God's presence in all areas of life and learning what this means as they interact with others.

We began the fall of '96 with the loss of several leading students due to graduation and transferring. The BSU Council seta goal to reach many new freshmen and to work hard to keep them involved throughout the year. They accomplished this, as a large number of freshmen arrived, stayed involved, and now make up the majority of the council for the coming year.

Two exciting accomplishments were achieved in the area of campus involvement. The BSU led in planning and carrying out a week of focus on meeting needs in the community. Our BSU was one of several organizations who sponsored "Change Our World Week." The week focused on poverty, hunger, and homelessness. Students learned about these issued with a poverty simulation, Christian musician, and Bread for the World representatives. They also participated in several projects. They worked at ABCCM cleaning and organizing the play room at the shelter. Not all of the students who helped were a part of a Christian organization or group and this was a good witness opportunity as everyone worked together.

A second exciting development on campus was the building of relationships with the African American Student Association. There were two meetings at the BSU house for meals,

fellowship, and dialogue. Students from both groups expressed a desire to gain better understanding of one another and to work together to break down racial barriers on campus. One of our students commented that he was so glad to meet and converse with the AASA students because "now when I see them on campus I know names!" This was made possible because our BSU president took the initiative to organize some meetings together. One of the AASA students commented "I came down here to the BSU center because I was told to do so as an officer. I am so glad I did because this is the first time in my three years here that I feel I have been treated like a student and heard." She said this with tears in her eyes.

During the 1996-97 school year, BSU students worked at Manna Food Bank, served meals at the Hospitality House, visited the Baptist Maternity Home, and participated in the Buncombe Baptist Association Fair Ministry, ABCCM's "Return to Bethlehem" and the Buncombe Baptist Choir at the Biltmore House. They also worked together with the United Methodist Campus Ministry, Presbyterian Campus Fellowship, and Habitat for Humanity in a spring break mission trip to Charleston, South Carolina where they worked on houses and visited with children in a housing project.

The BSU house has been a special gathering place for fellowship, study, and recreation this year. Monday lunch, provided by Buncombe Baptist WMU ladies, had a regular attendance around 25, the weekly Bible study/worship meeting had around 28-30, and at other times of the week students could be found enjoying free times together at the house. One special ministry which the house provides is a place for commuter students who may need to spend extra time on campus. One such student whose family was having transportation problems needed to wait for his ride for quite a while on some days. One day when his mother picked him up, she said, "This house has been a real blessing to us. We don't know what we would have done without it." Another mother of a commuting student said, "We are so thankful for the ministry of BSU to our daughter. She has met some wonderful Christian friends, and we are so happy to know that she is safe and spending her time in ministry and fellowship."

The weekly meeting, Encounter, provided our students an opportunity for worship and Bible study led by students with occasional guest speakers. The topics included prayer, finding God's will, the Christian and the environment, depression--recognizing it in yourself and helping others, Christianity and other religions, and more. These weekly meetings provide students with personal and spiritual growth experiences, along With sharing with others. They also developed leadership skills as they lead in weekend youth retreats and worship in local churches as well as senior adult programs.

The BSU involvement on campus was a focus during the year. Council members made an effort to become involved in campus life, promote campus events that they considered of value, and participated in joint efforts with other campus organizations. In cooperation with the Presbyterian Campus Fellowship and United Methodist Campus Ministry, they sponsored worship opportunities on campus: a series on Women in Ministry during Women's history month, attended a Global Concerns Conference in Washington, D. C. during December, and held a campus-wide poverty stimulation game to raise awareness, compassion, and action in this area. The "care packages" which the WMU's help us to provide for student health services continue to be appreciated and to let students know of our concern and God's presence.

A good number of students attended Fall Student Convention at Ridgecrest, the new council attended Spring Leadership Conference, raised their summer mission's goal to $1,200.000 and reached it, and we have three students involved in student summer missions.

One young woman is on the Evangels team, another young woman is going to South Africa, and one guy is going with a Brotherhood soccer team to the Virgin Islands. The same young man also worked with Habitat for Humanity during spring semester in a work/study sponsored by the Youth and Campus Division of the Baptist State Convention.

This year our ministry with international students was good. During fall and spring break, with the assistance of a WMU group at Asheville First, meals and activities were provided for those who could not go home. One young man from Africa was so excited to find the Baptist Student Center. "Spending so much time in a dorm room can become depressing," he said. "Here it is like a home environment, where I can come to be relaxed and renewed! He participated in the January mission trip, and is one of the students renting and caring for the student center during the summer.

The UNC-A BSU continues to minister in the lives of student, present a witness on the campus, and provide a place for growth, fellowship, ministry, and service.

Baptist Campus Ministry continues to be respected on the UNC-A campus and recognized as an organization of positive influence. Some examples of this are inviting the vice-chancellor for student affairs and his staff to a luncheon fall and spring semester; and, as the Baptist Campus Minister, I meet with his staff on a consistent basis. We are very fortunate to have this close relationship with the staff and faculty.

Joy and I are really excited and appreciative of the personal and spiritual growth experienced by the BSU community.

I continue to give thanks to Ms. Joy Jones our BSU Associate Campus Minister, and the three volunteers: Mr. Mark Davis, Mr. Randy Barnett, and Reverend Eddie Morgan.

ACTS BOARD REPORT
OCTOBER 1997
Johnny Tiller, President

Many of you may not know that Buncombe Baptists are on two cable companies each Sunday evening at 8:00 p.m. "Buncombe Baptist Today" is aired on InterMedia Cable (Channel 10) and on Charter (Channel 6) each Sunday evening. The program format is preaching, Bible teaching, interviews, and music. Several pastors from the Buncombe Baptist Association have served as "Host" for the program.

We are very fortunate to have this time slot 8:00 - 8:30 p.m. each Sunday Evening. There is a cost to the programming--it is very low to the standard rates the cable companies charge. "Air" and Production time runs $75.00-$100.00 per program.

To continue the program "Buncombe Baptists Today" we need the financial support of the churches of the association. If your church could give $50.00 - $100.00 per month it will be of tremendous financial assistance to keep the program on the air.

Checks should be made payable to ACTS Board and mailed to the Buncombe Baptist Association, 227 Hazel Mill Road, Asheville, North Carolina 28806.

Please encourage your church to support this television ministry.

EVANGELISM COMMITTEE REPORT
OCTOBER 1997
Mike Smith, Chairman

The Evangelism Committee of the Buncombe Baptist Association is pleased to report that 1997 was a good year for us. The committee of seven men and one lady really worked hard to continue our program of outreach and evangelism. We are anxious to do all that we can so that every church in our association can experience both revival and growth through evangelism. We must reach the lost if we are to experience spiritual growth. We must strive to reach higher and further than ever before. Business as usual will not reach the world for Jesus nor will it reach Buncombe County.

The highlight of our year was the two tent revival crusades with evangelist Dr Jim Wilson preaching. He really did a bang-up job. Souls were saved, many rededications were made and there was one response to mission work. We say "Praise the Lord for these blessings."

As you read this report, and many of you experienced these meetings, let me remind you that all of us are indebted to a couple of men who went the extra mile to make these meetings the great success that they were. Please say a word of thanks and appreciation to them as you have opportunity.

These two men, Dr. Carl Mintz, Pastor of Skyland Baptist was the Chairperson for the South area meeting at the Western Carolina Agricultural Center near the airport. Reverend Roy Houston, Pastor of New Morgan Hill Baptist, chaired the West area meeting. The men worked hard. They enlisted good working committee members, which built excellent, active committees. Thanks to all of you! Another person that I must give recognition to is Don Welborn, Minister of Music at Calvary Baptist. He deserves a round of applause for the job he did with the music in the West area. I apologize to all those folks whose names I have not listed; God will reward you just as much as these mentioned!

Our plans for 1998 are already under way and our vision is even larger than 1997. Please pray for the Evangelism Committee as we seek the Lord's leadership and the direction that He wants us to move in next year. As we develop plans and promote evangelism for our Association, we cannot do it as a committee. Unless we have your support and prayers, we are of little effect.

God will always reward faithfulness and obedience. Your continued prayer support will help us do both. God bless!

DIVISION OF EVANGELISM, BAPTIST STATE CONVENTION
1997 REPORT
Milton A Hollifield, Jr., Division Director

With joy I report that North Carolina Baptists are continuing to experience progress in our evangelism efforts. Both our full-time staff and field staff consultants are leading a variety of evangelism training events in many associations as we encourage churches to learn and use

creative methods for doing evangelism. As a result of the prayers and labor by the members of North Carolina Baptist churches empowered by God's Spirit, baptisms in this state increased again for the third consecutive year. Based upon data taken from the Annual Church Profiles (ACP) and subsequent inquiries, total baptisms reported in 1996 were 15,674. This is a 1.9% increase over 1995. Many of our churches failed to submit an ACP and their baptisms are not recorded in this report. In addition to the numerous training events we conduct across the state each year, we also present a traditional statewide evangelism conference. The purpose of this event is to offer spiritual enrichment and motivation through dynamic preaching and outstanding music. This conference encourages church leaders to emphasize the importance of evangelism. In 1998 the State Evangelism Conference will be held at War Memorial Auditorium in Greensboro, February 2-3.

In cooperation with the Southern Baptist Convention, our theme for 1997-2000 in evangelism will be CELEBRATE JESUS 2000 (CJ 2000). This is a four-year plan to share a gospel witness with every person in the United States. The emphasis for this strategy will be: 1997 Prayer, 1998 Personal Witnessing, 1999 Proclamation and 2000 Preservation. Promotional packets related to CJ 2000 have been mailed to churches. Local associations have both a packet and a video to assist in this emphasis. Our goal is to touch every home in North Carolina with a gospel witness before the beginning of 2001. In addition to the Evangelism Division staff, special assistants known as Field Staff Consultants have been trained to help associations and churches in N. C. develop strategies which will enable them to achieve this goal. These specialists are available to assist in association or church evangelism planing, training and implementation.

When we recognize that 45-50% of the more than 7 million residents of North Carolina are not actively affiliated with any church, do we realize that we must penetrate our culture with the gospel of Jesus? The staff of the Evangelism Division is available to help reach these people with the message of Christ's redeeming love. Often, most newer members in our churches are coming as transfer members from other churches while we are failing in our responsibility to reach those who have no relationship with Christ. Look around your community! Discover where the unchurched are! Determine their physical and emotional needs. Develop attractive innovative ministries which will give you the opportunity to meet their spiritual needs through the power of Christ.

We are continuing in our efforts with the North American Mission Board (NAMB), Communication Services and Public Relations of Baptist State Convention to develop a plan which will allow us to broadcast more spot announcements via radio and television. This will enable us to highlight both a Christian message and our North Carolina Baptist work.

PERSONAL EVANGELISM

The work of our Personal Evangelism Department continues to grow under the creative and resourceful leadership of Nelson Searcy. Recently available is a new electronic magazine which contains articles, book reviews, educational materials, facts and trends in evangelism,. success stories from local church evangelism activities and ideas you can use. Subscribe today by sending an E-mail request to nsearcy@bscnc.org or call our office.

WITNESS TRAINING -- Exciting plans are being made to provide opportunities in 1998 for more Christians to become confidently equipped to effectively share their faith. Numerous personal witnessing approaches can be learned through BWR, CWT, WIN Schools, One-Day Soul Winning Workshops, People Sharing Jesus and others. To schedule a seminar or training program, contact the Evangelism Division.

JESUS VIDEO -- Another new and creative way for sharing the Gospel is available by using the new JESUS video produced by Campus Crusade. This two-hour film presents the story of Christ and then tells how the viewer can receive Jesus as Savior. Copies of this video can be purchased through the Evangelism Division for $5.00 each when purchasing more than 5 copies. It is available in several languages at an additional cost. This is an excellent way to saturate a new community, reach language groups or share the gospel with a friend through a video presentation. Individuals may wish to give copies to a video store to be placed in their family video section.

YOUTH EVANGELISM -- More than 2,600 youth and their leaders attended the Youth Evangelism Spring Thing and the two Youth Evangelism Weeks at N. C. Baptist Assembly. During these conferences, more than 2,050 youth were trained to share their faith. Also a total of 704 decisions were recorded which included 177 professions of faith, 465 recommitments, 25 special service and 27 other. SUPER SUMMER 1997 at Carowinds, another special youth evangelism event of the Evangelism Division, was very successful with more than 26,000 in attendance despite the rains and flooding resulting from "Hurricane Danny." More tan 2,822 youth recorded spiritual decisions during the worship celebration including 563+ professions of faith. The Personal Evangelism Department began offering a collection of ten Youth Evangelism Seminars (Y.E.S.) designed to assist associations and churches in reaching lost and unchurched youth in their areas. Many of these conferences were conducted across the state in 1997. Our staff is available and desirous to help association and church leadership plan youth evangelism events in your area.

STUDENT EVANGELISM TEAMS -- Our two student evangelism teams maintained their normally busy summer schedule of music and ministry for state, association and church youth events. They performed each day during our Youth Evangelism Weeks, Single Adult Evangelism Retreat at Caswell and SUPER SUMMER at Carowinds. The EVANGELS conducted three-day Youth Happening events for 16 associations and churches. Their ministry activities included music, drama, Bible studies, testimonies, recreation and personal evangelism. WITNESS presented 35 concerts in 29 churches in addition to their daily music and testimony concert ministry in youth conferences at Caswell, Mundo Vista, Baptist Children's Homes, and resort areas. Many youth responded during the invitations presented at each concert. Contact the Evangelism Division to request one of these youth evangelism teams for the summer of 1998.

COLLEGE/UNIVERSITY CAMPUS EVANGELISM -- We continue to work with the Youth and Campus Ministry Division and BSU Campus Ministers in offering witness training to Christian students on campus. Cooperative plans are also in process for a major statewide evangelism event which will target college students.

SINGLE ADULT EVANGELISM -- Each spring we sponsor an evangelism retreat at N. C. Baptist Assembly. In June, 210 singles of various ages enjoyed this conference which included equipping seminars, worship services and free time.

EVANGELISM DEVELOPMENT

We continue to expand the work of our Evangelism Department. During his tenure as a full-time employee, Ed Bullock opened new doors of partnership with N. C. Baptist Men as we moved three laity ministries under the Evangelism Division umbrella and joined efforts with the Baptist Men's Division. These are: North Carolina Baptist Lay Witness Foundation (NC BLW), Lay Renewal and Prayer for Spiritual Awakening. At the end of 1996, Ed Bullock retired from full-time status with the Evangelism Division, but continues to work part time as a Consultant. Some of his responsibilities include Executive Director of the Lay Witness Foundation and staff liaison with Lay Renewal. His voice mail is Extension 562.

EVANGELISM STRATEGIES -- In July of 1997 we produced a new three-volume set of training videos which accompany Darrell Robinson's third edition book Total Church Life. This is an excellent tool for developing a church vision which focuses on reaching people with the Gospel. We also offer a seminar entitled "Developing a Strategy for Evangelism in the Local Church." We are encouraging churches and associations to develop joint mission partnerships and crossover events to strengthen evangelism in selected local areas. Reaching the Cities, Towns and Villages is a strategy we have created to identify one or more people in every post office community who will lead a nucleus group of people in their respective areas in a mission of acquainting every person in their locale with the plan of salvation. Through computer technology, we now have the capability of supplying a church with a map of their community with designations indicating where church members, visitors and in-active residents are located.

MASS EVANGELISM, through the ministry of vocational and bivocational evangelists, has increased in1997. We provide a training and fellowship conference annually for our N. C. vocational evangelists. Another aspect of mass evangelism related to our large tent. Numerous associations and churches working in cooperative endeavors use this tent each year for mass evangelism events. In 1998 we will produce an attractive color booklet to help present the Gospel to some of the 25 million tourists who visit N. C. each year. As a part of CJ 2000 Baptist associations are encouraged to begin establishing plans now for area-wide evangelistic crusades in 1999.

INTERFAITH WITNESS -- With the fast growing international population of our state and nation, tremendous needs exist for helping Christians understand the spurious beliefs of non-Christian religious groups. This aspect of evangelism is rapidly becoming most important. Our division offers training in interfaith witnessing which can enable Christians to know how to share the Gospel with sincere religious people who have unknowingly been deceived. In addition, we maintain a list of specialists who have been certified to lead interfaith witnessing conferences in churches.

AMERICAN BIBLE SOCIETY
OCTOBER 1997
Margaret Tiller

"The purpose of the American Bible Society is to provide the Holy Scriptures to every man, woman, and child in a language and form each can readily understand and at a price each can easily afford. This purpose, undertaken without doctrinal note or comment, and without profit, is a cause all Christians and all churches are urged to support." This is the mission of American Bible Society.

From November 1, 1995 through October 31, 1996, the scripture distribution by Bible Societies and Bible Society Offices that form the United Bible Societies has been: 19,370,487 Bibles, which is a gain from 1995 of 1,619,505 Bibles and 12,157,875 Testaments, which is a gain of 902,661 up from 1995. The American Bible Society gives each person a Bible when they leave the United States to go to foreign lands as missionaries.

Half the world is waiting. More than 3 billion people have yet to own a Bible. Over one half the people in Russia do not have a Bible. The number of believers in China who have never had a Bible of their own is absolutely staggering--and growing every day. The demand in Africa is double what we have been able to meet.

"Planting Seeds of Hope" is our theme for Bible Sunday 1997. You can get a Bible Sunday Packet free of charge by calling 1-800-SUNDAY or fax to (212) 408-1360.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA
1997 ANNUAL REPORT
Glenn Stroud, Associational Representative

At the sound of a car in his grandmother's carport, Jason looked out the window, and was shocked to see his mother striding toward the house.

She was angry, and Jason shouted, "Lordy, it's momma," as he ran to the back bedroom to call the police.

Just 12 years old, Jason had lived in seven foster care homes and with his grandmother on and off since his father died seven years earlier. His mother's addictions cost her custody of her only son. For whatever reason, tonight she wanted him back.

Out of control, Jason's mother broke open the door and kicked grandmother to the floor. She grabbed her by the hair and "slung me around by the hair of my head," grandmother says, remembering.

Mother shouted for Jason to come out of hiding, and threatened to kill his grandmother. She grabbed a bottle, broke it, and held the jagged edge to grandma's throat, shouting that he would kill her if Jason didn't come out of hiding.

Just then Jason's arrived from a house next door, and held his mother's arms until the police arrived.

Six years later, grandmother beams with pride for Jason, who overcame that tragic, traumatic start in life. Jason garnered academic, athletic and leadership honors in a steady

stream at Tuscola High School in Haywood County and is starting college in August 1997 as a freshman at the Citadel.

At Tuscola, he was captain and MVP of the track and cross country teams and a conference champion, vice president for his senior class, Cadet Colonel and ROTC commander in a group of 115 cadets, in National Honor Society, in the top 10 percent of his class, attended leadership events at Western Carolina University and Washington, D. C., and was a peer helper and peer counselor.

At The Citadel he will study political science with a minor in military history and international affairs. He wants a military career as a fighter pilot, then to enter politics after retirement.

Jason credits Broyhill Home, his home since that traumatic night in his grandma's house.

"All the accomplishments of my life have been made possible by Baptist Children's Homes," Jason said at his final awards banquet at Broyhill Home, where he received top honors for the second year.

"Broyhill has made me into a young man with a future, who knows now where he is going and what he wants to do. They've opened the doors to enable me to do that."

As for grandmother, who was desperate to find a place for Jason after the incident in her house, she prays "every night and I thank God every night that we have a place like Broyhill Home and Baptist Children's Homes."

Jason's story is repeated hundreds of times each year at Baptist Children's Homes of North Carolina. Not all are as dramatic but every one tells of a young person and a family at the end of an unraveling rope and of BCH tying a knot in that rope and helping them to hold on.

At four residential campuses, six emergency care cottages, two homes for behaviorally troubled girls, a maternity home, a home for teenage mothers and their babies, therapeutic camping and model day care, 1,398 young people found help in troubled times last year.

During the past year BCH received $1.5 million through the Cooperative Program, and $714,000 through the Thanksgiving Offering. Total church gifts of $3.05 million comprised 25 percent of the BCH budget.

In June 1997 BCH successfully completed the $10.1 million "Light Their Way" Campaign to raise money for operations, capital needs and endowment. Two major priorities of the campaign will be completed in early 1998; the Winifred Lindsay Education/Administration Center at Odum Home in Pembroke, and the John D. and Amelia W. Johnson Cottage at Mills Home. A third priority, the Hubert M. Craig Lodge at Cameron Boys Camp, has been completed.

A New video, "Families Under Construction" is available to promote the 1997 Thanksgiving offering, which has a statewide goal of $750,000, the largest ever.

A model program for family preservation has been initiated at Mills Home in Thomasville. Two social workers are on staff to work intensively with families which are at risk of being separated, but who, with help, can overcome their issues and stay together.

Thomasville Area Director Bill Scarlett also is initiating ways for churches and their members to be directly involved on campus, from tutoring, to cooking, to spending early evenings giving personal attention to residents to free staff for more intensive counseling.

Baptist Children's Homes' work was featured in November on "The 700 Club" and in December on CNN. BCH also adopted a missions statement this year, which is "helping hurting children, healing broken families."

Wherever children are hurting and families are strained, BCH strives to heal.

NORTH CAROLINA BAPTIST HOSPITALS, INC.
1997 Annual Report

HOSPITAL HIGHLIGHTS

Since opening its doors in 1923, The North Carolina Baptist Hospitals, Incorporated has remained fully committed to the purpose of carrying out a ministry of healing as taught by Jesus Christ. It is this Christ-like spirit that has led patients such as Helen Keller to write: "When I was coming out from under surgery, they treated me with fine love, and I could feel it. I have been in places where it didn't matter how many times you pressed the call button, you would just lie there and wait, but the nurses at Baptist Hospital always came right away. If I ever have to go back to a hospital, this is where I would come."

Baptist Benevolent Care Fund

Baptist Churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1996 the MDO amounted to $456,497.00. It was used exclusively to help patients who had little or no health care insurance or other financial means to pay their hospital bills. From this past year's offering, over $200,000 was used to assist members of our Baptist churches. May God bless all those who gave so generously.

Division of Pastoral Care

During the year the Chaplains and Staff of the Pastoral Care Department provide worship services in Davis Chapel on Monday, Wednesday, Friday and Sunday for patients and family members. The Pastoral Care Department staff supervised 65 students during the year. They made more than 50,000 ministry contacts, an increase of 10% over the previous year.

CareNet, Inc. continues to grow. There are now 12 counseling centers located in strategic areas across the state. During the year these centers will provide over 26,000 hours of counseling.

The Center for Congregational Health, Inc., continues to expand its assistance to ministers and churches. Programs and assistance offered to churches include Consultants and Intentional Interims working with churches as they face the challenges of today. The Young Leader's Program helps in leadership development, and the Clergy Wellness Program, Turning Point, is designed to foster a holistic growth-approach to the individual minister's life calling.

Points of Emphasis and Progress

J. PAUL STICHT CENTER - In April the J. Paul Sticht Center on Aging and Rehabilitation opened the doors of a new 240,000 square foot state-of-the-arts building. Here services are provided to older adults. These services include a geriatric assessment clinic, Acute Care for the Elderly clinic, Alzheimer's disease and memory disorders clinic, osteoporosis clinic, geriatric gynecology clinic, a women's health center, education services, and a legal clinic for seniors. It houses a true "Day Hospital" for seniors--the first in the state--which provides therapy, examinations and rehabilitation as day-time treatment, eliminating costly overnight stays.

COMPREHAB - On November 4, 1996, the doors were opened to The Medical Center's new CompRehab Center. The 70,000 square-foot building houses a full spectrum of physical rehabilitation and related clinical services, including a Sports Medicine Center, Foot and Ankle Center, The Hand Center, Outpatient Physical Therapy Center, Spine Center, and the Neurorehabilitation Center.

TRAUMA CENTER - The Medical Center has the only designated Level I trauma center in Northwest North Carolina. In the trauma center our goal is for the patient to be in an operating room 10 minutes after arriving at the Emergency Department. Surgeons, anesthesiologists and staff remain on duty 24 hours a day to handle such emergencies.

TOPS IN RESEARCH - According to a report in the February issue of *Applied Clinical Trials,* Bowman Gray School of Medicine ranked in the top 10 U. S. clinical research institutions.

QUALCHOICE - Established by The North Carolina Baptist Hospitals, Incorporated. The Bowman Gray School of Medicine, and Wake Forest University, this managed care plan provides quality health care and patient physician choice. QualChoice is now able to offer coverage to ministers and church staffs.

WEB SITE - you can learn more about The North Carolina Baptist Hospitals, Incorporated by checking us out on our Web site at: http//www.bgsm.edu. Here you can find helpful information about nutrition, research, and the division of Pastoral Care.

A CLOSING WORD

In the midst of changing health-care norms, we will not deviate from the mission entrusted to us by the Baptist people of North Carolina. We stand fully committed to excellence and compassion, and remain visionary as we face the demands of the health care market. Under the providence of God, we will continue to find the ways and means to be successful without compromise.

THE BIBLICAL RECORDER
Associational Report--1997

These are "watershed years" for Baptists! Analysts almost daily remind us that the radical changes in society and the erosion of so much that has been precious to us in our religious life is creating a time of major "transition" as we Baptists and other church groups face the 21st century.

The Biblical Recorder tries to tell the whole story with a focus on the many positive things people are doing in their churches and world missions, along with the crucial issues which cannot be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. In the 164 years of state Baptist papers in North Carolina, never was the Recorder more needed than now for people to have the truth.

People are reading less than any time in recent history at the very time there is an increased number of publications and periodicals. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age, what some have described as an "information glut."

An informed Baptist is a better Baptist: no democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The Biblical Recorder should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better serve the constituency with accurate and helpful information.

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Recent and anticipated increases in mailing costs makes CNS a greater value now than ever before.

The paper deliberately focuses more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed. That is why the Recorder was born; that is why it serves today.

CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA, INC.
1997 Annual Report to the Associations
Bill Horton, Associational Representative

According to Dr. James Kennedy of Coral Ridge Ministries, approximately 6 million crimes are committed in the United States annually. Murder arrests of teens are up 92% since 1985; the number of 13-to 15-year-olds arrested for murder nearly doubled between 1982 and 1992; 1.6 million cars are stolen each year; America spends $39 billion a year on police protection, $29 billion on prisons and $10 billion on legal and judicial costs for criminal cases; drunk drivers cost us $100 billion a year, and drug abuse costs $40 billion a year. With these alarming statistics, the Christian Action League of North Carolina is constantly working to restore moral and biblical principles to our state and nation through the legislative process and the public education system and by assisting communities in our state with local battles for civic and moral righteousness.

A. *Christian Values*

- It was the pleasure of the Christian Action League to sponsor the Second Annual Christian Heritage Week in North Carolina, March 16-22. The League encouraged schools, churches and communities to recognize, commemorate and learn about the Christian heritage and history of our nation. We mailed information about a League sponsored essay contest to be written on America's Christian Heritage to all high schools (public and private) in the state and hosted an awards ceremony and banquet for the top state winners of that contest in Raleigh.
- Lobbied for and promoted SB 442, The American History Act. A bill that would allow public school teachers to read or display historical documents even though they contain religious references. This bill passed the legislature and is now a law.
- The League continued a project in 1997 to distribute copies of the Ten Commandments throughout North Carolina. To date, over 10,000 copies of these prints have been distributed.
- Promoted Sanctity of Human Life Sunday.

- Presented copies of Dr. Billy Graham's speech to the May 5, 1997, Joint Session of the General Assembly on audio cassette to members of the Legislature and offered copies through our newsletter. Dr. Graham was being honored for his tremendous worldwide contributions to religion, morality, racial equality and family.
- Promoted and worked for the passage of HB 511, Evolution Not Taught as Fact.
- Published *The Beacon* newsletter quarterly with circulation of 22,000. Kept concerned citizens informed on moral issues via e-mail, fax networks, church and civic club presentations.

B. Lottery

Lottery proponents felt this was the year to bring a state-sponsored lottery to North Carolina. The League, through letters, e-mail and faxes, kept the Christian community updated on lottery information and encouraged its members to contact their legislators. The lawmakers received a barrage of letters and calls from across the state saying that the lottery was a bad bet for North Carolina. The League will continue to monitor this issue as the session nears an end, but as of today, the lottery seems to have been defeated for another session.

C. *Sex Education*

Worked with Christian and pro-family groups to see that the state mandate for Abstinence Until Marriage education was implemented state-wide. Also supported efforts to insure that federal grant money was used to promote abstinence education.

D. *Abortion*

The League lobbied for and encouraged its members through Legislative Alerts to write in support of HB 303 and SB 536 (Ban Partial Birth Abortion), HB 594 (Fetus Death from Criminal Act) and HB 536 (Abortion/Woman's Right to Know). We offered the video "Reversing Roe" through our newsletter. This video tells the story of Norma McCorvey (Jane Roe) of the infamous Roe vs. Wade Supreme Court case who after 25 years and 35 million aborted babies tells of her transformation from an abortion industry pawn to a pro-life Christian.

E. *Homosexuality*

CAL supported efforts to strengthen the traditional family and addressed the radical homosexual agenda. Successfully lobbied against legislation that would have eradicated present N. C. law making homosexuality illegal. Offered the power and emotional video of Michael Johnston "On Wings Like Eagles." This video tells of Michael's 11 years in the homosexual lifestyle and his struggle between right and wrong and about forgiveness and grace. Michael is founder of Kerusso Ministries, an organization to help others struggling with this sin.

F. *Alcohol*

Monitored all legislation concerning alcohol and other drugs. Successfully supported efforts to strengthen current DWI laws. Worked with communities in helping them set up an organization to combat liquor referenda. Lobbied against SB 838 (ABC Tourism Resorts Permits); SB 837 (Sports Club ABC Permits), SB 447 (Lumberton Economic Development District) and HB 651 (Interstate Economic Zones). These bills allow alcohol sales without the vote of local citizens. Provided awareness, education and resource materials related to substance abuse problems to churches, communities, etc.

G. *Pornography*

Lobbied for SB 452 (Local Regulation of Adult Establishments) and notified citizens to contact their legislators and encourage them to vote for this legislation that would give local governments more control in regulating these establishments.

ASSOCIATIONAL BOARD MEETING, JANUARY 20, 1997, WEST ASHEVILLE BAPTIST CHURCH

Bill Higgins, Vice-Moderator, presided. Larry Sprinkle opened the meeting with prayer.

Mr. Higgins referred to the minutes as printed on pages 8 and 9 of the "Book of Reports." He asked for any questions or corrections to the minutes. There were none.

Howard Candler, treasurer, was recognized to give the financial report. He referred to the report, dated 12/31/96, printed on page 11 in the "Book of Reports."

Gayle Brown brought attention to the Church Development and Church and Community Ministries reports on pages 2-4. He also requested prayer for our association because we have 12 churches without pastors. We need to be much in prayer for these church search committees.

The three staff directors are making church visits on Sundays asking the pastor to give three minutes to bring greetings from the associations, to thank the churches for their prayers and support, and to offer assistance when needed.

He emphasized the importance of the Ministers' Conference which meets every Monday at the Resource Center and the Bivocational Ministers' Conference, which meets the third Tuesday of each month at the Resource Center. Both groups provide excellent opportunities for fellowship.

We have opportunity to do local TV programming on cable InterMedia Channel 10 and Charter Channel 6. The "Buncombe Baptist Today," a thirty-minute program, is aired on Sunday evenings at 8:00 p.m. The charge for this program is $25.00. Johnny Tiller requested that churches put some money in their budgets for ACTS to help pay for these broadcasts.

Curtis Richardson gave an update on the North Carolina/South Africa Partnership. This past year has been spent laying the foundation with the Eastern Province Baptist Association (EPBA). The requests have been coordinated with two other North Carolina associations who also have partnerships with EPBA. We have maintained contact with the two Southern Baptist missionary families located in Port Elizabeth and with David Reid, the local coordinator. The first request is for a construction team in the Northern part of the association in a church under construction and will include evangelism and surveying in that area. At this time, there is only four people definitely confirmed to go in April. The other request was for a person trained to do literacy training. Sue Buckner has agreed to fill this request.

Curtis then shared with us a FAX he had received this afternoon from David Reid. He then prayed for the first team who has committed themselves to go to South Africa.

Glenn Stroud, chairman of the Properties Committee, gave an update on work that has been done at the Resource Center. The mildew was cleaned off the wood around the windows, some of the wood was replaced, and then aluminum siding was put on. There is still a drainage problem in the back of the building. Hopefully, when the weather gets warmer, pipe can be installed to redirect the water. Painting needs to be done in the kitchen, worship center, and hallway leading to the worship center. Bids will be put out to do painting in these sections. The committee is still looking into several options for additional storage space.

Gayle submitted a request from the Emmanual Baptist Fellowship, a mission of Merrimon Avenue Baptist church, organized in 1993. They are presently meeting in the Seventh Day Adventist Building in the Erwin Hills Section of the county. They are requesting financial assistance from the Baptist State Convention of North Carolina in the amount of $5,100 for the year of 1997. Gayle made the motion that this request be affirmed, Johnny Tiller seconded, and the vote to honor this request was unanimous.

Howard Candler requested that we be much in prayer about legalized gambling. He suggested that we let it be known that we are opposed to legalized gambling.

There being no further business, a motion to adjourn was made by Howard Candler.

Respectfully submitted,
Nancy Owen, Clerk

ASSOCIATIONAL BOARD MEETING, MONDAY, APRIL 21, 1997, WEST ASHEVILLE BAPTIST CHURCH

Bill Higgins, Vice-Moderator, presided. Jackie Collins opened the meeting with prayer.

Minutes are printed on pages 11 and 12 in the "Book of Reports" and persons were encouraged to read them. They were approved as printed.

Barbara Wright, Financial Secretary, gave the treasurer's report for March and the first quarter of the year. This report was printed on pages 13-15. Designated receipts (such as Softball, Youth Choir Retreat, and the SBC Convention) showed an increase in receipts for the month. The interest rate for April will be 8.50%. Year-to-date receipts from the churches were $73,917.51, an increase from $69,070.64 of receipts from churches for the first quarter 1996.

Gayle Brown directed the group's attention to reports from the Director of Missions, Director of Congregational Development, and the Director of Church and Community Ministries as printed on pages 1-5 of the "Book of Reports."

He indicated that Associational Missions Emphasis Week was May 18-25. He further stated that the Finance Committee and the Blue Ribbon Committee were recommending that a "Love Offering" be taken by our churches On May 18 or May 25 to help reduce the debt on the Resource Center. Special envelopes would be available at the Resource Center for those churches wishing to participate.

Glenn Stroud, chairman of the Properties Committee, updated the group on the painting that has been done at the Resource Center. Laughter and Son painted the front hall, worship center, and kitchen. They also agreed to block paint some space in the mechanical room, the hall in the office wing and the large conference room. The cost of the paint job was $2,192.

Storage space at the Resource Center continues to be a problem. At this point, we will not be able to pursue the purchase of the adjoining land with the house on it. The committee is looking at the possibility of putting an additional building, 20'x30', on the property. Presently, we are renting space to store items for the fair and other ministry projects.

Curtis Richardson reported that the request for a construction team to go to South Africa had not materialized. However, Sue Buckner and her sister have been in South Africa doing two weeks of literacy training and had decided to stay an extra week for sightseeing. A new request has been received for an evangelistic team to work just outside of Port Elizabeth. Details will be finalized and information will be sent to the churches before October or November.

Gayle introduced Steve Harris, Associate Pastor at Bent Creek. He shared with the group some of the new work stations that have been started and developed from Bent Creek Church. Hispanic Bible Study has grown into a self-sustaining church meeting at New Hope Baptist Church on Haywood Road. Russell Hilliard is pastor. A leadership training and mentoring team has been started. Randall Piacenti has gone to Maggie Valley to pastor full time, Mario Rodriguez has planted a new church in Transylvania and Madison counties, and Ed Robertson continues to work at the Dreamland Flea Market Chapel. Steve feels led to start a new church in the Asheville area focusing on reaching the unchurched, targeting ministries for different age groups, establish a missions organization to participate fully in the SBC; and focus on church planting. Another aspect being considered would be to assess church planters--bring them together to train them for a week or so to bond with the people.

Bent Creek Church will support through encouragement and prayers; but because of the transition time without a senior pastor and a somewhat weakened financial position, the church could not take on full responsibility of sponsorship. The church has agreed to let the new fellowship use its tax ID# while they are applying for their own. Hank Lueck will be praise and worship leader.

Recommendation was made to request from the Baptist State Convention funds to provide $5,200 in salary and $2,400 for building rental. Steve has met with Ken Holland, a consultant in the Church Growth Division of the Baptist State Convention of North Carolina. Question was asked about possible meeting location. Steve responded that they had been offered the use of Foster Memorial Seventh-Day Adventist Church (near the Buncombe County Sheriff's Department on Hendersonville Road) beginning June 15 for a three-month trial period. However, their focus seemed to be more in the east and north directions because of the core families living in these areas. At the present time, there is no specific meeting place.

The motion to accept this recommendation was made by Jackie Collins and seconded by James Lamb. The vote was unanimous.

Meeting was adjourned. James Lamb dismissed the meeting with prayer.

Respectfully submitted,

ASSOCIATIONAL BOARD MEETING, MONDAY, JULY 21, 1997, WEST ASHEVILLE BAPTIST CHURCH

Bill Higgins, Vice-Moderator, presided. Johnny Tiller led the opening prayer.

Mr. Higgins noted that the minutes were printed on pages 10 and 11 of the "Book of Reports." Quick reference to them indicated there were no corrections nor additions.

Howard Candler, treasurer, gave the financial report, printed on pages 12-15 of the "Book of Reports." Barbara reported that the love offering received from the churches would be close to $11,000. Gayle reported that a person, requesting to remain anonymous, had made a donation of $35,000 toward debt retirement. Actual figure was $35,298. This leaves a balance of approximately $84,000.

Gayle Brown referred to the "Director of Missions Report " on page 1 of the "Book of Reports." He specifically referred to paragraph four. In spite of changes in the SBC, state convention and association, we must continue to focus on missions and ministries in helping to equip and train our pastors, staff and laypersons.

Carolyn Charles referred to the "Church and Community Ministries Report" on page 2 of the "Book of Reports." Several missions teams have been working in community centers, apartment complexes and trailer parks. She recently spent a week at Camp Mundo Vista as a home missionary.

Ron Kiser, referred to the "Congregational Development Director's Report" on page 7 of the "Book of Reports." Reading Acts 11:22, he underlined the tasks of congregational development: (1) Enter into church fields and minister to the people; (2) Exhort/encourage the churches in doing what God wants them to do and to vision or re-vision; (3) Evangelize (4) Enlist and (5) Edify.

Curtis Richardson updated the report on the North Carolina/South Africa Partnership. An official request has been received from Port Elizabeth and the process has begun to fill this request. Caldwell and Columbus Associations will be joining with Buncombe to recruit 4 from each association. Curtis has been in contact with David Reid who is presently serving with the International Mission Board. Curtis reported that he and his family would be moving to Missouri to enter into a new area of ministry. He has resigned his pastorate at Arden First Baptist Church, effective July 31, 1997, and therefore would be resigning as coordinator of the North Carolina/South Africa Partnership. Gayle Brown will serve as interim coordinator.

Wayne Higgins led the closing prayer.

Respectfully submitted,
Nancy Owen, Clerk

EXECUTIVE COMMITTEE, SEPTEMBER 22, 1997, 11:15 A.M. BAPTIST RESOURCE CENTER

Those Present: Jimmy Sides, Martha Hicks, Earl Moseley, Shelby Horton, Etheline Branch, James Lamb, Barbara Wright, Roy Houston, Hilton Moore, Roy Denton, Harold Savell, Buddy Corbin, Hatcher Elliott, Clarence Vassar, Howard Candler, Glenn Stroud, Lester Crayton, Ronnie Owen, Gail Harding, Nancy Owen, Gayle Brown, Carter Pounders, Jr., Ron Kiser and Scott Mercer.

Gayle reported that Carolyn Charles, Director of Church and Community MInistries, has submitted her resignation effective December 31, 1997. A reception will be held in her honor on Sunday, November 23, 1997, at the Resource Center from 3:00-5:00 p.m. A brief program will

be presented at 4:00 p.m. Jane Allison is chairman of the committee to develop the plans for this reception.

Gayle further stated that the position of Director of Church and Community Ministries is a cooperative effort between the Association, North Carolina Baptist State Convention and the North American Mission Board. A Search Committee will be named from the association who will work closely with the State Convention and the North American Mission Board in naming a person to fill this position. It is important that we work closely with these entities in order for this person to be eligible for insurance and salary assistance.

The moderator recommended the following persons to serve on the Search Committee to secure a person to fill the position of Director of Church and Community Ministries. Harold Savell, Chairman,

Jackie Collins, Edgar Ferrell, Carol Dalton, and one other person yet to be named. Seconded was made by Howard Candler. The vote was unanimous to elect this committee.

Moderator Jimmy Sides recognized Lester Crayton, a member of the Evangelism Committee. Reverend Crayton brought a recommendation from the Evangelism Committee that Carter Pounders, Jr., be given the privilege of conducting a Youth "Tent" Celebration (Revival) on the Buncombe Baptist Resource Center property (the field across from the parking lot) to begin the first Saturday in May 1998 and continue the first Saturday of each month until September 1998. A tent would be erected and remain on the property Friday - Monday. The worship center would be used for counseling persons making decisions. A group called "The Fold" will present a concert each Saturday evening and Carter will preach an evangelistic message.

The tent celebration would be planned, coordinated, and financed by Asheville Buncombe Youth Ministry of which Carter Pounders, Jr. is Director. Gayle Brown gave background information on the request and stated that Asheville Buncombe Youth Ministry must provide a certificate of insurance, control traffic patterns, and be responsible for clean up. A suggestion was made that Carter present to the Association a proposal, aim, and goals of this event. After discussion, a second was made by Shelby Horton and the vote was taken. The motion passed and the request was approved.

Roy Denton, Chairman of the Finance Committee, was recognized to present the 1998 Proposed Budget. He gave an overview of the proposed changes. Total overall increase was 4.3%. He made a motion that the proposed budget be approved. The vote to adopt the proposed 1998 budget was unanimous.

Gayle expressed words of appreciation to Roy and other members of the finance committee for their time and work during the past year.

The meeting was adjourned. Buddy Corbin dismissed the meeting with prayer.

Our question should not be "Can I afford it," "Do I want to give up my vacation?" "Do I want to go that far?" but "Lord, what would you have me do?" He then showed slides of areas making official requests. Time was given for questions and answers. Ushers were stationed at the doors to receive a freewill offering to help toward the beginning expenses of the partnership.

The second session of the 116th annual meeting was held at Biltmore Baptist Church. Light refreshments were served at 5:30 p.m. Biltmore Church Choir opened the session at 6:30 p.m. by singing "Ancient of Days." Carl Setterlind, Minister of Music, Biltmore Baptist led the congregation in a Praise Medley. Scripture from Matthew 16: 13-19 was read by Art Fowler, Pastor, Grassy Branch Baptist . He also led in the opening prayer. Reverend James Walker, Pastor of Biltmore Baptist, welcomed the messengers.

Randy Melton gave the report from the Committee on Committees as printed on pages 22-27. Frank Hopkins, a member of the Nominations Committee, gave this committee's report as printed on pages 28-33. He nominated Jimmy Sides as Moderator, Bill Higgins as Vice-Moderator, then asked for other nominations. There were no other nominations and these men were elected respectively. The Nominations Committee report was accepted as presented.

Carl Setterlind led the congregation in singing "Victory in Jesus."

Howard Candler, Treasurer, gave the financial report (January 1 - September 30, 1997 as printed on pages 96-99). Lee Roy Denton, Chairman of the Finance Committee, presented the Proposed 1998 Budget (printed on pages 101-103). Total increase was 4.3%. He made a motion that the Proposed 1998 Budget be accepted as presented. There were no questions or discussion. By standing vote, the 1998 Budget was approved.

Reverend James Lamb, Chairman of the Associational Strategy Planning, gave a report on the association at work. He recognized the committee members: Steve Ackerman, Charlie Sams, Jackie Collins, Paul Talmadge, Buddy Corbin, Tim Lolley, Peggy House, Gayle Brown, Ron Kiser, Carolyn Charles, Nancy Owen and Barbara Wright. He stated that Carolyn Charles, Director of Church and Community Ministries Director had resigned, effective December 31, 1997. A search committee seeking a replacement for her had been named. Harold Savell is chairman of the search committee. Other members are: Edgar Ferrell, Jackie Collins, Carol Dalton, Sally Duyck and Jimmy Sides, moderator, *ex officio*.

A reception is planned for Carolyn on Sunday, November 23, 1997 at 3:00 - 5:00 p.m. at the Baptist Resource Center.

The Association Strategy Planning Committee has recommended the changes in the constitution and bylaws, which will be voted on tonight. Committees have been appointed to study the structure of the association, study our association's missions statement, and to study other associations. We want our association to become more relational, effective and efficient. Charlie Sams will serve as a liaison person on the personnel committee.

Charlie Sams, chairman of the Place and Preacher Committee, recommended that the 117th Annual Meeting be held on Monday, October 12, 1998, at Starnes Cove Baptist Church and on Tuesday, October 13, 1998, at Victory Baptist Church. The preacher would be Steve Harris, Pastor of Trinity Baptist Church in Fairview and the alternate would be James Lamb, Pastor of Grove Stone Baptist Church.

Hilton Moore, chairman of the Membership Committee, recommended that the Vance Avenue Baptist Church be recognized with full membership in the Buncombe Baptist Association effective October 14, 1997. Further recommendations from the committee were that the New Life Community Church, pastored by Steve Harris, and the Asheville Community Church, pastored by Reverend Mike Cobb, come under the watchcare of the Buncombe Baptist Association for one year as of October 14, 1997. (The full committee's report is printed on page 59 in the "Book of Reports.")

Aubrey Folk, chairman of the Resolutions Committee, moved the adoption of a Resolution of Appreciation (printed at the end of the proceedings) to host churches and annual meeting program participants. The resolution passed.

Harold and Dot Blankenship shared with us the importance of the Cooperative Program. Going into all the world to preach the gospel involves going and sending--that's the real meaning of the Cooperative Program. There are five ways the Cooperative Program is practical to the individual believer: (1) Enables individual believer to answer the call that God has placed on his heart; (2) It is a means whereby we can carry out the "Great Commission." When I give my money, I give part of myself to share missions at home and abroad; (3) Fosters a joining together of resources for world evangelism; (4) Cooperating together in going and sending keeps the world in our hearts; and (5) If the Cooperative Program is under God, it can bring real joy to each individual heart.

Reverend Cecil Fox, Annuity Board Representative, made a recommendation that the Buncombe Baptist Association encourage each church and each pastor to receive a love offering on Annuity Board Sunday (which is set aside the fourth Sunday in June each year) for the purpose of supporting the "Adopt an Annuitant Program." It's an opportunity to reach out with practical love to retired Southern Baptist ministers, workers and their widows with financial need. The recommendation was approved.

Johnny Tiller, speaking for the ACTS Board, encouraged people to contribute money to keep "Buncombe Baptists Today" on TV every Sunday evening.

Shelby Horton, chairman of the Constitution Committee, recommended the adoption of the proposed constitution and bylaw changes as submitted at Monday evening's session. There was no discussion or questions. The vote was unanimous to accept this recommendation.

Gayle recognized Reverend David Reid from the Eastern Province Baptist Association in South Africa is the Area Coordinator for the South Africa/North Carolina Partnership Missions. David shared his concern and need for his people to hear the gospel of Christ. Gayle introduced Reverend Gene King, Pastor of Liberty Baptist Church. Gayle recommended that Gene be our coordinator for the Buncombe Baptist/Eastern Province/South Africa Partnership. The vote to accept this recommendation was unanimous.

Gayle then recognized the associational staff and expressed thanks for their work.

Carl Setterlind then led the congregation in singing "Worship the King Medley."

Gordon Ball, a member of the Memorials Committee, presented that committee's report. Since our last annual meeting, 283 members were deceased. Of these there were 9 deacons, 1 retired foreign missionary, 1 retired home missionary, 1 chaplain, and five pastors. Reverend Ball made a motion that the 1997 Buncombe Baptist Minutes be dedicated to the following: Reverend Deaver Lawton and Mrs. Aileen Fair from Ridgecrest Baptist; Chaplain Dan Blake, Freedom Baptist, Reverend Robert Clayton, Berea Baptist; Reverend C. R. Pierce, Beverly Hills Baptist; Reverend Joe Sprinkle, Oakley Baptist; Reverend Ford Davis, Turkey Creek Baptist; and Reverend James Higginbotham, West Asheville Baptist.

Johnny Tiller shared the scripture from Matthew 28:19-20 to focus on Growth in Discipleship. Being grateful for those who have gone on to be with the Lord, we must thank God, too, for those new persons who have become a part of us. Four ways to do this are : (1) Celebration for those new souls who were baptized or have joined our church fellowship; (2) Introduction of those people to our church fellowship; (3) Indoctrination into the Christian life and how we, as Southern Baptists, are involved in missions all over the world; and (4) Teaching them to become soulwinners.

The Biltmore Church Choir then sang "Midnight Cry."

Jimmy Sides introduced our speaker for the evening. Dr. Jerry Pereira is the pastor of the First Baptist Church of Swannanoa. His message title was: "The Church: A Golden Past and a Glorious Future." His scripture passage was Matthew 16:13-19. We can speak a good word about the church because of (1) Its Founder--Jesus Christ; (2) Its Function; (3) Its Fruit; and (4) Its Fellowship. The "Glorious Future " of the church is that Jesus is coming again.

Scott Thompson, Pastor of Emma's Grove Baptist Church, led the prayer of commitment.

A RESOLUTION OF APPRECIATION

WHEREAS the Buncombe Baptist Association has met in annual session with the support of the churches of the Association, denominationa lagencies and individual leaders and messengers; and

WHEREAS the membership of First Baptist Church, Swannanoa, and Biltmore Baptist Church, along with their pastors, Dr. Jerry Pereira and Reverend James Walker and their church staffs have graciously hosted the sessions; and

WHEREAS the Moderator, the Reverend Jimmy Sides, and the Director of Missions, the Reverend Gayle Brown, the staff of the Buncombe Baptist Association, Carolyn Charles, Ron Kiser, Nancy Owen, and Barbara Wright, and speakers, musicians, and responsible committees have invested great effort in planning and conducting these meetings for the purpose of equipping and inspiring the churches for a more effective Christian ministry to our community and world.

BE IT THEREFORE RESOLVED that the Buncombe Baptiat Association meeting in its 116th annual session, affirms its gratitude to these and all who have contributed to the success of this annual meeting.

To: Board of Directors
Buncombe Baptist Association

We have reviewed the financial records of the Buncombe Baptist Association as of December 31, 1996. All information included in these financial statements is the representation of the management of the Buncombe Baptist Association.

A review consists principally of inquiries of analytical procedures applied to financial data. It is substantially less in scope than an examination in accordance with Generally Accepted Auditing Standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with Generally Accepted Accounting Principals.

CONSTITUTION AND BYLAWS

PREAMBLE

We, the members of Missionary Baptist Churches in the County of Buncombe, State of North Carolina, and territory adjacent hereto, do hereby propose to establish and maintain the principles and rules of order of a district association in conformity to the following plan:

ARTICLE I --NAME

The name of this body shall be the Buncombe Baptist Association, Inc.

ARTICLE II--PURPOSE

The purpose of Buncombe Baptist Association is to promote unity, fellowship, and cooperation among the families of Baptist churches in Buncombe County, and to provide resources, opportunities and coordination in leading the churches in achieving the mission of Christ throughout the world."

ARTICLE III--MEMBERSHIP

SECTION 1. The Association shall be composed of cooperating Baptist Churches in the area of the Association. A cooperating church is defined as:

(1) A church which makes an annual report to the Association on forms provided by the Association through the clerk.

(2) A church which endeavors to contribute regularly to the support of the associational budget on a monthly, quarterly, or annual basis.

(3) A church which sends duly elected messengers to the annual associational meeting and duly elected members to the associational board meetings.

SECTION 2. The Association shall be sole judge of its membership and may receive churches or reject churches, according to its Constitution and Bylaws. Member churches may also withdraw as they desire.

SECTION 3. Churches desiring membership in the Association shall apply to the Membership Committee and, if recommended by this committee and accepted by the Association in annual session, shall agree to come under the watchcare of the Association for a period of one year. Any church requesting membership in this Association shall be required to attach to their petition for membership a copy of the Articles of Faith and Church Covenant as adopted by the church at its organization or before filing its petition for membership. At the end of one year, upon recommendation of the committee, membership within the Association of such churches shall be determined by vote of the Association in annual session. During this period such churches shall be entitled to all rights and privileges of the Association except their members shall not hold office nor vote.

ARTICLE IV--MEETINGS

SECTION 1. The Association shall meet annually on Monday and Tuesday evening after the second Sunday in October.

SECTION 2. Special meetings may be called by the Moderator or Executive Committee provided two weeks' notice is given to the member churches.
SECTION 3. Each church shall elect annually, in addition to the pastor, one messenger to the meeting of the Association for each 50 members of the church, provided each church shall have not less than three nor more than 10 messengers. These shall constitute the voting body of the Association. The names of the messengers printed in the Minutes shall include only those attending and registering at the Associational meeting.

ARTICLE V--AUTHORITY

DIRECTOR OF MISSIONS REPORT
October 1998
Gayle D. Brown, Director of Missions

Buncombe Baptists are moving forward as a new century is only thirteen months away. As the year 2,000 nears, Buncombe Baptist Resource Center will provide resources to meet the many demands the churches will have.

In the past two years we have filled two important staff positions. Ron Kiser is now the Director of Congregational Development and Norma B. Melton is Director of Church and Community Ministries. Ron and Norma are well qualified to fill these positions and are doing a great job. Nancy Owen and Barbara Wright give a strong foundation to all the association ministries and work. We have an excellent team available to help all pastors, church staff, and lay people of our churches.

We are moving closer to "paying off" the Baptist Resource Center. If all goes well, we should pay the debt off by June 1999. In 1992 we borrowed $450,000. Churches, individuals, and businesses have done exceedingly well over the past seven years. **Churches are strongly encouraged to continue their level of giving after the debt is paid off. The association ministries are growing each year.**

We have been updating our computers during the past several months. Rick Ramsey has been of tremendous help serving as a consultant with all staff members to help meet our computer needs.

The Association Strategy Planning Committee continues to lead us during these days of change and transition with association work. Restructuring of committees and councils of the association is a necessity if we are to be effective in the next century. Rev. James Lamb, chairman of the ASP, is giving good leadership in this area.

We, as an association, must stay focused on our mission. Our mission statement must state our purpose for existence. All areas of association work must seek to share Jesus Christ, equip and train people in Christian discipleship, and meet the needs of people in the name of Jesus Christ.

May God give us the grace to do that as we cooperate and work together in kingdom work!

CONGREGATIONAL DEVELOPMENT REPORT
October 1998
Ron Kiser, Director

As the Association's annual meeting draws near, we have many things for which to be thankful. The year began with a search for a CCM Director, and the Lord worked through His people to raise up Norma Melton to fill this vital post. During the winter, the Association expanded its sports ministries to include a Youth and Men's Basketball league, which was graciously hosted by Woodland Hills Church. In March, we had our first LEAD.R Conference, where we offered more than 20 leadership training events on a single Saturday. April saw our churches respond wonderfully to an appeal for a World Hunger relief in North Korea, just as the churches had previously responded to needs in neighboring Yancey, Avery and Mitchell Counties. April was also highlighted by the performance of the Buncombe Baptist Association Youth Choir's presentation of *Any Road, Any Cost.* In the summer months, Mission Camps, the "Celebrate Jesus Crusade," Vacation Bible Schools, and the Mountain State Fair Ministry brought a great harvest of souls into the Kingdom. In September, we offered an additional training conference with leadership courses offered in Sunday School work, missions education, youth and music ministries. September also has seen the launching of SURGE, an exciting Bible study ministry aimed at helping our churches start new Sunday School classes and other Bible study groups.

We are grateful for the way our churches support these ministries. I am also grateful for the many churches that have given me an opportunity to preach, teach and work in and with the local congregations. God has moved in a mighty way through these and other Association ministries this year, and we praise Him for all of it. As we gear up for the coming Association Year, we just can't wait to see what God is going to do among Buncombe Baptists in 1999 and in the new century and new millenium!

CHURCH AND COMMUNITY MINISTRIES REPORT
October 1998
Norma Melton, Director

Dreamland Flea Market Ministry, Dan Nichols, Chairman, Flea Market Committee: The Dreamland Flea Market no longer exists. The owners, Joe Pless Family, leased the property to Lowe's. Plans are to expand Lowe's, which is located on South Tunnel Road. The Flea Market Chapel was dismantled with the assistance of Reverend David Clark and several volunteers. Windows, doors, heater, and other usable items have been saved and stored in a safe place. Plans are under way to build a new Flea Market across the Swannanoa River with the new owner Mr. Bob Mayhew.

At this point and time we cannot predict when the new Flea Market will open. The new owner has assured us when it does open, he would like to see the Flea Market Ministry

continued. Please pray for God's leadership in this ministry. Many lives have been touched and ministered to through the Flea Market Ministry.

Rest Area Ministry: One of the most rewarding ministries the churches of the Buncombe Baptist Association are involved in is the Rest Area Ministry. Literally hundreds of people are ministered to on two holiday weekends. Starting on a Friday afternoon at 6:00 p.m. around the clock until Saturday evening at 6:00 p.m. refreshments are served to travelers, tracts given out, and Jesus is shared. This past year the I-26 Rest Area was closed for repairs. It is now open and we look forward to a great ministry in 1999.

Angel Tree Christmas Project: This is a project coordinated with the Prison Fellowship to sponsor inmates' children with Christmas toys and clothes. Sponsoring a child includes giving two gifts of the child's choice up to $40 per child. Gifts are taken to the child's home and presented in honor of the parent who is incarcerated and in the name of Christ. Applications have been received and some churches are already calling to receive names of children they can sponsor. If you are interested in participating in the Angel Tree Christmas Project, please call Norma Melton (252-1864).

Bele Chere: The Bele Chere Ministry is growing every year. This celebration is one of the southeast's largest street festivals. Buncombe Baptists have been ministering each year at Bele Chere sharing the good news of Jesus Christ. Forty people were involved in ministry this year. These wonderful volunteers came from the following churches: Newfound, Emma's Grove, Arden First, Calvary, Victory, Swannanoa First, Maple Ridge, Buckeye and Oteen. Twenty-five five-gallon jugs of cold water were given out, one hundred and fifty plus diapers were changed, and hundreds of tracts and balloons, stickers, and printed materials were distributed. **23 decisions for Christ were made.** We are thankful to God for this ministry and for all the volunteers who assisted this year. A special thanks to Dot Creasman, Kester and Etheline Branch, Wade Caldwell, Lee Reedy, and Ray Jenkins. These folk did a super job making sure everything went well at this year's Bele Chere Festival!

Mountain State Fair: Months of planning by the Fair Task Force culminated in a successful ministry from September 10-20 at the 1998 Mountain State Fair. Over five hundred volunteers from several associations joined together to minister at the Break Tent for the James Drew Carnival workers or at the Missions Booth, Disaster Van, or the Medical/Dental Van.

In addition to those who served as volunteers working at the fair, many in churches contributed in other ways such as providing hygiene kits, making bears for use with children, making witness bracelets, donating money for prescriptions and other needs, and donating clothing and blankets.

As the fair came to a close, the carnival workers expressed their thanks for our presence among them. They presented a love offering to the ministry and signed cards expressing their appreciation for the love, respect and concern that was shown to them in Jesus' name.

Literacy: Tutors were made available in the ministry area of adult reading and writing and in the ministry area of conversational English.

The tutoring children and youth ministry continued at Black Mountain First Baptist Church, under the direction of Jane Allison. Also, this ministry continued at the Oakley Methodist Church, under the direction of Deborah Houser. Efforts were made to expand this outreach program to other churches.

The "Read Me a Story" program continued at the Women's Correctional Center in Black Mountain. The purpose of this program is to assist inmates in reading a book on audio tape and sending the book and tape to the children from whom they are separated.

Efforts continue to be made to supply tutors to persons on probation who need help preparing for GED tests at the Buncombe County Jail.

REACHING-TEACHING MINISTRY REPORT
October 1998
Steve Ackerman, Director

As the world rushes headlong into a new millennium, many people live in the light of Christ, but many others in our nation, and specifically in Buncombe County, are dying in the darkness of sin. After more than two centuries, in most churches Sunday School continues to involve the largest number of people in evangelism and discipleship—that is reaching and teaching. Despite all the name changes in our convention in recent years, we are still "The Great Commission School of a Church."

The ACTeam (formerly ASSISTeam) has been very active receiving training and then offering training in two LEAD.R workshops this year—in March at Woodland Hills, 21 courses were offered; and in September, 17 courses were offered. The ACTeam has been enlarged to be truly an available consultant team as well as a conference leading team. Although we are called the ACTeam, our goal is to assist our churches in any way we can to accomplish their goals of reaching and teaching.

DISCIPLESHIP AND FAMILY LIFE REPORT
October 1998
Dorothy Doi, Discipleship Supporter

Everybody needs it! The potential for discipleship is tremendous. The challenge is helping our church members realize that what we can or do offer what they need. Next time you visit the Resource Center, browse in the Discipleship areas. You might be surprised at how much of a wide variety for all ages is available. And, if you borrow the materials from the association, your cost is zero! Or you can test-drive the resource before purchasing your own.

Other resources available through the association may not be visible at first. These resources come in the very human forms of your Discipleship Supporter, Dorothy Doi; assistant, Phil Dillingham; and the Director of Congregational Development. Dorothy can be contacted at Grace Baptist Church where she is Minister of Family Life. Other human resources appear seasonally—Spring and Fall LEAD.R workshops, for example. Wonderful seminars are offered each summer at Ridgecrest, and the commuter fees are very reasonable. We can also network to assist you with who has taught, trained, or is available

to help with particular studies. We would like very much to aid you in fulfilling The Great Commission. Do you remember whom it is that Jesus has called us to make? DISCIPLES.

ASSOCIATIONAL BIBLE DRILL

What could be better than children memorizing Scripture and learning to locate the books and key passages? Bible Drill is also a lot of fun. The annual competitions let the children shine, fellowship, and play together. The children put most of us adults to shame by their Bible proficiency. Some tentative dates for **1999** are January 25 training event, February 15 planning event, and March 20 or 27 associational drill. A fall kick-off for Bible Drill and Bible Buddies may be offered October 23. Kathy Burris continues to give loving service as your Associational Bible Drill Director. She is an experienced resource with a true heart for this ministry.

WOMAN'S MISSIONARY UNION REPORT
October 1998
Martha E. Hicks, Director

This year our theme has been "Come Go with Me." Come dream with me, train with me, pray with me, minister with me in our Association and around the world. Our watchword was "Which of these three do you think proved to be a neighbor to the man who fell into the robber's hands? And he said, 'the one who showed mercy toward him.' And Jesus said, 'Go and do the same'" (Luke 10:36-37 NASB).

Our annual meeting in April was held at the Resource Center and was a good session. Mrs. Sue Kavli, Southern Baptist missionary to Thailand, was our speaker and brought a challenging message. Brother Russell Hilliard spoke to us about his work with the Spanish people in our area. Our SBC Project-Help this year was "Cultural Diversity" and our WMU Council and Cultural Diversity Committee has been working hard in this area. Mrs. Marie Clontz and Mrs. Dot Carter are co-chairmen of this committee. The committee and members of the WMU Council visited the Spanish Mission at the Bent Creek Church and we had a wonderful time worshipping and singing together—their Spanish members were great! Afterwards we served refreshments to the group. The Committee has plans to visit other internationals in our area. Also, on November 2, we will have a time of celebration and prayer as we join with other Baptists around the world on this World Day of Prayer. This will be held at West Asheville Baptist Church at 7:00 p.m. In the past, we have had a meeting in each of the nine districts, but this time we will all meet together. Our Spanish, Korean, and African-American friends will have part on the program.

This past year our association WMU leadership team (WMU Council) has met four times for planning and evaluating. Our churches have observed the Weeks of Prayer for home, foreign, state and associational missions and offerings were taken.

Mission Camp was held for girls and boys this year at Camp Truett in Hayesville. We have had good reports from our camp leaders.

WMU is sponsoring 15 mission projects this year, In several of these, we work with the Church and Community Ministries Director. Each year our association has many, many volunteers working in the various places of need. As Dot Blankenship says "missions

involvement is the very heart of missions." Let us continue working together in our missions endeavor here and around the world.

Word has come to us from the International Mission Board that our 1997 Lottie Moon Christmas Offering was the largest ever received. The amount was $100,064,318.10. The last time we met the Lottie Moon Offering goal was in 1981.

May God bless each of you as we rejoice in what the Lord has done in our lives, our churches, our association, and around the world.

BROTHERHOOD REPORT
October 1998
Wayne Higgins, Director

The Baptist Men and RAs in our association have experienced another exciting year of ministry and missions. Following are some of the activities in which they have participated.

1. On January 25 many of our churches and men participated in Baptist Men's Day.
2. Many of our men and leaders in Baptist Men attended the Baptist Men's Convention, which was held on January 30, and 31 in Raleigh.
3. On March 7 the Association RA Car Competition was held at Hominy Baptist Church. We had a large group of boys, leaders and parents who were involved. We had three race car drivers from the Asheville Motor Speedway who were present as well as the chaplain of the racetrack. Everyone had a great time.
4. On March 21 we conducted Baptist Men training, which was hosted by the Woodland Hills Baptist Church, in connection with the Association spring training. It was a very good training session.
5. On May 2 we conducted the RA Association Track Meet which was held at the A. C. Reynolds High School Athletic Field. We had a good day.
6. Many of our leaders were involved in the Key Leadership Conference which was held at Ridgecrest on May 11 and 12.
7. Our Association Missions Camp was conducted on August 7-13. This mission activity is addressed in more detail in the Missions Camp Report.
8. The Mountain State Fair Mission Project was conducted on September 10-20. This mission activity involved over 500 volunteers, including various medical personnel from seven different associations. The Lord continues to bless this ministry in a powerful way. We saw many decisions for Christ. This project is now the largest single mission project conducted by our Association. We want to thank our churches, other associations and all the volunteers for their tremendous support and for making this a very successful mission endeavor. We look forward to this ministry continuing to grow in the future.
9. On September 26 association training for Baptist Men and RA leaders was conducted at the West Asheville Baptist Church.
10. Many of our Baptist Men have been involved in various Promise Keepers meetings and rallies including the Million Man March in Washington, D. C.
11. Our disaster relief group has been active and involved in various training sessions and recovery mission projects. Julian Lanning leads this group.
12. Some of our men have been involved in assisting with the construction of the Baptist House for Habitat for Humanity.

13. The Association Brotherhood Council and RA Committee have held several meetings in which various mission-related projects were planned and coordinated.

As these activities show, our men and boys have been very involved in sharing the love of Christ to the world and those around us. Our prayer is that God will continue to bless our efforts and that our men and boys will continue to hear God's call to service. We extend our thanks to everyone who has been involved in missions in our Association.

MISSIONS CAMP 1998: *Serving God by Serving Others*
October 1998
Stacey Harris

Missions Camp is always an uplifting experience. It is a place where boys and girls can learn how the message of Christ is carried around the world, and how they can carry this same message to their own neighborhoods. This year, 56 attended Girls' Camp. We had 27 at Boys' Camp, which was held just one week before school started. Though our numbers were down a bit this year, camp programs were excellent and exciting. The Holy Spirit was evident in our midst. Experienced missions (both volunteer and career) shared many wonderful experiences of how God used them in the field. There were many new activities in the areas of recreation, with hikes in Nantahala and swimming at Fire's Creek capping boys' week. Our Thursday night pizza blast was a big hit.

Seven campers made professions of faith in Christ, and there were many commitments and re-dedications made. A total of 16 churches sent campers to this year's camps, and everyone says they will be back next year. We look to God to bless this missions camp in the future, as He has in the past.

EVANGELISM COMMITTEE REPORT
October 1998
Mike Smith, chairman

The Evangelism Committee had a busy year. I want to express to those dear folk the warmest of thanks for a job well done. They were vital to all work and efforts of evangelism this past year. We met regularly and sometimes more often than that.

We approached 1998 with a strong desire to see something big happen during the year. Early in the year we thought of a large evangelism outreach and our desire was to include all the Christian family in Buncombe County and the surrounding area. We knew from the previous two years' experience that we had to have a speaker who could reach a diversified group of people. We began to pray and seek God's will.

Out of these meetings, we were led to seek the services of Dr. John Bisagno, pastor of First Baptist Church, Houston, Texas. John agreed to come and we immediately began to broaden our committee. We sought the input of our fellow churches. We wanted to include every church or denomination that would come together under the banner of "Celebrate Jesus." Whatever differences we might have, we wanted to lay those aside and lift up Jesus Christ. We wanted to show a united front for Christ, saying to our city, county and adjacent areas that the Christian community is taking a stand.

We then formed a county-wide "Celebrate Jesus" Committee. This was a very good group of people who caught the vision of the purpose we all had hoped for—a united front, saying to the world that we, Christians, are a family and we can work together. Praise the Lord!

The results of the "Celebrate Jesus" Crusade will speak for themselves. Dr. Bisagno, our speaker, and Dick Hill, music leader, were both used of the Lord in a great way. We had a total of 107 decisions for Christ, six great meetings, a great gathering of young people and a whole host of good people in attendance.

Every facet of our committee worked to perfection. They were a great group. We over subscribed our budget because our churches responded to the needs. Music, sound, ushers, arrangements and all those other individuals who did a yeoman's job, we say thanks.

Our committee is already at work for 1999. Pray for us that we will be sensitive to the leadership of the Holy Spirit. We need your support and we need all of our churches to jump in and take an active part.

CHURCH/PASTOR/STAFF RELATIONS COMMITTEE
October 1998
Hatcher Elliott, Chairman

Out of respect for the local autonomy of the churches, your committee is involved only by specific invitation. It is not our purpose to intrude but to encourage.

In the last year we have had no such calls, which is good news for the churches. We have had our committee together for information, prayer and fellowship and have been ready to offer counsel as requested. Brother Gayle Brown has answered many calls for help and has been a source of encouragement to the churches and pastors.

Please be assured that the associational staff, officers and committees are dedicated to serving all the churches.

Respectfully,
Hatcher Elliott, Chairman

BAPTIST STUDENT UNION AT UNCA
October 1998
Joe David Fore, Campus Minister

Baptist Campus Ministry and the work of the Baptist Student Union continue to grow and flourish at UNCA. Thanks to the strong support of Buncombe Baptist Association, Baptist Campus Ministry and BSU continue to become an integral part of campus life at UNCA; i.e. the Campus Ministry meets twice monthly with the Vice Chancellor for student affairs and his staff for input on student life and the general (and sometimes specific) welfare of students in relation to campus life. The Campus Ministry was involved in numerous planning sessions for campus-wide events that involved both the sacred and the secular aspects of campus life. However, it was the students of the BSU who really took responsibility of leadership and defined their ministry to the UNCA campus.

As the officers of the Baptist Student Union met in the spring of '97 to plan a new year, we were looking forward with anticipation toward a year to be led by a very young group. All but two of the officers were rising sophomores. We could tell in the very first meeting of this new council, however, that they were ready for the task and that they cared about making this organization the best it could be. They borrowed an idea from a Caswell summer and chose the theme, "Taking the Trek." In searching for a Bible verse to express the theme, one of the young men found Psalm 119:1-3, and from this passage the phrase, ". . . walk in His way." They proceeded to plan the events of the year with the emphasis on our journey as Christians and looking at what they mean to all of life.

When fall semester arrived and the usual early events took place, we found ourselves with the largest number of participating students ever and this continued throughout the entire school year. A beach retreat early in the year seemed to be a great start, with bonding of

the group as well as much-needed time for reflection after a whirlwind few weeks getting adjusted to college.

During the year, we worked closely with the United Methodist Campus Ministry (UMCM) and the Presbyterian Campus Fellowship (PCF). After joining us on the beach retreat, these two groups participated with the BSU in sponsoring several meaningful campus events and a very successful spring break mission trip.

BSU was very present and widely recognized on campus, as they participated in several events. We had representatives on the Homecoming planning committee, a "Home for the Holidays" committee for a special Christmas event, and a week of emphasis on poverty, hunger, and homelessness called "HOW Week (Help Our World). We sponsored a "50's Party" for some good, clean fun on campus, and a large number and a variety of students attended the event.

Our relationship with the African American Student Association continued after the previous year's effort to open dialogue and make a conscientious effort to break down barriers and come to a better understanding of each other. The two groups held a bowling social early in the year, and a meal at the BSU house with a program of music by a former prisoner who has a remarkable testimony. We sat on the deck at the BSU as he sang, and while he was singing "His Eye is on the Sparrow," a sparrow flitted across the group and over the singer! During the second semester, we sponsored (along with UMCM and PCF) the African-American family known as "The Healing Force." Approved as a Humanities Culture Event, this performance was one of the best events which the BSU has held on campus, with attendance from a diverse group of students who were treated to a wonderfully uplifting and encouraging evening. Near the end of the semester, we held a banquet with AASA at the Governor's Western Residence on top of the mountain in Asheville. It was truly a "mountaintop experience" as a group of 50 students enjoyed fellowship around the table and some interaction and talent-sharing.

In the area of missions, we had students participating a variety of missions endeavors. They prepared a meal for a local homeless shelter, the Hospitality House, and worked at Manna Food Bank on two occasions. During fall semester, one student served at the Baptist Retirement Home in a semester work/study, and a student served during spring break at the ABCCM Medical Clinic under this program. We have two students in summer missions this summer—one in Evangels and one at Mundo Vista. One student plans to participate in a bivocational summer ministry. Our outgoing president will be attending the Baptist Youth World Conference in Houston. Our president for the year 1996-97 graduated this year and will be attending Baptist Seminary at Richmond.

Two students participated in a social function for the ARC (Association for Retarded Citizens) and several students helped cut wood around the BSU House for the ABCCM. We had 16 students rake leaves to help raise our summer missions budget; and with other projects, we increased our donation to $1,200. There were 14 students who attended Fall Convention and 11 at Spring Conference. One student served on a state committee and two are on state committees for the coming year.

Our work with local churches was strong this year, as the students developed worship services to share with several congregations. A group presented the senior adults at Reed

Memorial Baptist Church a program of music and sign language, as well as testimony about summer missions experience in South Africa. Sunday evening services were led at Grace and Newbridge Churches (two times), and an early morning contemporary service at Grace Baptist was led by our students. Our students led Disciple Youth weekend at Arden First, and provided nursery care of the children at the same church during a later weekend when they were meeting their prospective pastor. The older youth of Black Mountain First visited with BSU students at the BSU House for a fellowship lunch and questions and answers about college life. Included in this were, of course, a number of comments from our BSU'rs about how helpful this organization has been in their college life.

Early in the fall, we had several students to assist with an associational ministry at the Western North Carolina State Fair. They worked at the Medical/Dental and Disaster Relief Vans at the missions booth, and at the break tent for fair workers. At Christmas we had eight students and our volunteer Campus Minister participating in the Buncombe Baptist Choir performances at the Biltmore House.

A special event at Christmas is "Return to Bethlehem" presented by ABCCM. We had ten students plus the campus minister and family participating as cast members and/or providing the Advent Medley for this meaningful city-wide effort to provide a worshipful holiday experience.

The fellowship meal on Mondays at the BSU House, provided by the gracious ladies of WMU groups of our Buncombe Baptist Churches, continues to be a special part of the week for many of the students. They make their way to the Center for a pause in the week for uplifting fellowship and gathering together as they begin a sometimes stressful week on campus. Our attendance at the lunches averaged around 35 this year, and the weekly Encounter meeting stayed at around 32-37 the entire year.

As this report is written, Joy and I are amazed at all of the happenings and events which we have been a part of, considering that these students are busy being, first of all, a student, as well as working part-time jobs in many cases. They also are involved in churches and, of course, must have some time to be with families and friends. As they have participated in BSU this year, I feel that we have been an important influence on their journey, and that the experiences and relationships provided them through involvement in BSU help them to continue to "walk in His way."

MEMBERSHIP COMMITTEE REPORT

COMMITTEE ON MULTI-ETHNIC CHRISTIAN FELLOWSHIP
October 1998
Buddy Corbin, Chairperson

The committee of the Buncombe Baptist Association met several times this year to plan and develop the work of the MECF. Prime consideration was given to the Hispanic church and community. January 19, a conference was held at the Baptist Resource Center. Several Hispanic leaders were present to discuss matters facing their community (i.e., health, education, physical/spiritual welfare). One of the pressing needs is a facility for natural and faster growth in their worship communities. There were also commitments to meet with the MECF and its African-American members. A significant motion was offered to the Associational Board for endorsement and referral to the annual meeting. It reads as follows:

The Multi-Ethnic Committee recommends that the Buncombe Baptist Association enter into a purposeful/intentional dialogue with the churches and missions of diverse ethnic backgrounds with the aim of formal alignment/membership in the Association.

This motion was recommended and adopted, July 20, at the Associational Board meeting. On August 24, the Multi-Ethnic Committee met to begin processing the aim of the recommendation. We are beginning to reach out to churches of color and cultural diversity.

CHRISTIAN LIFE AND PUBLIC AFFAIRS COMMITTEE REPORT
October 1998
Gail Harding, Consultant

During this year we have prepared 12 information pages for the "Buncombe Baptist News."

We have addressed pending legislation at both national and state levels. We gave major coverage to the persecuted church (International Day of Prayer for the Persecuted Church)

and pertinent legislation (Freedom from Religious Persecution Act; The Religious Freedom Amendment to the U. S. Constitution, Religious Liberty Protection Act-RLPA). We also examined Sanctity of Human Life and its many components (neonaticide, assisted suicide, cloning, partial-birth abortion, and fetal reduction).

Other subjects addressed included overseas family planing programs, homosexual marriages, and school-based health clinics/centers, The Community Council for Biblical Values, and leaving the homosexual lifestyle.

Last, and not least, we addressed the increase in "adult" establishments in our community.

We ended the year encouraging local church families to honor their pastor and staff during Pastor/Staff Appreciation Month.

The upcoming year presents many challenges at local, state and national levels. We will do our utmost to keep you well informed.

Please let us know of any specific areas you would like us to research and address. Feedback and constructive criticism are always welcome.

LANGUAGE MISSIONS
October 1998
Russell B. Hilliard, Sr., Consultant

On Labor Day, September 7, the Western North Carolina Hispanic ministries came together for their annual celebration at Camp Ridgecrest for Boys. After worship, led by a group from the Forest City mission, three persons were baptized in the camp lake. Later 315 persons were served a delicious meal in the boys' camp dining room. This annual Labor Day picnic and time of fellowship is sponsored by the Western North Carolina Hispanic Baptist Pastors' Conference. Pastor Charles Alonso of Spruce Pine is the president, and Pastor Alfredo Oviedo of Edneyville is the vice-president/secretary/treasurer of this fellowship of pastors..

The major happenings in the language ministries in the Buncombe Baptist Association in 1998 were:

1. The calling of Pastor Charles Alonso to the New Birth Hispanic Baptist Mission of the Merrimon Avenue Baptist Church.

2. The purchase of property in Fletcher (Henderson County) by the Asheville Korean Baptist Church, under the fine leadership of Pastor Inhee Park.

3. The strengthening of the Ukrainian ministry at the Merrimon Avenue Baptist Church

4. The calling and arrival of Yuri and Carmen Alicia Ayala ffrom Quito, Ecuador to assist in the Hispanic missions of the Bent Creek and Merrimon Avenue churches, with Carmen Alicia serving as one of the first language missionaries to Western North Carolina, under the sponsorship of members of the Woodland Hills, Bent Creek and Merrimon Avenue Churches.

5. The cultural diversity emphasis of the Multi-Ethnic Committee of the Buncombe Baptist Association, in which the importance of both cultural and language shifts in Asheville was stressed.

6. The cultural diversity annual theme of the Buncombe Baptist WMU and the celebration of cultural diversity during the 1998 World Day of Prayer.

"Christianity Today" has told us that "the world has come to us." May we ask ourselves as Buncombe Baptists: "What are we going to tell this culturally different world?

BUNCOMBE BAPTIST BIVOCATIONAL MINISTERS' CONFERENCE
October 1998
Cecil Hopps, President

A bivocational pastor is, first of all, a person who has been called to preach and tend God's sheep; and, second, that preacher is someone who happens to have another job. It may be driving a school bus or driving nails; teaching children or teaching adults; pushing a pen or pushing a broom—whatever the second job may be, the bivocational pastor is unique in the fact that people in his work place see him as most of his congregation never does.

The bivocational pastor is not just scrutinized in his church field, but in his work place as well. Those other people who see him on a daily basis get to know that pastor and how he reacts to everyday stress and problems. They get a chance to see his Christianity and

Christ-likeness day after day, whereas most of his flock see him only during church hours, weddings, funerals, when they are sick, or when he drops by for a visit.

The bivocational pastor is not to be pitied because he only has a church "part time," but rather to be admired and prayed for because he has chosen to follow Jesus Christ wherever that path leads—even if he has to clear the path as he goes.

Bivocational pastors enjoy a unique calling from God. Yet the blessings of a dual-role ministry are equally varied. While not everyone is called to such a diverse role as the bivocational, we feel doubly blessed to serve God in this way.

The Buncombe Baptist Bivocational Ministers/Wives Conference continues to meet on the third Tuesday of each month at 7:00 p.m. at the Buncombe Baptist Resource Center.

On September 25 and 26, the Sixth Annual WNC Bivocational Ministers/Wives Conference was held in Broyhill Chapel at Mars Hill College. Program personalities were: Mike Ford, Annuity Board, SBC; Billy Woody, Music; Ron Kiser, Buncombe Baptist Association; and Dr. Max Lennon, President, Mars Hill College; Dale Holloway, National Consultant, North American Mission Board; and Jonah Parker, bivocational minister.

Make plans now to attend the North Carolina Baptist Bivocational Ministers/Wives Conference at Caraway Conference Center in Asheboro on July 24,25, and 26, 1999. I will be looking for you!! Call Cecil Hopps (251-0574 or 252-0191) for more information on the state or regional meeting.

The WNC Bivocational Ministers/Wives Conference will be September 24-25, 1999.

ACTS BOARD REPORT
October 1998
Johnny Tiller, President

In an old song written many years ago, Priscilla J. Owens wrote "We have heard the joyful sound . . . Waft it on the rolling tide . . . Sing above the battle strife . . .give the winds a mighty voice, Jesus Saves, Jesus Saves." That's what we seek to do each Sunday night from 8:00 – 8:30 p.m. when our "Buncombe Baptists Today" program is aired over InterMedia cable Channel 20 and Charter Cable Channel 6. The potential audience, though invisible to the speakers, numbers into the thousands. One never knows who is listening, where they are (hotels, motels, businesses, bars, plush homes, nursing homes, shanties), and what their circumstances might be. But we send forth the message that Jesus Saves knowing that the Holy Spirit will bless it, and the Word will not return void (Isaiah 55: 10,11).

The usual format is preaching or teaching the Word, music, interviews, and promotion of the work and upcoming events in our churches and association. The cost to produce and air these programs is about $75.00 - $100.00 per week.

We request your prayers for this ministry and would encourage more of our pastors and churches to be involved in it. Let us keep telling the world **Jesus Saves!**

AMERICAN BIBLE SOCIETY
October 1998
Margaret Tiller, Representative

It has been 182 years since the American Bible Society was formed. We are looking forward to the bicentennial in 2016. The same mission that led our organization in 1816 defines and drives us today. "To provide the Holy scriptures to every man, woman, and child in a language and form each can readily understand, and at a price each can easily afford." We strongly declare that, "This purpose, undertaken without doctrinal vote or comment and without profit, is a cause which all Christians and all churches are urged to support."

The ABS mission remains the same, but our world has changed dramatically. In 1816 the population was approximately 1 billion and today it is approximately 6 billion.

Half the world is waiting for a Bible. More than 3 billion have yet to own a copy of God's Word. Over half of the people in Russia do not have a Bible. The number of believers in China who have never had a Bible of their own is absolutely staggering and growing every day. The demand in Africa is double what ABS has been able to meet. Why not consider joining Bible-A-Month Club today. For as little as $4.00 a month you can put a copy of God's Word into someone's hand. You can call 1-800-322-4253 and get all the information you will need to join.

In 1917, President Woodrow Wilson proclaimed "Universal Bible Week" ending with Bible Sunday on December 9. "Awakening Hearts of Faith" is this year's theme. The suggested week is November 22 but you can observe Bible Sunday whenever you choose—**JUST CHOOSE TO DO IT!).**

In 1949 Communists took China and closed the country to Bible work. But by God's Grace and through much prayer of the Christians, the first printing of Chinese Bibles by Amity Press in Nanjing came true in 1987. The 10 millionth copy was printed by 1995. Also in 1995, Vietnam re-established Bible Society link, approved first printing ever 5,000 Bibles and 5,000 New Testaments. TO GOD BE THE GLORY!

THE NORTH CAROLINA BAPTIST FOUNDATION, INC.
1998 ANNUAL REPORT TO THE ASSOCIATIONS
Lloyd Wolfe, Associational Representative

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA
1998 ANNUAL REPORT TO THE ASSOCIATIONS
Glenn Stroud, Associational Representative

Her voice steady and quiet, Christy delivers her personal story like a letter dropped into an anonymous mailbox at a shuttered house on a nameless street. Her grandparents' murder had unleashed memories of her own abuse. Family members encouraged her to leave her home and repeatedly told her she was worthless.

"I've had a rough life," she says. "I've been through about anything I can possibly go through." Christy admits carrying a short fuse and outbursts, physical abuse and a dangerous living situation brought her to Mills Home in November 1997.

She continues her quiet story about coming to Mills Home, about doing well in school, and tutoring two residents in Alumni Cottage. She's glad she can help, because "learning comes easy to me, and I want to help someone if I can."

Julie, her first child care worker at Mills Home, became a real friend who "helped me turn my life around," Christy says, her face at last beginning to brighten. "She was there for me when I needed somebody. My parents weren't there. Nobody wanted me. It was fun being around Julie. She showed me she cared about me and that I could be loved."

She Didn't Plan to See 16

Julie couldn't realize how important her friendship was, or how close Christy came to giving up. Christy admits to two suicide attempts, and believed she would never see age 16. I used to dread getting up," she said. "I didn't know if I would get my mouth busted or my arm broke."

Even now, there are days Christy doesn't want to get out of bed. But she does, and she goes to school and earns mostly "A's," stars on the varsity basketball team, and tutors other residents in math. She attended a summer basketball tournament in New York and is planning to attend college to study a helping profession.

Now she is planning to live, not planning to die. BCH is giving her opportunities to live for.

Christy's story is repeated hundreds of times each year at BCH. Not all are as dramatic but every one tells of a young person and a family at the end of an unraveling rope.

At four residential campuses, two homes for behaviorally troubled girls, a maternity home, a home for teenage mothers and their babies, therapeutic camping and model day care, 1,560 young people found help in troubled times last year.

During the past year BCH received $1.6 million through the Cooperative Program, and $752,000 through the Thanksgiving Offering. Total church gifts of $3.3 million comprised 18 percent of the nearly $18 million in revenue. Because of a positive investment environment, BCH investments of endowment funds provided 33 percent of revenue.

Buildings Dedicated
Two major priorities of the $10.1 million "Light Their Way" Campaign were dedicated. The Winifred Lindsay Education/Administrative Center at Odum Home in Pembroke on January 20, and the John D. and Amelia W. Johnson Cottage at Mills Home on May 12.

U. S. Congressman Mike McIntyre, co-chair of the Congressional Task Force for Responsible Fatherhood, spoke at the dedication of the Lindsay Center. He said BCH has the "purpose, people and passion to successfully help children and families turn their lives around." "When we reach out to our children we're making the best investment for tomorrow we could ever make for our country," he said.

Winifred Lee Herbert Lindsay, for whom the Lindsay Center is named, died November 21, 1997.

Primary funds for building Johnson Cottage were given by Phil and Sharon Drake, of Franklin, in memory of Sharon's father and in honor of her mother, a BCH trustee. "God has given me more than I deserve," Drake said in a brief, emotional address at the dedication. He said giving money to build the cottage was the "easy part" compared to the cottage worker's task of making a difference in children's lives.

Michael C. Blackwell celebrated his 15th anniversary as president of BCH on July 1, 1998.

The video, "A Long Walk Home" is available to promote the 1998 Thanksgiving Offering, which has a statewide goal of $800,000, the largest ever.

Wherever children are hurting and families are strained, BCH strives to heal. To secure a video, or a speaker for your church or civic group, or to access services, call (800) 476-3669.

NORTH CAROLINA BAPTIST COLLEGES AND UNIVERSITIES
1998 ANNUAL REPORT TO THE ASSOCIATIONS
Joe Blair, Associational Representative

The Council on Christian Higher Education was founded by the Convention in 1944. It was established to assist colleges and churches within the Convention. The Council does not exercise any authority over the Baptist colleges. The competent leadership of trustees, administrators, and faculty guide them as they fulfill their missions. It does, however, study and recommend to the General Board in matters related to Baptist colleges and the Baptist State Convention.

Four men have led the Council as its Executive Director. Claude Gaddy served as the Council's founding leader. Harold Cole served briefly. Ben Fisher succeeded him. T. Robert Mullinax joined the Council in 1971. Mullinax retired this year from the post he has faithfully guided for 27 years.

The Council and Executive Committee of the General Board invited Wayne D. Wike to become the Council's fifth leader. Wike comes to his post from the pastorate. He has served four North Carolina churches as pastor. He and his wife, Debbie, are alumni of

Gardner-Webb University. In addition, he is a graduate of the Southern Baptist Theological Seminary and Union Theological Seminary.

Wike has already served North Carolina Baptists in a number of ways. He served on the Committee on Committees, Chaired the Committee on Nominations, and Chaired the General Board Membership Study Committee.

Council members have greatly assisted each one of these leaders through the years. The college presidents, provosts, and chairmen of Boards of Trustees, along with an equal number of General Board members, serve as members of the Council.

The strength of the Council lies in its voluntary concept of community rather than competition. The Council has proven to be a mediating influence in relating the colleges to each other, to the church, and to the Convention.

The Council is currently involved in strategy planning. It is seeking to prepare for the new millenium. The future holds great promise. The Council and its member colleges want to be prepared for it. The Baptist churches in North Carolina will benefit as a result.

1998 ANNUAL REPORT TO THE ASSOCIATIONS
Charles Shelton, Associational Representative

HOSPITAL CELEBRATES 75 YEARS OF SERVICE

In May 1998 the North Carolina Baptist Hospitals, Incorporated celebrated 75 years of service to the community and the region. During these years the hospital has been faithful to the vision of the North Carolina Baptist State Convention when the hospital was birthed: to extend the healing ministry which was demonstrated by Jesus Christ. Many challenges have been faced through these years, but the commitment to compassionately strive for innovative excellence has remained the same.

BAPTIST BENEVOLENT CARE FUND

Baptist Churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1997 the MDO amounted to $500,747. It was used exclusively to help patients who had little or no health care insurance or no other financial means to pay their hospital bills. From the offering this past year, well over $200,000 was used to assist members of our Baptist Churches in North Carolina. May God bless all those who supported us with prayers and gave so generously.

DIVISION OF PASTORAL CARE

During the year the chaplains and staff of the Pastoral Care Department provide worship services in Davis Memorial Chapel on Monday, Wednesday, Friday and Sunday for patients and family members. The Pastoral Care Department staff supervised 64 students during the year and made more than 53,000 ministry contacts.

The Department of Pastoral Counseling, CareNet, Inc. continues to expand its ministries. There are now 13 Christian counseling centers located in strategic areas across the state. During the year these professionally staffed centers will provide over 26,000 hours of counseling.

The Center for Congregational Health, Inc. continues to expand its mission of helping congregations become healthier communities of faith. **Programs and assistance** offered to churches include: Consultation, Intentional Interim Ministry, and Leadership development; **Resources for ministers** include: Young Leaders Program, Turning Point, Interim Ministry Training, Intentional Interim Ministry training.

FACTS ABOUT WAKE FOREST UNIVERSITY BAPTIST MEDICAL CENTER

- With more than 10,000 employees, four restaurants, two banks and a post office that handles more mail than some towns, the Medical Center has been called a city-within-a-city.
- The Medical Center successfully proposed to Forsyth County Commissioners to purchase the county's indigent health care clinic, Reynolds Health Center. The Center also serves as a primary care training facility for our medical students and residents. Construction is expected to begin in the spring on a $5 million, state-of-the-art facility.

- Building strong relationships with community hospitals and other academic medical centers was a hallmark of the past year. Hospital and clinical affiliations grew to 22 by December 1997.

POINTS OF EMPHASIS AND PROGRESS

ALS CENTER – Wake Forest University Baptist Medical Center has opened a specialized center to provide coordinated care for patients with amyotrophic lateral sclerosis (ALS), often referred to as Lou Gehrig's disease. The Medical Center's ALS program is the only Center in Western North Carolina devoted to ALS patients.

TRAUMA CENTER – The Medical Center has the designated Level I trauma center for northwest North Carolina. In the trauma center our goal is for the patient who needs surgery to be in an operating room 10 minutes after arriving at the Emergency Department. Surgeons, anesthesiologists and staff remain on duty 24 hours a day to handle such emergencies.

TOPS IN RESEARCH – According to a report in the February 1997 issue of *Applied Clinical Trials,* Wake Forest University School of Medicine ranked in the top 10 U.S. clinical research institutions.

RANKED AMONG THE NATION'S BEST – The North Carolina Baptist Hospitals, Incorporated is among the nation's best hospitals in nine of 17 specialties, according to rankings published in the July 1998 issue of *U. S. News & World Report.*

NEW HEART VALVE – Wake Forest University Baptist Medical Center is one of the first centers in the country to offer a new "natural" valve replacement to patients with diseased or damaged aortic heart valves. The Freestyle valve was tested extensively in six centers—including Wake Forest University Baptist Medical Center—before being released for general use.

NEWEST TREATMENT FOR EPILEPSY—Wake Forest University Baptist Medical Center offers a new treatment for epilepsy—a "pacemaker for the brain" that can help control seizures in patients who are not helped by medication and are ineligible for surgery.

A CLOSING WORD

Seventy-five years ago the North Carolina Baptist State Convention gave us a directive to extend the healing ministry of Jesus Christ. For three-quarters of a century, we have sought to carry out this ministry of healing with compassion and integrity. Those who come here for care expect outcomes unachievable elsewhere. We must constantly rise to meet and exceed this expectation. Every patient and family member has a right to expect from us excellence in health care, delivered with compassion.

MAKING LIFE FOR OLDER ADULTS . . . *THE BEST OF TIMES*

Treasures Old and New
In concluding a series of parables related to the wise use of God's gifts, Jesus ended with these words, *"Every scribe which is instructed unto the Kingdom of heaven, is like unto a man that is a householder, which bringeth forth out of his treasure things new and old," Matthew 13:52.* During this past year God has enriched Baptist Retirement Homes with special treasures.

Treasures Old
THE TREASURE OF OUR NORTH CAROLINA BAPTIST FAMILY – Our 500 residents plus all the staff who make up the Baptist Retirement Homes part of the family, say, "Thank you," to the rest of our North Carolina Baptist family.

Thank you for giving so generously through the Cooperative Program and through the North Carolina Offering for Older Adults enabling Baptist Retirement Homes to lead the way for the state of North Carolina in providing benevolent care for older adults. Every dollar that comes through these channels is designated to provide care for the "poor elderly."

THE TREASURE OF OUR BAPTIST VOLUNTEERS – these volunteers range from a W.M.U. group that provides regular monthly programs plus special activities such as ice cream socials at The Taylor House in Albemarle, to a friend who spends hours each week giving manicures at The Hamilton Baptist Home in Hamilton, to a B.S.U. group that provides a weekly porogram at the Prince Nursing Care Center at the Brookridge Retirement Community in Winston Salem, to a preschool day care class that comes twice a month to visit their "grandfriends" at the Western North Carolina Baptist Home in Asheville.

Treasures New
TAYLOR GLEN RETIREMENT COMMUNITY IN CONCORD—For more than a decade Baptist Retirement Homes has been dreaming with North Carolina Baptists of the Cabarrus/Mecklenburg/Rowan/Stanly area about providing quality residential and health care living opportunities and services to older adults. Because of the encouragement given by Baptists to the area, and as a result of the philanthropy of Cabarrus County natives, Carrol and Geneva Taylor, this dream will soon be a reality.

FIVE NEW TWO BEDROOM APARTMENTS AT BROOKRIDGE – These apartments are nearing completion as an addition to the main building at the Brookridge Retirement Community in Winston-Salem. Bringing the total number of independent living apartments to 146.

RESIDENTIAL UNITS FOR MEMORY IMPAIRED – Special units for those older adults dealing with dementia related conditions such as Alzheimer's disease, will be developed at the Western North Carolina Baptist Home in Asheville and the Brookridge Retirement Community in Winston-Salem. In Asheville the unit will be created via a significant renovation within the current home. In Winston-Salem new construction will be required.

This report is sent with heartfelt gratitude for your prayers, your deeds of kindness and your gifts enabling us to make life for North Carolina Baptist Older Adults . . . ***The Best of Times!***

THE BIBLICAL RECORDER
1998 ANNUAL REPORT TO THE ASSOCIATIONS
Archie Pierce, Associational Representative

"A democracy can only survive and flourish as a nation of readers," says Daniel J. Boorstin, a Pulitzer Prize-winning historian and former Librarian of Congress.

He is correct! Thomas Jefferson said the purest form of democracy he had ever seen was Baptist churches. We Baptists cherish our soul-liberty, and its corporate corollary—the autonomy of the local church.

But Baptists will never preserve their democratic form of decision-making if they are not properly informed. A democracy demands an informed constituency, whether they like the news or not!

The Biblical Recorder tries to tell the whole story with a focus on the many positive things people are doing in their churches and world missions, along with the crucial issues which cannot be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. In the 165 years of state Baptist papers in North Carolina, never was the Recorder more needed than now for people to have the truth.

Because people are reading less than any time in recent history at the very time there is an increased number of publications and periodicals, the Recorder has kept pace with the state-of-the-art in print media, and entered the world of electronic communications with an attractive and effective Web site. The Web site address is: http://www.biblicalrecorder.org.

The Recorder Web site was officially launched in September 1997. The number of persons using the Web site has grown substantially. Each month there are 15-18,000 hits from around the world, literally—from Asia, Africa, Europe, South America, the Pacific Rim, even Australia! In the United States, people from several states regularly use the Recorder as their source of dependable Baptist information.

The Biblical Recorder should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better serve the constituency with accurate and helpful information.

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the

church newsletter, CNS gives the entire Baptist communication package to each family in the congregation.

The paper deliberately focuses more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA
1998 ANNUAL REPORT TO THE ASSOCIAITONS
Bill Horton, Associational Representative

It is a joy for the Christian Action League of North Carolina to serve the churches of this great state. We continue to work to inform the Christian community about the moral issues that face our state and nation. Our goal is to address these issues with the principles of God's Word, the cornerstone of all truth.

A. Christian Values

It was a pleasure of the Christian Action League to be one of the sponsors of the Third Annual Christian Heritage Week of North Carolina held March 15-22. The League encouraged schools, churches and communities to recognize, commemorate and learn about the Christian heritage and history of our nation. CAL sponsored a state-wide essay contest for high school students (public, private and home schools) and presented state winners with awards for excellence.

Continued to promote Christian citizenship throughout the churches and communities of our state. CAL has distributed over 12,000 copies of the Ten Commandments to churches, businesses, schools and homes across North Carolina. Promoted Sanctity of Human Life Sunday and the National Day of Prayer statewide.

Held a Church Leadership Legislative Day on June 23. The purpose of this day was to have pastors and church leaders come together and enjoy fellowship, meet and hear some of our legislators and become more aware of how state government and the legislative process works.

B. Gambling

Lottery proponents continue in their efforts to bring a state-sponsored lottery to North Carolina. CAL monitors these efforts and updates the Christian community on lottery information through letters, calls and our fax and electronic mail networks. Lawmakers have continued to receive a barrage of communications from across the state saying that the lottery is a bad bet for North Carolina. CAL also monitored the work of the Legislative Study Committee on Bingo Regulations.

C. Sex Education

Worked with other Christian and pro-family groups to see that the state mandate for Abstinence Until Marriage education is implemented statewide. Also, supported efforts to insure that federal grant money designated to promote abstinence education was used properly. Informed citizens and legislators concerning attempts to fund school-based clinics in North Carolina schools.

D. Abortion

CAL promoted HB 303 (Ban Partial Birth Abortion,) HB 536 (Woman's Right to Know before Abortion) and HB 594 (Fetus Death from Criminal Act). We also encouraged lawmakers to maintain funding reductions and restrictions on the state abortion fund. These actions have resulted in only two qualifying abortions being paid with taxpayer funds in the last two years.

D. Alcohol

CAL monitored all legislation concerning alcohol and other drugs. Successfully supported efforts to strengthen DWI laws. Assisted communities in organizing committees to fight alcohol and drug use. Worked to defeat legislation that would have approved alcohol sales without the vote of the people. Provided awareness, education and resource materials related to substance abuse problems to churches, communities, etc.

F. Pornography

Promoted and saw ratified SB 452-Local Regulation of Adult Establishments. This legislation gives more authority to local communities to regulate and control adult entertainment establishments.

G. Homosexuality

CAL supports efforts to strengthen the traditional family and continues to monitor and inform the public about the activities of those who promote the radical homosexual agenda. Successfully lobbied against legislation that would have made homosexuality legal in North Carolina. Offered the video "On Wings Like Eagles," the testimony of deliverance from homosexuality by Michael Johnston of Kerruso Ministries.

Lead.R (Leadership Education and Development Resources) will provide 20-30 different courses of study, allowing participants to take advantage of three different courses.

Mike Smith, Chairman of the Evangelism Committee, brought a recommendation from that committee that the Associational Board affirm the "Celebrate Jesus" Rally, August 16-21, 1998, at the Thomas Wolfe Auditorium, with Dr. John Bisagno, pastor of the First Baptist Church in Houston, Texas, as the visiting evangelist. The churches were encouraged to participate with attendance, prayer and financial resources. Second was given by Francis Chesson. Vote was unanimous by standing.

Harold Savell, Chairman of the Search Committee seeking a Director of Church and Community Ministries, was introduced. Other members of the committee are Sally Duyck, Carol Dalton, Jackie Collins, Edgar Ferrell and Jimmy Sides, Moderator, as *ex officio*. The committee has met with representatives from the North American Mission Board and the North Carolina Baptist State Convention. We have met and studied community and county population trends and have developed a profile of the type of person we need to fill this position. The schedule for the committee is: January - advertising in the *Biblical Recorder* and other associational newsletters; March - studying resumes; April 12 - cut off date for receiving resumes; April -- begin interviewing; July 1 - hopefully new director will be hired.

Gene King, pastor of Liberty Baptist Church, our coordinator for the Buncombe/South Africa Partnership gave us an update on the progress of the partnership. He answered several questions that had been asked. Some of the projects are: Direct Evangelism and evangelism training; making roof trusses, making concrete blocks and building a church. He encouraged those interested in going to South Africa, to contact him to be sure their name was on the mailing list to receive information about these upcoming projects.

There was no other old business.

Our moderator expressed thanks to the people for coming and complimented them for the leadership they provide in our association. Johnny Tiller led in the closing prayer.

The meeting was adjourned.

ASSOCIATIONAL BOARD MEETING, MONDAY, APRIL 20, 1998, BAPTIST RESOURCE CENTER, 6:30 P.M.

Jimmy Sides, Moderator, presided. Francis Chesson, led in the opening prayer.

The Moderator expressed thanks to churches in the Swannanoa District for providing the evening meal.

Twenty-eight churches were represented and 69 persons attended.

Mike Smith, chairman of the evangelism committee of the association, gave the update on the "Celebrate Jesus" Crusade. The Crusade will be held in the Thomas Wolfe Auditorium, Sunday - Friday, August 16-21, 1998. Dr. John Bisagno, pastor of the First Baptist Church in Houston, Texas, will be the guest evangelist. A special banquet rally will be held on Thursday, April 23, at 6:30 p.m. at the First Baptist Church, Asheville. Dr. Bisagno and Dick Hill, Minister of Music, Champion Forest Baptist Church in Houston, Texas were here to lead in this rally. Three hundred tickets were available and most of them were sold. This is an interdenominational crusade. Churches in other counties and associations are also involved. People will be witnessing on the streets the week prior to the crusade. Churches were encouraged to participate with attendance, prayer and financial resources.

Special music was provided by the Garrison Sisters, members of Morgan Hill Baptist Church.

The Moderator recognized Howard Candler, treasurer, to give the financial report as printed on pages 14-16 of the "Book of Reports." Churches were encouraged to take a special offering during Association Missions Emphasis week, May 17-24, to erase the debt on the Resource Center. If each member of every church in the association gave $1.00, the debt could be paid. Special envelopes will be provided for this offering.

Gayle expressed thanks to Wayne Campbell, Owner and Manager of Union Transfer, and a member of Pole Creek Baptist Church. He provided a trailer to be parked at the Resource Center to gather boxes packed with food items that will be going to North Korea. Also, 30 volunteers met at Union Transfer to shrink wrap the 560 boxes.

Special prayer was prayed for D. J. and Billie Abernathy. D. J. was driving the van involved in the accident in which Dr. John Killian was killed. Also, Mary Candler, wife of Howard, had cataract surgery a week ago but had to go back to the hospital because of an eye infection. At this point she does not have sight in that eye. Harold Savell led the prayer.

Ron Kiser, Director of Congregational Development shared with us some "windows of opportunity for ministry." Referring to the "Book of Reports," he highlighted the following upcoming events:

1. May Day Pray Day Rally at Enka High School Gym on Friday May 1, 6:00 p.m.
2. WMU Annual Meeting, Monday, April 27, 7:00 p.m. at the Resource Center. Sue Kavli, missionary to Thailand will be the guest speaker.
3. Girls' Mission Camp, July 27-31, 1998 and Boys' Mission Camp, August 3-7, 1998. A video was shown of last year's camp. Reverend Stacey Harris, Associate Pastor at Trinity Baptist Church, shared with the group his experiences in missions camp--as a camper, counselor, and camp pastor.
4. Mountain State Fair is scheduled for September 11-20.

Bill Horton announced that a "Family Values Rally" would be held Sunday evening, June 14, at the Civic Center.

Respectfully submitted,

Nancy Owen, Associational Clerk

ASSOCIATIONAL BOARD MEETING, MONDAY, JULY 20, 1998, BAPTIST RESOURCE CENTER, 6:30 P.M.

Bill Higgins, Vice-Moderator, presiding. After several personal requests were made, Buddy Corbin led the opening prayer.

Twenty-two churches were represented and 42 people attended.

Thanks were expressed to the churches in the Mount Carmel district for providing the evening meal.

Mr. Higgins noted that the minutes were printed on page 6 of the "Book of Reports." Quick reference to them indicated there were no corrections nor additions.

Mike Smith, chairman of the Evangelism Committee, gave an update of the upcoming "Celebrate Jesus" Crusade, scheduled for August 16-21 at Thomas Wolfe Auditorium with Dr. John Bisagno, guest evangelist. Posters were available for persons to take. Several denominations have worked together on the Crusade. Churches are encouraged to participate in the choir that will be needed each night. Parking will be available at Westgate Shopping Center, Asheville First Baptist Church and the Buncombe County Health Department. Church vans will be used to shuttle persons from these parking lots. Churches have been requested to cancel their Sunday evening service on August 16 to attend the Crusade.

Howard Candler, treasurer, gave the financial report, printed on pages 7-9 of the "Book of Reports." During Associational Mission Emphasis Week in May, $11,211 was received to apply toward debt retirement, leaving a balance $33,048.

Gayle referred to the Director of Missions Report on page 1. The Association Strategy Planning Committee continues to meet and look at the organizational structure of the association. At the present time, the committee is reviewing job descriptions of each staff position. A recommendation will be made to the Association in annual session in October. He commended all staff persons and the volunteers.

Ron Kiser, Director of Congregational Development, referred to his report on page 2. He underlined the primary tasks that he feels he, as Director of Congregational Development, has to help churches discover what God wants them to do.

1. Assist churches to discover and develop a Kingdom vision for their local congregation.
2. Assist churches to develop ministries, leaders, programs and projects that enables those churches to fulfill their Kingdom dream and divine purpose.
3. Assist churches in managing conflict and change.

Two processes used to implement these tasks are:

1. Re-Vision - an excellent tool that will meet the needs of many of our churches who have come to the place where they need to "dream again" and claim a new vision for the 21st century

2. SURGE - **S**tarting **U**nits **R**esults in **G**rowth **E**verywhere. Churches will make commitments to start a specific number of new units over the next three years.

Reverend Harold Savell, chairman of the Church and Community Ministries Director Search Committee, recommended that Norma June Barnard Melton be named to fill this position. Norma is the wife of Randy Melton, pastor of Reed Memorial Baptist Church. She has a Master of Religious Education degree from Southwestern Baptist Theological Seminary. She worked previously in Buncombe Baptist Association as Director of Church Development. The vote to accept this committee's recommendation was unanimous.

Buddy Corbin, chairman of the Multi-Ethnic Committee, reported that, in the past five years, a lot has been done to build bridges in the black community in four basic areas (1) Evangelism (2) develop laity unions where churches worked together in hands-on projects, (3) bring youth together, and (4) work for justice. This year the fellowship felt that more should be done with Hispanics. So much of what has been done over the years has been event oriented, not necessarily learning about our differences and how to work together. Feeling that the association should become more intentionally involved in reaching to our community, he brought the following recommendation: The Multi-Ethnic Committee recommends that the Buncombe Baptist Association enter into a purposeful/intentional dialogue with churches and missions of diverse ethnic backgrounds with the aim of formal alignment/membership in the Association. The recommendation passed.

Gayle brought a recommendation from the association council. The Buncombe Baptist Association meet in its annual session on Sunday evening, October 10, 1999 in the Thomas Wolfe Auditorium for a joint worship service, and the second session be held on Monday, October 11, 1999 in one of our association churches so named by the place and preacher committee.

Point of order by Ron Kiser and reference was made to the constitution (Article IV—Meetings. Section 1. *The Association shall meet annually on Monday and Tuesday evening after the second Sunday in October*). A recommendation was made that we set this aside for one year in order to have this special meeting. Vote was passed.

Gayle added that, if this motion were passed, that it would have to be referred to the finance committee because of additional funds needed to make this change in our annual meeting.

Wayne Higgins, association Brotherhood Director, brought a recommendation from the Buncombe Baptist Association Brotherhood Council. (It is printed below in its entirety.)

We move:

- that the Buncombe Baptist Association Brotherhood Council's name be changed to the Baptist Men's Council
- that the constitution and By-laws Committee change all references to the Brotherhood and the Brotherhood Council to "Baptist Men" and Baptist Men's Council."
- that this council be restructured, as follows:
  1. Baptist Men's Ministries shall be divided into 3 key areas:
     missions, spiritual development, and evangelism
  2. *Missions* shall include all RA ministries and the traditional Baptist Men's work of mission action and mission support.

3. *Spiritual Development* shall include assisting churches in the development of men's Bible study groups, prayer groups and men's support groups, and in the provision of associational and regional rallies for men and boys
4. *Evangelism* shall involve the promotion of lay evangelism and the provision of evangelistic training for the men in the churches of our association.

- that the Baptist Men's Council consist of The Baptist Men's Ministry Director, the Associational R.A. Director, Mission Activity Leader, Spiritual Development Leader, Lay Evangelism Leader, Promise Keepers Liaison, and three at-large members.
- that these changes take effect upon approval of the Association, meeting in Annual session, October 12-13, 1998.

Respectfully submitted,
Wayne Higgins
Associational Brotherhood Director

There was no other new business nor old business.

EXECUTIVE COMMITTEE, MONDAY, SEPTEMBER 28, 1998, BAPTIST RESOURCE CENTER, 11:15 a.m.

Those present: Lee Roy Denton, Harold Savell, Howard Candler, Glenn Stroud, Julian Lanning, Gail Harding, Norma Melton, Dorothy Doi, Barbara Wright, Nancy Owen, Gayle Brown, Ron Kiser, Martha Hicks, Mike Smith, Johnny Tiller and Hatcher Elliott.

Howard Candler, Treasurer, presided. Numerous prayer requests were voiced. Johnny Tiller led in prayer.

Gayle shared that good things are happening in the association. Norma Melton is new Director of Church and Community Ministries.

Mountain State Fair Ministry Report :

Norma - fair was very well organized; exciting; no major problems; some fine tuning will need to be done for next year; lot of needs were met; grateful for volunteers

Ron - 5,700 meals were served; 107 patients seen at the medical/dental van; 40 professions of faith.

Gayle shared that other associations are already calling to schedule a time to work at next year's fair.

"Celebrate Jesus" Crusade Report:

Mike Smith - "Celebrate Jesus" was exciting. 12 denominations worked together; 100+ decisions were made (28 professions of faith on youth night; approximately 60-70 other nights). Other denominations are very excited and looking forward to next year's crusade.

Howard Candler reviewed the financial report as of August 31, 1998. Balance on debt retirement is $24,449.94 and should be paid by April 1999.

Gayle shared that some of our resources are outdated--new materials need to be purchased. The staff is working toward upgrading equipment and resources. After the annual meeting, an inventory will be made on equipment and resources, a cost evaluation study will be made, and recommendation made to the finance committee about possible purchase of new equipment and resources. Ron shared that some of the resources previously received free of charge will cost us. Because of this, some program budget items have been increased to allow for the purchase of these resources.

Glenn Stroud, chairman of the properties committee, shared that attempts had been made to purchase the McAllister property adjoining the Resource Center property. At this point, that land is not available. However, there is a lot between the street and the McAllister property that would be adequate for the erection of a 4,000 square foot building. The properties committee continues to work to find suitable land on which a storage building can be built.

Roy Denton, chairman of the finance committee, reviewed the proposed 1999 budget. He highlighted those items that had been changed. A 4% raise was given to the staff. The Church and Community Ministries Director's salary would be the same as that paid in 1997. The proposed budget is less that last year's budget. Mr. Denton made a motion that the proposed 1999 budget be approved. Second was made by Johnny Tiller. Vote was unanimous to accept this recommendation.

There was some discussion of possible ways to encourage churches and individuals to give so that the debt on the resource center could be erased. There are no specific plans at this time. Hopefully, by the first of the year, definite strategies can be put in place.

Business session was concluded and the meeting adjourned.

Glenn Stroud led the closing prayer.

Bill Carpenter gave the report from the Nominations Committee as printed on pages He submitted the names of the General Officers: Moderator, Bill Higgins; Vice-Moderator, Charlie Sams; Treasurer, Howard Candler; and Clerk, Nancy Owen. There were no other nominations. The general officers were elected. The remainder of the Nominations Committee report was accepted.

Laura Sullivan, Minister of Music of Grovestone Baptist, led the congregation in singing "Praise Him! Praise Him!"

Howard Candler, treasurer, gave the financial report (January 1 - September 30, 1998 (as printed on pages 91-94). Lee Roy Denton, Chairman of the Finance Committee, presented the proposed 1999 budget (printed on pages 96-98). The new budget is 4 1/2 % less than the 1998 budget. He made a motion that the proposed 1999 budget be accepted as presented. There were no questions or discussion. The 1999 Budget was approved.

Gayle Brown shared about the association at work. So many ministries are sponsored throughout the year and the greatest need at the resource center is for storage space. The properties committee is looking at the need and possible solutions. Ron Kiser shared about SURGE - Starting Units Results in Growth Everywhere. A pilot project for churches in Buncombe and Carolina Association to put together a strategy for local churches to start new Bible study units over a three-year period.

Gene King, pastor of Liberty Baptist Church and coordinator of the South Africa partnership, shared that there is a need for Sunday School leadership training in February 1999.

Carson Moseley, chairman of the Place and Preacher Committee, presented that committee's report. On Sunday, October 10, 1999 the annual meeting would be held at Asheville First Baptist Church, and on Monday, October 11, 1999, the meeting would be held at Westwood Baptist Church with Reverend James Walker bringing the annual sermon.

Hilton Moore, chairman of the Membership Committee, recommended that the New Life Community Church, pastored by Steve Harris, and the Asheville Community Church, pastored by Reverend Mike Cobb, be recognized with full membership in the Buncombe Baptist Association effective October 13, 1998. Further recommendation from the committee was that Fresh Fire Baptist Church, pastored by Jerry Wilson, come under the watch care of the Buncombe Baptist Association for one year as of October 13, 1998. All recommendations were accepted.

Barbara Vassar, a member of the Resolution Committee, moved the adoption of a Resolution of Appreciation (printed at the end of the proceedings) to host churches and annual meeting program participants. The resolution passed.

Harold and Dot Blankenship compared the concept of the Cooperative Program with the feeding of the 5,000. The people were fed through a cooperative effort. The disciples were those who were called; the boy shared his lunch and Jesus blessed the gift. It proved what can happen when one individual shared what had been placed in his hand. The Cooperative Program is cooperating together to share the gospel at home and around the world.

Reverend Cecil Fox, Annuity Board Representative, thanked the churches for receiving a love offering on Annuity Board Sunday (the fourth Sunday in June) for the purpose of supporting the "Adopt an Annuitant Program." He further encouraged the churches to take the offering again next year. He also encouraged churches to provide annuity for its staff members.

Elaine Gregg led the congregation in singing "Great is Thy Faithfulness."

Earl Moseley, chairman of the Memorials Committee, presented that committee's report. Since our last annual meeting, 290 members were deceased. Of these 25 were deacons and 2 were pastors, Reverend Oder Anders, Jupiter Baptist and Reverend William Snypes, Ridgecrest. Reverend Moseley made a motion that the 1998 Buncombe Baptist Minutes be dedicated to Reverend Oder Anders and Reverend William Snypes. The motion was approved.

The group, Lifted Up from Arden First Baptist, sang "Every Day, Every Hour," "In that Great Gettin' Up Mornin'," and "Don't be Afraid."

Bill Higgins introduced our speaker for the evening, Dr. Steve Harris, pastor of Trinity Baptist Church in Fairview. His message title was "A Challenge to Live by Faith." His scripture passage was II Corinthians 13:11-14. Two major truths from this passage are (1) Faith is required to please God and (2) Faith is realized through the Word of God. (1)The foundation of our faith is the gift of salvation; (2) the fundamentals of our faith are (a) be complete, (b) be of good comfort, (c) be cooperative and (4) be calm; (3) The flower of our faith--have love for one another and greet one another on common ground. Put Jesus in the center of things—that's our challenge of faith.

Reverend Darryl Searcy, pastor of Spring Mountain Baptist, led the prayer of committment

To: Board of Directors
Buncombe Baptist Association

We have reviewed the financial records of the Buncombe Baptist Association as of December 31, 1997. All information included in these financial statements is the representation of the management of the Buncombe Baptist Association.

A review consists principally of inquiries of analytical procedures applied to financial data. It is substantially less in scope than an examination in accordance with Generally Accepted Auditing Standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with Generally Accepted Accounting Principals.

CONSTITUTION AND BYLAWS

PREAMBLE

We, the members of Missionary Baptist Churches in the County of Buncombe, State of North Carolina, and territory adjacent hereto, do hereby propose to establish and maintain the principles and rules of order of a district association in conformity to the following plan:

ARTICLE I --NAME

The name of this body shall be the Buncombe Baptist Association, Inc.

ARTICLE II--PURPOSE

The purpose of Buncombe Baptist Association is to promote unity, fellowship, and cooperation among the families of Baptist churches in Buncombe County, and to provide resources, opportunities and coordination in leading the churches in achieving the mission of Christ throughout the world."

ARTICLE III--MEMBERSHIP

SECTION 1. The Association shall be composed of cooperating Baptist Churches in the area of the Association. A cooperating church is defined as:

(1) A church which makes an annual report to the Association on forms provided by the association through clerk

(2) A church which endeavors to contribute regularly to the support of the associational budget on a monthly, quarterly, or annual basis.

(3) A church which sends duly elected messengers to the annual associational meet and duly elected members to the associational board meetings.

SECTION 2. The Association shall be sole judge of its membership and may receive churches or reject churches, according to its Constitution and Bylaws. Member churches may also withdraw as they desire.

SECTION 3. Churches desiring membership in the Association shall apply to the Membership Committee and, if recommended by this committee and accepted by the Association in annual session, shall agree to come under the watch care of the Association for a period of one year. Any church requesting membership in this Association shall be required to attach to their petition for membership a copy of the Articles of Faith and Church Covenant as adopted by the church at its organization or before filing its petition for membership. At the end of one year, upon recommendation of the committee, membership within the Association of such churches shall be determined by vote of the Association in annual session. During this period such churches shall be entitled to all rights and privileges of the Association except their members shall not hold office nor vote.

ARTICLE IV--MEETINGS

SECTION 1. The Association shall meet annually on Monday and Tuesday evening after the second Sunday in October.

SECTION 2. Special meetings may be called by the Moderator or Executive Committee provided two weeks' notice is given to the member churches.
SECTION 3. Each church shall elect annually, in addition to the pastor, one messenger to the meeting of the Association for each 50 members of the church, provided each church shall have not less than three nor more than 10 messengers. These shall constitute the voting body of the Association. The names of the messengers printed in the Minutes shall include only those attending and registering at the Associational meeting.

ARTICLE V--AUTHORITY

Each church in this Association is independent and sovereign in its own affairs and the Association has no authority over the churches.

ARTICLE VI--OFFICERS AND THEIR ELECTION

SECTION 1. The officers of the Association shall be Moderator, Vice-Moderator, Clerk, Treasurer, and the following program directors: Sunday School, Discipleship Training, Music, Woman's Missionary Union, Brotherhood, and the Director of the Associational Church Library-Media Center Organization.
SECTION 2. The officers shall be elected on the last day of the annual meeting for a term of one year each. The nominees shall be contacted and nominated by the Committee on Nominations (Bylaw IV, Section 6). Committee nominations shall not preclude nominations from the floor.
SECTION 3. All officers shall complete their work as soon as practicable after the closing of the annual meeting - at which time the newly elected and holdover officers shall assume all other duties incumbent upon them.
SECTION 4. Any person having served two terms as Moderator shall be ineligible for re-election for a period of one year.

ARTICLE VII --TRUSTEES AND THEIR ELECTION

It shall be the duty of this Board to meet quarterly (the time and place to be determined by the Associational Board), and to make reports and recommendations to the Association at its annual meeting.

ARTICLE IX--EXECUTIVE COMMITTEE

The Executive Committee shall be composed of the Moderator, Vice-Moderator, Clerk, Treasurer, the Program Directors, Chairmen of Standing Committees, President of the CCM Council, Director of the Associational Missions Development Council and three members elected annually from the Associational Board and named by the Committee on Committees. They shall meet quarterly to calendar activities and plan programs of the Association.

SECTION 2. Program Councils: Each Program Council is composed of all the officers elected to serve in that particular program, with the Director as Chairman. The members of other councils and ministry groups will be nominated by the Nominating Committee with suggestions from said group and/or council. They shall meet quarterly to plan their work.

SECTION 3. Duties of Associational Missions Development Council: The former Committee on Missions, now called the Associational Missions Development Council, is responsible for developing and implementing the missions strategy of the Association. The missions strategy or program is one part of the overall work of the association and is, therefore, one of the most important units of organization in the Association.

The Association has 10 identifiable tasks, grouped into three categories:

1. Fellowship Tasks
   (1) Nurture harmony in faith and practice.
   (2) Nurture fellowship among churches, church leaders and members.
2. Missions Performance Tasks
   (1) Call the churches to be on mission
   (2) Provide resources and services to churches and leaders.
   (3)Train, develop and encourage church and associational leaders.
   (4) Provide opportunities for working together in missions, ministry, growth, and evangelism
   (5) Establish and maintain appropriate communications and relationships with community and denominations.
3. Administrative Tasks
   (1) Lead the Association under the Lordship of Christ
   (2) Plan the Association's program and utilize its resources.
   (3) Provide information about churches to the denomination

Duties of each associational program are drawn from their responsibilities for particular tasks. Programs do not have responsibilities for every task in the Association. Administrative tasks reside primarily with the Associational Council, though each program is responsible for its planning and resource management. Given the total perspective of associational tasks, duties of the Associational Missions Development Council are summarized as: awareness, planning, correlation, and implementation.

Composition of the Associational Missions Development Council is as follows: Director, WMU Mission Action Director, Brotherhood Special Projects Director, Sunday School Representative, Church and Community Ministries Council President, Singles Coordinator, Family Ministries Chairman, Family Prison Ministries, Literacy President, Interfaith Witness Chairman, Promotion Director, Survey Director, Flea Market, Fair Break Tent, Fair Missions Booth, Rest Area, Bele Chere, Language Missions, Resort/Leisure, Senior Adult Council Chairman, Multifamily Housing Coordinator, AIDS, and the Church and Community Ministries Director.

Director of Missions
Annual Report 1999
Gayle D. Brown, Director of Missions

In two and one half months a new millenium will begin. We, as Buncombe Baptists, can affirm "God has been Our Help In Ages Past, and is Our Hope For Years To Come." The Buncombe Baptist Association is one hundred and eighteen years old. Organized in 1882, God has been working through the Baptist Churches of Buncombe County to accomplish His purpose. From the mountain tops, through the valleys, and in the city of Asheville, Buncombe Baptists have touched millions of lives with the gospel of Jesus Christ. We have seen tremendous progress in many areas of our lives. Think of the progress made in the fields of transportation, communication, and health care, just to name a few. God's goodness and mercy have been interwoven in the lives of Buncombe Baptists through these years as His people have shared their faith, hope and love with the world.

I have been told of the first association missionary, Manley C. Hocutt. I never knew him. He is the one that saw the vision of what an association could be. I understand he would travel the roads across Buncombe County in his Model "T" visiting the churches and preaching God's word when called upon. Following Rev. Hocutt, came Rev. Robert Hughes. During Rev. Hughes tenure, churches in the Buncombe Association began to grow. Erskine Plemmons, the next missionary, encouraged church starts and mission involvement. A new association office was dedicated in1967, which met the needs of the churches for that particular era. When John Hicks became Director of Missions in 1972, the association experienced tremendous growth in programs and new associational staff. John and Martha Hicks saw the need for a new association office and cast the "vision" for the future. God has blessed Buncombe Baptists with a Resource Center that serves all of our churches and the community. We look forward to serving the churches and community as we enter the new millenium with a facility and ministry annex that will help meet needs of our churches and

community for many years to come. Within the next six months the ministry annex will be completed. This facility will serve not only Buncombe Baptists, but also the community as we respond to disaster needs.

I thank God for the fine staff in place with Ron Kiser, Norma Melton, Nancy Owen, and Barbara Wright. In the coming year we will continue to work on association structure which will move our association toward better and more relationships and "task force" short and long term projects.

What is God going to do with Buncombe Baptists as we enter a new century? I foresee an association of churches committed to "Carry the Light of Jesus Christ" into a world of darkness and despair. May every Buncombe Baptist commit to this goal until the Lord returns.

Congregational Development
Annual Report 1999
Ron Kiser, Director

The ministry of Congregational Development provides assistance for *church programs development, new church starts, congregational health, church staff support and church leadership development.*

Through BBA's *Lead.r* Workshops, the Association offered over 40 leadership courses to train leaders in our churches' ministries. Sunday School work, led by Steve Ackerman and Discipleship Training, led by Dorothy Doi, led the way in sponsoring our Lead.r workshops, and providing leadership for these training events. Our association hosted a FAITH workshop at Swannanoa FBC, and a number of our churches are currently participating in the FAITH ministry. Discipleship Training also sponsored our Association Bible Drills, where participation is growing each year. Kathy Burris is our Bible Drill leader.

Associational music projects included the presentation of Steven V. Taylor and Karla Worley's *True Love Waits: The Musical* by the Associational Youth Choir, and the Associational Children's Choir presentation of *The Story Tellin' Man.* The youth musical was directed by Steven V. Taylor and Rick Ramsey. Barbara Sanders was guest director for the children's choir. Adult Choir projects included the Biltmore House Christmas project, under the direction of David Hightower, and participation in the "Celebrate Jesus" Crusade, as well as the area crusade choirs for the J. Harold Smith crusades. Carl Setterlind and Don Welborn directed the "Celebrate Jesus" choir. The association also sponsored a Youth Christmas Musical, *Back to Bethlehem,* coordinated by Geri Spangler. Mike Adcock has resigned as Associational Music Director, after several years of faithful service. Mike Adcock has provided excellent leadership of the Music Council, and we are grateful for all he has done!

The Associational WMU sponsored 18 mission projects, in addition to providing leadership training, and conducting the World Day of Prayer, the WMU Annual Meeting, and the Women on Mission Retreat. Martha Hicks is retiring as WMU Director, after eleven years of service in this capacity. Martha's contributions to missions are well known across the association, state, and SBC. We appreciate Martha's faithfulness to the Lord's work, and thank the Lord for her many achievements in the Kingdom's work!

Wayne Higgins continued to provide excellent leadership for our Baptist Men's Council. Baptist Men participated in the Rest Stop ministry, disaster relief work, the Mountain State Fair Ministry, and the city's "Ramp Festival" (helping to build a ramp for a needy family). Baptist Men also coordinated our RA Car Competition and RA Track Meet, as well as our Young Men's Basketball League. Baptist Men are also one of the primary sponsors of the Mountain State Fair Ministry, where 68 persons accepted Christ this year!

WMU and Baptist Men join together to sponsor our BBA Mission Camps, where boys and girls (grades 3-6) learn about Christ, and about Baptist Missions. This year's camps, under the direction of Steve Harris, Stacey Harris, Edwina Messer, and Libby Pierce, had 98 campers in attendance, with 10 professions of faith growing out of "camp week".

Cathryn Kinser continued to lead our Media Library group this year. She provided two excellent conferences locally, and enlisted participation in state and national training events. Cathryn's expertise can help every church, large or small, with their media centers.

For the first time in many years, the Youth Ministers Fellowship of BBA sponsored a Youth Summer Mission Trip to Fredonia, NY. 72 persons from 5 churches participated. The group did community surveys, conducted backyard Bible Clubs, tore down two old cabins at a camp, painted a church and parsonage, and rebuilt a swinging bridge at a camp. Best of all, youth and their leaders led 36 persons to Christ!

The Director of Congregational Development continues to work with churches as they seek pastors and/or staff members, and to teach and preach in churches at every opportunity. During this year, I taught Winter Bible Studies, Mission Studies, Deacon Retreats, Sunday School workshops, conflict management courses, a class on "Dealing with Difficult People", and supplied the pulpit in many congregations, including one month-long service of pulpit supply. In addition, I've done consultations in conflict resolution, program ministries, and demographical research. I've worked with several churches in long-range planning.

The association now has the mapping center materials on our computers. These resources can assist your church in developing your prospect and membership files, and in doing "prayer walks" and "neighborhood studies". These services are available to your absolutely FREE.

I have also worked with the new work starts emerging in our association: Fresh Fire Baptist, Leicester Community, and Community Baptist, as they move towards associational participation.

The Lord is blessing the work of Buncombe Baptists, as we labor together in His kingdom. To God be the glory.

Church and Community Ministries
Annual Report 1999
Norma Melton, Director

This past associational year was filled with opportunities for ministry. With each opportunity Buncombe Baptists responded! We thank God for the faithfulness of all those involved in touching lives in Jesus' name. In I John 3:18 we read, "Dear children, let us not love with words of tongue but with actions and in truth." This scripture verse came to mind at this year's Mountain State Fair when one of the carnival workers expressed her appreciation for the ministry provided by Baptists. She said, "What I like about you (Baptists) is that you do and not just talk." I am grateful for the opportunity to serve as a part of the Buncombe Baptist Associational Staff. The following are several ways that together we have been able to share God's love this year.

Angel Tree Christmas Project: This is a project coordinated with Prison Fellowship to sponsor inmates' children with Christmas toys and clothes. Gifts are taken to the child's home and presented on behalf of the parent who is incarcerated and in the name of Christ. Angel Tree can help open hearts to receive the most important Gift, Jesus. Last December, we were able to place 285 children in Buncombe County with sponsors.

Rest Area Ministry: Literally thousands of people were ministered to during three holiday weekends—Easter, Memorial Day and July 4. Hundreds of tracts and Bibles were distributed. One lady from Michigan wrote us, "When we stopped at 2:00 a.m. to switch drivers, my husband and I were greeted by some kind people and hot coffee. Both were a welcome surprise. You were ad blessing to some fellow believers, and I am excited to think about the impact you may have had on unbelievers. They saw Jesus when they were greeted by you."

Bele Chere: This celebration is one of the southeast's largest street festivals. Buncombe Baptists were there this year sharing a cup of cold water in Jesus' name. Thirty-nine professions of faith were recorded. Hundreds of tracts, balloon, Bibles, and stickers were distributed. A diaper-changing station was provided at our booth.

Mountain State Fair: This year nine other Baptist associations assisted Buncombe Baptists in the fair ministry. Over six hundred volunteers ministered on the fairgrounds during September 9-19. Hundreds of others contributed such things as hygiene kits, bears, witness bracelets, clothing, blankets, food, and money. This year we provided a Mountain State Fair Prayer Guide to our churches. Sixty-eight professions of faith were made at the fair.

As the fair came to a close, the carnival workers expressed their thanks for our ministry among them. They presented a love offering to the ministry and signed cards expressing their appreciation for the love, respect and concern that was shown to them.

Literacy: Tutors were made available in the ministry of adult reading and writing and in the ministry area of conversational English. The tutoring children and youth ministry continued at Black Mountain Baptist Church. Efforts were made to expand this outreach program to other churches. The "Read Me a Story" program continued at the Women's Correctional Center in Black Mountain. The purpose of this program is to assist inmates in reading a book on audio tape and sending the book and tape to the children from whom they are

separated. Efforts continue to be made to supply tutors to persons on probation who need help preparing for GED tests at the Buncombe County Jail. An English as a Second Language Workshop was conducted with three persons completing the workshop and becoming certified in ESL.

Association Strategy Planning Committee
Annual Report 1999
Stephen D. Ackerman, Chairman

The Association Strategy Planning Committee has "re-organized" this past year, acknowledging the completion of previous tasks given by the Association and moving forward to determine how we might best "strategize" to move more effectively into the twenty-first century.

The Committee is made up of Associational staff, pastors, and laypersons and is a group well prepared and motivated to consider all strategy possibilities. We met early this year and discussed "Where We Are in Association Strategy Planning," and determined that we would establish subcommittees to follow a two-fold approach. One sub-committee—Associational Staff Group—was assigned the task of interviewing our associational staff to determine if titles and job descriptions were accurately descriptive and up to date with the obvious needs of our Association. This committee has met with the staff and evaluated the information gleaned and has presented to the ASP Committee a written report suggesting possible changes in titles and job descriptions. The full committee will further study this report and recommendations will be forthcoming.

A second sub-committee—Associational Structure Group—was charged with the task of considering how other "like" associations are structured (or are restructuring) and bring a report. To date, this sub-committee has visited seven associations, and learned that each association is structured differently to meet the needs of their own community. Although this sub-committee has not concluded its self-adopted agenda, it is the opinion of this group that

A second sub-committee—Associational Structure Group—was charged with the task of considering how other "like" associations are structured (or are restructuring) and bring a report. To date, this sub-committee has visited seven associations, and learned that each association is structured differently to meet the needs of their own community. Although this sub-committee has not concluded its self-adopted agenda, it is the opinion of this group that our Association should be a combination of program-based and purposed-based ministry.

The ASP Committee is considering a Spring retreat during which a few associations might be invited to share their structures with the entire committee. After determining structure goals, the full committee will then reconsider title and job descriptions to best fulfill the structure and ministry goals.

Pray for this committee as we consider very seriously the future direction of our Buncombe Baptist Association.

Sunday School
Annual Report 1999
Stephen D. Ackerman, Director

As we stand on the threshold of 2000, Sunday School continue to be the leading edge of evangelism and mission in most of our churches. To encourage and upbuild the local church Sunday Schools, we have taken a two-fold approach. In accord with our purpose to help churches effectively teach God's Word, we provided leadership training in both the Spring and Fall L.E.A.D.R. conferences. These were well attended with leaders from many churches including some from neighboring associations. Secondly, in accord with our avowed purpose, we have provided numerous private on-site age-group consultations for leaders in our churches. Additionally, several of our churches had taken part in the ETC at Ridgecrest with their full Sunday School leadership.

One of the greatest challenges we have faced in recent years (and it continues to this date) is keeping up with the wholesale changes in name and literature.

The type and thrust of Sunday School materials continue to be in flux. We have learned in recent days and will try to communicate to our churches the projected changes in literature for the new millenium. Titled "Sunday School for the New Century," samples of the new material will not be available until December 1999, with samples sent to churches in February of 2000.

Our ACTeam had been invited to participate in the state convention's training in February of 2000 to serve as associational-regional consultants to interpret the new materials and programs to the churches.

If we can assist you in your Sunday School teaching and outreach, call!

Discipleship Training Report
Annual Report 1999
Dorothy Doi, Consultant

Is your church in the business of helping people be like Jesus? If yes, then you are involved in transformational discipleship. If no, why are you not? God is at work changing a believer into the likeness of Jesus by creating a new identity in Christ and by empowering a lifelong relationship of love, trust, and obedience to glorify God.

The measure of true discipleship is the degree to which a believer is like Jesus. Knowing Jesus in an intimate personal relationship changes believer's hearts and transforms them into new persons.

Resources for transformational discipleship are available through your association. Dorothy Doi, Minister of Family Life at Grace Church, is your Discipleship Training Consultant. Ron Kiser, Director of Congregational Development, is also available for personal consultations with churches. Other great resources are free training events. The Spring and Fall L.E.A.D.R. Workshops are opportunities to learn from some of the best discipleship leaders like Eddie Hammett, Sandra Harrison, and LifeWay specialists. Please keep in mind that commuter fees in the summer at Ridgecrest Conference Center are very reasonable.

Packaged resources including workbooks, leader guides, video and audio tapes, and visual aids for a wide variety of exciting studies are on display at the Resource Center. You may check them out to review or use. Even more new and updated versions of popular studies will soon fill the shelves.

"And we, who with unveiled faces all reflect the Lord's glory, are being transformed into His likeness with ever-increasing glory, which comes from the Lord, who is the Spirit" (2 Corinthians 3:18).

Associational Bible Drill

Helping children hide God's Word in their hearts is a super ministry to have, for you have the opportunity to sow seeds that could reap an eternal harvest. What a privilege! Bible Drill is a ministry to help children become more familiar with God's Word, the Bible. Children learn to handle their copies of the Bible with respect and care. In church, associational, and state drills they go through the following drills: quotation, completion, book, and key passage. These are essential areas of Bible knowledge that they will use for a lifetime.

Kathy Burris is our Associational Bible Drill Director. She has given many years to this ministry, and she knows it inside out. As a resource, Kathy far outshines the materials on display at the Resource Center or available for purchase through LifeWay or the state convention. A newer program to get younger children ready for Bible Drill is called Bible Buddies. Items to add extra fun to these programs are also available. An organizational training meeting for Buncombe churches will be February 3, 2000. Our association drill will be March 11, 2000. April 12 is the deadline to register for a state drill held regionally.

Woman's Missionary Union
Annual Report 1999
Martha Hicks, Director

This year our WMU theme has been "Transformed." We think of the potter molding the clay. Just as the potter transforms the clay into something beautiful and useful so God is the potter and we, his children, are the clay. He will take us with all our imperfections and make us into the beautiful Christian people God would have us to be—equipping us for service. Isaiah 64:8 (TEV) says "But you are our Father, Lord. We are like clay, and you are the potter. You created us." May we continue to let God transform us into vessels He would have us to be.

This has been a good year for Woman's Missionary Union. Several churches have reorganized WMU work in their churches or plan to do so in the near future. There have been good reports of Women on Mission and Women in Ministry working together in our churches as we seek to be better disciples for the Lord and to reach people for the Lord here and around the world.

- We, as the WMU Leadership Team (formerly Council), have met for planning and information four times this year.
- World Day of Prayer was observed on November 2 in one central meeting at West Asheville Baptist Church instead of individual districts. Baptist Men and Korean, Hispanic, and African-American congregations joined us for this special prayer and

worship service. The theme for this Day of Prayer was "Celebrate the Love of Jesus." Our guests joined in the worship experiences. Music was provided by Robbie Williams, Margaret Tiller, Peggy Clark, and the Asheville Korean Choir. Other participants were Jean Hollingsworth, Norma Melton, Reverend Inhee Park, Reverend Russell Hilliard, Reverend Charles Alonso, Reverend L. C. Ray, Wayne Higgins, Reverend Ron Kiser, and brothers and sisters from the Korean Baptist Church, the Hispanic Baptist Mission, and the Mud Creek Baptist Association. This program ended with all cultural groups praying together the Lord's Prayer in their native language.

- The Day of Prayer this year will be held in each district. The theme is "Celebrate the Promises of Christ." The Bible study is taken from the Book of Matthew.
- Mission Studies for International and North American Missions were taught Offerings for International and North American Missions, State and Association Missions were taken.
- Missions Camp was held at Camp Truett in July with a good attendance. Edwina Messer and Libby Pierce were directors of the Girls' Camp.
- We have 14 mission projects going on in WMU and in cooperation with Church and Community Ministries and with consultants in all the age groups and consultants for violence, cultural diversity and growth.
- Many of our Women on Missions Ladies in the churches have gone on mission trips recently to help in areas of need because of disasters that have happened.

From the church letters to the association, it is reported that we have 34 churches with WMU work. There may be more as we do not get letters from all our churches.

On October 2 of the new associational year, we had a Women on Mission Retreat. Eilleen Rowe, Women on Mission Consultant, coordinated this event. Mrs. Sue Kavli from Brevard and missionary to Thailand was the leader for the occasion. The theme was "Transformed to Stand" (our WMU theme emphasis for this next year.) She is an outstanding conference leader. Others on the program were: Mona Mason and Dot Hampton, Music; Jean Hollingsworth, Martha Hicks, and Marie Clontz. A delicious lunch was served by the hostess of First Baptist Church.

We praise God for our work together in missions!

Baptist Men
Annual Report 1999
Wayne Higgins, Director

This has been another active year for our Baptist Men and RA's. They continue to serve the Lord and reach people for Christ through numerous projects and programs both within and outside our Association. Following are some of the projects our men and boys were involved in this year:

1. Several of our men participated in mission trips to Honduras, the former Soviet Union states, Africa and other mission fields including home mission work. We had a tremendous response to the flooding caused by Hurricane Floyd. Several of our men assisted with the relief effort as well as a huge outpouring of love and compassion shown by our church families. There were several truckloads of food and supplies collected and sent to the victims of the flood. In addition, several thousand dollars were collected and

sent. We are very thankful for the concern shown by our churches and individuals and the prayers which were prayed for the victims. We have wonderful people in our Association.

2. Several of our churches participated in Baptist Men's Day, which was held on January 24.
3. Several men and leaders from our association attended the Baptist Men's Convention that was held on January 29 and 30 in Greensboro. We had an outstanding meeting.
4. On March 6, we conducted our Association RA Car Competition which was held at Westwood Baptist Church. Jimmy Hall did an excellent job of planning and coordinating this program. We had a large group of boys and parents participating.
5. On April 24, we conducted our Association RA Track Meet at the A. C. Reynolds High School athletic field. This was a success again this year.
6. On August 21, we conducted Baptist Men training in connection with other training provided by the Association.
7. Some of our men were involved in Habitat for Humanity projects during the year. This continues to be an excellent local project.
8. On the July 4th holiday weekend, the Baptist Men of our Association conducted the Rest Area Ministry.
9. Our Missions Camp was once again a huge success this year. For more information concerning this program, please refer to the Missions Camp report.
10. We conducted several Baptist Men planning meetings during the year.
11. Our Baptist Men participated in the RAMP festival which is annually conducted by the Mountain Housing Opportunities. We had over 20 men involved in this project. We built a ramp in the Fairview section of Buncombe County.
12. Our Mountain State Fair Ministry was very successful this year. The attendance at the Fair set a new record. We had ten associations and over 1,000 volunteers involved in this project, which is the largest mission project conducted by our Association. The Lord has blessed tremendously. There were over 65 confirmed decisions to accept Christ.

We continue to be amazed at the miracles that God is performing in this ministry. We really appreciate the participation and involvement by our churches. The ministry could not take place without the dedication and support of our people. Thank you!

As we can see, God continues to bless our efforts as our Association men and boys reach out to others in the name of Jesus. I encourage all of us to pray that God will continue to us each of us in His service.

Missions Camp
Annual Report 1999
Steve Harris, Boys' Camp Director
Libby Pierce, Girls' Camp Director

Buncombe Baptist Missions Camp was an overwhelming success in 1999. The Lord blessed in many ways all who attended. The three specific areas in which God worked greatly were missions education, Biblical instruction, and worship. The organization of the camp greatly enhanced our experience. No one was overworked (that I know of) which allowed the enthusiasm of the Holy Spirit to bubble forth in everyone.

A special thanks to Reverend John Merritt and Freddy Johnson who were our missionaries for the week.

Ninety-eight youngsters attended camp. There were ten professions of faith, and many gave their lives to Christ in a more complete surrender. Everyone grew in the grace and knowledge of the Lord. I think the theme of the camp was accomplished in many lives as we left to "stand strong in the Lord, and in the power of His might."

Carson E. Moseley, President

The Buncombe Baptist Ministers' Conference meets each Monday 10:00 0-11:00 a.m. at the Resource Center. All ministers in the Buncombe Baptist Association are invited and encouraged to be a part of this very special hour on Monday mornings.

Christian Life and Public Affairs
Annual Report 1999
Gail Harding, Consultant

Christian Life and Public Affairs information pages were included in 11 Buncombe Baptist monthly newsletters. A broad variety of subjects were addressed, including:

- Sanctity of life information (abortion, out-of-wedlock births, the pending Partial Birth Abortion Ban Act (S.928), stem cell research, the pending Unborn Victims of Violence Act)
- TV content and rating system, lewd broadcasting on radio, internet pornography
- Lottery/gambling
- Religious liberty (pending Religious Liberty Protection Act (H.R. 1691), hate crimes bill)
- Sexual orientation, gay rights
- Tolerance
- Christian Citizenship (a How-To Page with letter-writing hints and list of elected officials)
- Ten commandments in schools
- Buncombe County zoning and Asheville Unified Development Ordinance
- List of legally permissible activities for Christian students in public schools

Concerns over the opening of an adult book/video store close to one of our churches resulted in:
The securing of proclamations of "Pornography Awareness Week" (October 25-November 1, 1998)
1. At three levels: Asheville City Council, Buncombe County Commissioners, and the North Carolina Governor
2. Distribution of 600 "Real Men Don't Use Porn" bumper stickers
3. Three anti-porn billboard messages.

Specific information was requested by and provided to a number of individuals during the year.

The challenge to keep Buncombe Baptists informed on a multitude of ethical, moral and religious liberty issues is never-ending. It is difficult to determine which issues should be addressed in necessarily limited space. Comments, suggestions and feedback are welcomed and appreciated.

Church/Pastoral/Staff Relations Committee
Annual Report 1999
Hatcher Elliott, Chairman

Just as temptations, trials and tribulations come to individuals, they come also to churches. When they come there is need of a friend and this committee has a desire to be that friend.

It is the purpose of this committee to so relate to churches, pastors and staff members that they may be encouraged; and, where necessary, find counsel and care.

We had very few calls last year. Our Director of Missions and Director of Congregational Development have ministered personally as well as committee members.

The services of this committee are available at any time. We want to be your friend in time of need.

Baptist Student Union at UNC-A
ANNUAL REPORT 1999
Joe David Fore, Campus Minister
Joy Jones, Associated Campus Minister

Baptist Campus Ministry and the work of the Baptist Student Union continues to grow and flourish at UNCA. Thanks to the strong support of Buncombe Baptist Association. Baptist Campus Ministry and BSU continue to become an integral part of campus life at UNCA, i.e. The Campus Minister meets twice monthly with the Vice Chancellor for student affairs and his staff for input on student life and the general, and sometimes specific, welfare of student in relation to campus life. The Campus Ministry was involved in numerous planning sessions for campus-wide events that involved both the sacred and the secular aspects of campus life. An example of the sacred is an event we sponsored in the Highsmith University Center. We invited the Reverend Dr. Ed Wheeler, president of Christian Theological Seminary in Indiana. He led a three-day preaching service around the history of the African-American church and freedom movement. Dr. Wheeler set his sermons/lectures in very clear theological rootings from the Bible. To further illustrate the value of the BSU and Baptist Campus Ministry at UNCA this event was cleared as a culture event through the humanities department at the university. This meant that students in attendance received credit for their humanities course work. The head of the humanities department attended the last night and her comment was "I cried, how can we get this person back for my staff and faculty."

As the officers of the Baptist Student Union met in the spring of '98 to plan a new year, we were looking forward with anticipation toward a year to be led by a very seasoned group of leaders. We could tell in the very first meeting of this council that they had matured and were ready for the task and that they cared about making this organization the best it could be. They chose the theme "Peace by Piece." They used the Bible verse from Paul's letter to the Philippians in chapter 3 verses 12-14, "I do not claim that I have succeeded or already have become perfect. I keep striving to win the prize for which Christ Jesus has already won me to himself. Of course, my friends, I really do not think that I have already won it. The one thing I do, however, is to forget what is behind me and do my best to reach what is

ahead. So I run straight toward the goal in order to win the prize, which is God's call through Christ Jesus to the life above." This gave expression of the vision and dream for the BSU and Baptist Campus Ministry at UNCA in 1998-99. The students proceeded to plan the events of the year with the emphasis on our journey as Christians and looking at what that means to all of life.

When fall semester arrived, and the usual early events took place we found ourselves with the largest number of participating students ever, and this continued throughout the entire school year. A beach retreat early in the year seemed to be a great start, with bonding of the group as well as much-needed time for reflection after a whirlwind few weeks getting adjusted to college.

During the year we worked closely with the United Methodist Campos Ministry (UMCM) and the Presbyterian Campus Fellowship (PCF). After joining us on the beach retreat, these two groups participated with the BSU in sponsoring several meaningful campus events and a very successful Spring Break mission trip to Nashville, Tennessee.

BSU was very present and widely recognized on campus, as they participated in several events. We had representatives on the Homecoming planning committee, a "Home for the Holidays" committee for a special Christmas event, and a week of emphasis on poverty, hunger, and homelessness called "HOW Week (Help Our World).

Our relationship with the African-American Student Association continued after the previous year's effort to open dialogue and make a conscientious effort to break down barriers and come to a better understanding of each other. We sponsored (along with UMCM and PCF) the African-American family known as "The Healing Force" on campus. Approved as a Humanities Culture Event, this performance was one of the best events which the BSU has held on campus, with attendance from a diverse group of students. Near the end of the semester, we held a banquet with AASA at the Governor's Western Residence on top a mountain in Asheville. It was truly a "mountain-top experience" as a group of 50 students enjoyed fellowship around the table and some interaction and talent-sharing.

In the area of missions, we had students participating in a variety of mission endeavors. They prepared a meal for a local homeless shelter, the Hospitality House, and worked at Manna Food Bank on two occasions. During fall semester one student served at the Baptist Retirement Home in a semester work/study and a student served during spring break at the ABCCM medical clinic under this program. We have two students in summer missions this summer and one student plans to participate in a bivocational summer ministry.

Two students participated in a social function for the ARC (Association for Retarded Citizens) and several students helped cut wood around the BSU House for the ABCCM. We had 26 students rake leaves to help raise our summer missions budget; and, with other projects, we increased our donation to $1,300. There were 17 students who attended Fall convention and 8 at Spring Conference. One student served on a state committee and one will be on state committees for the coming year.

Our work with local churches was strong this year, as the students developed worship serviced to share with several congregations (see next page.) A group presented a program of music and sign language to the senior adults at Reed Memorial Baptist, as well as

testimony about summer missions experiences. Sunday evening services were led at Grace and Newbridge (two times), and our students led an early morning contemporary service at Grace. Our students performed "Christ in the Concrete City," a contemporary drama depicting the life of Christ in today's society. They presented this several times in churches across the state including Asheville First Baptist in May. The older youth of Black Mountain First visited with BSU students at the BSU house for a fellowship lunch and questions and answers about college life. Included in this were, of course, a number of comments from our BSU'ers about how helpful this organization has been in their college life.

Early in the fall, we had several students to assist with an associational ministry at the Mountain State Fair. They worked at the Medical/Dental and Disaster vans at the missions booth, and at the break tent for fair workers. At Christmas we had eight students and our volunteer Campus Minister participating in the Buncombe Baptist Choir performances at the Biltmore House.

A special event at Christmas is "Return to Bethlehem" presented by ABCCM. We had 10 students plus the campus minister and family participating as cast members and/or providing the Advent Medley for this meaningful city-wide effort to provide a worshipful holiday experience.

The fellowship meal on Mondays at the BSU house, provided by the gracious ladies of WMU of our Buncombe Baptist Churches, continues to be a special part of the week for many of the students. They make their way to the center for a pause in the week for uplifting fellowship and gathering together as they begin a sometimes stressful week on campus. Our attendance at the lunches averaged around 35 this year, and the weekly Wednesday service "Encounter" stayed around 32-37 the entire year. When one looks at the total outreach of the BSU and Baptist Campus Ministry at UNCA some 550-650 students were touched by our ministry this year.

As this report is written Joy and I are amazed at all of the happenings and events in which we have participated, considering that these students are busy being first of all a student, as well as working part-time jobs in many cases. They also are involved in churches and, of course, must have some time to be with families and friends. As they have participated in BSU this year, I feel that we have been an important influence on their journey, and that the experiences and relationships provided them through involvement in BSU help them to continue to live out the theme "Peace by Piece," living in the present but preparing for the future.

Language Missions
Annual Report 1999
Russell B. Hilliard, Sr., Language Consultant

As the population of Asheville and Buncombe County has grown, the number of internationals has leaped forward even at a faster pace. Consequently, churches in the association need to look again at the need for and potential of language groups in their ministry vision.

During 1999, the Asheville Korean Baptist Church purchased a new and strategic property in Fletcher. Under the leadership of Pastor Inhee Park, this ministry is reaching out with hope and with vigor to the rapidly growing Asian population in the Asheville-Hendersonville area.

Another fine language ministry in the Buncombe Baptist Association is the work among Ukrainians. Under the leadership of Pastor Max Volkoz, this ministry continues to reach out with the good news of Christ to Ukrainians in Buncombe County. The mission meets at the Merrimon Avenue Baptist Church, with an average attendance of thirty persons. One of the most significant developments in Hispanic work in 1999 was the coming together of Spanish-speaking persons at Calvary Baptist Church. It is the hope that this mission will soon be constituted as the Hispanic Baptist Church of Asheville.

An A-B Technical Community College off-campus English as a Second Language program continues at the Grace Baptist Church in West Asheville. During 1999, volunteers of the Grace Baptist Church began an outstanding program of tutoring the children of the ESL students. Help is given to the children for understanding better their homework, and it is offered from K-5 to middle school age children. At the same time, the Grace volunteers provide nursery facilities so that the parents can study. Spanish classes are also offered for North Carolinians who desire to learn Spanish. All these activities are from 6:30-8:30 on Tuesday evenings at 718 Haywood Road.

On September 6, approximately 300 persons from Hispanic churches and missions in Western North Carolina enjoyed Labor Day at the Ridgecrest Baptist Boys' Camp. The Western North Carolina region was, moreover, well represented in the Sunday School training emphasis at Meredith College in June. Training sessions have also been held in Spanish in the area under the sponsorship of the regional pastors' group.

With ad population growth of Hispanics of over 400% in North Carolina, it will be of vital importance to look at mission opportunities in the north, south, east, and west regions of our rapidly changing county. It is the vision of the Hispanic Baptist Mission of Asheville to assist in the development of leaders for opening ministries in these other areas where the challenges are great. One person is already available to begin a Bible study ministry, but he needs financial support to have the time to reach out in the name of Christ to approximately 5,000-7,000 Hispanics who now live in the coves and valleys of our lovely county.

Multi-Ethnic Christian Fellowship
Annual Report 1999
Buddy Corbin, Chairperson

Over the last year our world has been engaged in ethnic conflicts, leading to substantial violence and in some cases genocide. Nations, outside our borders, are not the only places where racial/ethnic violence exists. We read of the horrific crimes at Jewish community centers, drive-by killings in the Midwest and tension on the college campus. The Bible declares, "***Pursue peace with everyone, and the holiness without which no one will see the Lord*** (Hebrews 12:14).

The Multi-Ethnic Christian Fellowship has been assigned the work to encourage and enable the Buncombe Baptist churches to do the hard work of building bridges between people groups as a witness to our Savior, Jesus Christ. Our committee has met to enhance these goals. The work with a growing Latino population continues to be an essential object of cooperation. Bent Creek, Calvary, Grace and Merrimon Avenue Baptist churches are presently involved in developing the emerging strength of such work. Calvary Baptist hosted a multi-ethnic picnic fellowship this past August. Because there are at least 15 identifiable people groups in our Association's field, it is incumbent upon us to continue to work of cultural understanding. The 2000 year will be another year of ministry work for the Committee especially and hopefully, among the young.

Membership Committee
Annual Report 1999
Hilton Moore, Chairman

Fresh Fire Baptist Church has been under the watchcare of Buncombe Baptist Association since October, 1998. They were duly constituted as a church on March 28, 1999 with the Reverend Jerry Wilson as pastor. Their church constitution, statement of faith and church officers were presented at that special service. They are in full accord with Southern Baptist polity and doctrine, and have pledged to support Southern Baptist causes, including the Cooperative Program.

The Reverend Gayle Brown, the Reverend Ron Kiser and the Reverend Hilton Moore attended the constitution service and had a part on the program.

Since being constituted, the church has received two new members by letter and baptized 11 new Christians. The church meets in a rented building and has started a building fund in anticipation of building a church.

The Membership Committee recommends that Fresh Fire Baptist Church be accepted into full membership in Buncombe Baptist Association, effective October 18, 1999.

There are also two new church starts in our association. They are Leicester Community Church and Community Baptist Church. They have not met with the Membership Committee because they are just in the beginning stages. The Committee looks forward to working with them.

Evangelism Committee
Annual Report 1999
Mike Smith, Chairman

It's good to have a positive report to make for 1999. We have been blessed in many ways.

Let me say, first of all, that our committee has functioned well. There is much that I could say about each one of them and also as a group. They need your appreciation too.

We were instrumental in the "Celebrate Jesus"—Share your Faith Crusade with Dr. John Ed Mathison at the Thomas Wolfe Auditorium in July. This was a good meeting. There were many blessings that came as a result of cooperation among the churches--not just Baptists, but the Methodists, Presbyterians, Nazarene, Church of God, Candler House of Prayer and Afro-American churches.

We need to also thank our people for the music—choirs, musicians, band and orchestra. The Biltmore Church was a real blessing. Don Welborn deserves a medal for all that he did. There were others who stood in the gap. Thank you !

There were two very good tent revivals with Dr. J. Harold Smith. He is one of God's choice servants and a tremendous preacher. The East area meeting for Swannanoa Valley was held on the grounds of First Baptist Swannanoa. Dr. Jerry Pereira was the chairperson for this meeting. The North area meeting was chaired by Reverend Clark Henderson. This meeting was held on the grounds of Newbridge Baptist where Clark Henderson in pastor.

We continue to seek and promote harmony and cooperation among all church of Christian faith. We have come together in promoting the cause of Christ. Everyone of these pastors and churches have participated and supported the area wide meetings. Thanks for your continued support. We are on the threshold of something really great. Pray for us and expect great things for year 2000.

It's been a pleasure to serve as chairman of the Evangelism Committee.

Television continues to be a number one means of communication. Millions of people spend thousands of hours each year watching programs which influence them for good or bad. On Sunday evenings (and one or two other times during the week) our "Buncombe Baptists Today" program is aired over InterMedia Cable (Channel 10) and Charter Cable (Channel 6). Only God knows how many people watch the program. However, there is a potential for a large audience at prime time. We are telling the old, old story of Jesus and His love. This is what brings people to salvation (Romans 1:16).

Our format is usually preaching or teaching of the Word, music, interviews, and promotion of the work of our local churches and the association. The average cost of each program is about one hundred ($100.00) dollars. Pray for this outreach and please be supportive of it.

PROGRAMS: COMPUTER AND COOPERATAIVE
ANNUAL REPORT 1999
Harold and Dot Blankenship, Associational Representatives

How many times have you heard or used the word "computer" in the last two days? Some have given the name "computer age" to our time in history. Whether or not you have a computer, we realize more and more the widespread affect that these machines have on our lives. There is concern that in the year 200 some computers will not be able to perform the tasks on which societies have come to depend.

Modern day computer programs and the Cooperative Program, which was adopted by Southern Baptists in 1925, have some things in common. Three basic factors which give both of them impact on our lives are: (1) the program itself, i.e. the work it is designed to perform, (2) the necessity of power to carry out that program, and (3) the person who initiates action. Without sufficient power, an adequate program, and a person committed to keeping the program in motion, the programs are isolated, perform little or no action, and therefore have no real impact through service.

The Cooperative Program is a plan for financing the work of Southern Baptists in making disciples of all nations of the world. The purpose of the Cooperative Program is to bring into partnership every Southern Baptist who is committed to obeying Jesus'commission to go to every part of the earth to share the Good News. Any amount of funds channeled through the Cooperative Program by the local church enables that body to help support every

Southern Baptist mission cause at home, across our state, North American ministries, and around the world.

The power of the Holy Spirit makes possible the work of His Kingdom through the Cooperative Program. He opens hearts, motivates, inspires, directs, and sustains God's people in His way. The person who activates the Cooperative Program is the Christian who prayerfully seeks God's will and is an obedient steward of life and possessions.

From ancient times into the new millennium generations continue to need to hear the Good News of Jesus Christ. Like the computer program, the Cooperative Program requires the involvement of people if it is to succeed in meeting desired goals. Let us be faithful to God, informed and concerned about the needs of others, and accept the role of dependable stewards. May we be persons of action to go and to send laborers into the fields that are white unto harvest.

American Bible Society
Annual Report 1999
Margaret Tiller, Associational Representative

The "Year of the Bible" so proclaimed our motto for 1999. American Bible Society has been spreading God's Word since 1816. The mission of ABS still is to provide the Holy Scriptures to every man, woman and child in a language and form each can readily understand, and at a price each can easily afford. This purpose, undertaken without doctrinal note or comment, and without profit, is a cause which all Christians and all churches are urged to support. At least one complete book has been translated into more than 2000 languages. The Bible is not only in English but nearly 100 other languages as well.

Looking back:

You don't have to be famous . . .
You will blossom like a vineyard And be as famous as the wine from Lebanon (Hosea 14:7b CEV),
In the last half century, the American Bible Society has received support from many famous individuals. Here are just a few noteworthy events. In 1950, President Harry Truman signed the ABS Good Will Book for Japan. President Eisenhower signed the World Good Will Book in 1955. Queen Elizabeth II visited Bible House in October 1954 and received a specially imprinted King James Version Bible. In a letter dated July 19, 1961, President John F. Kennedy wrote, "I am delighted, therefore, to extend my very best wishes to the American Bible Society for the success of its program to encourage reading of the Bible throughout the world." In October 1962, baseball star Jackie Robinson helped promote "The Word of Power" program to encourage Bible reading. In November 1963, Nobel Prize winning author Pearl Buck presented ABS with a Chinese New Testament in a vernacular translation made by her father. Celebrities who have read Scriptures on ABS-sponsored radio spots include Ronald Reagan, Hugh Downs, and Dick Van Dyke.

Looking forward:
Australia—in preparation for the Sydney Olympics in July 2000, the Bible Society of Australia has published a second edition of its Sports New Testament titled "Towards the Goal."
The new publication features profiles and testimonies from 16 famous athletes, including tennis players Michael Chang and Margaret Court, and stars from cricket, horse racing, and rugby, all of whom proclaimed their belief in the Bible. Mr. Chang, an American, and Ms. Court, ad former Australian tennis champion, both appear in television and radio spots promoting the New Testament.
"Christian sports people know that their success does not depend on their sporting ability alone, but on their relationship with God and the hope and security that brings," said Ms. Court, now ad pastor of a church in Western Australia.
She credited her Biblical faith with her personal recovery from a heart condition in 1979. "One verse that really kept me going is Galations 2:20: 'I have died, but Christ lives in me. And now I live by faith in the Son of God, who loved me and gave his life for me' (CEV)."

When we support ABS, we can help with spreading the Good News to the world. Let's make "2000" the best year ever in ABS work.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA
1999 ANNUAL REPORT TO THE ASSOCIATIONS
Glenn Stroud, Representative

Three rocks beside her trailer house warned four-year-old Mamie not to tell anyone of the way her faither was abusing her. If she ever told, her faither said, those stones would mark her grave and the graves of her two best friends. "He had already killed my dog," says Mamie, now 16. "So I believed him."

When authorities discovered Mamie's abuse at the hands of her father, she was taken from him, and he was charged, but released on bond. He came to the house where Mamie was staying to kill the people in the house. . . and her. But he was subdued. She heard him through the wall threaten her death while she cowered inside. Mamie's mother, who left the family when Mamie was six weeks old, attended her father's trial, but only "to see if Mamie looked like me." Mamie never saw her.

George and Linda Hogan, believing "every child deserves a childhood," took Mamie in and raised her as their own. They met her while delivering communion elements to her grandmother. "It's been a struggle, but you do the best you can," said Linda, who suffers with diabetic ulcers. After her 71-year-old husband had a second heart attack, Mamie became too much for the couple to handle. She lives now at Moody Home, a structured value change home for girls in Franklin, one of 13 facilities operated by Baptist Children's Homes of North Carolina.

Shredding the Safety Net
Mamie pressed the boundaries of love, and George and Linda weren't physically able to pull her back to safety. "I tried to push the boundaries a little further and a little further, to see how far I could push before they snapped. Finally, they couldn't take it anymore," Mamie said.

Baptist Children's Homes serves families who "can't take it anymore," who have children or grandchildren whose behavior is out of bounds.

In 1998-99 BCH served 1,646 children and their families through 13 facilities statewide. BCH operates residential campuses in Thomasville, Pembroke, Kinston and Clyde; a maternity home in Asheville; a teen mother/baby home in Lenoir; values change homes for girls in Franklin and Lenoir; therapeutic camping in Cameron; crisis cottages at the residential campuses and in Waynesville; and model day care in Thomasville.

Beginning with Easter 1999 and continuing through Thanksgiving 2000, BCH instituted a 20-month institutional emphasis of *"Quality Service Through Quality Relationships."* Michael C. Blackwell, president since 1983, is "committed to keeping our staff and our services fresh and vital to meet ever changing needs."

The emphasis places top priority on relationships to achieve the highest quality of service possible. The QSTQR operating theme will permeate every action, program and effort within the insitution and without.

The word "quality" has been overused and under-realized, and it too often cloaks mediocrity with imagined value. There will be no such veneer at BCH.

Building and Renovating

BCH moved ahead its Odum Home campus in Pembroke to meet new challenges April 27, 1999 by dedicating two major campus renovations. Space for 10 boys was added to the old "main" building which was named Luther and Audrey Carter Hall, in honor of the donor couple who left their estate to BCH.

The former house used for a director's residence was renovated to serve five girls in transitional care and names for longtime trustee and supporters Abe and Jackie Elmore.

Total renovations increased capacity at Odum Home from 28 residents to 45. Additionally, 10 day students fron Pembroke Middle School will be served at the Winifred Lindsay Education/Administrative Center. These students have issues to resolve that do not require them to be in residential care.

At Cameron Boys Camp May 4, two important staff lodges were dedicated: The A. J. Fletcher Lodge and the Hubert M. Craig Lodge. These lodges provide staff housing, a rare commodity in wilderness setting in which Cameron Boys Camp operates.

"North Carolina's largest family" is grateful to our North Carolina Baptist partners, as together, we help hurting children and heal broken families. To secure our new video about BCH, schedule a speaker or access services call (800) 476-3669.

HOSPITALS CARRIES THE TRADITION

In May of 1999, The North Carolina Baptist Hospitals, Incorporated celebrated 76 years of service to the community and the region. During these years the Hospital has been faithful to the vision of the North Carolina Baptist State Convention. When the Hospital was birthed, the Convention stated the reason for doing so was: *to extend the healing ministry which was demonstrated by Jesus Christ.* Many challenges have been faced through these years, but the commitment to compassionately strive for innovative excellence has remained the same.

BAPTIST BENEVOLENT CARE FUND

Baptist churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1998 the MDO amounted to $530,874. It was used exclusively to help patients who had little or no health care insurance or no other financial means to pay their hospital bills. From the offering this past year, well over $200,000 was used to assist members of our Baptist churches in North Carolina. May God bless all those who supported us with prayers and gave so generously.

DIVISION OF PASTORAL CARE

During the year, the Department of Chaplaincy and Pastoral Education provided worship services in Davis Chapel on Monday, Wednesday, Friday and Sunday, as well as services in the J., Paul Sticht Center. Chaplain supervisors, residents and interns made more than 50,000 ministry contacts last year. Seventy-five students graduated from the Department's fully accredited Clinical Pastoral Education program. Maurice Briggs retired from the Department in February after 30 years of service. He was known throughout the Hospital for his pastoral presence and the depth of his sensitivity and care.

The Department of Pastoral Counseling/CareNet, Inc. continues to expand its ministries. There are now 13 Christian counseling centers located in strategic areas from Franklin to Wilmington. During the year these professionally staffed centers will provide over 26,000 hours of Christian counseling.

The Center for Congregational Health, Inc. continued to expand its mission of helping congregations become healthier communities of Faith. **Programs and assistance** offered to churches include: Consultation, Intentional Interim Ministry, and Leadership Development. **Resources for ministers** include: Young Leaders Program, Leadership Development Group, Interim Ministry Training, and Intentional Interim Ministry training.

FACTS ABOUT WAKE FOREST UNIVERSITY BAPTIST MEDICAL CENTER

- With more than 11,000 employees, four restaurants, two banks and a post office that handles more mail than some towns, the Medical Center has been called a city-within-a-city. We are the
  largest employer in Forsyth and Guilford counties
- The North Carolina Baptist Hospitals, Incorporated has opened *BestHealth*, a community health information center, at Hanes Mall in Winston-Salem. The center will provide a library of books, audio and videotapes, limited Internet access, computer software and a

variety of on-site programs to help area residents become better informed about their health and how to remain well.

- Building strong relationships with the community is important to us. A recent survey indicated that Medical Center employees donate more than 30,000 hours of volunteer service a year to more than 300 different organizations in our area.

POINTS OF EMPHASIS AND PROGRESS

Gamma Knife--The North Carolina Baptist Hospitals, Incorporated will have the only one in the state by this fall. Patients with inoperable or inaccessible brain lesions benefit from the availability of this noninvasive procedure that gives the same results as surgery but with no need to open the skull or make an incision. This procedure has been found to be three times more effective in treating recurrent cancerous brain tumors than other radiosurgical tools. The ***Gamma Knife*** uses radiation to destroy tumors, vascular malformations and other benign brain lesions with pinpoint accuracy without destroying healthy, normal tissue.

Trauma Center—The Medical Center has the only designated Level I trauma center for northwest North Carolina. In the trauma center our goal is for the patient who needs surgery to be in an operating room 10 minutes after arriving at the Emergency Department. Surgeons, anesthesiologists and staff remain on duty 24 hours a day to handle such emergencies.

NASCAR—The North Carolina Baptist Hospitals, Incorporated is working with Motor Racing Outreach (MRO) to serve the fitness and rehabilitation needs of NASCAR Winston Cup Racing. A mobile fitness and rehabilitation unit is being provided for NASCAR Winston Cup Racing drivers, crews and families.

Ranked Among the Nation's Best—The North Carolina Baptist Hospitals, Incorporated is among the nation's best hospitals in ten of 16 specialties, according to rankings published in the July 1999 issue of *U. S. News & World Report.* These 10 areas are: cancer, cardiology and heart surgery, geriatrics, gynecology, neurology/neurosurgery, orthopaedics, otolaryngology, rheumatology, digestive tract, and urology.

Newest Treatment for Epilepsy—Wake Forest University Baptist Medical Center offers a new treatment for epilepsy—a "pacemaker for the brain" that can help control seizures in patients who are not helped by medication and are ineligible for surgery.

Information and Appointments—For more information and to make an appointment with a physician, contact HEALTH ON-CALL at 1-800-446-2255.

A CLOSING WORD FROM THE PRESIDENT

From the beginning in 1923, The North Carolina Baptist Hospitals, Incorporated has dared to reach and grasp that which others thought was impossible. For many years we have been thought of as a referral hospital where we received the most severe medical cases. Over the years we have become one of the leading research centers in the Southeastern United States. Each role compliments the other. It is a great challenge to innovatively treat these extremely difficult cases and heartwarming to see our compassionate physicians and staff assist in the healing process. People have learned

through the years to expect from us the very best in health care. We are committed to make sure that their highest expectations are always met or exceeded.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC.
1998 ANNUAL REPORT
Lloyd Wolfe, Associational Representative

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

During 1998, the Foundation provided assistance to individuals in establishing 28 endowment funds and 11 charitable remainder trusts totaling $1.4 million and received $3.8 million in contributions to existing endowment, all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for 94 churches and associations during the year to promote "Make Your Will Month," Christian estate stewardship, and church fund management. Some $639,000 from churches came under management to enhance numerous church ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes,

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. During the third quarter of 1998, the Foundation enhanced its position even more by engaging the serviced of Salomon Smith Barney to help select top money managers in the country.

As of December 31, 1998, the Foundation held $80,874,628 under management. This is an increase of more than $8 million over 1997. During 1998, $1,741,923 was distributed to individuals and $2,772,599 to Baptist work for a total distribution of $4,514,522. During the 79-year history of The North Carolina Baptist Foundation, Inc., $14,217,160 has been distributed to individuals and $22,305,008 to Baptist Churches, institutions and mission causes for a grand historical total of $36,522,168.

"N.C. Baptists have been involved in Christian higher education literally since the day the Baptist State Convention (BSC) was born," wrote Dr. Jim Royston, Executive Director-Treasurer, Baptist State Convention of North Carolina, for *The Biblical Recorder.*

Dr. Royston's correct. North Carolina Baptists have placed a high priority upon Christian higher education through the years. As a result, a large number of our pastors, staff ministers, and lay-leaders have been educated by one of our Baptist institutions, helping our churches develop as places where the Gospel is treasured and Christ is honored.

Maintaining close ties to our churches and associations is important to our institutions. This is one of the primary missions of the Council on Christian Higher Education. Founded in 1944, the Council seeks to foster good communications between our churches, associations, and institutions of higher education

Divinity schools and centers for congregational growth serve as positive demonstrations of our institutions' desire to enhance the life in our churches and associations. Current and future leaders are being trained through these facilities.

According to the Executive Director of the Council on Christian Higher Education, Dr. Wayne D. Wike, "North Carolina Baptists are fortunate to have administrators and faculty members who are committed to enriching the life of our Convention."

Gifts to the Cooperative Program assist in helping our institutions fulfill their missions. Members from cooperating churches are eligible, as a result, to be considered for scholarships to attend one of our colleges or universities. In addition, North Carolina Baptists who meet the admission requirements for the divinity schools at Campbell and Gardner-Webb Universities are eligible to receive $8,100 grants toward their theological education. Students who choose to attend another divinity school are eligible to receive $3,000 toward their educational expenses. All of these are made possible as a result of gifts presented to the Cooperative Program of the Baptist State Convention of North Carolina.

As Dr. Royston wrote, "Baptist colleges are still a priority of our state Convention. It is my hope and dream that more and more students from our churches will attend our schools, and graduate as leaders for our state and nation, as well as for our churches."

Our colleges and universities share Dr. Royston's hope and dream. They, too, believe graduates from our campuses will make a difference in our state, nation, and Convention.

"Lord . . .you have made my lot secure. The boundary lines have fallen for me in pleasant places; surely I have a delightful inheritance."

- Psalm 15:5-6

Because of your generosity, Psalm 15 can be the testimony of over 500 elderly saints who reside at the Baptist Retirement Homes of North Carolina. Their lot is secure. They live in pleasant places. They have a delightful inheritance.

". . .You have made my lot secure"

Through Cooperative Program gifts and special offerings, Baptist Retirement Homes is providing $1.7 million in benevolent care for the elderly poor of North Carolina during 1999.

Additional benevolent funding will provide care at The Gardens at Taylor Glen, a new continuing care retirement community being built in the Concord/Cabarrus County area.

For the growing numbers of individuals and families facing life-changing decisions about care for their aging loved ones, Baptist Elder Care Network offers cost-free information from knowledgeable and caring resource counselors. ". . .The boundary lines have fallen for me in pleasant places."

In June, the Fowler Memory Enhanced Residence at the Western North Carolina Baptist Home in Asheville was completed. This new area is designed to meet the needs of the many older adults who experience memory-related conditions, such as Alzheimer's Disease. At the Fowler unit, residents whose perception of reality may change noticeably from day to day find stability in a "home-like" environment. They function more confidently amid the familiarity of a traditionally furnished living room, kitchen, dining room, and bedroom, and they sense peace and serenity as they wander among the flowers, fountains and walking trails of the garden area.

Similar facilities will soon be available at Baptist Retirement Homes' Brookridge Community in Winston-Salem and at the Gardens at Taylor Glen Community in Concord.

". . . Surely I have a delightful inheritance."

Being part of the Baptist Retirement Homes Family and resting comfortably in its care is a wonderful inheritance. Thank you for helping us make life for our elderly . . . The Best of Times!

BIBLICAL RECORDER
1998 ANNUAL REPORT
Archie Pierce, Associational Representative

The *Biblical Recorder* is the official news journal of North Carolina Baptists. The earliest version of the *Recorder* was founded in 1833 by Thomas Meredith, who had also been influential in the birth of the Baptist State Convention in 1830. The *Biblical Recorder* was owned and operated as a private enterprise in support of Baptist work in North Carolina until 1938, when the paper was purchased by the Baptist State Convention and incorporated as an agency of the convention.

A number of able editors have served the *Biblical Recorder*, which is widely acknowledged to be in the top echelon of state Baptist papers. The current editor is Tony W. Cartledge, whose tenure began on January 1, 1999.

The *Biblical Recorder* plays a strategic role in promoting God's kingdom work through North Carolina Baptists. On April 22, 1999, the Board of Directors of the *Biblical Recorder* adopted the following mission statement: *"Our mission is to further Christ's kingdom by providing relevant news, insightful opinions and supportive resources to North Carolina Baptists in a timely and accessible fashion."*

The *Biblical Recorder* belongs to all North Carolina Baptists, and appropriately reflects the geographical, ecclesiological, and theological diversity that is typical of the churches making up the Baptist State Convention.The editors and staff of the *Recorder* work diligently to offer a fair and balanced presentation of the news that most affects the life and ministry of North Carolina Baptists. Opinions advanced through editorials, letters, and analytical essays help to spark the thinking of North Carolina Baptists who want to make up their own minds about important issues. Feature stories about notable or innovative activities of churches and associations, regular reports on partnership missions efforts, and weekly commentaries on the most popular Sunday School lessons offer ideas, encouragement, and inspiration to readers of the *Recorder.*

To communicate more effectively and to present the most important news in a more timely fashion, the *Biblical Recorder* has developed a popular presence on the World Wide Webb. The *Recorder's* website at *hhtp://www,biblicalrecorder.org* offers Internet users an opportunity to reach much of each paper's content several days before printed versions arrive. This is particularly helpful during convention meetings and at other times when frequent updates are desirable. As time and resources allow, additional features will be added to make the website an even more valuable source of information for North Carolina Baptists.

The *Biblical Recorder* works in partnership with the Baptist State Convention, and receives annual support from Cooperative Program gifts as an agency of the Convention. This support makes it possible to offer the *Recorder* at a very affordable subscription rates. Currently, the annual rates are:

- Church News Service (incorporates church newsletter into the *Recorder*) - $6.36
- Every Home Plan (20%+ of church families, paid through the church budget) $7.42
- Club Plan (4 or more persons in a church subscribe together) - $8.48

- Individual subscription - $10.60

CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA
ANNUAL REPORT 1998-1999

Bill Horton, Associational Representative

It is a joy for the Christian Action League of North Carolina to serve the churches of this great state. We continue to work to inform the Christian community about the moral issues that face our state and nation. Our goal is to address these issues with the principles of God's Word, the cornerstone of all truth.

A. Christian Values
- It was the pleasure of the Christian Action League to be one of the sponsors of the Fourth Annual Christian Heritage Week of North Carolina held in March. The League encouraged schools, churches and communities to recognize, commemorate and learn about the Christian heritage and history of our nation. CAL assisted in sponsoring a state-wide essay contest for high school students (public, private and home schools) and presented state winners with awards of excellence.
- Continue to promote Christian citizenship throughout the churches and communities of our state. CAL has distributed over 14,000 copies of the Ten Commandments to churches, businesses, schools and homes across North Carolina. Promoted Sanctity of Human Life Sunday and the National Day of Prayer statewide.
- Held a Church Leadership Legislative Day on April 6, 1999. The purpose of this day was to have pastors and church leaders to come together and enjoy fellowship, meet and hear some of our legislators and become more aware of how state government and the legislative process works.
- Promoted awareness of the worldwide persecution of Christians through faxes, emails and newsletter.

B. Gambling

Lottery proponents continue in their efforts to bring a state-sponsored lottery to North Carolina. Four lottery bills were introduced this session. CAL monitors these efforts and updates the Christian community on lottery information through letters, calls and our fax and electronic mail networks. Lawmakers have continued to receive a barrage of communications from across the state saying that the lottery is a bad bet for North Carolina.

C. Sex Education

Worked with other Christian and pro-family groups to see that the state mandate for Abstinence Until Marriage education is implemented state-wide. Also, supported efforts to insure that federal grant money designated to promote abstinence education was used properly. Informed citizens and legislators concerning attempts to fund school-based clinics in North Carolina schools.

Gayle Brown referred to the staff directors' reports as printed in the "Book of Reports." He explained the structure of the associational board, its importance, and meeting times. He stated that the annual meeting this year would be a celebration meeting closing out one century and looking toward the new one. At this time, a special worship service will be held at First Baptist Church on Sunday evening, October 10, 1999 and on Monday evening (October 11) at Westwood Baptist Church. He announced that there would be a "Note Burning" Celebration on Sunday afternoon, April 25, 1999, at 2:30 p.m. in the parking lot of the Resource Center.

OLD BUSINESS

Glenn Stroud, chairman of the Properties Committee, gave an update on that committee's assignment to secure more storage space. The committee studied several options. There is enough space on the property the association bought from Dickie Plemmons, approximately 100'x100', at the edge of the parking lot. The property will be core drilled to test the soil, it will be cleaned off, and the surveyors will do a topograpical study to determine how much grading will need to be done. A recommendation was made from the Properties Committee that the Buncombe Baptist Association enter into a contract with Progressive Architecture and Design, Incorporated, for the purpose of preliminary designing of a pre-engineered storage building. The architect will work with input from the association staff and properties committee as to the size and design to meet the needs of the association.

After the preliminary work has been done, a recommendation and projected costs will be brought back to the association (Association Board or Executive Committee) for approval. The vote to accept the recommendation was unanimous.

There was no other old business.

NEW BUSINESS

Gayle shared with the group that the Baptist State Convention sees the need to become closer with the association. The dream is to have deployment of Baptist State Convention staff all over the state. Western North Carolina is one of the target areas. This person would be the point person working with several associations in this part of the state.

Gayle made a motion that the Buncombe Baptist Association officially begin negotiations with the BSC for deployment of a state staff person to be housed here at the Buncombe Baptist Resource Center. Cecil Hopps seconded the motion. Gayle stated that this person would need office space and later on, someone to handle the telephone. Secretarial help would be taken care of through the state office in Cary. No definite date has been set This person would spend first months getting to know churches and associations, assessing their needs and visions. Right now, the smaller conference room could be made available. The vote to accept this motion was unanimous.

Buddy Corbin, chairman of the Multi-Ethnic Committee, referred to action taken by the Board in July 1998 and stated that the Committee has been working to lead the association to begin reaching out to people of color and different ethnic backgrounds, to foster new churches and to include them in the association.

D. Abortion
CAL monitored SB 349/HB 1066 (Act to Ban Partial Birth Abortion), this legislation would have made this type of abortion a class H felony for anyone who performed the late-term procedure. This bill died in committee. Successfully encouraged legislators to limit the State Abortion Fund to cases resulting only from rape, incest and the life of the mother. In the last four years, only one abortion has occurred under these circumstances using taxpayer funds.

E. Alcohol
CAL monitored all legislation concerning alcohol and other drugs. Successful supported efforts to strengthen DWI laws. Assisted communities in organizing committees to fight alcohol and drug use. Informed citizens statewide about legislation that would have approved alcohol sales without the vote of the people. Four bills were introduced this session that would have permitted alcohol sales without a voter referendum; SB 17, SB 173, SB 606, SB 607 and HB 1043. Provided awareness, education and resource materials related to substance abuse problems to churches, communities, etc.

F Pornography
Worked against HB 1248 which would have allowed individuals to perform in the nude if it "occurs as part of a play, dance, performance or artistic creation that contains serious literary, artistic, political or scientific value." The bill died in committee.

G. Homosexuality
CAL Supports efforts to strengthen the traditional family and continues to monitor and inform the public about the activities of those who promote the radical homosexual agenda. HB 884 and SB's 701, 884, and 759 were all introduced to promote the acceptance of homosexuality as an alternative lifestyle. CAL with other like-minded organizations fought these bills and they were defeated. Worked against HB 1398 (Needle Exchange Program) which would have allowed the state to furnish free needles to drug users using taxpayer dollars.

On November 30 Buddy met with Gayle Brown, Ron Kiser, Norma Melton, James Richardson from the Baptist State Convention, and Fred Johnson, former pastor of Bethel Baptist Church of the Mud Creek Association. Fred is interested in starting a new congregation for African-Americans. Contact has been made with Asheville First Baptist to see if this new group could meet there.

Also, the two Hispanic groups that met at Bent Creek and Merrimon Avenue Churches are now meeting together at Calvary Baptist Church.

Gayle stated that on Sunday evening, January 31, 1999, Dr. Wesley Grant would be honored for his years in the ministry. ASSOCIATIONAL BOARD MEETING, MONDAY, APRIL 19, 1999, 6:00 P.M. BAPTIST RESOURCE CENTER

Bill Higgins, Moderator, presided. He read I Corinthians 13.

Thirty-three churches were represented and 62 people attended.

Special music was provided by Randy Melton, pastor, Reed Memorial Baptist Church.

Mr. Higgins noted that the minutes were printed in the "Book of Reports." There were no additions or corrections.

Howard Candler, treasurer, gave the financial report for the month of March 1999 and the quarter ending, March 31, 1999.

Introductions were made of persons attending the conference. Churches in the North Buncombe district provided the meal for the evening. Etheline Branch, Dot Creasman, Stella Brown, Ron and Brenda Kiser served the meal.

Gayle Brown referred to the staff directors' reports as printed in the "Book of Reports." He recognized Randy and Norma Melton who would be going to Broken Arrow, Oklahoma to be commissioned as Home Missionaries. Randy is pastor of Reed Memorial Baptist Church and Norma is serving as Director of Church and Community Ministries of the Association.

Ron reminded us that his job as Director of Congregational Development involves three phases (1) church programs (2) church health and (3) church growth. He referred to his report printed in the "Book of Reports," and to several upcoming events in the association.

Norma shared about the upcoming ministry to the Mountain State Fair, literacy missions opportunities, and the I-26 Rest Area Ministry. She read a "thank you" note from a traveller that had been greeted at the Rest Area on Easter weekend.

Glenn Stroud showed the sketch drawings of the Ministry Annex building done by Carleton Collins, architect. He briefly described the different functions of the building—storage for disaster relief items, storage for fair/rest area ministries and a small office/storage space.

Roy Denton presented two recommendations from the finance committee of the association.

1. The finance committee of the Buncombe Baptist Association recommends that the Association borrow not more than $225,000 at the best interest rate possible to construct the Buncombe Baptist Resource Center Ministry Annex. The financial institution making this loan will hold the first mortgage on the property. This amount will be used to construct the new building as well as update resources and resource equipment, telephone system and computers in the present Resource Center. The vote to accept this recommendation was accepted by persons standing.

2. We recommend that the Properties Committee officially serve as the Building Committee for this project. This committee is composed of the following men who have agreed to serve in this capacity: Glenn Stroud, chairman, Walter Smith, Clyde Elliott, G. W. 0Kuykendall and Kester Branch.

Randy Melton, chairman of the Order of Business Committee, brought a recommendation from that committee stating that the 1999 Annual Meeting of the association meet on Sunday, October 10, 1999 at LifeWay Conference Center at Ridgecrest instead of First Baptist Church in Asheville, and at Westwood Baptist on Monday, October 11, 1999. The need for better sound and projection capabilities was the purpose of the change of place. Vote to make this change was unanimous.

Ron Kiser read a Recommendation for Affirmation for Leicester Community Church (page 79) After a period of discussion, the previous question was called for the vote to be taken. A 2/3 majority was required to vote. The previous question vote passed and the recommendation was approved.

Mike Smith, chairman of the Evangelism Committee of the Association, brought information on the "Celebrate Jesus—Share Your Faith" Crusade to be held July 25-28, 1999, 7:00 p. m. at the Thomas Wolfe Auditorium. Dr. John Ed Mathison, Senior Pastor of Frazer Memorial United Methodist Church in Montgomery, Alabama will be the guest speaker each evening, Pastors were encouraged to consider changing their Sunday and Wednesday evening services to allow their people to participate in the Crusade. Shuttles will run from the parking lots of Asheville First Baptist and Westgate Shopping Center. He announced that Dr. Mathison would be at Asheville First Baptist Church on Thursday, June 24, 6:00 p.m. for a dinner/rally. Tickets were available for $6.00 per person.

Gayle encouraged everyone to mark their calendar for Sunday, April 24, at 2:30 p.m. for the Note-burning Celebration for the Baptist Resource Center and the ground breaking ceremony for the Ministry Annex Building.

Ron shared with the group the work of the Association Strategy Planning Committee. The committee is divided into two task forces:

1. association staff structure—what kind of staff do we need and what kind of work will the staff be doing to meet the changing times to reach our community for Christ.
2. association organizational structure. This group will be visiting approximately 22 other associations in South Carolina, Tennessee and North Carolina to observe how they are meeting the needs in their areas and prepare for the future.

Mike Smith announced that two tent revivals were planned in August with Dr. J. Harold Smith.
1. East – August 22-25, 1999, First Baptist Church, Swannanoa
2. North – August 29-September 1, 1999, Newbridge Baptist Church

Wiley Bumgarner dismissed the meeting with prayer.

He then introduced David Leary, Director of Missions for the Neuse Baptist Association and Ashley Summerlin, past of the Seven Springs Baptist Church to give a first-hand account of the need and to share about ongoing opportunities for ministry within the disaster area. They assured the congregation that whatever they did, God would do more. They expressed appreciation for being allowed to be a part of our annual meeting and sharing this great need. Tim Lolley then expressed the fact that this would be an ongoing project with no time limit and that it is our desire, as Buncombe Baptists, to reach out to our fellow brother and sisters in Christ in the Neuse Association and to share with them a message of hope and to let them know that we want to minister to them and walk along aside of them as we they would come and walk aside of us. The motion for partnership was accepted after which Tim Lolley led in prayer asking for guidance to do this work.

Earl Moseley, chairman of the Memorials Committee, presented that committee's report including scripture and prayer reminding us of the ministry of those 374 people from our churches who have gone on to be with the Lord. Among these were 19 deacons, 2 charter members, 1 retired missionary and 3 ordained ministers. The retired missionary was Dorothy Dodd Lawton, retired missionary to Thailand, Taiwan and China and a member of Ridgecrest Baptist Church. The ministers were Cecil Rice, Grassy Branch Baptist, Theron Merrill, Grassy Branch Baptist and Ralph Mumpower, First Baptist Church of Swannanoa. Reverend Moseley brought the motion to dedicate the Buncombe Baptist Minutes to Dorothy Dodd Lawton, Reverend Ralph Mumpower, Reverend Cecil Rice and Reverend Theron Merrill. The motion was accepted by the congregation standing.

Charlie Sams introduced our speaker for the evening, Reverend James Walker, pastor of the Biltmore Baptist Church.

A trio from Westwood Baptist brought worship in music, *"Singing with the Saints"*.

Reverend Walker came to bring the annual message entitled "*These are the Days*". His scripture passages were taken from Hebrews 12:1-2 and I Thessalonians 4 and 5. He mentioned the challenge and emotions we are experiencing looking forward to the year 2000. He spoke of the fear and dread of possible events on one extreme and the excitement and challenge of the coming of the Lord Jesus Christ. Paul's words to Timothy are God's words to us. God did not give us a spirit of timidity but spirit of power, of love and of self discipline. God's desire for the Church is that we would march forward as an army for Him with fellow believers, not with fear and timidity but with tremendous courage and boldness that we would have great effect for the Kingdom of God. He reminded the congregation that "*These are Our Days*" and God wants us to live them with power and steadfastness. He challenged us with the fact that these are (1) challenging days (2) last days and (3) getting ready days. God wants us to wake up, get up and get busy with that which He has called us to do because we are the Church of today. God has a job for us to do. We must throw off everything that hinders and the sin it so easily entails and run with perseverance the race marked out for us. We must fix our eyes on the goal... Jesus, the Author and Perfector of our Faith as we carry the Light into the new Millennium.

Reverend Clark Henderson, pastor of Newbridge Baptist, led the prayer of commitment.

Director of Missions Final Answer!
Annual Report 1999-2000
Gayle D. Brown, Director of Missions

This will be my last report to you as Director of Missions for the Buncombe Baptist Association. The past twenty-three years have been a joy and privilege to work with Buncombe Baptists in the Lord's work .

God has blessed us in so many ways. He moved us from a 2,400 square foot building on Sulphur Springs Road to a 7,400 square foot Resource Center on five acres at the intersection where the north, east, south, and west come together. What a location with high visibility. With the new Ministry Annex completed and the Resource Center paid for, Buncombe Baptists are in excellent position to meet needs in the coming years in a way we have not been able to meet needs. We praise God and give Him the glory for the Resource Center and Ministry Annex! Our property value is well over one million dollars and growing.

Buildings are necessary to do the work of the Lord, but buildings are not the bottom line. People are important! During the past twenty-three years thousands of lives have been touched with the gospel of Jesus Christ. Only God knows the number of people that have come into His kingdom. We give Him the glory!

When I became Director of Missions, I had strong shoulders to stand on. I am speaking of the sound foundation laid by Erskine and Doris Plemmons. These two servants of the Lord set the compass for the years ahead. Following Erskine and Doris, came John and Martha Hicks. The association's programs began to grow and Christian Social Ministries was started in our association with the assistance of the North Carolina Baptist State Convention and the Home Mission Board (Now NAMB, North American Mission Board).

As our association grew, so did our needs to expand our facilities. God blessed with capable leaders like Glenn W. Wilcox, Mary Eisenhauer, Bob Kinser, Glenn Stroud, and many servants that caught the vision. The dream became a reality!

The Buncombe Baptist Association staff has been a real joy to work with. I speak of Nancy Owen, who has been my right arm, Barbara Wright who has been efficient and effective as our financial secretary, Ron Kiser, an able and capable leader, and Norma Melton, who is a perceptive and committed Christian. Martha Hicks, Carolyn Charles, and Dee Foreman have each made strong contributions to the Lord's work through the Buncombe Baptist Association. Buncombe Baptists, along with me, give high praise to each named.

What about the future of Buncombe Baptists? We are now in the infancy of this new century. Will our churches continue to cooperate and work together in this new millennium? I believe they will. The Buncombe Baptist Association (now 97 churches (and two will come under the watchcare of the association), is growing and getting stronger each year. With God's guidance and help, God's promises are unlimited! That is my final answer!

CONGREGATIONAL DEVELOPMENT
ANNUAL REPORT 1999-2000
Ron Kiser, Director

The ministry of Congregational Development provides assistance in the areas of church program development, new church starts, congregational health, and church leadership development.

Through our LEAD.R workshops, the Association offered over 40 leadership courses to train leaders in our churches' ministries. Sunday School work, led by Steve Ackerman, and Discipleship and Family Ministries, led by Dorothy Doi, sponsored many of these courses. Additional specialized courses were developed and taught by our Ministers of Education Fellowship, and by other pastors and leaders in our churches. Our association hosted a FAITH workshop at Swannanoa First Baptist, and a growing number of our churches participated in the FAITH outreach ministries. Buncombe Baptist also hosted a national Sunday School Directors' Conference this year, at West Asheville Church. Discipleship and Family Ministries also sponsored our Associational Bible Drills, led by Kathy Burris. We are blessed with great leaders in all these ministries.

The Associational Music Council continued the tradition of excellence that has been the trademark of Buncombe Association. Associational Music projects included the presentation of *Friends 4 Ever* by the Associational Youth Choir, led by Neal Eller. Rick Ramsey and Elaine Gregg did a superb job of leading this event. Additional projects included the Biltmore House Christmas Concerts, and presentation of the Christmas Youth Choir, *Not a Silent Night*, which is now in production. Lovey Bigham did an excellent job leading this year's Children's Choir ministry. Barbara Sanders was guest conductor of a wonderful musical, *A Treasure Hunt*.

The Associational WMU's theme this year was *Transformed: Take the Stand*. The WMU sponsored 17 Associational missions projects, in addition to providing leadership training for missions and women's ministry in our churches. New ministries this year included providing desserts for the Baptist Retirement Home dinner, hosting a *Project Help: Violence* workshop, providing a conference with Reggie Gilmore on the subject of "Changing Families/Challenging Times", and hosting BSC-NC consultant Wendy Case in a conference titled, "Not Your Grandmother's WMU". As WMU moves into the future, emphasis will be upon both missions and women's ministries. That process begins with our Women on Missions Retreat, scheduled for October 21, 2000. Judy Branch, Women's Ministry

Consultant and WMU Leader, will speak on the theme, "Beyond Belief". District meetings for the World Day of Prayer will be held November 6. The WMU will again sponsor the *Red Box Ministry* in our churches. This ministry provides a gift for women in prison, and other women in the community who have special needs. The WMU has long been the missions conscience of our association and our churches. Edwina Messer is the new Associational WMU Director. She will do an excellent job of building on the past, and reaching for the future.

Wayne Higgins continued to provide excellent leadership for our Baptist Men's Ministry Team. Baptist Men participated in the rest stop ministry, the Mountain State Fair ministry, and the citywide "Ramp Festival" (building ramps for handicapped persons). Baptist Men also coordinated our RA Car Competition, RA Track Meet, the Young Men's Basketball League, and the Men's Basketball League. Baptist Men sponsored 4 trips to Seven Springs to do disaster relief. Julian Lanning led two regional feeding unit teams and two construction teams from our association. In addition, approximately 29 of our churches were directly involved in the "church to family" disaster relief effort. Julian also helped coordinate the Youth Spring Break Disaster Relief trip. Baptist Men also sponsor the Medical Dental Van and the Disaster Relief Van at our Mountain State Fair Ministry. Approximately 75 persons received medical assistance at this year's Mountain State Fair.

WMU and Baptist Men join to sponsor our BBA Mission Camps at Camp Truett. Steve Harris, Stacey Harris, and Libby Pierce directed this year's camps. Ron Copple, former SBC missionary to Nigeria, Norma Melton, BBA CCM Director, and missions volunteer Rick Messer provided missionary leadership for this year's camps. Edwina Messer was Camp Bible Teacher. Ron Kiser was Camp Pastor. This year's theme was "Choices: Teamwork". A total of 137 attended this year's camps. 4 persons trusted Christ, and 14 other young people made recommitments to Christ and to missions. Camp is one of our most exciting projects. Thanks to the wonderful leaders and volunteer staff that make camp possible!

Cathryn Kinser continued to provide strong leader our Media Library Ministry this year. She provided two excellent conferences at our LEAD.R workshops, and led associational participation in state and SBC media training events. Cathryn was instrumental in purchasing the Master Library System for use in our Associational Media Center. Cassandra Smith, our new staff secretary, will be our media resource person who will install and operate this computer-based media library system. In the coming year, we will be able to publish for our churches a complete listing of resource materials available to our churches and to individuals. We are currently updating and expanding the media center resources. By the end of the year 2000, we should have an extensive number of new resources, especially multimedia kits (such as the Beth Moore materials), CDs and video resources. We will have a variety of exciting and practical resources, including materials by prominent Christian leaders like Chuck Colson and John Maxwell, as well as the best of LifeWay and other Baptist resources. We plan to have a "Media Center display" at our weekly pastor's conferences, so leaders can be aware of the latest materials we have available. Beth Andrews, national media consultant, will be in our Association for a workshop March 17, 2001.

The Youth Ministers Fellowship in BBA helped sponsor several events this year, including a Spring Break Mission Trip to Seven Springs, NC. 92 persons from 11 churches participated in this project, and completed over 30 construction and maintenance projects during the week. In addition, 8 youth made professions of faith as a result of this missions project. In conjunction with Allen Scroggs, the Association Youth Ministers' Fellowship helped sponsor the May Day/Pray Day Youth Rally at Ridgecrest. The group also helped sponsor the *Free 4*

All Rally hosted by Mt. Carmel Baptist Church. Associational Youth Ministers also supported Youth Night at the Celebrate Jesus Crusade. Attendance at the monthly Youth Minister's Fellowship meetings has doubled under the leadership of Anthony McCaleb, Associational Youth Director. The good work done by Anthony will be continued next year, under the leadership of Genell Pless, our new Associational Youth Director.

The Director of Congregational Development works with churches as they seek pastors and staff members. During this year, I taught the Winter Bible Study, led 3 Deacon Retreats, taught a six week leadership course in one of our churches, worked with 3 additional churches in leadership development, worked for two months assisting one of our churches in retooling their Sunday School ministry, and provided pulpit supply for numerous churches. I also provided individual and congregational consultations. I continued to work with the new church starts in our Association, including Fresh Fire Fellowship, Community Baptist, and Leicester Community Church. In addition, we began dialogue the Russian Fellowship at Merrimon Avenue, and are seeking to help them find a location for meeting. We are continuing to work with Asheville Hispanic Mission, Swannanoa First Baptist, Woodland Hills, and Newbridge to expand the Hispanic work in our community. Expanding new work in our community remains a challenge and an opportunity as we face the future. We thank God for the missionary spirit present in so many of our churches!

The Lord is blessing the work of Buncombe Baptists, as we labor together in His Kingdom. We will face the future as we build on the past! To God be the glory!

Church and Community Ministries
Annual Report 1999-2000
Norma Melton, Director

This past associational year God has used hundreds of Buncombe Baptists to touch the lives of people. Many had hurts or burdens. Others sought various kinds of relief and found comfort in a human touch and in the Scriptures. C.H. Dodd has said, "To know God is to experience His love in Christ, and to return that love in obedience." Through one-on-one involvement in ministry projects Buncombe Baptists have returned love in obedience.

During October through December the **Angel Tree Christmas Project** is coordinated with Prison Fellowship to sponsor inmate's children for Christmas. Gifts are taken to the child's home and presented on behalf of the parent who is incarcerated and in the name of Christ. Angel Tree can help open hearts to receive the most important Gift, Jesus. Last December we were able to place about 300 children who live in Buncombe County with sponsors. Also, ten of those children were able to attend Camp Mundo Vista or Camp Caraway sponsored by NC WMU and NC Baptist Men. Several who attended camp made professions of faith.

Though the Easter **Rest Area Ministry** was a cold and rainy weekend, thousands were greeted with a warm welcome at the I-26 Rest Area. Hundreds of tracts and Bibles were distributed and six professions of faith were made.

The two **Mission Extravaganzas** sponsored by NC WMU and held at Ridgecrest gave opportunity for several ministry activities in the Asheville area. I led two hands-on ministry conferences providing opportunities for groups to do ministry at homeless shelters and other social agencies in Asheville. Also, I worked with the **International Mission Board** to provide

hands-on ministry in Asheville by junior and senior high school missionary kids who were attending International Missions Week at Ridgecrest.

An enjoyable opportunity was to serve as a mentor for an eighth grader who participated in a **Summer Shadows** program with the Buncombe County school system.

Bele Chere boasts of being the southeast's largest street festival. Buncombe Baptists were there again this year sharing cups of cold water in Jesus' name and providing a safe, clean place for parents to change their babies' diapers. Church teams distributed hundreds of tracts, balloons, Bibles, stickers and salvation bracelets. Sixty-eight professions of faith were reported.

Ten associations (Avery, Blue Ridge, Green River, Transylvania, Mitchell, Polk, French Broad, Carolina, Haywood, Yancey) assisted Buncombe this year with the **WNC Mountain State Fair Ministry**. More than one thousand volunteers who work at the fair and/or provide supplies make this effort possible. Seventy-eight professions of faith were reported. The carnival workers expressed their appreciation by presenting the Fair Task Force a card and a love offering, which will be used for future Fair Ministry.

Tutors have been made available in three areas of **literacy**: Teaching Children and Youth, Adult Reading and Writing, and English as a Second Language. The Teaching Children and Youth ministry continued at First Baptist, Black Mountain. We have talked to two other churches that are considering sponsoring such a program. Last October Jane Allison, Alice Fleming and I attended the NC Literacy Conference at Caraway. With the "WMU Project Help: Literacy" emphasis during 2000-2002, I hope to see increased efforts in our churches regarding literacy.

I have met several times with the local church **senior adult** leaders who have planned for a luncheon on October 26, 2000. Also plans have been made to conduct a senior adult leadership- training event.

Last April I attended a conference on Biblical Crisis Intervention and I attended a CCM Training Institute at Southwestern Baptist Theological Seminary. Also I participated in an On Mission Celebration Conference in Gadsden, Alabama sharing what Buncombe Baptists are doing on mission. I also have had the opportunity to teach the NAMB and the IMB mission studies in several of our churches.

Under the leadership of Gayle Brown the new ministry center has just been completed. I am excited about the possibilities of ministry that this center will provide.

In closing, I wish to say "thank you" to Gayle Brown for the leadership that he has provided during the past twenty-three years with Buncombe Baptists. Indeed, it has been my pleasure to serve on staff with him on two different occasions. I thank God for the friendship of Gayle and Stella Brown.

SUNDAY SCHOOL
Annual Report 1999-2000
Steve Ackerman, Director

As the world rushes headlong into a new millennium, evangelism and discipleship are still "the Great Commission of the Church." After more than two centuries, in most churches Sunday School continues to involve the largest number of people in evangelism and discipleship. To encourage and upbuild the local church Sunday School, we are following a two-fold approach. In accord with our purpose to help churches effectively teach God's Word, we have provided leadership training in Spring and Fall **LEAD.R** conferences. These workshops are excellent opportunities to learn from some of the best specialists. Conferences cover a full range of topics, from technique for teaching specific age groups to church-wide evangelism efforts, such as "How to Become a Contagious Christian."

We have moved into a new curriculum in most of our churches, with the focus on the entire family studying the same scripture in Sunday School classes **and** at home in a "family altar" format. Our ACTeam has interpreted these projected changes in literature to our churches through conferences and personal consultations with Sunday School Directors as requested.

The ACTeam stands ready to assist you in your Sunday School teaching and outreach!

DISCIPLESHIP TRAINING
Annual Report 1999-2000
Dorothy Doi, Consultant

"Wellness is achieved one wise choice at a time." Don't we long to be well in all areas of our lives? Jesus encouraged us: "Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength. And, . . . love your neighbor as yourself" (March 12-30-31).

There is no better way for a Christian to hone their "new life in Christ" than through discipleship. Let us learn together to follow Jesus more nearly in all aspects of our lives.

"Test drive" some of the newer discipleship models available today at your Buncombe Baptist Resource Center. Resource kits for short-term studies can be checked out to preview or use with your congregation. Examples are Beth Moore's popular studies, *Fit4: A LifeWay Christian Wellness Plan* (nutrition and fitness), *Experiencing God as Couples; Family to Family: Families Making a Difference, The Agape Road: Journey to Intimacy with the Father.* Learn more about these studies and other avenues of discipleship at our Lead.R workshops March 17 and August 18, 2001. Please feel free to consult Dorothy Doi at Grace Baptist church, 254-0841, at any time for more information or to register for *Fit4* classes at the Resource Center beginning in January.

Associational Bible Drill

More than 30 children were involved in Bible Drill in 2000. Several of these were winners at the state level. After more than a dozen years, Kathy Burris is retiring as associational Bible Drill Director. Please welcome and encourage our new director, Faye Alexander. Children learn how to handle and respect the Bible through these drills: quotation, completion, book, and key passage.

MUSIC COUNCIL
Annual Report 1999-2000
Donald N. Welborn, Director

The Music Council expresses appreciation to David Hightower who served as director of the associational music council until August 2000. David has accepted the call to serve as Minister of Music in Texas.

In our September 25, 2000 meeting, there were 13 ministers of music present. It is the desire of the council to make personal contacts each month to give encouragement to those who serve the Kingdom of God in music ministry.

BAPTIST MEN
Annual Report 1999-2000
Wayne Higgins, Director

The Baptist Men of Buncombe Association are always involved in ministry and missions. This year's associational ministry projects included sponsorship of the Royal Ambassador Car Competition, the RA Associational Track Meet, and (for the first time) sponsorship of a Royal Ambassador Sailboat Race. The Men's Ministry team worked closely with the Recreational Committee to sponsor both a Young Men's Basketball League, and a Men's Basketball League. These leagues were graciously hosted by Woodland Hills Church.

The heart of Baptist Men's work remains missions. In 2000-2001, the Baptist Men worked in the Rest Stop Ministry, funded the Medical Dental and Disaster Relief Vans as a part of Baptist Men's involvement in our Mountain State Fair Ministry, where approximately 75 patients were served, and approximately $1,500.00 was spent for prescriptions. Baptist Men also helped with set-up and take-down at the Fair, and helped man the ministry sites at the Fair. In addition, Men's Ministry provided a banquet for the Fair Ministry Task Force and for the Fair Ministry Team leaders. Buncombe Baptist men were very active in disaster relief work, in the wake of Hurricane Floyd. Baptist Men coordinated the three truckloads of relief items sent to Eastern North Carolina, sent teams to man the Feeding Unit from our Region, and sent two associational teams to assist in rebuilding efforts. Baptist men also accompanied the Youth Spring Break Trip to Seven Springs, NC. 28 or 29 of our churches sent Baptist Men's ministry teams to assist in Eastern North Carolina as a part of the "church to family" ministry. Many from out association also went overseas to serve in church-building and witnessing and home repair ministries. BBA Baptist Men again participated in our countywide "Ramp Festival", assisting in the building of handicap ramps for needy persons in our area.

Missions Camp for Boys is always a vital part of Baptist Men's Ministry. This year's Camps had the highest attendance we've seen in recent years. We appreciate the work of Steve Harris, who has been coordinating our Camps for nearly thirty years!

In 2000-2001, Buncombe Baptists will be entering a partnership with the Alaskan State Convention. This will open new doors of opportunities for Baptist Men to do "hands-on" missions. These are exciting days to serve our Savior!

WOMAN'S MISSIONARY UNION
Annual Report 1999-2000
Martha E. Hicks, Director

Our theme for this year was "transformed to Stand." Our ladies have been encouraged to take a stand for Jesus. God is calling each to take a stand. This may be at work, at home, at church, in our communities, or wherever God is calling us.

On February 7, a violence seminar, "Loving Those Who Hurt," was held. This was a very informative meeting with the following participants. "Violence in the Community," David Clontz, Community Relations Officer with the Buncombe County Sheriff's Department; "Violence in the School," Don Laser, Resource Officer Supervisor, Buncombe County Sheriff's Department' "Victim Justice: New Day Dawning," Reverend Ron Brown, former Victims Service Coordinator, Asheville Police Department; and testimony of a victim, Donnie McMahan. Donnie also gave ways churches can help in this study of violence and ways to help victims of violence; Norma Melton shared and gave materials on "Responding to Violence, Ways We can Help." Reverend Ron Kiser led the devotion and Martha Hicks led in a prayer vigil ending with Peggy Clark singing "Let There Be Peace on Earth." This was well received. Dot Carter and Martha Hicks served as co-consultants on violence.

The World Day of Prayer was held in the nine districts of our association. This is sponsored each year by the Women's Division of the Baptist World Alliance. There were 195 present and an offering of $1,186.19. This is to help the women's work in areas of need around the world. Thanks to our district leaders for leading in this endeavor.

On May 1, the WMU annual meeting was held at the Resource Center. Reggie Gilmore, Western Area Director of Family Services of the Baptist Children's Homes of North Carolina, was the featured speaker. The WMU also honored me as outgoing director for the past twelve years of service. It was a beautiful tribute to me and I am so appreciative of all that was said. I give God the glory—it is only through Him and the cooperation of all the great mission leaders in the churches that we have accomplished what we have in missions. We face the future with all the changes with confidence.

Many mission activities including the children's mission camps have been going on this year with good attendance and interest.

On August 17 a WorldCrafts Party and salad supper was held. Marie Clontz, a member of our WMU leadership team coordinated this event. Attendance was great. Linda Hicks, Language Missions, North Carolina Baptist State Convention WMU and Delane Tew, Volunteer Missions Coordinator National WMU was our special guests.

On September 25, Wendy Case, state WMU consultant, led a session on "It's Not Your Grandmother's WMU, sharing how your WMU organization can meet today's changes and challenges.

I am very happy to announce that we have a new WMU Director. She is Edwina McDevitt Messer who has served for many years as GA consultant. I have known Edwina since 1964 when we cam to Asheville and she was a teenager in our church. I have watched here grow through the years into a very dedicated person in the Lord's work. She grew in missions going through the highest step in GA work (at that time)—Queen Regent in Service. Her mother (now deceased) and I were best friends and I am happy to have my "adopted daughter" follow me as WMU director for Buncombe Baptists.

Edwina is a nurse at the veteran's hospital in Swannanoa. Her husband is Fred Messer and they both are very active in the Swannanoa First Baptist Church. Edwina is the mother of two sons and one daughter. Richard Allen Messer, 26, a teacher in the Charlotte school system; Ryan Dale Messer, 24, a graduate of Appalachian State University in criminal justice now

doing construction work until a job opens up in his field; and Maria Lynn Messer, 22, who graduated this year from UNC Greensboro in cardiac rehabilitation.

Welcome, Edwina, as our new WMU Director.

EVANGELISM COMMITTEE
Annual Report 1999-2000
Mike Smith, Chairman

Buncombe Baptist Evangelism Committee has experienced a good year. 2000 was a coming of age for our efforts to bring the Christian Community together for the cause of Christ.

Our Evangelism Committee has met often. Our Committee members have been faithful. We have worked hard to improve the relationship among the churches of the Buncombe Association and to include all other churches in our area as well.

Celebrate Jesus-Share Your Faith meeting at Biltmore Church in August was the highlight of the year. The meetings for the five nights were well attended. The total attendance for the five nights and the youth meeting on Sunday afternoon was in excess of 10,000. We were blessed.

We owe a special "thank you" to Biltmore Baptist Church for hosting this meeting. A gracious staff, a wonderful facility, and a great participation of the church in every way. The food, the music, the overall hospitality and a great spirit of cooperation. We really cannot say enough.

Each night was filled with excitement and expectation. The speakers were all super. The choice of our speakers was a real jewel in the crown of our committee. They did a yeoman's job. Thank you!

The past five years have been a good experience. We have worked hard, we have used our skills and abilities, we have exercised our imagination, we prayed a lot and God used it all to accomplish His purpose. I feel that the committee believes that the best is yet to come. There is a feeling that we must continue in the approach we have taken to evangelize our city and county. We are committed to reaching our Greater Asheville Area for Jesus Christ. We need your prayers and your support. We invite you and your church to get involved. We need people on our committees. We need funds to accomplish these efforts. We need you! Come and help us. We need fresh ideas.

Thank you, Buncombe Baptists, for letting us serve in this capacity. We really do appreciate your support and your prayers.

MULTI-ETHNIC CHRISTIAN FELLOWSHIP
Annual Report 1999-2000
Buddy Corbin, Chairman

In John's "revelation" we see written the following words

> *"And after this I looked, and there was a great multitude that no one could count, from every nation, from all tribes and peoples and languages, standing before the throne and before the Lamb, robed in white, with palm branches in their hands." Revelation 7:9*

Whether we realize it or not: The world has moved to Asheville. It is reported there are about 27 different languages spoken in our city. The mission is not "over there." It's because we are in the presence of new people groups that the importance of our Association's work becomes more vital.

Your Multi-Ethnic Christian Fellowship has met this past year to begin the task of focusing on the starting of new work, the building of communication networks and establishing possibilities for new mission outlets among the Hispanic populous. It is apparent to this group that more financial resources will be needed in order to strengthen this work.

The following churches in our Association have been involved in enabling the Hispanic churches to grow and develop:

Grace Baptist Church
Swannanoa First Baptist Church
Newbridge Baptist Church
Calvary Baptist Church
Merrimon Avenue Baptist Church
Woodland Hills Baptist Church
Bent Creek Baptist Church

We are appreciative to all churches who are willing to invite new language groups into the greater friendship of Buncombe Baptists.

ORDINATION COMMITTEE
Annual Report 1999-2000
Michael Scroggs, Chairman

The ordination committee, composed of Michael Scroggs, chairman, G. Hanford Hamby, Ken Lewis, and Roy Houston, examined and recommended for ordination to the Gospel Ministry the following:

Edwin Rice, Pleasant Hill Baptist, February 21, 2000
Lewis Charles Metcalf, II, Ridgeway Baptist Church, March 27, 2000
Roger Kuykendall, West Asheville Baptist Church, July 3, 2000
Allen Scroggs, Berea Baptist, September 18, 2000

The ordination committee will, at the request of a member church, assist with the examination of a candidate for the gospel ministry. A pamphlet entitled "Suggested Guidelines Leading to

Ordination" is available in the association office to anyone needing assistance or information concerning ordination.

MEMBERSHIP COMMITTEE
Annual Report 1999-2000
James Walker, Interim Chairman

On Wednesday, September 27, 2000, at 10:00 a.m. the Buncombe Baptist Membership Committee met at the Resource Center to interview two new church starts requesting membership in the Buncombe Baptist Association. Pastor James H. Paul of the Leicester Community Church and Pastor Freddie Johnson of the Community Baptist Church presented their articles of faith and church covenant as they made petition for membership. Each pastor shared with the Committee information about the history, the purpose and the dream for their church and its ministry to the community. Both churches aligned themselves with Southern Baptist doctrine and desire to be a cooperating Southern Baptist Church, giving support to the mission and ministry of the Buncombe Baptist Association and the Southern Baptist Cooperative Program.

The Committee members in attendance were Interim Chairman James Walker, Nina Fisher, Rev. John Knight, Gayle Brown and Ron Kiser. The Committee agreed unanimously to recommend that both churches be received under the watchcare of the Association for a period of one year.

Respectfully submitted,

James I. Walker, Interim Chairman

BUNCOMBE BAPTISTS TODAY
Annual Report 1999-2000
Bill Bigham, President

The television ministry of our association continues to air each Sunday evening at 8:00 P.M. on Charter Cable Channel 10. We appreciate all the pastors and laity who contribute so much to making this vital outreach a success. This program offers all viewers, especially non-Baptists, a unique perspective on the various ministry and missions projects Buncombe Baptists are involved in. We strongly believe this opportunity each week is money well spent.

We are also encouraged by the fact that Charter media is branching out into new markets. Residents of Swannanoa, Black Mountain, and Madison County can now watch our program. This is an exciting new development, and we look forward to continued blessings in the future.

Beginning in January, we intend to change the format of the program. We will concentrate on life issues in our modern society that are relevant to those who tune in. So many topics can be discussed that will give hope and encouragement to people who are hurting. We think this change will enhance our program and increase our potential for more viewers. Thank you for supporting this outreach through your prayers and involvement.

The Buncombe Baptist Youth Ministry Fellowship
Annual Report 1999-2000
Anthony McCaleb, Consultant

During the year of 1999-2000 we have seen a great increase in the attendance and participation of youth pastors/churches within the association. Over the past calendar year we have provided a number of rallies, services, and a mission trip that many could not have done individually.

February 4, 2000 True Love Waits Rally at Bent Creek Baptist Church, with the band The Fold who led in concert and praise and worship. Christian Comedian, Keith Deltano, gave entertainment with in a message on waiting till marriage to have sex. We had in attendance 375 youth and adults from many churches within the association. Kids made a commitment to remain pure until marriage.

April 16-19 The Buncombe Baptist Youth fellowship did a joint mission trip to Seven Springs, North Carolina. We assisted with painting, drywall, framing, hanging doors, picking up debris, assembling storage buildings cleaning up yards, and prayer walking. During the evening we had worship. We carried 89 youth and adults from numerous churches and one evening we saw 12 youth from the various groups accept Christ. There were numerous rededications.

We jointly helped in a number of youth rallies:

Youth Revival on Sunday March 12 at Trinity Baptist Church Fairview.

May Day Pray Day on May 4 at Ridgecrest Auditorium, with Tim Williams as speaker, Charles Billingsley Music, Westwood Youth Drama Team and Biltmore Baptist Youth Praise Band.

The conference is an excellent time for prayer, fellowship, inspiration, and spiritual refueling on Monday mornings. During this hour, ministers sing together, pray together, become informed of Associational ministry opportunities, and enjoy a variety of programs geared toward the enabling of greater ministry in the name of Jesus Christ our Lord.

All ministers in the Buncombe Baptist Association are invited and encouraged to be a part of this very special hour on Monday mornings.

BIVOCATIONAL MINISTERS
Annual Report 1999-2000
Tommy Wilkes, President

Buncombe Baptist Bi-Vocational Pastors met at Ryan's Steak House on Patton Ave. in February. It was voted to change our monthly meetings to quarterly meetings in hope that it would encourage more Bi-Vocational Pastors to participate. We also discussed ways in which our association could help with leadership in smaller churches.

In April the meeting was held at the associational office with an emphasis on music in the small church. Don Wellborn instructed those that were present on some things that our churches can incorporate that will enhance the music.

The state bi-vocational pastors conference was held in July at Caraway. Bi-Vocational pastors were encouraged to attend.

The regional bi-vocational pastors conference was held Sept. 29-30 at the French Broad Associational office. There were 43 present on Friday night. The meeting opened with a meal at 6:00 PM followed by greetings from the Vice-Chairman of the French Broad Baptist Association Steering Committee, Worth Emory. Cecil Hopps brought greetings from the N.C. State Baptist Convention. Wesley Pike, DOM French Broad Association, brought a message of challenge and encouragement. Special music was provided by Thankful Hearts Quartet. Saturday morning began with a continental breakfast at 7:30 AM followed by Bruce Buckner's devotional. Worth Emory reported on mission work in Honduras, and Mark Abernathy, State

Coordinator for the North Carolina/Alaska partnership provided information on the mission work in Alaska. Special music was provided by Joel Burton. Gayle Brown DOM Buncombe Association challenged us to be salt and light in the 21st century. Lunch was served and the meeting was closed.

We will be concentrating on strengthening our bi-vocational pastors conference in 2001.

BAPTIST STUDENT UNION AT UNC-A
Annual Report 1999-2000
Joe David Fore, Consultant

The 1999-2000 school year at UNCA BSU was a year of continued success in many ways. Students were involved in a variety of experiences in worship, service, fellowship, and outreach to the campus and our churches.

Before the school year even began, two students shared with the VBS of Arden First Baptist about the ministry of BS. The VBS director was extremely pleased with their presentation.

Our president returned for a second term and continued the excellent leadership in organizing the Council for success in their undertakings. He held a leadership planning retreat at which they chose as their theme, "Making a Difference: Peace by Piece." Micah 6:8 was chosen as the theme verse. The Council was organized into a five-member Executive Council, with a council body of 13 additional members who served as committees.

Other points of interest:

- A goal of $1,320 was set for the Summer Missions Offering. This was the highest pledge for the UNCA to date, and was accomplished. Fund-raisers included a "Penny Barrel" competition, programs at local churches, leaf raking, and individual pledges from students. Thirty of our students contributed in some way to reach this goal.
- Nine students worked at the UNCA organization fair to introduce BSU to new students.
- Open House was held on August 25, with 52 students attending.
- Bread for the Journey, led by Pat Fore, was a group offering strength and encouragement through sharing and prayer held weekly. Attendance was 6-8 students.
- An annual beach retreat was held September 3-5, in conjunction with Presbyterian Campus Fellowship and United Methodist Campus Ministry. Seventeen students attended.
- Ten students worked at Manna Food Bank on September 9.
- Monday lunched, provided by our Buncombe Baptist churches, continued to be a time of gathering, fellowship, and outreach for our students. Attendance was around 30-35 students throughout the year.
- Eight students led worship at Weaverville First Baptist on September 19.

- Forty-eight students attended a fellowship meal at the governor's residence on September 21. This was a fellowship with the African-American Student Association.

- Eleven students worked at the BSU booth at the UNCA Fall Fling, a campus-wide fun event.

- Six students attended BSU Fall Convention at Ridgecrest.

- On October 16, eleven students participated in a canoe trip led by one of our BSU volunteers, Randall Barnett. This has become an annual event, and students who attend remember the canoe trip as one of their most special college memories.

- Three students volunteered at the UNCA Career Fair on October 26. One student served on the homecoming committee. Our students attempt to be involved in campus life to continue to make BSU presence known, and to give opportunity to invite other students to be a party of our ministry on campus. We have earned a good reputation among faculty, administration, and staff for our cooperation and involvement in campus life.

- Eight students held a birthday party for children at the ABCCM Shelter on November 6.

- One of our students, Landon Holland, was chair of the 2000 BSU Nominating Committee for state BSU officers.

- Thirteen students participated in three rehearsals and four concerts at the Biltmore House for the Christmas celebration. This was with the Buncombe Baptist churches.

- Thirty students attended a candlelight Thanksgiving Dinner on November 21. A food drive for Manna Food Bank as a project of this dinner, brought 46 pounds of food.

- Nine students led the children at Arden First Baptist on December 5 during a special church event.

- Nine BSU-ers participated in ABCCM's "Return to Bethlehem" in early December, as performers in the Advent Medley and members of the cast.

- Twenty-five students participated in Christmas dinner and caroling at an elderly residence building on December 8.

- BSU sponsored ad family for the Buncombe Baptist Angel Tree program, providing gifts and food for a prisoner's family.

- Forty books were donated by BSU students for ad local Head Start Program.

- January 19 was the Spring Semester Open House at BSU, as we began a second semester of ministry on campus.

- Gene cotton was a guest at BSU on February 9. It was a special opportunity for students to hear from this nationally known musician.

- BSU co-sponsored "The Healing Force" on campus on February 10 and the "Gulla Kinfolk" on February 17 as part of Black History Month. 75-100 people attended these two events. Our support and involvement was appreciated by the Multicultural Student Affairs Department and the African-American students.

- Five students worked at UNCA Homecoming as we provided event photos as our contribution.

- Six students served as guides for Super Saturday on February 26, a campus event for local gifted elementary through high school students.

- BSU provided "Care Packages" for the Health Services on campus. Our students will occasionally see others in class who have been to health services and have one of the BSU packages, and we occasionally receive thank-you notes from students saying that this small gesture means a lot when they are not feeling well. We feel that these packages are a good way to reach out in love to students on the campus. Around 300 packages were provided.

- Two students participated in the BSU semester work/study offered by the North Carolina Baptist State Convention. They worked at the Habitat for Humanity Home Store, learning about the ministry of Habitat and bringing a special program to the larges BSU community at the end of the semester to inform and challenge the group.

- Sixteen participated in our Spring Break mission trip to Smyrna, Tennessee, where we worked on low-income housing at an old Air Force base. This was our second year to go to Smyrna, because it is an ideal setting for such a project. Students learn much about ministry and mission from the man in charge, as well as from our visits to some inner-city churches in Nashville.

- BSU sponsored a Holocaust survivor, Mrs. Frieda Roos-Van Hessen on March 29 on campus. Attendance was around 100, as Mrs. Van Hessen shared of her experience and the presence of God with her during and after the ordeal.

- Eleven students attended Spring Conference at Caraway, March 31 – April 2, 2000.

- The BSU drama teach presented "Christ in the Concrete City " at five churches and at a city-wide Good Friday event.

- Stephen Hearne presented a monologue on the Good Samaritan at the second fellowship at the Governor's residence with the African-American Student association Attendance was 52.

- A leadership camping trip on April 14 was attended by 11 students, as they prepared to lead the BSU in the 2000-2001 school year.

- One student presented a program at an adult day care facility on May 1.

Our students attempt to be involved in campus life to continue to make BSU presence known, and to give opportunity to invite other students to be a party of our ministry on campus. We have earned a good reputation among faculty, administration, and staff for our cooperation and involvement in campus life.

A special accomplishment by the BSU of 1999-2000 was the creation of a prayer garden/outdoor chapel next to the BSU Center. Several workdays were held during Spring Semester to clear brush and prepare a beautiful place for reflection, prayer, and outdoor worship. At the farewell banquet to conclude our year, the garden was dedicated to Kay Huggins, who began the UNCA BSU, and to Mark Davis, Randall Barnett, and Joy Jones, who have worked as associates and volunteers for several years at UNCA.

This report of the events held, the numbers of students who attended, and so forth cannot fully express the effect of a BSU ministry at UNCA. More important are the individuals and the impact this ministry has on their lives in some way during their college years. At a wedding in June, the couple printed in their bulletin. "We met in the Baptist Student Union at UNC Asheville." A student preparing to leave for the military sent an e-mail to BSU, "I ship out to MCRD Parris Island tomorrow for Marine Corps recruit training. I would be eternally grateful if you could pray for me as I work to earn the title US Marion . Thanks, stay safe and Godspeed –SEMPER FIDELIS!" The fact that he would write to BSU on the night before he left shows the impact this group had on his life. The connection to the other students that he felt, and the confidence he held in their friendship and support. Comments like these from individuals, including those who say they would never have made it through college without BSU, re the most important "reports" we could give about the ministry of UNCA Baptist Student Union.

LANGUAGE MISSIONS
Annual Report 1999-2000
Russell Hilliard

The international community has continued to grow in Asheville and in Buncombe County. The largest group, the Spanish-speaking group, may have arrived to the number of 7,000 - 8,000 Hispanic/Latino persons in our county. Preliminary census figures give an estimate of approximately 4,700 Spanish-speaking persons. However, some Hispanic leaders estimate that this number could well be doubled. Though a majority of these persons are Mexican, eleven or twelve Hispanic countries may be represented in the services of the Hispanic Baptist Mission of Asheville that meets at the Calvary Baptist Church on Sunday evenings.

In 1999, a new mission using the Spanish language was begun at the Newbridge Baptist Church. During April of this year, an Hispanic/Latino ministry was also begun at the Woodland Hills Baptist church, and in May at the First Baptist Church of Swannanoa. The Ukrainians make up another large segment of the international community in Asheville. One of the Ukrainian groups meets at the Merrimon Avenue Baptist Church on Sunday mornings at 11:00 a.m. The pastor is the Reverend Peter Karpenko. Another group, the Slavic Revival Fellowship, meets on Sunday afternoons at 1:30 p.m. at the Beverly Hills Baptist Church. The pastor of this fellowship is the Reverend Leonty Ostapovich.

Many other international groups and languages are a part of daily life now in our beloved county. At the present, the Buncombe County School Board is working with students in 23 different languages.

In order to assist these and other language groups with the English language, the Asheville-Buncombe Technical Community College has an extensive network of classes at A-B Tech and at many off-campus sites. One of the oldest English language instruction programs in the county has met at the Grace Baptist Church almost every Tuesday evening from 6:30 - 8:30 p.m. since 1993. This ministry, called the Grace International Program, not only offers classes in English weekly on three levels, but also in Spanish on three levels. Grace Baptist volunteers give considerable time to make this program function. Persons of the caliber of Jim and Pam Wolfe, Marie Clontz, Dee Foreman, Bill and DeAnn Elliott, Don and Barbara Felmet, Cathryn Kinser, and others invest sacred hours in these adults and children who are language deficient. A recent additional ministry of tutoring children from K-5 through middle school has turned out to be a very helpful labor of Christian love. These classes are offered free of charge thanks to the commitment of A-B Tech, the Grace Baptist Church, and now to the United Way of Asheville and Buncombe County. For the first time, since July 1, 2000, leaders of the United Way have chosen to invest in the Grace International Program as well as in other projects to assist in the breaking down of language barriers in Buncombe County.

The world, indeed, has come to us! To whom will we as Buncombe Baptists guide this world?

CHRISTIAN LIFE AND PUBLIC AFFAIRS
Annual Report 1999-2000
Gail Harding, Consultant

Christian Life and Public Affairs Info Pages were provided in each of the Buncombe Baptist Association monthly newsletters. Information was provided on a brad scope of subjects, including:

- Sanctity of life
- Religious persecution
- Good citizenship suggestions
- The family and covenant marriage
- Election DO's and DON't's for churches
- What we as individuals can do about pornography
- Pornography, its internet availability and filtering software
- The Constitution's free exercise clause and the local "We Still Pray" movement
- The rights of Christian students in the public schools
- Continuing updates on pertinent, proposed legislation at state and local levels.

Last October proclamations for **Pornography Awareness Week** were issued by North Carolina Governor Jim Hunt and locally (at our request) by County Commission Chairman Tom Sobol and Asheville Mayor Leni Stinick. I was honored to receive the proclamations, address both the County Commissioners and the City Council, and provide each member with a copy of **Pornography's Effects on Adults and Children,** an excellent study by Dr. Victor B. Cline. This is in keeping with our responsibility to provide factual books and information (pertaining to the field of Christian social ethics) to influential city and county leaders.

The challenge is on-going for believers to become informed and involved, salt and light, i8mpacting our community and nation in a positive manner, and sharing the life-changing gospel as God gives us opportunity. What will we do with this challenge?

ANNUITY BOARD
Annual Report 1999-2000
Johnny Ross

The Annuity Office of the Baptist State Convention of North Carolina in partnership with the Annuity Board of the Southern Baptist Convention provides services related to retirement planning, financial support of ministers and other church employees, life and health insurance programs, and church/clergy tax issues. During this past year numerous conferences, consultations, etc. were conducted to service our churches and church employees related to these issues. Education continues to be a number one priority since so many people do not participate in the plans simply because they are not aware of the great benefits.

On January 1, 2000, the Annuity Board began offering the Ministers' Annuity Plan. This new product is particularly designed ford the minister who has self-employment income from performing services (i.e. weddings, funerals, revivals, writing) as a Southern Baptist minister, and others who may not qualify for one of the other Annuity Board retirement plans. Eligibility can be determined by contacting the Annuity Board's customer service area.

The Southern Baptist Convention in annual session in June, 2000, approved changes to the Annuity Board's Mission Statement and two new Ministry Assignments. The changes will now allow the Annuity Board to offer personal investing for Southern Baptist ministers and denominational employees and their spouses, and to assist churches and denominational entities by making available institutional investment services through cooperative agreements with state Baptist foundations.

As of May 31, 2000, there were 4,561 active participants in the annuity retirement plan from 61& of our North Carolina churches. The money contributed by individuals, churches, and the matching contributions from the state convention is invested according to the individual participant's financial goals and risk tolerance with the overall aim to help participants ensure their security in old age. The number of persons in North Carolina receiving retirement benefits totals 2,807 with another 368 assisted through the Adopt an Annuitant and Relief ministries. Funds for supplemental assistance are provided from the Cooperative Program, the Retired Ministers' Support Fund, and the Adopt an Annuitant Plan.

For more information related to Annuity Board products and services, call the Baptist State Convention at 1-800-395-5102 extension 174 or call the Annuity Board at 1-800-262-0511 or visit the Annuity Board Web site at www.absbc.org.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA
Annual Report 1999-2000
Michael C. Blackwell, President

"Quality Service Through Quality Relationships" is not just a slogan. It is a foundational statement of philosophy. In our ministry, relationships are everything—relationships with

children, with families, with placement agencies, with our own families and churches, and with each other. We are blessed by God in this work because we honor God in relationships.

During the QSTQR emphasis, all BCH staff at every ministry point have made extra efforts to strengthen relationships with the people we encounter. We have incorporated the terms quality, service and relationships into a plan of action. We have reflected our desire for quality relationships in everything we do in order to deliver quality services that change lives. QSTQR, celebrating the mission . . . the millennium . . . the ministry, was BCH's theme from Easter, 1999 through Thanksgiving, 2000.

Through Baptist Children's Homes of North Carolina, hundreds of children and families are given new hope for their futures . . .

> Children like Linda and her two younger sisters. Linda feared for their well being. It was her responsibility to care for her sisters. Linda remembers moving to a shelter where she finally felt they were safe. there was enough food for the sisters and warm beds. The three children were later placed at BCH. Now, Linda is in a place where others care for her. Linda has discovered God cares for her, too.
>
> The McDonalds found the challenge of being a blended family difficult at times. Their son began to exhibit anger toward his parents. He would challenge their authority and began getting in trouble with some neighborhood kids. The situation was getting out of control. Corey's parents called BCH. Corey has begun to deal with his anger, mistrust and behavior issues. His parents are earning how to better communicate with each other and with Corey.

During the past year, BCH served 1800 children and families through 13 facilities statewide. BCH operates residential campuses in Thomasville, Pembroke, Kinston n\and Clyde, a maternity home in Asheville, a teen mother/baby home in Lenoir, values change homes for girls in Franklin and Lenoir; therapeutic camping for boys n Cameron; emergency care cottages at the residential campuses and in Waynesville and Asheville; and a model day cares center in Thomasville.

In 2000, BCH began a new, innovative ministry caring for developmentally disabled adults and their families. Our Trustees unanimously approved a major undertaking this year by committing more than $3.5 million to replace, repair, construct and make much-needed improvements at every BCH location. Most of the work is complete. You are invited to visit our campuses and other facilities to see first hand the difference you are helping us to make.

The commitment to quality has been a cornerstone of this institution since its beginning. **"Quality Service Through Quality Relationships"** was a 20-month public demonstration of this cornerstone. The emphasis places top priority on relationships to achieve the highest quality of service possible. Significant growth has been realized during this period. BCH has dedicated new structures at Odum Home, Cameron Boys Camp,, Kennedy Home, Broyhill and Mills Home campuses and added new work in Waynesville and Asheville as well as Moody Home, Care House, Noel Group Home. Several significant anniversaries have been observed: the 85th of Kennedy Home in Kinston, the 30th of Baptist Maternity Home in Asheville, the 20th of Cameron Boys Camp, the 40th annual Western Area Conference, and the 115th anniversary of Baptist Children's Homes of North Carolina.

To help commemorate BCH's 115th anniversary and to celebrate the impact QSTQR has had on staff and children, approximately 600 children, administrators, childcare workers, social workers and staff were brought together June 28, 2000 from around the state for a day of inspiration, fellowship, food and fun. **"The Family Gathering"** was held at Mills Home where BCH began in 1885. This is the first time all the Baptist Children's Homes' "family" have been together at the same place and at the same time.

Baptist Children's Homes QSTQR emphasis will culminate at Thanksgiving. We invite you to attend BCH's 30-minute presentation at the 1000 annual meeting of the Baptist State Convention in Winston-Salem on Tuesday, November 14, 2000 at 2:10 p.m. We encourage you to be part of our ambitious $1 million Thanksgiving Offering goal. That number may seem enormous, but there is also enormous need. For all the good North Carolina Baptists are doing to help children and families, there is still so much that needs to be done. We are confident our churches will help us meet this important goal!

The support of North Carolina Baptists through the Thanksgiving Offering, Cooperative Program, and individual gifts, memorials, honors, bequests and estate gifts help enable us fulfill our mission statement: **"helping hurting children . . . healing broken families."**

North Carolina's **"largest family"** is grateful to North Carolina Baptists for prayers and support. To secure a video or a speaker for your church, or for information about our services, please call (336) 474-1209.

Christian Higher Education represents one of our enduring values as North Carolina Baptists. From the founding of our Convention in 1830, we have supported Christian higher education. Our churches, associations, and state have benefited as a result.

Last year North Carolina Baptists provided special scholarship assistance to members from our churches who chose to attend one of our affiliated colleges or universities. Sixty-eight out of eighty associations were represented among the hundreds of students who received this special Convention-sponsored scholarship assistance.

The institutions matched the Convention's support of these Baptist students through institutional support. For every dollar provided to students through the Cooperative Program, the institutions matched it with $2.50 of additional financial assistance. Forty-five percent (45%) of the on-campus student populations are Baptists.

In addition to support of undergraduates, North Carolina Baptists assisted 297 divinity school students last year. This financial assistance was made possible through churches giving through optional giving Plans B and C. Members from our churches who have sensed God's call upon their lives to serve as ministers or missionaries are eligible to receive a theological educational grant from the Convention.

If a student pursues their degree from the divinity schools at Gardner-Webb or Campbell, the student is eligible to receive a grant of $8,100. If a student pursues his or her theological education from other institutions, the student is eligible to receive a grant of $3,000 for their studies.

Reverend Shane Kirby recently graduated from the M. Christopher White School of Divinity at Gardner-Webb University. Upon graduation, Mr. Kirby said, *"I couldn't be more happy that I was able to obtain my master's at a North Carolina Baptist institution. I look at it like the Baptists of this state invested in me. Now, I feel a sense of responsibility to the good people of my denomination to serve them."*

North Carolina Baptists can take pride in graduates, like Mr. Kirby, who want to serve our Lord and his churches in North Carolina.

Without the faithful support of the Cooperative Mission Budget of the Baptist State Convention, opportunities for our members to attend Campbell, Chowan, Gardner-Webb, Mars Hill or Wingate would not be possible.

Thank you North Carolina Baptists for your continued support of Christian higher education in our state.

THE NORTH CAROLINA BAPTIST FOUNDATON, INC.
1999 ANNUAL REPORT
M. Clay Warf, Executive Director

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

During 1999, the Foundation provided assistance to individuals in establishing 20 endowment funds and 12 charitable remainder trusts totaling $3.8 million and received $2.8 million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for 122 churches and associations during the year to promote Make Your Will Month, Christian estate stewardship, and church

fund management. Over $3 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Salomon Smith Barney to help select top money managers and evaluate performance.

As of December 31, 1999, the Foundation held $93,355,200 under management. This is an increase of more than $12.5 million over 1998. During 1999, $1,864,044 was distributed to individuals and $3,418,543 to Baptist work for a total distribution of $5,282,587. During the 80-year history of The North Carolina Baptist Foundation, Inc., $16,081,204 has been distributed to individuals and $25,723,551 to Baptist churches, institutions and mission causes for a grand historical total of $41,804,755.

Annual Report

"Touching Lives with Hope"

HOSPITAL CONTINUES THE MISSION

In May 2000 The North Carolina Baptist Hospitals, Inc. celebrated 77 years of regional, national, and international service. During these years the hospital has been faithful to the initial vision of the North Carolina Baptist State Convention. When the hospital opened the convention stated the reason for doing so was: to extend the healing ministry which was demonstrated by Jesus Christ. Many challenges have been faced through these years, but the commitment to compassionately strive for innovative excellence has remained the same.

BAPTIST BENEVOLENT CARE FUND

Baptist churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1999 the MDO amounted to $531,452. These funds were used exclusively to help patients wh9 had minimal or no health care insurance and had no other financial means to pay their hospital bills. From the offering this past year, well over $200,000 was used to assist members of our Baptist churches in North Carolina

SCHOOL OF PASTORAL CARE

During the year the Department of Chaplaincy and Pastoral Education provided worship services in Davis Chapel on Monday, Wednesday, Friday and Sunday as well as services in the J. Paul Sticht Center. Chaplain supervisors, residents and interns made more than 50,000 ministry contacts last year. The Department's fully accredited Clinical Pastoral Education program graduated 65 students.

The Department of Pastoral Counseling, CareNet, Inc. continues to develop its ministries. There are now 16 Christian counseling centers located across the state. The newest center is now open in Greenville and is the staging ground for serving northeast North Carolina. During the year these professionally staffed centers provided 27,293 hours of Christian counseling, making CareNet the largest pastoral counseling system in the United States.

The Center for Congregational Health, Inc. continues to develop its mission of helping congregations become healthier communities of faith. **Programs and assistance** offered to churches include Intentional Interim Ministry, strategic planning, staff and team development, and conflict management. **Resources for ministers** include: Young Leaders Program, Leadership Development Group, Interim Ministry Training, and Intentional Interim Ministry training. The Center has served an average of 21 North Carolina Baptist congregations a month during the past year.

"A Half-Century of Service"

In March 2001, the Baptist Retirement Homes of North Carolina will celebrate 50 years of service to Older Adults. It has been a wonderful half-century, and the "Homes" is thankful for the privilege of sharing in the life journeys of thousands of "Aging Saints."

The quality of life the "Homes" has brought to these Older Adults has been its best measure of success as it has helped ensure that residents live out their lives with autonomy, dignity, and comfort. The "Homes" dream is to make life for North Carolina Older Adults what God intended it to be..."The Best of Times."

The "Homes" corporation now owns and operates four retirement communities across the state: the Brookridge Retirement Community in Winston-Salem, a continuing care community offering independent living, assisted living and nursing care; the Western North Carolina Home in Asheville, a community that offers assisted living and nursing care; and the Hamilton Home in Hamilton and The Taylor House in Albemarle, communities that offer assisted living services. Later this year the "Homes" will begin construction on a new community –The Gardens of Taylor Glen, a continuing care community near Concord.

The generous support the "Homes" has received from North Carolina Baptists has enabled it to make a unique promise to its residents: *whatever the future may hold, Baptist Retirement Homes will care for them for the rest of their lives.* Keeping this promise means overcoming many challenges. By 2020 North Carolinians past retirement age will make up 20 percent of the population. While medical science has prolonged life, the effects of aging are often intensified and extended over many years. Many Older Adults exhaust their personal resources and look to the "Homes" for significant financial assistance.

Still Baptist Retirement Homes stands ready to make good its promise of ongoing compassionate and quality care.

NORTH CAROLINA PARTNERS IN THE HARVEST

North Carolina Baptists have numerous opportunities to resp9ond to God's call to the harvest field. Many of these are made possible through the North Carolina Missions Offering and Week of Prayer.

The 2000 North Carolina Missions Offering and Week of Prayer has established the theme "North Carolina Partners in the Harvest." Your partnership in our statewide missions support effort sustains many of the ministries through which our Lord sends workers to the harvest. By praying, going, and giving, we can reach persons for Christ. The goal for the 2000 NCMO is $2.5 million.

In the year 2000, Baptists in North Carolina will join others around the nation in mission support by celebrating the 75th anniversary of the Cooperative Program. This celebration, "Partners in the Harvest," unites Baptists under a common promotional theme for one year to support missions like never before. The national goal for missions giving—through the Cooperative Program, Lottie Moon Christmas offering, Annie Armstrong Easter Offering, and state missions offerings—ins $750 million.

North Carolina Baptists have established themselves as a mission "giving" people. In 1998 North Carolina Baptists gave $49.2 million to mission causes through the Cooperative Program, North Carolina Missions Offering, Lottie Moon Christmas Offering and Annie Armstrong Easter Offering. In the year ending September 30, 1999, North Carolina ranked second in the nation in gifts through the Lottie Moon and Annie Armstrong offerings.

North Carolina Baptists are a missions "going" people. Responding to the tremendous need caused by Hurricane Floyd this year, North Carolina Baptists sent hundreds of disaster recovery work teams to the eastern parts of our state. Having established multi-year partnerships with Alaska, Southern Africa, and the Appalachian Mountain region, we are committed to "going" to these areas to share the gospel of Christ.

North Carolina Baptists are a praying" people. Undergirding each of our missions and ministries are faithful individuals who lift us up in prayer each day.

Partner with other North Carolina Baptists to pray, go and give in support of the 2000 North Carolina Missions Offering and Week of Prayer. Join us as a "North Carolina Partner in the Harvest."

BIBLICAL RECORDER
Annual Report 2000
Tony W. Cartledge, Editor/President

Since 1883, the *Biblical Recorder* has served North Carolina Baptists as the official news journal of the Baptist State Convention. Founded by Thomas Meredith, *the Biblical Recorder* was owned and operated as a private enterprise until 1938, when the paper was purchased by and incorporated as an agency of the Baptist State Convention.

The *Biblical Recorder* promotes God's kingdom work in accordance with its mission statement: ***"Our Mission is to further Christ's kingdom among North Carolina Baptists***

by providing relevant news, insightful opinions and supportive resources in a timely and accessible fashion."

An agency belonging to all North Carolina Baptists, the *Biblical Recorder* provides balanced news coverage of Baptist news from throughout the state and reflects opinions representative of the diversity that is typical of our churches. The *Recorder* maintains frequently used site on the World Wide Web. This site (www.biblicalrecorder.org) offers Internet users an opportunity to reach much of each paper's content several days before printed versions arrive. This is particularly helpful during convention meetings and at other times when frequent updates are desirable. As time and resources allow, additional features are being added to make the site an even more valuable source of information for North Carolina Baptists.

The *Biblical Recorder* works in partnership with the Baptist State Convention and receives annual support from Cooperative Program gifts as an agency of the Convention. This support makes it possible to offer the *Recorder* for just pennies per issue. The *Biblical Recorder* has not raised subscription rates in five years, but a string of steep postage hikes will almost certainly necessitate modest increases in subscription prices beginning in 2001.

Currently, the annual rates (including tax) are:

- Every Home Plan (20%+ of church families, paid through the church budget) - $7.42
- Club Plan (4 or more persons in a church subscribe together) - $8.48
- Individual Subscription - $10.60

Subscription packets and free sample issues are available. For more information, poease contact:

CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA
2000 Annual Report
Joe S. Lennon, President

It is with humble gratitude that the Christian Action League of North Carolina serves the Lord Jesus Christ and the churches of this great state as a Beacon of light, guiding referendums and legislation through the murky waters of special-interest groups and educating God's people about the moral problems in our state and nation. Our goal is to encourage and organize the people of God so that our light will be seen brightly throughout our state; and when we speak, it will be in one accord and will resound loudly.

A. Christian Values

a. The Christian Action League again co-sponsored the Fifth Annual Christian Heritage Week of North Carolina held in March. It was our pleasure to provide awards for excellence to those high school students who won the essay contest on America's Christian background.
b. CAL has continued to promote and distribute copies of the Ten Commandments throughout North Carolina. To date, over 15,000 copies have been mailed.

c. Promoted awareness of worldwide persecution of Christians (particularly in Sudan) through email alerts and radio.
d. Participated with the American Family Association in distributing copies of our national motto posters "In God We Trust".
e. Joined with Family Life Ministries in promoting and distributing copies of the Marriage Covenant certificates.
f. Participated in the National Day of Prayer.
g. Set up CAL exhibit at Baptist State Convention and the East and West Districts of the Wesleyan Church conferences.
h. Worked in the General Assembly to stop a bill that would allow physicians to take immediate custody of a child that they felt had been bused. The bill dies in committee.

B. Radio

"Christians In Action", Station WAGO (88.7 FM) Snow Hill, started Monday, January 3, 2000. This broadcast consists of a five-minute commentary on issues that affect our lives today. We will begin airing this program on Aug. 7 on New Bern (WAAE, 91.9 FM). Our projection is to ultimately reach the whole state.

C. Gambling

a. Video Poker Machines – The Christian Action League worked round the clock to get video poker banned in this state. We failed getting the ban but were successful in getting SB 1542 to strengthen the law and restrict the operation and expansion of video gambling in the state. We will work vehemently next session in pushing for a ban.
b. Joined Christian Coalition in survey on how Gubernatorial candidates stood on lottery/released results in newsletter.
c. Next session the Christian Action League will be on the front line in the Legislature fighting a state-sponsored lottery.

D. Abortion

a. CAL has purchased the rights through donations of a surgical procedure on a 21-week old fetus that proves that partial-birth abortion is murder. We want to see this picture used extensively in making our case for the pro-life agenda.
b. CAL participated in the Right to Life Rally held in Raleigh.

E. Alcohol

a. Participated in four LBD campaigns since January 11,2000, and there are three scheduled for a September referendum. We help with their organizational meetings, rallies and providing educational materials.
b. Worked in the General Assembly for passage of HB 1499-Interlock/Open Container law. This bill bans open alcohol containers in the passenger area of a motor vehicle on the highway or highway right-of-way. The bill was ratified on July 13.

E. Pornography

Have produced and aired several radio programs to inform the public of the internet pornography crisis. Educate communities on how they can rid their neighborhoods of adult establishments.

G. Homosexuality B

CAL monitors and informs the Christian community of the current homosexual agenda through our email alert.

The Christian Action League of North Carolina produces a quarterly newsletter *The Beacon* that has a distribution of over 21,000. We also send out an email alert every Friday to over

150 members to keep them abreast of current moral, ethical and political issues that affect our state and nation. All services of the Christian Action League are provided at no charge. We depend on God's people to provide for His work.

A brochure has been printed and is available for bulletin inserts if the churches desire.

David Simon, a member of the Association Strategy Planning Committee, reported that the members of the sub-committee #2 (charged with the responsibility of evaluating the association structure) had visited other associations along the I-40 corridor in preparation for the year 2010. Questions that were asked were: What's gone right? What hasn't gone right? What's working? What's not working" What changes have occurred within your association in the last three years and how have you responded? How successful have you been in involving young adults in your association?

After presenting the subcommittee's report, the ASP committee suggested the following eight objectives:

5. Be proactive in church starts.
6. Improve the association's Christian education ministry.
7. Seek alternative funding approaches for the associational budgeting.
8. Accept, even embrace, the transition process that is essential to discovering and determining our future. Keep an eye on the future as we work in the present so we can minister in the future.

David further shared that he sees two parts to these objectives:

They have even applied for grant money to buy materials.

Our involvement would be: 350 youth would come to our area--approximately 25 groups. On Sunday, a sponsoring church or group would have a group in their church, feed them lunch and then Monday – Thursday, go to the work site and feed them lunch.

Norma has made application but has not yet heard if the application has been accepted. Norma made a motion that if we are accepted as a World Changers site for the summer of 2001, that Buncombe Baptist Association support this project. Appreciation was expressed to the treasurer for such a good report given in such an optimistic and faithful way. Appreciation was also expressed to the Financial Secretary, Barbara Wright and others involved in helping to keep all the numbers together and accurate.

The moderator called for the Director of Missions report to be given by Gayle Brown who referred to the printed report on page 1. He commented on several items as follows. He mentioned the importance of this meeting in the election of a Search Committee to begin the process of finding a new Director of Missions. The Association Strategy Planning Committee has basically completed their work. Gayle Brown, Ron Kiser and Norma Melton had lunch with a prospective person who will be serving as Chairman of the Constitution and By-Laws Committee and the Constitution and By-Laws Committee will take the place of the Association Planning Strategy Committee and be studying the By-Laws and be bringing any changes to the Association through the coming year before any official action will be taken which will help give direction to our association in the coming years. He stated that the Ministry Annex building will be completed and Glenn Stroud will speak to that. The Celebrate Jesus Crusade will be coming up real soon at the end of August and Mike Smith will speak to that. The annual Staff Retreat will be at Pisgah View Ranch this year. George Shore will be leading the staff regarding the time of transition. The 119th session of the Annual Meeting will be at Weaverville First Baptist on Monday, October 9 and at Newbridge Baptist on Tuesday, October 10. The new working hours for Barbara Wright will be discussed a little later in the meeting. Gayle reiterated his retirement date of November 1, 2000. He stated that the past 23 years has been a wonderful journey with this association. The pastors and lay people of this association really are the best in the world and God has blessed us tremendously through these years. We have built on ground that has been laid by John and Martha Hicks, Erskine and Doris Plemmons and certainly our previous directors of missions, Robert Hughes, and our first director of missions Manley Hocutt. He expressed that he believes our association is in strong position as we get into this new century and some wonderful years will be happening in the years to come.

The moderator expressed appreciation to the job done by Gayle Brown and how much he and the staff mean to the association. The moderator called on reports from Ron Kiser and Normal Melton.

Ron Kiser stated that the printed Congregational Development report could be found on page 2 of the Book of Reports. He stated that he would comment on several events that have been special to him. Asked that everyone look at the photos displayed at the back of the room on the mission trip to Seven Springs under the direction of several of our youth directors and youth ministers fellowship with help from Julian Lanning and help from folks in many of our churches. There were 100 in attendance on the mission trip, mostly young people on their spring break from school and they completed 35 projects while there in about 3 ½ days. He expressed thanks to all who helped. The event was closed with an evangelistic service and Kevin Bennett from Bent Creek brought a great message to the kids in which he talked about "It's great to do things for other people but it ain't worth a nickel if you don't know Jesus". The end result was that 8 young people who went to help were saved. We had participation by the Association in the May Day Pray Day event that was started by Alan Scroggs two years ago and he had some financial needs and the Youth Ministers Fellowship decided to use part of their budget to assist in this project and helped Alan get some assistance from the state convention department of Evangelism and this year that was moved to Ridgecrest and estimated attendance was 1500 people, 340 decisions with 47 first time professions of faith in Christ. Another highlight of the quarter was the WMU

annual meeting. Reggie Gilmore, Western Area Director of Family Services, Baptist Children's Homes of North Carolina, was our featured speaker and the WMU ladies again honored Martha Hicks for her many years of service. Edwina Messer will be the new WMU director for the coming year. There were many other events which can be read about in the printed report. Ron requested prayer for his granddaughter and family during this time of illness. Prayers were requested for upcoming events including missions camp, WMU World Craft Party on August 17, where monies from these crafts help support women's ministries in third world countries. Some fliers were handed out regarding the Lead-R workshop scheduled for August 12 at Calvary Baptist Church. A variety of conferences will be available to help train church leaders as they move into the new year. A special WMU conference will be help on September 25. Wendy Case will come to share a conference with all church WMU leaders called "It's not your Grandmother's WMU".

The moderator called on Norma Melton for a report on Church and Community Ministries. Norma referred to page 4 in the Book of Reports which stated that we voted at the last quarterly meeting to support World Changers 2001 if our application was accepted by the North American Mission Board for World Changers to come to Asheville. It was accepted so we will be a World Changers site in 2001 during the week of July 4. More information will be forthcoming and churches will be needed to support this emphasis as young people from all over the world will come in and be working and sharing their faith for a week. Reference was made to page 3 in the Book of Reports. One highlight of this report is the Rest Area ministry which was done during Easter. The rain and cold provided an opportunity to witness and share our faith as people asked why we would be there in such weather. Appreciation was expressed to all of the churches who were involved in this ministry. We have confirmation for the rest area for Easter and July 4 in 2001. Mention was made of literacy. Much will be heard about literacy in 2001 and 2002. Jane Allison coordinates the literacy work in the Buncombe Association and has an excellent literacy teaching children and youth program at First Baptist Black Mountain. There are a couple of other churches in the association considering doing some type of literacy program. Anyone interested in setting up a literacy program should contact Norma. She and Jane would be happy to come to any church and tell about the model program that Jane has. Project Help – 2001 and 2002 in WMU will be Project Help – Literacy. This will be involved with literacy for children, youth and adults and also computer and medical literacy. More information will be coming through WMU. There have been unique opportunities working with people at Ridgecrest who call and ask for help in doing some ministry in the Asheville area. Work was done with Missions Extravaganza in helping them find ministry opportunities in Asheville and then go out and do actual ministry. This past week was a unique opportunity to work with the International Mission Board. There were over 100 teenage, high school and college missionary kids who were from all over the world and ministry opportunities were set up such as prayer walks and prayer rides throughout Asheville. They did a great job. More can be found in the printed report. Some of the IMB Staff after the Prayer Walk came up and said it is almost like we are doing International missions. They felt that everywhere they went they felt the influence of New Age. Senior adult ministries are being reorganized in our Association. A Senior Adult Team is planning a luncheon at Biltmore Baptist October 26. We are hoping to provide fellowship and ministry opportunities with Senior Adults. The Mountain State Fair Ministry is coming up September 5-17 which involves 11 associations. Various supplies are needed and a list may be found in the Book of Reports. Bele Chere will be coming up in two weeks and all shifts have been filled.

Charlie Sams, Moderator, stated that it has been a few months since Gayle called him in his office and shared with him what was on his heart and that he felt the Lord was leading him to retire. They prayed and shared together and not too long after that realized the responsibilities that would come to him as moderator and as personnel chairman. He has had a burden about a search committee appointment and election. He was introduced to the Personnel Committee and knew most of them pretty well and has really come to love them as they have shared together. He expressed his appreciation to the committee consisting of Clarence Vassar, Charles Kiser, Frances Corbin, James Lamb and Carson Moseley, Vice-Moderator. The committee will bring a motion concerning the Search Committee for the Director of Missions. They have been very prayerful about appointing people to this committee who have a real understanding about the Association, a love for it and people who have served and been involved in the association and know what it is about, people who are trustworthy and trusted by members of the association and churches. People who could work together was very important. Good to have a good mix of pastors and lay people and men and women with different perspectives on lots of things, people who were committed to working together for the good of the association. Clarence Vassar acted as spokesperson for the Personnel Committee to bring the motion. A committee of six was recommended consisting of Jerry Pereira, Pastor, First Baptist Swannanoa, as Chairman; Buddy Corbin, Pastor, Calvary Baptist; Elaine Gregg, Minister of Music, First Baptist Arden; Cathryn Kinser, Grace Baptist; Edwin McDevitt, West Asheville Baptist; and Johnny Tiller, who will be serving as Interim Pastor at Gashes Creek Baptist beginning August 1. This was presented as a motion. Questions and comments were asked for and since there were none the vote was taken. The motion carried unanimously. The moderator requested prayer for this committee.

Mike Smith was called upon to share about the "Celebrate Jesus Crusade". He presented the poster for the Crusade. The Crusade will be August 27-31 at Biltmore Baptist Church. The Crusade will begin on Sunday afternoon with a great meeting for the Youth at 4:30 at the Biltmore Baptist Church with Randy Shepherd and Jamie Johnson from Crossfire Ministries , music and pizza supper followed. Opening of the regular service of the Crusade began on Sunday evening at 7:00 p.m. with L.C. Ray preaching.. It was hoped that churches would move their Sunday night and Wednesday night services to Biltmore Baptist for the Crusade. On Monday night, James Stewart, Pastor of First Church of the Nazarene; on Tuesday night, Mack Strange, Pastor, Covenant Community United Methodist Church; on Wednesday night, Chuck Waldrup, Pastor, Candler House of Prayer; on Thursday night, James Walker, Pastor, Biltmore Baptist Church, will close the meeting. There will be special music each night. We need churches to display posters in church and neighborhood businesses. We need to work hard to promote the crusade. There will be radio and television promotion. Tom Atema, new manager at WFGW is handling the publicity. We need to go all out to get people there. Biltmore Baptist Church seats 2000 people and we want to fill it up every night. We are praying for your support and that each one will be there each night as much as possible. Two other great events happening prior to the Crusade. A Fund Raising Dinner at Arden Presbyterian on August 3, to help with the budget for all of the promotion and expenses. Letters have been sent to each church requesting donations. Bulletin inserts were passed out to be placed in bulletins about 2 weeks prior to the meeting. Mike states that it has been a pleasure working with the Evangelism Committee. Progress is being made in working with the Christian churches in the area to evangelize our city. We need to continue and reach out to these fellow church and talk, work and fellowship with them. On August 30, a dinner meeting will be held prior to the meeting. Tickets will be $5.00 per ticket. It will be good to invite people and have them come and fellowship together. The moderator commended Mike Smith on his skills in evangelism.

He then called on Glen Stroud, Properties Committee Chair-person, to give a report on the ministry annex progress. Glen stated that at the last meeting he had said we would be in the new building by the next meeting, but this did not happen. Subcontractors are behind but are now working hard and expect to finish the work in July. They are finishing the sheet rock and are ready to start painting. Most of the heating, air conditioning and plumbing are completed. It is looking exciting now as to the ministry that can be done from that building for disaster relief and this type thing. It should not be long before paving is done and the building is completed. The moderator commended Mr. Stroud for taking on a big job and doing a fine job.

He then called on Kay Carter who is our Coordinator for the Alaskan partnership. Kay works at Ridgecrest in Sales and Marketing and has a real passion for Alaska. Kay shared that Buncombe Association has more churches than the entire state of Alaska. When we entered partnership with Alaska she called every church in NC. You must drive an RV to the first site because there is not housing. Housing and meals will be provided at the next project at different homes. We need to see how the Alaskans live – the music, culture and color of the faces are different. In some areas the home will be in the same building as the church. She gave information on various projects which will be forthcoming. Church life in Alaska is a completely different world. Partnership with Alaska will help you learn the people of Alaska. Listening to the people and developing a relationship is important before telling them about Jesus. The committee first has to find projects for people to be done. Buncombe will be put on the list. They will send a list of projects to Buncombe and then we will decide how to be a part of this partnership. Mark Abernathy will send a list of 2000 projects that are not filled and will roll over to 2001. Cost of the trip was discussed. Geographically there will be a lot of traveling which will be factored into the cost. There is no cost for housing or meals. A large church is 52 people and the churches are a merge of military persons and local persons. It was moved by the moderator that the list of names for the committee be accepted. It was voted unanimously to accept these names as the Alaskan Partnership Committee: Kay Carter, Mark Moore, Jim McCoy, Scott Shields, Ron Pownall, Angie Goldsmith, Norma Melton, Ron Kiser and Gayle Brown. (Clerk's notes—Angie Goldsmith has since resigned from this committee.)

The moderator called Johnny Tiller to bring a motion. Rev. Tiller stated that he was Chairman of the Personnel Committee when we brought Gayle aboard as Director of Missions and was moderator at the same time and have been proud of our decision all through the years. He highly recommended retirement. He represented the Acts Board. Buncombe Baptists have been on television for a long time. When we first came on it was free of charge. Then when cable took it over they gave Buncombe Baptists 3 years free of charge. We have been paying now for a long time. Buncombe Baptist is now on channel 10 for all of the county. This has brought on thousands of new homes and this will cost money. With the increase of 28,000 new homes, we must have some more money. Howard Candler reports that the Buncombe Baptist Today committee has asked the association finance committee to amend the 1999-2000 budget in the amount of $2500 to pay for the production and air time for the Buncombe Baptists Today television program. This will pay for the program to the end of 2000. The previous financial report shows that we do have the money in our budget to pay for this. Howard Candler on behalf of the finance committee so moved that the money be appropriated. There were no questions or discussion and the motion was passed unanimously.

The moderator recognized Clarence Vassar for a recommendation from the personnel committee. The Personnel Committee makes a motion that the reduction of the hours of Barbara Wright (at her request) be changed from full time to 3 days per week, that being Monday, Wednesday and Thursday. We recommend to the finance committee that the pay and benefits reflect the deduction. Barbara has been a faithful, dedicated, highly supportive staff member. The motion was carried unanimously. The Personnel committee also recommends that a part-time secretary be employed. There is need for an extra secretary to support the Director of Missions, the Director of Congregational Development and the Director of Church and Community Ministries and Media support and perform other duties as assigned. It is recommended that this person work 5 mornings each week. There were no questions or discussion and the motion carried unanimously .

The moderator called on Todd Royal, Pastor, Fairview Baptist who had asked to share a word. He related that there are 3 videos produced by NAMB of top quality advertising to let people know who Baptists are. His church has purchased these tapes and he has contacted WLOS and they are to put together a couple of packages related to costs. He would like to find out the interest of the association relating to this project. There has been so much negative publicity put out about Southern Baptists he would like to get some positive information before the people. If these commercials are considered a public service announcement they would be aired free. WLOS would make that determination. The moderator suggested that Gayle Brown, Todd Royal and some of the staff get together to decide how to elicit this interest. This could be introduced in Ministers' Conference.

The moderator asked Gayle and Stella Brown to leave the meeting. The Personnel Committee was asked to seek a Committee to serve as a Retirement Celebration Recognition Committee. There is a very good committee serving under the leadership of Betty Ferrell and Dee Foreman. September 28 will be a retirement dinner with a light hearted roast at First Baptist Church with space for about 230 reservations. Reservations will be $8.00. Also a fun day golf tournament is being planned by Derrell Smith at Grace Baptist. The first night of the Annual Meeting on October 9 will be set aside as a formal recognition service for Gayle Brown. Letters of appreciation should be mailed to the attention of Nancy Owen. Clarence Vassar brings a motion from the Personnel Committee concerning the name of the Ministry Annex Building. In recognition of his dedicated service among Buncombe Baptists the Personnel Committee moves that the Ministry Annex Building be named the Gayle D. Brown Ministry Annex Building. The moderator stated this was discussed with the Associational Council as well and they suggested that it be called the Gayle D. Brown Ministry Center. Clarence Vassar made that adjustment to the motion. Motion was carried unanimously. A letter will be sent out that we are accepting a love gift for Gayle.

A motion was made by Howard Candler that the meeting be adjourned. Howard Candler closed the meeting with prayer.

Respectfully submitted,

Nancy Owen, Clerk

EXECUTIVE COMMITTEE MEETING MINUTES OCTOBER 2, 2000, 11:15 A.M., BAPTIST RESOURCE CENTER

Those present: Charlie Sams, Martha Hicks, Charles Kiser, Earl Moseley, Julian Lanning, Nancy Owen, Cassandra Smith, Norma Melton, Randy Melton, Clarence Vassar, Glenn Stroud, Howard Candler, Ron Kiser, Wayne Higgins, Gene King, Gail Harding, Jerry Pereira, Bill Snyder, Mike Smith, Gayle Brown, Barbara Wright, Cathryn Kinser, Shelby Horton

Charlie Sams opened the meeting with prayer.

Gayle expressed appreciation for the activities that have been planned to honor him during this time of retirement.

Charles Kiser presented the proposed 2001 budget. He stated that there were some increases and some decreases, and an overall 5.79% increase. The total proposed budget 2001 was $382,904.

Bill Snyder expressed one observation. As young people move into places of responsibility in our churches. They are not as informed about the work of the association. He suggests that we may need to look to ways to better educate our churches about the work of the association so funds will continue to come in to support the association so that ministries can be continued. Charles Kiser stated that the finance committee had discussed that in their last meeting and that plans were being made to better educate our churches on the association's work.

Charles recommended and Julian Lanning seconded the motion that the 2001 proposed budget be accepted. The vote to accept was unanimous.

Randy Melton, chairman of the order of business committee, gave information on the upcoming associational annual meeting scheduled for Monday, October 9, 2000 at First Baptist Church Weaverville and Tuesday, October 10, 2000 at Newbridge Baptist Church. He stated that the first session would be celebrating the ministry of Gayle Brown. The second session would be the time for conducting business of the association and the preaching of the annual sermon by Reverend Bill Bigham, pastor of Merrimon Avenue Baptist Church,.

Glenn Stroud, chairman of the properties committee, told us that the new ministry annex building was complete. The shelving should be completed by today (Monday, October 2) and furniture had been ordered. Thanks were expressed to Gayle and Ron Brown for the donation of a washer, dryer, table, chairs, refrigerator, microwave and a love seat.

A dedication for the ministry annex building will be held on Sunday afternoon, October 29, 2000, at 3:00 p.m.

Mike Smith gave a report on the recent "Celebrate Jesus" 2000 Crusade. For the five nights, more than 10,000 people attended. Approximately 1,200-1,500 youth attended the Sunday afternoon service. There were 271 decisions and 45 of these were first-time decisions. A report was not available for the other nights. He expressed thanks to all who assisted in any way.

Wayne Higgins expressed thanks to Gayle, Ron and Norma and others who helped with the Mountain State Fair. There are now 11 associations working in this ministry. The Lord is leading in great ways to reach people.

Gayle Brown presented information on the Tarheel Leadership Network. This is practical training for pastors and staff which will be held one day a month, January – November 2001 at Fruitland Baptist Bible Institute. Several associations in Western North Carolina are requesting assistance through cooperative agreements to fund this project. Gayle made a motion and Gene King seconded it that Buncombe Association join Carolina, Polk and Transylvania Associations to promote this ministry, and that we submit a Cooperative Agreement for the Tarheel Leadership Network to the state convention for $1,500. Vote was unanimous.

Ron introduced Cassandra Smith, a member at West Asheville Baptist, as part-time secretary to the staff directors.

Jerry Pereira, chairman of the Director of Missions search committee, stated that Ron Kiser had been unanimously recommended as interim Director of Missions. In the absence of the chairman, Buddy Corbin, a member of the search committee, will present this recommendation at the annual meeting.

Norma shared that it is time, once again, to promote the Angel Tree Ministry. A couple of our churches have already made requests for Angel Tree. She encouraged other churches to do the same.

Norma also stated that Asheville is scheduled to be a World Changers site the first week of July 2001. The person with whom we were working with at Neighborhood Housing Services is no longer working there, so the financial support that was promised may not be there. Mike Hopkins with the North American Mission Board is working to re-establish this financial support. We should know more in a few weeks.

Ron announced that we have had partnerships with South Africa and are now launching a partnership with Honduras. More information will be made available later. There will be two association- based projects with Alaska in the summer of 2001. These will be small group projects.

Gayle expressed thanks to Charlie for his leadership during this transition period.

Gayle dismissed the meeting with prayer.

Respectfully submitted,
Nancy Owen, Clerk

O God, whose name is above every name, and whose love goes beyond all that we have hoped, or believed or expected, we bow our hearts in your presence, and confess our need of you.

Apart from you, our ways become crooked and our instincts unreliable. Let your Spirit fall fresh upon us, that we may walk with you in newness of heart and mind.

Recreate our relationships with one another, that we may live in love and thoughtfulness. Teach us to live each day in humility and simple faith, taking joy in the gifts you have given each of us.

Scott Shields led the congregation in singing the hymn *"Down at the Cross."*

Charles Kiser, chairman of the Finance Committee, gave the financial report for January 1-September 30, 2000. A question was asked why we had two bank accounts—First Union and First Citizens. It was explained that financing for the ministry annex was set up through First Citizens and thus all checking was changed to First Citizens also. Mr. Kiser also presented the proposed 2001 budget. The new budget is an increase of $20,958 over last year. The recommendation was made that the 2001 budget be adopted as presented. There were no questions or discussion. Done this 10th day of October 2000 at Newbridge Baptist Church.

The moderator announced the members of the Director of Missions Search Committee who are: Jerry Pereira, chairman; Johnny Tiller, Buddy Corbin, Edwin McDevitt, Elaine Gregg and Cathryn Kinser. In the absence of Jerry Pereira, Buddy Corbin shared the profile for Director of Missions that the committee has developed. The person should be visionary, able to relate to all pastors across theological and educational lines, able to build relationships that are healthy, perceptive in seeing needs in development opportunities, help with church conflicts, help with encouragement, team player and team building, interested in starting new churches, generalist, community minded, and psychologist. There is a covenant agreement between committee members to be conscientious about fundamentals but not contentious over incidentals.

Four listening sessions designed to get input from the laity and ministerial staff have been scheduled: Monday, October, Arden First Baptist Church, 7:00 p.m.; Thursday, November 16, Swannanoa First Baptist Church, 7:00 p.m.; Monday, November 20, Weaverville First Baptist Church, 7:00 p.m.; and Monday, November 27, West Asheville Baptist Church, 7:00 p.m.

Mr. Corbin made a motion from the committee that Ron Kiser, Director of Congregational Development, be elected as Interim Director of Missions. The messengers affirmed the approval of the executive committee to elect Ron Kiser as Interim Director of Missions.

Earl Moseley, chairman of the Memorials Committee, presented that committee's report reminding us of the ministry of 288 people from our churches who have gone on to be with the Lord. Among these were 12 deacons, and 8 ordained ministers. It was recommended that the 2000 Associational Minutes be dedicated to these 8 ministers who were: Reverend Bill Partain, Arden First Baptist Church; Reverend Ed Barron and Dr. Carl Bates, Asheville First Baptist; Floyd Smathers, Bent Creek Baptist Church; Reverend Robert Holt, Erwin Hills

Baptist Church; Reverend Boyd Owenby, Emma's Grove Baptist Church; Reverend Larry Henderson, South Buncombe Baptist Church and Reverend Joseph Sorrell, Weaverville First Baptist Church. The motion was accepted by the congregation standing. Reverend Moseley then led in a prayer of dedication and thanks.

Charlie Sams introduced our speaker for the evening, Reverend Bill Bigham, pastor of Merrimon Avenue Baptist Church.

The adult choir from Newbridge Baptist Church sang "*For All Our Sin,*" led by Jill Satterfield, Director.

From the scripture reading 1 John 2:12-14 and 1 Corinthians 3:1, Reverend Bigham shared the *"4 Stages of Spiritual Growth," (1) Baby Stage, (2) Little Child Stage, (3) Young Man Stage and (4) Father Stage.* What a shame when we die a spiritual baby, what a shame it would be to go onto heaven as little children or young men when we could have been fathers.

Buncombe Baptist Association

We have reviewed the financial records of the Buncombe Baptist Association as of December 31, 1999. All information included in these financial statements is the representation of the management of the Buncombe Baptist Association.

A review consists principally of inquiries of analytical procedures applied to financial data. It is substantially less in scope than an examination in accordance with Generally Accepted Auditing Standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with Generally Accepted Accounting Principals.

CONSTITUTION AND BYLAWS

PREAMBLE

We, the members of Missionary Baptist Churches in the County of Buncombe, State of North Carolina, and territory adjacent hereto, do hereby propose to establish and maintain the principles and rules of order of a district association in conformity to the following plan:

ARTICLE I --NAME

The name of this body shall be the Buncombe Baptist Association, Inc.

ARTICLE II--PURPOSE

The purpose of the Buncombe Baptist Association is to foster fellowship among the churches and to partner with congregations in missions and ministry.

ARTICLE III--MEMBERSHIP

SECTION 1. The Association shall be composed of cooperating Baptist Churches in the area of the Association. A cooperating church is defined as:

(1) A church which makes an annual report to the Association on forms provided by the association through clerk

(2) A church which endeavors to contribute regularly to the support of the associational budget on a monthly, quarterly, or annual basis.

(3) A church which sends duly elected messengers to the annual associational meeting and duly elected members to the associational board meetings.

SECTION 2. The Association shall be sole judge of its membership and may receive churches or reject churches, according to its Constitution and Bylaws. Member churches may also withdraw as they desire.

SECTION 3. Churches desiring membership in the Association shall apply to the Membership Committee and, if recommended by this committee and accepted by the Association in annual session, shall agree to come under the watch care of the Association for a period of one year. Any church requesting membership in this Association shall be required to attach to their petition for membership a copy of the Articles of Faith and Church Covenant as adopted by the church at its organization or before filing its petition for membership. At the end of one year, upon recommendation of the committee, membership within the Association of such churches shall be determined by vote of the Association in annual session. During this period such churches shall be entitled to all rights and privileges of the Association except their members shall not hold office nor vote.

ARTICLE IV--MEETINGS

SECTION 1. The Association shall meet annually on Monday and Tuesday evening after the second Sunday in October.

SECTION 2. Special meetings may be called by the Moderator or Executive Committee provided two weeks' notice is given to the member churches.

SECTION 3. Each church shall elect annually, in addition to the pastor, one messenger to the meeting of the Association for each 50 members of the church, provided each church shall have not less than three nor more than 10 messengers. These shall constitute the voting body of the Association. The names of the messengers printed in the Minutes shall include only those attending and registering at the Associational meeting.

ARTICLE V--AUTHORITY

Each church in this Association is independent and sovereign in its own affairs and the Association has no authority over the churches.

ARTICLE VI--OFFICERS AND THEIR ELECTION

SECTION 1. The officers of the Association shall be Moderator, Vice-Moderator, Clerk, Treasurer, and the following program directors: Sunday School, Discipleship Training, Music, Woman's Missionary Union, Brotherhood, and the Director of the Associational Church Library-Media Center Organization.
SECTION 2. The officers shall be elected on the last day of the annual meeting for a term of one year each. The nominees shall be contacted and nominated by the Committee on Nominations (Bylaw IV, Section 6). Committee nominations shall not preclude nominations from the floor.
SECTION 3. All officers shall complete their work as soon as practicable after the closing of the annual meeting - at which time the newly elected and holdover officers shall assume all other duties incumbent upon them.
SECTION 4. Any person having served two terms as Moderator shall be ineligible for re-election for a period of one year.

ARTICLE VII --TRUSTEES AND THEIR ELECTION

The officers of the Corporation (Buncombe Baptist Association, Inc.) shall be President, Vice-President, Secretary, and Treasurer. The titles of the corporation officers shall correspond as follows: President-Moderator; Vice-President--Vice-Moderator; Secretary-Director of Missions; and Treasurer--Treasurer of the Association.

ARTICLE VIII--THE ASSOCIATIONAL BOARD

The Associational Board shall be composed of all Associational Officers (Article VI, Section 1), the Director of Missions and his staff directors (ex officio), each active pastor, one lay member chosen by each member church (if a member church has not chosen a lay board member, the chairman of the church's deacons shall be the lay member of the Associational Board.) The Associational Board shall have the authority to act for the Association between session, except as limited by the Constitution. It shall be the duty of this Board to meet quarterly (the time and place to be determined by the Associational Board), and to make reports and recommendations to the Association at its annual meeting.

ARTICLE IX--EXECUTIVE COMMITTEE

The Executive Committee shall be composed of the Moderator, Vice-Moderator, Clerk, Treasurer, the Program Directors, Chairmen of Standing Committees, President of the CCM Council, Director of the Associational Missions Development Council and three members elected annually from the Associational Board and named by the Committee on Committees. The Associational Directors (Director of Missions, Director of Church and Community Ministries, and Director of Congregational Development) shall serve ex officio. SECTION 1. The Associational Council shall be composed of the directors of the program organizations (Sunday School, Discipleship Training, Brotherhood, Woman's Missionary Union, and Music), the Director of Church and Community Ministries, the Director of Congregational Development, the Chairman of the Associational Missions Development Council, the Chairman of the Finance Committee, the Director of the Associational Library/Media organization, the President of the Buncombe Baptist Ministers' Conference, the President of the Buncombe Baptist Bivocational Ministers' Conference, General Officers of the Association, and the Director of Missions. They shall meet quarterly to calendar activities and plan programs of the Association.

SECTION 2. Program Councils: Each Program Council is composed of all the officers elected to serve in that particular program, with the Director as Chairman. The members of other councils and ministry groups will be nominated by the Nominating Committee with suggestions from said group and/or council. They shall meet quarterly to plan their work.

SECTION 3. Duties of Associational Missions Development Council: The former Committee on Missions, now called the Associational Missions Development Council, is responsible for developing and implementing the missions strategy of the Association. The missions strategy or program is one part of the overall work of the association and is, therefore, one of the most important units of organization in the Association.

The Association has 10 identifiable tasks, grouped into three categories:

1. Fellowship Tasks
   (1) Nurture harmony in faith and practice.
   (2) Nurture fellowship among churches, church leaders and members.
2. Missions Performance Tasks
   (1) Call the churches to be on mission
   (2) Provide resources and services to churches and leaders.
   (3)Train, develop and encourage church and associational leaders.
   (4) Provide opportunities for working together in missions, ministry, growth, and evangelism
   (5) Establish and maintain appropriate communications and relationships with community and denominations.
3. Administrative Tasks
   (1) Lead the Association under the Lordship of Christ
   (2) Plan the Association's program and utilize its resources.
   (3) Provide information about churches to the denomination

Duties of each associational program are drawn from their responsibilities for particular tasks. Programs do not have responsibilities for every task in the Association. Administrative tasks reside primarily with the Associational Council, though each program is responsible for its planning and resource management. Given the total perspective of associational tasks, duties of the Associational Missions Development Council are summarized as: awareness, planning, correlation, and implementation.

In January 1997, Ron was called to serve as Director of Congregational Development for the Buncombe Baptist Association. Ron served the association in this capacity until he was named Interim Director of Missions, upon Gayle Brown's retirement in November 2000. Ron was elected Director of Missions at the April 2001 Association Board meeting. Moderator Sams also delivered a charge to the association to love the Director of Missions, respect the gifts God has given him, pray for his family, to love one another and give our very best to the work of the association. He compared Ron with Barnabas, "son of encouragement." From the Acts 11 passage of scripture, he was challenged to check the waters—see what we are doing, exhort/challenge the churches, seek out leaders to serve alongside, teach/educate the people, and help us to embrace missions here and around the world. Charles led a prayer asking God's guidance as Ron and the churches in the association work together. Ron then read 2 Corinthians 5:17-19 and stated that these verses had been the theme for his ministry. He encouraged the churches to pray for him as he would pray for them.

Buncombe Baptist churches have contributed $6480.56 and individuals have given $350 to this fund for a total of $6830.56. Wayne Higgins presented the 2002 budget for Charles Kiser, Chairman of the Finance Committee, who was out of town. The total proposed budget for 2002, approved by the Executive Committee, is about $6100 lass than it was for 2001. Two changes include increasing the amount for Student Summer Worker from $2500 to $5000, with the idea of hiring two summer workers. Also, $5000 is budgeted for the coming year for the Christian Women's Job Corps. There was nothing in the budget for this in 2001. After brief discussion, the 2002 budget was approved as presented.

7. Ron Kiser, Director of Missions, along with Norma Melton, Director of Church and Community Missions, and Jim Graham, Interim Director of Church Development, presented a report on *"The Association at Work."* The association has been in transition over the past few months with the retirement of Gayle Brown and the hiring of Ron Kiser as Director of Missions. Even in the midst of change, the theme is *"It is Still The Cross."* The Gayle D. Brown Ministry Center has enabled the association to better serve the community, state, and country.

Three mission groups, coordinated by Julian Lanning, went to Grifton, NC, to continue cleanup from the devastation from the hurricane. The association also provided aid to residents of Turtle Creek Apartments following a fire and to the relief effort in the New York and Pentagon tragedies. And one of the main events of the year has been affirming Community Baptist Church, which started as a mission of Asheville First Baptist.

O Lord" and rid ourselves of hatred, fear, jealousy, and wrong motives in order to be strong Christians in the new century.

DIRECTOR OF MISSIONS/ DIRECTOR OF CONGREGATIONAL DEVELOPMENT

Annual Report 2000-2001

Ron Kiser, Director of Missions

September 11, 2001.

This date will be remembered as the day that changed everything in America. Civilian casualties number in the thousands. Armed military police patrol airports. Troops are dispatched to Asia and the Middle East. The nation grieves, and the economy trembles. Yet in the midst of the anxiety, it seems our nation is rediscovering its soul. In the midst of our despair, we find hope. Like Jeremiah, we are discovering that God has plans for us, *plans for good and not for disaster, to give* us *a future and a hope* (Jeremiah 29:11, New Living Translation)

In the face of challenging times, we may boldly speak of entering a new millennium, a new century and a new day in our association and our world. The Lord is on His throne. The God of Jacob is with us, and He is our refuge and our strength

The concluding year has been a time of transition in our association, yet it has also been a year of progress. We have begun some new mission projects together, including the Christian Women's Job Corps Ministry, a new Alaskan Home Missions partnership, a new Foreign Missions partnership in Singapore and Malaysia, which we enter in cooperation with our friends in the Neuse Association. We have partnered with Fairview Baptist, Woodland Hills and the Asheville Hispanic Mission to begin a new Latino work in Pine Valley Trailer Park in South Asheville. I have worked with a number of churches in the training of Pastor/Search Committees and in the development of local long range planning strategies through our "Discerning God's Will for Our Church" model. I've been privileged to fill the pulpit in many of our churches, and have been blessed as I've joined churches for homecomings, pastor installations, and dedications of new facilities. God is at work among the churches of Buncombe Association! We have conducted all our scheduled church program events, in spite of a staff shortage. We have been blessed this year to have Courtney Robinson from Woodland Hills Church to serve as our Summer Missionary. As indicated elsewhere in this book of reports, Courtney was a very effective addition to our staff, and she did a super job in leading and assisting in many of our summer mission and ministry

enterprises, including our Backyard Bible Clubs and summer Missions and Children's Choir Camps. In recent weeks, Rev. Jim Graham has come on board as Interim Director of Church Development. Jim is proving to be a valuable addition to our staff, as he provides leadership for our fall projects and for our "retooling" of computer skills in our office.

I cannot say enough about the work of our Associational staff during this year of transition. Norma Melton, Nancy Owen, Cassandra Smith and Barbara Wright all worked overtime and went the "second mile" on many occasions, so the work of the association could move forward in spite of the fact that we were understaffed. Not only did the team work sacrificially, they worked in the Spirit of Christ, joyfully and without complaint. Buncombe Association is blessed with one of the finest associational staffs anywhere, and we rejoice in the service each staff member gives to the Association.

We are also blessed by a great team of volunteers who lead our councils, committees, and leadership groups, and who serve in our associational office. These persons from our churches also picked up extra work, and kept our association moving forward. I want to thank all our volunteers for their faithfulness!

There have been bumps in the road as we work through the time of transition, but this association remains strong because we believe that the Lord who unites us is greater than any issues that divide us. We will build on that foundation, and offer a positive witness in these challenging, changing days!

CHURCH AND COMMUNITY MINISTRIES
Annual Report 2000-2001
Norma Melton, Director

Church and Community Ministries provides the opportunity to carry the Gospel of Jesus Christ to people who are outside the walls of our churches. Mission opportunities are all around us. People everywhere have needs that require God's touch. Through Church and Community Ministries hundreds of Buncombe Baptist volunteers have been used by God to meet human needs and share the Gospel.

During October through December representatives from about thirty churches, individuals, or organizations ministered to 325 **Angel Tree**® children. Angel Tree is a ministry of Prison Fellowship. Gifts are given to children on behalf of parents who are incarcerated and they are given in Jesus' name.

This past year Asheville became the site for a **Christian Women's Job Corps®** (CWJC), a ministry of WMU. CWJC has as its purpose "to provide a Christian context in which women in need are equipped for life and employment; and a missions context which women help women." CWJC offers real, hands-on ways that women can make a difference in the lives of women in need and help to diminish the impact of poverty. This effort is a partnership between ABCCM and Buncombe Baptist Association. A task force with Octavia Johnson serving as president has formed to coordinate the ministry. Belinda Grant is serving as the site coordinator. Mentors have been trained. Presently participants and mentors are being interviewed in order to begin the mentoring program. I have had the opportunity to share about CWJC in several of our churches.

Project Help: **Literacy** is the current WMU emphasis. We are fortunate to have Jane Allison to help coordinate this ministry. We now have two churches participating in a Tutoring Children and Youth (TCY) program, First Baptist Black Mountain and First Baptist Arden. A TCY workshop was held in August. Plans have been made for an English as a Second Language (ESL) workshop and an Adult Reading and Writing (ARW) workshop during 2001.

Easter and Memorial Day weekends church teams took time to greet travelers at the I-26 **Rest Areas**. Free coffee, Bibles, tracts, stickers, and a Christian witness were shared with hundreds of people from all over the world.

Bele Chere, Asheville's street festival in July, provided an opportunity to share Christ with many who made a decision to accept Him as their Savior. Church teams distributed hundreds of tracts, balloons, Bibles, stickers and salvation bracelets. Cold water was shared in Jesus' name. A safe, clean place for parents to change their babies' diapers was a part of the Bele Chere booth.

During the summer we were able to conduct **Backyard Bible Clubs** at five of the Asheville Parks and Recreation sites. Cortney Robinson, our college student summer missionary, did an excellent job assisting in the coordination of these clubs. The following churches conducted Clubs: Grace, Weaverville First, Beverly Hills, Arden First Baptist, Woodland Hills, Newbridge, Fairview and Long Shoals.

Senior adults *in Buncombe Association enjoyed a meal and a time of fellowship* together at Biltmore Baptist Church in October of 2000. Another fellowship luncheon is planned for October 25, 2001 at Calvary Baptist Church. In October of 2000 I taught the book, *Forward Together*, to senior adult leaders.

I have had the opportunity to share the North American Mission Study and the International Mission Study in many of our churches this year. Also, I shared about local missions with the girls who attended our associational **Missions Camp**. At that camp several girls made decisions to accept Christ and two girls shared that they felt called to missions.

Again associations in Western North Carolina partnered together to minister at the **Western North Carolina Mountain State Fair.** Over one hundred people made decisions at the fairgrounds. Under the excellent leadership of Wayne Higgins, the Fair Ministry Task Force coordinated five areas of ministry: Break Tent for the carnival workers, Missions Booth, Witness Tent, Disaster Relief Unit, and Medical Dental Van. Cold water, Bibles, tracts, stickers, Jesus videos, and Jesus Loves You bears were distributed to the fairgoers. At the end of the fair, carnival workers expressed their appreciation for all that was done for them by presenting a card and a donation to the ministry.

It is my privilege to serve among the people in our association. Thank you to all the volunteers in our churches who are willing to take time to return God's love by sharing with people around them.

Media Report

The Media Center is now in the 21st Century. The Concourse Library System has been installed and the majority of the media is on the computer. The Multi-Media Kits and the books now have bar codes on them to make checking out and keeping up with the material easier. The video section is in the process of being entered.

There have been numerous additions to the Media Center. Multi-Media Kits, books and videos have been added. A total of $1,063.89 of media materials were purchased thru Christian Book Distributors. All of these items have been catalogued in the Concourse Library System and are on the media shelves.

A digital camera was also purchased for the use of the Directors to record events so they may be used in multi-media presentations.

The Media Center also has equipment available for churches to use. These items include:

- Multi-Media Projector
- Slide Projector
- Filmstrip Projector
- Overhead Projector
- Opaque Projector
- 16 mm Projector
- Portable VCR
- Portable TV
- Small Projector Screen

So come by and **check-out** the Media Center.

DIRECTOR OF MISSIONS REPORT

By Ron Kiser

The association's theme for 2001-2002 has been A New Century—A New Day. This time of transition was filled with both challenges and opportunities. Our staff has done an excellent job of dealing with the challenges and changes we have met in the past year.

THE CHALLENGES

As we began the association year, we discovered that we needed to overhaul our association's financial methods. Our budgeted funds had to be separated from our designated funds. Our budget was inflated beyond expected receipts from our churches. It had been a number of years since we had performed an extensive association audit.

Under the leadership of our Finance Committee, the Association took the necessary steps to get our finances in order. We reduced our budget, eliminated two part-time secretarial positions, reduced salaries of the remaining staff members, and conducted a thorough audit. We lost two wonderful secretaries in Barbara Wright and Cass Smith, but these ladies understood our dilemma, and graciously accepted the changes we had to make.

Through these adjustments, we have been able to bring our finances in line.

Our New Work Committee has faced the challenge of answering the questions about future church planting that were raised by Dr. Guy Sayles of Asheville First Baptist. The committee has sought to find a solution Buncombe Baptists can support. The committee has approached their task with a desire for divine wisdom, and with a genuine love and appreciation for one another, and with an awareness of the importance of the work we do together as an association. You will have an opportunity to hear their report and recommendations during the final session of the annual meeting.

THE OPPORTUNITIES

The missions work of the association has continued throughout the year, under the capable leadership of Norma Melton and Jim Graham. Norma has continued to do excellent work in church and community missions, and Jim has served as Interim Church Development Director for the past year. He has been a valuable co-laborer who led our church leadership training efforts, provided oversight for recreational ministries, led our program councils, and served as computer-whiz-in-residence. We have been richer because of the ministry of these fine staff Directors. Nancy Owen has continued to provide leadership as Secretary/Receptionist and Association Clerk. Like Norma and Jim, she has often gone the "second mile" in answering requests and meeting needs that come to the Resource Center.

This year marks the conclusion of two projects that will set the tone for future ministry in Buncombe Baptist Association.
The Constitution Committee brings the Revised Constitution to the Association for final vote at this year's Annual Meeting. This revision is the result of eight years of work on the part of Association staff, the Strategy Planning Committee, and the Constitution Committee. The primary differences in this revision and the previous constitution are: teams replace many committees; a Leadership Council replaces the Association Council, the Association Board,

and the Executive Committee, and two meetings per year replaces the annual association meeting. These changes will enable more persons to participate in the life and work of the association.

The Association Strategy Planning Committee brings recommendations to us that will provide the framework for association ministry during the next three years. Steve Ackerman led our ASP through a "discernment process" as the committee prayed and sought God's will together. The essential goals are: an emphasis on helping local congregations in evangelism, extending partnership missions, enlarging our community ministries, and becoming proactive and intentional in new church starts. The committee's report is elsewhere in this year's Book of Reports. The committee and I have a strong conviction that the goals proposed reflect God's purpose for us as we continue the journey into "the new century and the new day".

I want to say "thank you" to the large network of volunteers who make all our association ministries possible. We couldn't make it without these gifted persons who work to make ministry possible!

The journey to a new day continues. My prayer is that we may continue to go forward together!

CHURCH AND COMMUNITY MINISTRIES

Norma Melton, Director

Through Church and Community Ministries Buncombe Baptists partnered to help proclaim the Gospel. Also, Buncombe Baptists demonstrated Christ's concern for the spiritual, physical, mental and emotional well being of people both inside and outside the church. In Asheville and Buncombe County there is a hunger for people to have meaning and purpose in life. Church and Community Ministries can help meet this spiritual hunger.

During October and November representatives from churches ministered to over three hundred Angel Tree® children. Through Angel Tree, a ministry of Prison Fellowship, gifts are given in Jesus' name to children whose parents are incarcerated. Also, churches have the opportunity to send cards to share Christ with the parents.

In December church WMU Groups provided over three hundred "Red Boxes." These gift boxes were distributed to the Black Mountain Correctional Institution, area homeless shelters and other agencies.

The Asheville site for Christian Women's job Corps® celebrated one year of ministry in March of 2002. CWJC is a partnership ministry between Buncombe Baptists and Asheville Christian Community Ministry. Currently there are thirteen participants and mentors working together under the leadership of site coordinator, Belinda Grant. Through CWJC women in need are matched with other women as mentors to talk over their problems and find solutions through Bible study and job training. One participant accepted Christ as her Savior this year!

A highlight of Project Help: Literacy was the English as a Second Language workshop held at the Resource Center. Twenty-six persons were certified to teach English to those who speak other languages. Several of these individuals are currently teaching ESL to students. Also,

we continue to have two very successful Teaching Children and Youth programs in our association. The new Project Help emphasis is Restorative Justice.

Easter and Memorial Day weekends Buncombe Baptists greeted travelers at the I-26 Rest Areas. In addition to coffee, volunteers distributed Bibles, tracts and "Jesus Loves You" stickers while presenting a Christian witness.

We were privileged this past summer to have Megan Pressley serve as our student summer missionary. She planned and conducted a Bible School at Los Pinos Hispanic Baptist Mission. She assisted in several areas of associational life including Children's Choir Camp and Children's Mission Camps.

During Children's Mission Camps at Camp Truett several boys and girls accepted Christ and several made rededications. At both camps boys and girls had opportunity to learn about both North American and International Mission work from missionaries serving full time and in volunteer roles.

Buncombe Baptists continued ministering at Bele Chere, Asheville's street festival. Church teams distributed tracts, Bibles, stickers and salvation bracelets to hundreds of people. Thirteen people accepted Christ at the Buncombe Baptist booth.

Buncombe Baptists joined seven other associations in Western North Carolina to minister at the Mountain State Fair. One hundred thirty people accepted Christ during this year's Fair. They included carnival workers, inmates who cleaned the grounds, and those simply attending the fair. The Fair Ministry has become the single largest ministry event that Buncombe Baptists do. About one thousand Baptist volunteers are at the fair during the event and hundreds more assist by providing needed supplies.

During this past year I participated in two "On Mission Celebrations" through the North American Mission Board--one in Mississippi and one in Oklahoma. Through these opportunities, I shared about the ministries of Buncombe Baptists.

I am grateful to the many volunteers who help organize and do ministry in Jesus' name. It is my privilege to serve among these volunteers in Buncombe Association. Thank you to all the volunteers in our churches who are willing to take time to return God's love by sharing with people around them.

Church Development Director's Report
By Jim Graham

During the past year, it was my privilege to work with the Music Council, Education Council, Youth Council, Baptist Men's Team, Media Library ministry and the Recreation Committee.

Our Music Council led the Association in a variety of ministries, including the Youth Choir Christmas Musical (*The Noise We Make)* and the Spring Youth Choir Retreat (*Waiters).* The council also led in a fine Children's Choir program in July. Adult events included a contemporary choir presentation of *God with Us* and participation in the Biltmore House Christmas concerts by the Association Choir.

The Education Council sponsored two LEAD.R workshops this year. Approximately thirty courses were offered, with leaders from the association, state convention and SBC. The council offered two VBS workshops under the leadership of Scot Davis. Faye Alexander led our Association Bible Drills, with several State Winners among the participants.

The Youth Council was in the process of rebuilding this year. The Association is sharing in the presentation of the *X-treme Reality Conference* to be held at Pole Creek Church November 14-15.

The Baptist Men's Ministry team lead in presenting two Associational RA events: the Car Competition and the RA Track Meet. Nancy Keegan of Calvary, a member of the State Convention's RA committee, led in the second annual RA Boat Race. Several Buncombe Baptist R.A.s were winners at this year's State R.A. Track Meet. The Associational Men's Ministry continued to be involved in a variety of worthwhile missions efforts. Harvey Hart led several disaster relief teams to Grifton. Men from Swannanoa and Ridgeway built ramps for needy persons. Baptist men joined in providing disaster relief in the West Virginia floods. Several Baptist Men participated in work in New York and in Alaska. A men and boys missions fair is planned for Swannanoa First Baptist Church on November 11th.

Several media consultants attended State training this year. Cathryn Kinser led media conferences at the Fall and Spring LEAD.R workshops. The association purchased several media resources for church and family use this year, including a number of family videos, including the *Veggie Tales* series, the Christian comedy of Mark Lowery and Chonda Pierce, and the BBC video series of C.S. Lewis' *The Chronicles of Narnia.*

Cam Dowdle led the work of the Recreation Committee this year, as the Association again had both a men's basketball league and multiple softball leagues. Donnie Pressley did a fine job leading the young men's basketball league.

I've truly loved being a part of the Buncombe Baptist family this year!

ASSOCIATIONAL STRATEGY PLANNING COMMITTEE REPORT
Steve Ackerman, Chair

Taking seriously the task given us, your Associational Strategy Planning committee determined to use the "discernment process" to develop plans and ministry goals for the next three years. The ten members of the committee (along with the Staff) met monthly throughout the year.

Our first meeting was a "brainstorming" session in which we agreed that our process would be "rooted" in Scripture and every decision we made bathed in prayer. We determined that "what we DO as an association will grow out of our BEING the people of God." We then "framed" the questions: *"What is God's will for local churches?' and "How can the Association help local churches to do God's will?"*

In further sessions, we considered hundreds of suggestions and narrowed theses into four basic groups: evangelism, missions, fellowship, and leadership development. Then we sought to "improve" each idea or suggestion by asking *how can we specifically accomplish this task?*

The committee narrowed down our ideas in order to come up with specific goals in each of these four categories. Here are our recommendations:

EVANGELISM:

I. Train Churches in Personal Evangelism Strategies By:

A. Providing Intentional Assistance through an association based "SWATeam" – (Soul-Winning Assist Team.)

B. Provide Evangelism Training for Churches in Effective Church-based Outreach Ministries, such as Faith, Net, Becoming a Contagious Christian)

C. Plan Events that Equip Churches to Witness Effectively in the 21st Century. Include training in Apologetics (to enlarge effective witness to pagan and New Age persons); support periodic Crusades

II. Develop County-Wide Outreach Strategy

A. Employing Demographic Resources Available (Such As Mapping Center Materials, State Convention Resources, ScanUSA data), engage churches to reach all the unsaved and unchurched segments of Buncombe County.

MISSIONS:

I. Develop and Expand Partnership Missions

A. Enable Churches to Partner Together in local missions and in partnership missions around the nation and around the world. Develop the "Jerusalem Project", which will enable healthy churches in our association assist struggling congregations in the association that request their assistance.

B. Assist Churches to Network Together in Affinity Based Missions

II. Enlarge Association-Based Community Missions

A. Expand local missions in these areas: Language Groups, Resort Missions, Christian Women's Job Corps

B. Start New Churches: Through our New Work Committee, develop an association-based strategy for new church starts

FELLOWSHIP:

I. Establish Church Messenger Orientation: Train messengers to the association prior to spring meeting.

LEADERSHIP DEVELOPMENT:

I. Provide continuing education for church leaders:

   A. Training pastors and church in Team-based leadership

   B. Providing training for deacons

   C. Offering scholarships for strategic leadership training events for church leaders at Hollifield Center, Caraway, or Ridgecrest

   D. Promote training for church leaders through a satellite TV site

   E. Develop "new" pastor orientation strategy to introduce "new" pastors to our association and its ministry goals and efforts.

As chair, I, along with the members of your ASP committee prayerfully submit our report with the fervent hope that we will indeed DO the will of God in these next few years.

SUNDAY SCHOOL LEADERSHIP TEAM

Paul Raybon, Team Leader
bhbcpaul@bellsouth.net

The Associational Sunday School Leadership Team met in November, January, March, May, July and September to plan and evaluate leadership training events held in March and August. Training was offered for Sunday School, WMU, Brotherhood, Fair and Media leadership. In addition training was offered in "The NET Evangelism Strategy," led by Dick Church of the North American Mission Board; "Special Event Evangelism," led by Larry McElreath, Director of Missions of the Greater Gaston Association; and "Recruiting and Retaining Workers," led by Eddie Hammett, Leadership/Discipleship Consultant with Baptist State Convention of North Carolina

We began a process of evaluating our purpose for training and the means we choose to fulfill that purpose. Approximately 15 churches have participated in the last two LEAD.R conferences with average attendance of 40. We will be exploring different possibilities for training in the coming year. If you have suggestions how we may continue to sharpen tools for ministry please contact a member of the team.
Team members are available to help churches reach and nurture people for Christ through their Bible study ministries. At least four churches have called for consultations in recent months. Please call a member of the team to request a consultation or conference.

WOMAN'S MISSIONARY UNION

Edwina Messer, Director

The theme for WMU during 2002-2004 is "God's Plan, My Part." This theme encourages women to step out of their comfort zones and discover what God is doing with His people. Our views about people will change when we see others through God's eyes. God will increase our understanding as we seek to do our part in winning others to Christ.

Women's Enrichment should be a very important emphasis in every church. Bible studies to provide women with spiritual tools to minister to other women should be available. Every Christian woman in the church needs to know how to help hurting people.

Christian Women Job Corps is beginning to make an important difference in our community. The Corps continues to need women who can become mentors to women in crisis. There are also many opportunities for short-term volunteers.

The annual meeting was in April. Esther Walker was our keynote speaker. She inspired all women to make prayer a major part in their personal lives and in their ministry groups.

In July, Mission Camp was held at Camp Truett for girls in grades 4-7. Girls were taught what it means to stand firm in their faith in Christ. Many decisions were made that will make a lasting difference in their lives. Libby Pierce is a wonderful camp director, who is committed to helping girls put Christ first.

The national WMU project for 2002-2004 is Restorative Justice. The Ministry known as Prison Ministry has been broadened in concept to include ministries involving all people hurting from crime. The purpose of Restorative Justice is to involve God's people in bringing healing, wholeness, and peace to victims, offenders, law enforcement and communities affected by crime. Part of Restorative Justice includes the red boxes that WMU provides for the Women's Correctional Facility in December. Also Bible study is provided and volunteers throughout the association works to make lives richer for the inmates and their families. Women's groups are encouraged to discover ways to minister to law enforcement and victims' families. The book Restorative Justice Ministry Resource Guide is a valuable resource guide for ministry groups who want to get involved in this project.

In August at the LEAD R conference, the "How-To" books were taught at each age level. The WMU leadership team has dedicated women who teach these conferences. Their support is a wonderful blessing.

In November, the World Day of Prayer was observed. The district leaders in each of the districts provided special programs to pray for women around the world. This day is sponsored by the Women's Department of the Baptist World Alliance. God always will send His special blessings and miracles into the lives of those for whom we pray.

God gave women creative minds in order to do the things He has given them to do. He gave them gifts and abilities to carry out new ideas. Ask God to help you be sensitive and open to His leadership as you fulfill His will in missions.

MISSIONS CAMP

Each year the Lord blesses our Missions Camp! Girls Camp was July 19th to July 23rd with 53 girls plus Counselors. Boys Camp was July 23rd to July 27th with 28 boys plus Counselors. Our theme this year was "Standing Firm" as we looked at the need to wear the Armor of God everyday. Thanks to Stacy Harris for providing our Praise and Worship; Edwina Messer for leading the girls Bible Study; Libby Pierce for leading the boys Bible Study; and Steve Harris for leading our Special Sunday Morning Service and his pastoral guidance. We also thank the following individual for assisting during our Mission Study time: Rick Messer, Friendship Baptist; Megan Pressley, Summer Missionary; Judy Freeman, First Baptist Swannanoa, and Norma Melton, BBA. We also had two missionaries from the North American Mission Board: 1) Frank Green, Mission Service Corps, Mission Education from Sparta, Tennessee and 2) Karin Hoegstra, Boston, Massachusetts. Special thanks to Neal and Cheryl Brown for coordinating our craft time. The boys and girls concluded the week with a performance of their skits. Special thanks to the men and women who gave of their time to be Counselors during the week. Most of all; thank you God for the decisions made of salvation and rededication.

BAPTIST MEN REPORT

Wayne Higgins, Director

God continues to bless the work of our men and boys in our Association and use them in a significant way to share the love of Christ. We are extremely thankful for the ministry of our men and boys and the impact they are making in Buncombe County and around our state and world. As well as working in their churches and communities, our Baptist Men and Royal Ambassadors have involved themselves in other mission activities including the following:

- Again this year some of our men participated in the Ramp Festival, which was conducted on May 11th. This is a mission project, which assists in building ramps for handicapped individuals. Through this, we experience a real blessing.
- Many of our men and churches were involved in mission activities in New York City and the Pentagon (as a result of the September 11th attack), Alaska, continuing to assist flood victims in eastern North Carolina, disaster relief, medical missions and many other home and foreign mission projects.
- Again this past year our Association was involved in constructing a home for Habitat for Humanity. Several of our churches and men participated in this most rewarding project.
- Several of our men assisted with training in our Association Lead.R training meetings and attended various training themselves.
- The Lord blessed again in a marvelous way with the Mountain State Fair Ministry. There were eight Associations involved in this mission project, which is the largest (single) mission project in our Association. Hundreds of our men and boys were involved in this mission effort. We confirmed over 120 individuals who gave their heart to Christ. This project is truly a missionary effort and our churches responded in a tremendous way to the call of Christ to share the gospel to the world.

- Our Missions Camp was again a huge success this year. Please see the Missions Camp Report for more information. We want to say thank you to all the dedicated leaders who make this project so successful and rewarding.
- Our Baptist Men's Council met several times during the year to plan and coordinate activities for the Association. The council has been working on our upcoming Men's and Boy's Mission Rally for over a year. This event is planned for Saturday, November 9th at the Swannanoa First Baptist Church beginning at 2:00 p.m. We encourage all men and boys to make plans to attend. It will be a wonderful day of sharing mission ideas and projects and being inspired by special music and our guest speaker.
- The RA Committee was very active in planning and conducting many activities for the Royal Ambassadors including the RA Car Competition and the RA Track Meet. These events were very successful again this year and offered an opportunity for our boys and parents to be involved in mission related projects and have a good time of fellowship and fun.

ORDINATIONS COMMITTEE
Michael Scroggs, Chairman

The Ordinations Committee counts it a privilege to assist churches in examining and

recommending candidates to the gospel ministry. At the request of a member church, the Buncombe Baptist Association Ordinations Committee will examine a candidate and recommend him back to the member church for ordination. The church is then responsible to ordain the candidate; usually in an ordination service. A pamphlet entitled "Suggested Guidelines Leading to Ordination" is available in the associational office for anyone needing assistance with or information concerning ordination.

The following candidates were examined for ordination to the gospel ministry.

Dalton Ramsey, Pleasant Hill Baptist, May 13, 2002
John Parker, Trinity of Fairview Baptist, May 13, 2002
Kenny Adcock, Starnes Cove Baptist, June 3, 2002
Scotty Ward, Emma Baptist, August 5, 2002
Steve Conard, Trinity of Fairview Baptist, August 5, 2002
Michael Schrader, Merrimon Avenue Baptist, August 26, 2002

The Ordinations will sincerely miss our dear friend and long-time member, Dr., G. Hanford Hamby. For those who knew him, especially in the setting of an Ordinations Committee, he was one who advocated and gave stern advice concerning the true meaning of the "love of God" and its implications in the life on one called to the gospel ministry.

We, the committee, would like to express our thanks to those pastors who, on occasion, would sit in on the examination of a candidate. We would also like to say thank you to Nancy Owen for here tireless work in having ready the necessary paperwork that goes along with examining a candidate

Evangelism Committee Report
Mike Smith, Chairman

The committee is a fine group that meets regularly. The committee planned the "Celebrate Jesus Crusade" in partnership with the other members of the Celebrate Jesus Task Force. Attendance, giving and decisions for Christ were not as strong as we had hoped. We also attempted to involve our churches in the Lay Witness Foundation, but only one church responded, and that church later canceled as well. We have been burdened over the lack of response from our churches to these outreach efforts. There have been times when our committee has felt that churches may be losing interest in our cooperative evangelistic efforts. But we continue to find ways to work together in the important task of evangelism.

On a positive note, we are aware that several of our churches have been very successful in utilizing the "FAITH" Sunday School outreach ministry to touch communities for Christ. We celebrate with these churches that have seen souls saved and church members growing in work and witness as a result of this fine outreach ministry. We encourage all our churches to establish some ongoing witness effort in your church. The Evangelism Team stands ready, with our association Sunday School workers, to help train, equip and minister along side you as you seek to win the lost for Christ.

Our committee has been discouraged this year, but we are not defeated. We are not ready to throw in the towel and quit. We will renew our efforts to come up with other ideas for 2003. We need your support. Without the support of our Baptist churches, we cannot have a united witness among the churches of Asheville and Buncombe County.

Pray for us as we continue "sharing the Good News" in our town and in our country.

Much attention has been given to the lottery question. In late September the North Carolina House voted against a non-binding lottery referendum on the November ballot. This issue will undoubtedly resurface when the General Assembly convenes in 2003.

We are purchasing monthly Culture Response Kits from the SBC Ethics & Religious Liberty Commission, each dealing with a specific issue. The kits include a book or video, sample bulletin inserts, and fact sheets. From this we are building resources which will be available to you. We have a bulletin board display and racks with information at the Resource Center. Reports and printed material are provided at the Monday morning ministers' conference on a monthly basis.

We look forward to providing more detailed information on the critical moral and ethics issues of the day by way of the associational website in the coming year.

In February the Carolina Association requested permission to include our Info Page in its newsletter and has been doing that. We appreciate the opportunity to share information with them.

We appreciate the challenge of being salt and light in these troubled times. May God help us to do that.

Membership Committee
D. J. Abernathy, Chairman

Buncombe Baptist Association welcomes churches applying for membership in the association and meeting the membership requirements. Usually, such churches are accepted under the watch care of the association for one year. At the end of this time with all requirements in order they are accepted for full membership at the annual meeting.

This past year no churches or missions have made application for membership.

Language Missions
Russell B. Hilliard, Sr.

In the 1990s there occurred a silent revolution in the Southeastern United States. In a period of a little over ten years, at least 400,000 Spanish-speaking persons settled in North Carolina. Of that number, perhaps as many as 12,000-15,000 Latinos now live in Buncombe County. It is estimated that 70,000 presently live in Charlotte.

In addition to this increase of Spanish-speaking persons, approximately 5,000 Ukrainians also now live in Buncombe County. Two Slavic language groups meet in churches of the Buncombe Baptist Association. Large numbers of Asian Americans, moreover, are moving into Asheville and Buncombe County, into this wondrous land where for many years only English ballads were sung.

At the same time that this population shift has brought significant challenges to the Buncombe County Public Schools and to the health providers of our region, there has been made available an extraordinary opportunity to practice missions right here at home.

At the present, there are Spanish-language missions at the Calvary Baptist Church and at "The Pines" MHP, the latter a ministry of the Fairview Baptist Church. Some language efforts

have also been made at the Grace Baptist Church, the New Bridge Baptist Church, Swannanoa First Baptist, Weaverville First Baptist, and at the Woodland Hills Baptist Church.

One of the programs in our county that continues to prepare persons for ministry, especially among Latinos, is the Grace International Program. Here English is taught to internationals, and Spanish is taught to citizens of the United States. Over twenty persons from the United States meet every Tuesday evening to study and to speak Spanish in an environment of international understanding and good will. As internationals move into more communities, opportunities to minister through ESL (English as a Second Language) will mushroom throughout our large and lovely county.

A Spanish-language service is now being held at the "Misión Bautista de Los Pinos". Pastor Sabás Amador is working in this South Buncombe area to plant a work with the Fairview Baptist Church. Other churches of South Buncombe could bring additional prayer and needed strength to this mission's development. Regular services are also conducted in Spanish at the "Misión Bautista de Asheville" that meets in the chapel of the Calvary Baptist Church on Thursday and Sunday evenings. A graded Sunday school in Spanish is an important part of the Sunday evening emphasis at Calvary.

May we reach out in the name of Christ to all these language groups! Jesus said: Say not ye, There are yet four months, and then cometh the harvest? Behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest. And he that reapeth receiveth wages, and gathereth fruit unto life eternal: that both he that soweth and he that reapeth may rejoice together (John 4:35-36).

Office of Annuity

Johnny Ross, Senior Consultant

The Annuity Office of the Baptist State Convention of North Carolina continues to enjoy a close working relation with the annuity Board of the Southern Baptist Convention in providing services related to retirement planning, financial support of ministers and other church employees, life and health insurance, church/clergy tax issues, and ministry to retirees and seminary/divinity students.

Despite national and international market volatility, national grief, and a wartime political climate during this past year new opportunities and services were launched in an ongoing effort to fulfill the guiding principle of Serving Those Who Serve the Lord. To be specific, all the investment funds were successfully restructured to a registered mutual fund environment, called AB Funds Trust. As a result, new retail investment products, under the theme "New Investment Opportunities...Absolutely!" were introduced. For the first time ministers, church employees, and annuitants may now open IRA and Personal Investment Accounts. With the passage of the Economic Growth and Tax Reconciliation ACT (EGTRRA) retirement options have been enhanced dramatically including the ability to roll over other retirement funds from a secular employer.

Furthermore, new medical and disability insurance products were rolled out with the commitment to provide several options to meet increasingly different needs of our populace.

Endorsed carriers, such as long-term care and property/casualty, continued to attract interest from our churches and church employees.

The Endowment and Relief Ministry was restructured to provide enhanced financial assistance to the needy, retired ministers and their widows. Funds available to assist these persons increased as well as the number of people who applied for this assistance.

The 2002 SBC Compensation Study with 35 state conventions participating has been conducted and the results are now accessible on the internet. For the first time church leaders are now able to do a customized study on the web. We are very excited about this useful tool as one valuable resource in assisting church leaders as they study to determine what is a fair and equitable compensation for those who serve the Lord in our churches.

As of June 30, 2002, 61% (2,314) of our NC churches were actively participating in the retirement plan. A record number of 2,851 were receiving benefits and 388 being assisted through the Adopt An Annuitant ministry.

In closing, we remain committed to serve all of our churches, ministers, and other church employees. For more information related to products or services, call the Baptist State Convention of NC at 1.800.395.5102 extension 174, visit our Web site at www,bscnc.org or call the annuity Board at 1.800.262.0511, or visit the Annuity Board Web site at www.absbc.org.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC.
Harold G. Koger, Chair, Board of Directors
M. Clay Warf, Executive Director

The mission of the North Carolina Baptist Foundation since the inception in 1920 has been to assist the Convention and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and missions on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

During 2001, the Foundation assisted individuals in establishing 33 endowment funds and 8 charitable remainder trusts totaling $4.8 million and received $9.4 million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for 162 churches and associations during the year to promote Make Your Will Month, Christian estate stewardship, and church fund management. Over $2.3 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes. With a total of $16.5 million in contributions, it was the best year ever eclipsing the previous high of $10.1 million recorded in 2000.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a

balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Salomon Smith Barney to help select top money managers and evaluate performance. As of December 31, 2001, the Foundation held $106.8 million under management. This is an increase of more than $9.4 million over 2000.

During 2001, our distributors totaled $6.7 million, with charity receiving $4.4 million and individuals, through trusts, receiving $2.3 million. During the 82-year history of The North Carolina Baptist Foundation, Inc., $20.8 million has been distributed to individuals and $36.8 million to Baptist churches, institutions and mission causes for a grand historical total of $57.6 million.

BAPTIST HOSPITAL AND NORTH CAROLINA BAPTISTS: PARTNERS IN MISSION

Len B.Preslar, Jr., President

The Baptist Hospital mission began in 1921 when our North Carolina Baptist founders stated, "We desire to build a hospital to bring the healing art more definitely under the denomination of the Great Healer." Gold crosses that adorn the exterior of the hospital symbolize our historic and daily commitment to bring medical excellence and Christian compassion to those we are privileged to serve. This report will highlight our partnership with North Carolina Baptists in continuing the mission of healing.

SCHOOL OF PASTORAL CARE

Our mission at the School of Pastoral Care is "to provide ministries of growth, hope, and healing in the Spirit of Christ." This defines the spiritual essence of who we are and the meaning of what we do in caring for hurting people. We are very thankful to North Carolina Baptists for their gifts to the School through the Cooperative Missions Program. You are making a tremendous difference as our partner in life-changing ministries.

CareNet, Inc, our Department of Pastoral Counseling, is the largest faith-based counseling system in the nation. We continue to expand our service across North Carolina. The scope of this ministry is astounding; 27,000 hours of counseling per year at 21 locations. These include 4 regional centers (Winston-Salem, Greenville, Fayetteville, and Wilmington) and 17 strategically located satellites. The individual stories off emotional and spiritual healing, of broken families being restored, are even more telling.

The Center for Congregational Health celebrates its 10th Anniversary in 2002. Dr. David Odom has been the center's visionary leader from its beginning. The initial mission continues to guide this ministry of helping churches become healthier communities of faith. The Center is providing consultation to approximately 25 churches per month, and training to over 600 church leaders per year. The financial support of N.C. Baptists allows Baptist churches to receive initial consultation at no cost, and provides subsidies for churches and ministers needing financial assistance. Please call the Center for more information (336-716-0459).

THE DEPARTMENT OF CHAPLAINCY AND PASTORAL EDUCATION provided ministry through more than 61,000 pastoral contacts in the past year. Every day chaplains can be found comforting bereaved families, praying for seriously ill patients, reading Scriptures to those who are afraid, offering comfort and extending hope in the name of Jesus Christ. Fifty-three students received supervision and training in 2001.

The Department of Church and Community Relations continues to serve its mission as a liaison between the Hospital and North Carolina Baptist churches. We welcome you to call Rev. Paul Mullen if you need assistance (336-716-3027). Many pastors call on behalf of church members who need a referral to the Medical Center or have concerns about medical bills because of financial need. Speakers can be requested to provide an overview of the Hospital and its ministries to church groups.

BAPTIST BENEVOLENT CARE FUND

It is a difficult burden to be physically sick and worried about how to pray for needed medical care. North Carolina Baptists extend the compassionate reach of missions to patients in financial need at Baptist Hospital through their gifts to the Mother's Day offering. Those you have helped are deeply thankful for this gracious witness to the love of Jesus Christ, and they are drawn closer to Him. All of the funds are used for this purpose. Thank You, North Carolina Baptists, for giving $568,808 to this ministry in 2001!

BAPTIST RETIREMENT HOMES
OF NORTH CAROLINA, INCORPORATED
PROUDLY SERVING OLDER ADULTS SINCE 1951

The generous support received from North Carolina Baptists has enabled Baptist Retirement Homes to lead the state in providing benevolent care for Older Adults who lack sufficient financial resources to pay for the quality care they deserve. At all Homes communities, residents rest in the knowledge that they will be cared for as long as they live.

Baptist Retirement Homes continues to be on the cutting edge of meeting the needs of Older Adults ... particularly those dealing with dementia-related conditions, such as Alzheimer's Disease.

In recent years, the Homes has established specially designed residences to meet the special needs of these dear ones. The Fowler Memory Enhanced Residence at the Western North Carolina Baptist Home in Asheville has been operational since 2000; the Kulynych Memory Enhanced Residence opened at the Brookridge Retirement Community in Winston-Salem in 2001; later this year, a third residence will open at the Homes' newest community, The Gardens of Taylor Glen, in Concord.

CLOSING WORDS FROM THE PRESIDENT

We at Baptist Hospital are very thankful to be partners in the mission of healing with North Carolina Baptists. Our roots are in this partnership, beginning as a mission enterprise of the Baptist State Convention in 1921. This report also highlights the ongoing nature of the relationship with the School of Pastoral Care. We have a sacred privilege and responsibility to serve Jesus Christ by serving people in need at Baptist Hospital. We thank you for being our partner in these "ministries of growth, hope, and healing." We ask that you pray for our patients, and our staff as we seek to serve our Lord each day at the Medical Center.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

Michael C. Blackwell, President

Jason and Lacey know real hope after facing hopeless times. Jason and Lacey lived with their mother in Hilo, Hawaii. It sounds wonderful, but for the brother and sister it was far from paradise. Their mother's lifestyle constantly placed the two children in danger. Jason was given the blame by his mother for many of the things that had gone wrong in her life.

"She didn't care about anything," Jason recalls now. "I was just there. She didn't care for me."

Jason drew violent pictures. He had difficulty relating to people and was diagnosed with attention deficit disorder. Soon his secrets were exposed. He had suffered severe physical and emotional abuse by his mother. Drugs had been a pervasive part of his life. He had begun using drugs when he was six years old.

Once Jason's grandparents discovered the truth about Jason's life, they sought immediate help for their grandson and found the help they desperately needed from Baptist Children's Homes. In August 1996, he began his new life at Broyhill Home in Clyde.

Lacey still lived with her mother. The two moved to Arizona. Lacey spent her days in the cab of her mother's boyfriend's semi-truck. She was not attending school. After Jason left, Lacey became the focus of her mother's abuse.

Again, the siblings' grandparents intervened. The couple began to think about bringing Lacey to live at Broyhill Home. In 1997, 14 months after Jason, she was safe. Their grandparents give credit to the Baptist Children's Homes for giving their grandchildren real hope.

Lacey says she plans to be a lawyer. She likes fighting for the underdog. Jason has plans for a career in broadcast journalism. Since coming to Broyhill Home, both children have accepted Christ as their Savior.

"Things began to turn around for me when I became a Christian. I began to read my Bible," Jason says." I learned a lot of the answers to my questions. I felt like I could be more open."

"Jason might be in an institution, in prison or dead. We try not to even think of what Lacey's life would be like today," the grandparents say. "They've been saved!"

Jason and Lacey are two of the 1,855 children cared for by BCH last year.

Baptist Children's Homes grieve with Nation after September 11th attack – BCH president calls for acts of kindness. In the wake of the tragic events of September 11, BCH president

Dr. Michael C. Blackwell stepped to the forefront to calm and encourage children and families. As the nation reeled from the attack, Blackwell immediately offered words of comfort to families through news media from Louisiana, Arizona, Alabama and across North Carolina. He urged Americans to "show kindness" to one another and exhibit "acts of goodness" toward their communities in response to the violence exhibited against our country. BCH children and staff united to provide needed items for those serving at Ground Zero and gave blood for the victims. Despite the physical and emotional effects of September 11, BCH's mission has remained unwavering, "America's spirit has not been lost, and our spirit of helping and healing is stronger than ever," said Blackwell.

BCH faces financial shortfalls due to 9/11, North Carolina Baptists rise to meet financial challenges. As charities across America began to feel the financial effects of 9/11, Baptist Children's Home also faced shortfalls. Experiencing nearly a 60 percent drop in annual fund giving, President Michael C. Blackwell made an urgent plea to friends and supporters. After an intense effort including personal letters and phone calls, North Carolina Baptists responded, rallying to close the gap by year-end. "I knew North Carolina Baptists would not forget their children," said Blackwell. North Carolina Baptists also stepped forward by meeting the 2001 Thanksgiving Offering Goal. Today, the effects of 9/11 are still being felt. "It is important for North Carolina Baptists to not grow weary in their efforts to help our boys and girls," said Blackwell." Our churches are our lifeline. It is because of them we are able to touch the lives of so many."

NEW BCH strategic plan unveiled. *Quest: A Journey of Excellence* is the title of the new strategic plan that will guide Baptist Children's Homes through 2004. The major goals of the new plan include recruiting and retaining competent qualified staff, training staff, and maintaining and enhancing BCH facilities.

BCH Trustees approve allocation for Information Technology. Trustees made way for sweeping technological improvements throughout BCH. A new Information Technology Center was created and work began to connect all ministry sites digitally. "Every step we take is designed to enable us to better serve children and families...today and in the future," said Dr. Michael C. Blackwell.

Gastonia couple honored at Nolen Building dedication. William "Red" and Mabel Nolen were recognized for their contribution at the dedication of the newly renovated and renamed Nolen Administration building at Mills Home on January 22,2002. A gift from the Gastonia couple, who have long-time ties to BCH, made the necessary renovations possible.

BCH'S Developmental Disabilities Ministry dedicates two new group homes. More than 200 Baptist leaders, Baptist Children's Homes administrators, staff, and guests were in attendance for the historic dedication of BCH'S first, new group homes for developmentally disabled adults on March 26, 2002. The two homes, Davis House and Hinkle House, joined Baptist House at Bethabara located in Winston-Salem. Plans to break ground on the next DDM group home to be located in Sanford are scheduled for 2003. Baptist State Convention President Dr. Jerry Pereira, who spoke at the dedication, predicted "the Lord is going to do great and mighty things" through this ministry.

A Place for Miracles published. In March 2002, BCH president Michael C. Blackwell introduced his second book. More than three years in the making, *A Place for Miracles* is a

mixture of history, autobiography, inspiration, and vision. The book received the 2002 Baptist Communicators Association Design Award for Best Book Design.

New Millennium Families: A Study Guide introduced to North Carolina Baptists. In September 2001, the study guide to BCH president Michael C. Blackwell's book New Millennium Families was introduced at the first of two statewide Deacon-Spouse Training Events in Bryson City. A total of more than 200 deacons and their spouses attended the two conferences. Blackwell and study guide creator Gaylin Huff led group sessions regarding the changing make-up of families as discussed in the book and its effects on the church in North Carolina. A Study Guide to be used with New Millennium Families, helps teachers prepare for and guide groups of adults using four different formats: 7 Week Study, Youth Parent Study, Single Parent Study, and Family Ministry Study.

Baptists called to join "Chain of Prayer" for North Carolina's children and families. BCH president Michael C. Blackwell has asked for all North Carolina Baptists to participate in the "Chain of Prayer." Begun in February 2002 at the annual Baptist Men's conference in Charlotte, this physical chain is made up of thin strips of paper containing the handwritten prayers of NC Baptist men, women and children. Throughout the year, these strips are being gathered by BCH representatives and formed together into a chain that will be displayed at this year's Baptist State Convention in November. With children and families facing many different sources of crisis in today's world, Dr. Blackwell believes this statewide unification of prayers for children and families in our state will yield great results.

The support of North Carolina Baptists through the Thanksgiving Offering, Cooperative Program, church and individual gifts, memorials, honors, and estate gifts enables us to fulfill our mission statement – "helping hurting children....healing broken families" – through 14 locations throughout the state. Thank you, North Carolina Baptists, for your continued prayers and support.

BIBLIICAL RECORDER

Ray N. Howell, III, Chair, Board of Directors
Tony W. Cartledge, Editor/President

The world is changing rapidly, and Baptists are changing right along with it. Gone are the days of a simple denominational life or a single way to be Baptist. Never has it been more important for North Carolina Baptists to be informed of the many issues affecting Baptist life, mission work and mutual cooperation.

The Biblical Recorder exists to provide this needed service to Baptists in North Carolina and beyond. The Recorder staff works diligently to comb through many sources of information and distill them into a trustworthy resource that offers regular, dependable and balanced news coverage and analysis of the most significant matters relating to Baptist life. In addition, the Biblical Recorder includes a variety of supportive resources and feature articles designed to encourage and inspire as well as to inform.

The Biblical Recorder's strategic role in promoting God's kingdom work through North Carolina Baptists grows from its mission statement: "to further Christ's kingdom by providing relevant news, insightful opinions and supportive resources to North Carolina Baptists in a timely and accessible fashion."

As the official news journal of the BSCNC, the Biblical Recorder has functioned faithfully since its establishment in 1833 by Thomas Meredith. The Recorder was privately owned and operated in support of Baptist work in North Carolina until 1938, when the paper was purchased by the Baptist State Convention and incorporated as an agency of the convention.

The Biblical Recorder is widely acknowledged to be in the top echelon of state Baptist papers, winning national honors from the Baptist Communicator's Association for news and editorial writing in 2000, and taking the association's top prize for news writing in 2001.

The Biblical Recorder offers a special service that makes it possible for churches to combine a regular newsletter and the Biblical Recorder in a single package, offering significant financial savings.

In addition to its printed form, the Biblical Recorder maintains a popular presence on the World Wide Web at www.biblicalrecorder.org. This Web site offers Internet users an opportunity to read much of each paper's content online, as well as to access classified ads, online Bible study resources and a news/weather portal. Thousands of interested readers around the world consult the online version regularly.

As a BSCNC agency, the Biblical Recorder receives annual support from Cooperative Program gifts, making it possible to offer the Recorder at very affordable subscription rates. Subscription packets and free sample issues are available. For more information, please contact:

CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA
Reverend Mark H. Creech, President
Reverend Coy C. Privette, Executive Director

It is a joy for the Christian Action League of North Carolina to serve the churches of this great state. We continue to work to inform the Christian community about the moral issues that face our state and nation. Our goal is to address these issues with the principles of God's Word, the cornerstone of all truth.

A. Christian Values

- CAL has continued to promote and distribute copies of the Ten Commandments throughout North Carolina. Over 18,000 have been distributed state-wide.

- The Executive Director of the Christian Action League has written numerous editorials that have appeared in major newspapers across the state: two have appeared in the Raleigh *New and Observer* and one in the *Charlotte Observer.*

Reverend Creech is published regularly in *The Charlotte World, The Raleigh World* and the Triad World newspapers.

- CAL publishes once a week an Issues Alert that keeps over 1,000 people updated on the most significant events in the cultural war. Many times the Issues Alert advocates some action that Christians can take to make an impact for Christ on our legislators and U. S. Congressmen.

- Reverend Creech has taken a bold stand in favor of U. S. Rep. Walter B. Jones' bill "House of Worship Political Speech Protection Act—HR 2357" which would permit churches and other houses of worship to engage in political campaigns. Rep Jones said: "If this nation is going to remain free and strong, I think churches have an obligation to talk about issues." This bill would restore the free speech rights of pastors and ministers to speak openly about moral and religious issues during political campaigns without fear of IRS reprisal. Rev. Creech appeared on NBC 17 to debate the North Carolina head of Americans United for the Separation of Church and State on this issue.

- The Christian Action League actively promoted the "Shield a Badge with Prayer" program started by Reverend Michael Taylor, President of the North Carolina Sheriffs' Chaplains Association. The program pairs law enforcement officers with Christian people who commit to pray for them. Rev. Creech's promotion of the program on radio and in editorials resulted in Agape Press (a national Christian news agency) picking up on the story and elevating it to national prominence.

- For the second consecutive year, Reverend Mark Creech has been asked to participate in the Christian World View Institute for Students. The Institute combines a balanced mix of courses that include training in the Christian World View and the opposing world views, apologetics, logic, intelligent design, government, journalism, America's Christian heritage and leadership.

B. Gambling

- Reverend Mark H. Creech has been an active member of Citizens United Against the Lottery which includes such distinguished members as William Friday (former Chancellor of the University of North Carolina system); Billy Graham (evangelist); former Governor Robert Scott; former U. S. Senator Lauch Faircloth and Chuck Neely (2000 Gubernatorial candidate.)

- The Christian Action League of North Carolina focused most of its energy this year in keeping a state-operated lottery out of North Carolina. Our efforts have been effective. Chuck Neely, President of Citizens United Against the Lottery, recently said, "Mark Creech and the Christian Action League have played a pivotal role in holding off the gambling forces. . . Mark--who speaks with the powerful, impassioned voice of truth—has helped to organize hundreds and hundreds of the faithful to call their legislators and let them know of their opposition to the lottery. Without the leadership of CAL, it is doubtful that we

could have prevailed so long. The battle goes one, but Mark and CAL are always to be found where the fight is thickest. On behalf of Citizens United Against the Lottery, I am proud to acknowledge the leadership and effective effort of Mark Creech and the Christian Action League."

- In order to equip pastors and lay persons with information about the harmful effects of a lottery, the Christian Action League held workshops in strategic areas across our state called "A Christian Looks at Gambling." CAL also furnished hundreds of packets of lottery materials (Gambling: A Bad Bet for North Carolina) to pastors.

- The League has lobbied for the passage of the Video Poker Ban Bill (SB 1008). The bill currently remains in the House Rules Committee. The Department of Revenue says there are 10,994 video poker machines in the state.

C. Sex Education

In March, 2002, the Wake County School Board voted to teach comprehensive sex education. Reverend Mark Creech and CAL fought vigorously to keep comprehensive sex ed out of Wake County schools. Creech said in an editorial which appeared in the Raleigh *News and Observer* "protected promiscuity has no part in God's plan. Only sex in the context for which it was intended—lifelong, monogamous marriage—is safe."

D. Education

Reverend Mark Creech appeared on NBC 17 to debate a professor of history from the University of North Carolina about the University's requirement that freshmen and transfer students read "Approaching the Qu'ran: The Real Revelations." Anchorman Monty Knight said the television station's ratings on that particular program were higher than even the national networks. They had never received such high ratings for a news broadcast before. Reverend Creech also wrote an editorial entitled "UNC's Doctrine" that appeared in newspapers across the state. Joe Glover, President of the Family Policy Network (the Virginia-based organization that brought the lawsuit against UNC-Chapel Hill), said he believed Rev. Creech's editorial had a significant impact on the decision by legislators in the North Carolina House to vote to defund the summer reading program at UNC-Chapel Hill.

E. Alcohol

- During the last session of the General Assembly, SB 166 (2001 Studies Act) established the Legislative Alcohol Beverage Control Study Commission. The Commission was established to consider the significant impact of the privatization of the State's present system of alcohol beverage control. If privatization was approved, it will exacerbate alcohol-related problems in our beloved State. The Christian Action League of North Carolina is the major enemy of the proliferation of alcohol and we are on the front line in the General Assembly trying to defeat this legislation.

- CAL has assisted 13 townships and counties in preparing and executing strategy to defeat alcohol referendums since January, 2002. We provided free materials and counsel that were critical in minimizing the proliferation of alcohol in North Carolina.

F. Homosexuality

Rev. Creech wrote an editorial that appeared in the nationwide Agape Press entitled "Thanks Be to God that Anne Graham Lotz Stood Up for Truth." During a recent address to about 500 women, Lotz called homosexuality one of several sins from which man needs to repent. She was ridiculed for this remark and Rev. Creech vigorously defended her position.

ASSOCIATIONAL BOARD MEETINGS, Monday, January 22, 2002, 6:30 p.m.
Nancy Owen, clerk.

Norma introduced Bill Barker, Director of ARM (Appalachian Regional Ministry.)
His area includes:

Pennsylvania – largest land area and highest percentage of unchurched persons in the Appalachia
Three counties in Maryland

North Georgia – lot of Mexicans; 3 Hispanic church starts through ARM

He describes himself as a "PBX Operator"—finding ministry needs and plugging people in who will fill those needs. The needs are there, he prays and God sends the resources.

There are over 12 million unchurched people in the Appalachia Region. The lost in Appalachia are often the forgotten lost. We live right in the middle of a mission field.

He shared that North Carolina Baptist Men, women and youth have been very active in ministry in the Appalachia Region and have been the backbone of missions in Appalachia.

He shared several situations where Southern Baptists have gone into the Appalachia Region and rebuilt homes and churches. He challenged us to be "on mission" wherever we are.

New Business:

Wayne Higgins, Vice Moderator and a member of the Finance Committee shared with the Board members some history that required the Committee look at ways to revise the budget. He referred to copies of the revised budget printed in the book of reports. The total of the new revised budget will be $337,112, a reduction of $36, 880.

October 2001
Financial Report showed designated liability of $167,416
Actual funds in designated approximately $11,000
Discovered that our funds were co-mingled

We had been operating on co-mingled funds for many years.
Knew we had to make some immediate corrections

November 2001
CPA Dwayne Dills went over designated and budgeted accounts
Found a number of entries that were incorrect
After his adjustments, and after BSCNC and association released what designated funds that could be released, actual designated deficit was reduced to about $70,000.
Mr. Dills helped Barbara and Jim Graham set up our funds in totally separate accounts to avoid further co-mingling.

December 2001
The Executive Committee met to begin to address this remaining deficit.
Upon recommendation of the Finance Committee, the following steps were taken
Use contingency fund to get us through rest of year
Explore ways to save additional funds
Revise budget to bring more in line with our actual receipts
Designate remaining loan for building of Brown Center to cover designated funds (with bank approval)

January 2002
Finance Committee began to work line by line through budget.
Refinanced Brown Center Loan, which will save $400 per month in payments
Got bank approval for redirecting remaining funds for original loan.

After all this work, we still did not have the budget down where we could manage it

Made as many cuts as possible
Came down to a question: Do we cut out ministries, or reduce staff?
Personnel Committee asked to consider issue
Recommended to Finance Committee in March that we reduce staff by:

Pay cuts for Ron, Norma and Nancy
Place Melody (custodian) on contract
Retain Jim on continued interim basis
Eliminate the staff secretary and financial secretary positions.

With sadness and regret, these recommended cuts come as unanimous recommendations from the Personnel and Finance Committees. Proposed budget incorporates these adjustments; and if approved, will take effect June 1.

The vote to accept the Finance and Personnel Committees' recommendation to revise the 2002 budget was accepted.

Joe Babb voiced his regrets that this is necessary and challenged fellows pastors and messengers to continue to strengthen the association. Charlie Sams shared his regrets that Barbara and Cass' positions would be terminated and how much he appreciated their time of service to the association. Charlie made a motion that the Finance Committee consider a

way of honoring Barbara and Cass. Bill Higgins seconded the motion and the motion was accepted. A special prayer was expressed for Barbara, Cass and other association workers.

Dr. Guy Sayles, Pastor, First Baptist Church of Asheville made the motion that the Moderator appoint a study committee to answer the following questions, with a report to be brought to the Fall 2002 Meeting of the Association.

If a new church start, sponsored by one or more churches already affiliated with the Buncombe Baptist Association and located in the geographical boundaries of Buncombe County, expressed an interest in friendly cooperation with both the Buncombe Baptist Association and the Cooperative Baptist Fellowship (but not with the Southern Baptist Convention), would the Association welcome such cooperation?

If such a mission church met other appropriate and relevant criteria for support of new church starts would the Association endorse that new church start's application for assistance from the Baptist State Convention of North Carolina and/or offer its own financial support?

He shared with the group, "The motion I make tonight was generated by ongoing and unfortunate confusion over the issue of a new church sponsored by several churches of the Association and located in Hendersonville. There has been sharp disagreement over what the Association could have done and should have done in response to that new church start. I have concluded that we will never be able to come to reasonable agreement over all of the polity and procedural questions that cluster around that issue. Providence Church in Hendersonville is doing well, I am glad to report. The issues to be resolved concern our willingness to acknowledge our need for one another, diverse as we are, and to define the terms on which we will cooperate with each other for the sake of the Kingdom of God and our witness in Buncombe County

In the interest of resolving those issues, and doing so apart from the pressure of an immediate deadline, I make the following motion . . . ." (Motion is recorded above.)

Steve Ackerman seconded the motion. Jim Graham asked the question as to how the committee would be chosen? The Moderator referred to the way the motion read, that he, as Moderator, would appoint a study committee. Dr. Sayles stated that he phrased it that way so that the Moderator and Ron, the Director of Missions, and whoever else would have some flexibility to assign that. There may be a committee that already exists in the life of the association—it may be a special study committee. It is important that it be diverse and report back at the fall meeting. Kevin Bennett commented that he thought this was a step in the right direction. Clarence Vassar called for the question. The vote to accept this motion was unanimous.

There being no other business the meeting was adjourned. Frank Hopkins concluded the meeting with prayer.

BUNCOMBE BAPTIST ASSOCIATIONAL BOARD MINUTES, Monday, July 22, 2002, 6:30 p.m., Baptist Resource Center. Nancy Owen, Clerk.

He referred to the printed minutes. Bill Higgins made a motion, and Kevin Bennett seconded it to accept the minutes as printed. The minutes were approved.

Howard Candler, treasurer, reviewed the treasurer's report. James Sams made the recommendation that the treasurer's report be accepted. The report was approved.

Charles Kiser, Chairman of the Finance Committee, referred to the auditor's report on pages 13-17. Gwen Merrill, CPA, completed auditing the books of the association. The report showed no irregularities. The CPA Firm recommended some changes which we have made. Charles Kiser made a motion from the Finance Committee that the audit report be accepted. The report was approved.

Some highlights from the associational staff reports were:

- Youth Choir Retreat was held April 5-7 at Gatlinburg, Tennessee culminating in the presentation of the musical "Waiters" at LifeWay Conference Center.

- Association Strategy Planning Committee continues their work using the "Discernment Model"). The Committee is seeking God's will for the direction of the Association.

- Approximately 65 people attended a GA Talent Show in May. Other family members of the GA's supported and encouraged the girls.
- Literacy workshop was held in March. A tutor has been paired up with a lady from the Ukraine to help her speak English.
- A Backyard Bible Club was held at the Los Pinos Baptist Mission. Megan Pressley and members of Fairview Baptist Church conducted Vacation Bible School at the mission. Nineteen people made professions of faith.

- "Celebrate Jesus" 2002 Crusade will be held August 25-29 at the Thomas Wolfe Auditorium.

Glenn Stroud, Chairman of the Properties Committee, made the following recommendation: "The Properties Committee recommends that the association donate the 1990 Oldsmobile, owned by the Association to ABCCM for use in one of their work programs. I move the adoption of this recommendation."

There were no questions or comments. The vote was unanimous to approve this recommendation.

Steve Summers, Chairman of the Constitution Committee, shared that the committee is continuing its work to make the vision of the Association Strategy Planning Committee become a reality. It involves transitioning toward a teamwork approach, which has more freedom to operate, is based more on gifts, and has the ability to be mobilized quicker There will still be administrative committees.

A presentation of these recommendations will be made at the annual meeting in October.

There was no old business.

New business:
Buddy Corbin, pastor of Calvary Baptist, made the following motion: I move the Committee on Properties and the Committee on Finance study the feasibility of renting the unused office space in the Gayle D. Brown Ministry Center in order to reduce our debt requirement and/or assist with the general operational expenses of the Baptist Resource Center.

Joe Babb seconded the motion.

Buddy shared his rationale behind the motion was that our Ministry Center currently has unused office space that could yield market rental value. There is no immediate need for the space. Until there is, it seems to be the better part of stewardship to make use of this asset and ease our Association's operational budget needs and/or reduce our debt requirements.

The vote was unanimous to approve this motion.

Scott Shields, Minister of Music at West Asheville Baptist Church, shared about his recent trip to Alaska. Through construction, VBS, revival services, and meeting the needs of a couple of churches, their team was able to share the gospel of Christ.

Tom Lomax, Associate Pastor from Merrimon Avenue Baptist Church, took a group of singles to Nenana, Alaska. They conducted a VBS at the church in Nenana, with an average attendance of 36 to 38. There were 6 conversions, some through VBS and some through personal witnessing. Their desire is to have a church building. There are three lots in town they can purchase for $15,000. The church is presently meeting in the home of Russ and Alice Sharrock. Reverend Lomax encouraged our churches to assist the church in Nenana to raise the money to buy this property. Also, a team would be needed next summer to go there and construct a multi-purpose building on the property.

Delyn Shepherd, father of Randy (Crossfire Ministries), shared that he had been to Nenana with Crossfire Ministries to do a basketball camp. Another camp is planned for August 7.

Margaret Garrison and Sue Buckner from Morgan Hill Baptist Church shared about their trip to Singapore. They visited the Eternal Life Baptist Church. Buddhism and Islam are the predominant religions, but the Christian community has been growing steadily since 1970 The church presently meets in a small apartment and have purchased the top part of an adjoining apartment. They hope to purchase the lower level at a later date.

The meeting was adjourned with prayer.

THE EXECUTIVE COMMITTEE MEETING, MONDAY, SEPTEMBER 23, 2002, 11:30 A.M., BAPTIST RESOURCE CENTER. Nancy Owen, Clerk.

Those present: Martha Hicks, Norma Melton, Randy Melton, Etheline Branch, Mike Smith, Howard Candler, Charles Kiser, Nancy Owen, Gail Harding, Cam Dowdle, Glenn Stroud, Earl Moseley, Ronnie Owen, D. J. Abernathy, Bill Higgins and James Sams.

Ron Kiser, Director of Missions, presided. Ronnie Owen opened the meeting with prayer.

Copies of the minutes from the July 22, 2002 Associational Board Meeting were distributed.

Two items of follow-up from the July Associational Board Meeting.

1.Glenn Stroud, Chairman of the Properties Committee, made the following recommendation:
"The Properties Committee recommends that the association donate the 1990 Oldsmobile, owned by the Association to ABCCM for use in one of their work programs. I move the adoption of this recommendation."

Ron reported that the car had been donated to the ABCCM and that a mother was using if for transportation.

2. Buddy Corbin, pastor of Calvary Baptist, made the following motion: I move the Committee on Properties and the Committee on Finance study the feasibility of renting the unused office space in the Gayle D. Brown Ministry Center in order to reduce our debt requirement and/or assist with the general operational expenses of the Baptist Resource Center

Recommendation was forwarded to the Properties and Finance Committees. Both committees felt that it was not in the best interest of the association at this time to rent out the unused office space. There are some liability issues to be considered.

James Sams made the motion and Mike Smith seconded it that the minutes be approved as printed. The motion was approved.

Howard Candler, treasurer, reviewed the treasurer's report. Church receipts have been up as compared with this time last year and we're operating in the black.

Words of appreciation were expressed to the treasurer, chairman of the finance committee and committee members.

Ron shared that the Executive Committee meets at this time each year to preview and approve the main items to be presented at the annual meeting. Preliminary reports of the Nominating Committee, Committee on Committees, Order of Business Committee, Finance Committee and the Constitution Committee were received as information.

Charles Kiser, Chairman of the Finance Committee, previewed the Proposed 2003 Budget. It was stated that the Director of Congregational Development position would be terminated at the end of September 2002. The work would be divided between the Director of Missions and the Church and Community Ministries Director. The budget recommendation with any amendments was approved.

Randy Melton, Chairman of the Order of Business Committee, previewed the program for the Monday and Tuesday evening sessions of the 121st Annual Meeting. The first session will be on Monday, October 14, 2002 at Morningside Baptist Church with Dr. Michael Blackwell, President of the Baptist Children's Homes of North Carolina, as the special speaker. The second session will be on Tuesday, October 15, 2002 at Trinity of Fairview Baptist Church. Reverend Roy Houston, pastor of New Morgan Hill Baptist Church, will preach the annual sermon. Some minor changes may be necessary. The program was accepted.

A video tape presented by the Constitution Committee was shown. Video tapes are available for each church. A copy of the draft of the new constitution was given to the committee. It was stated that the Constitution Committee was scheduled to meet on Tuesday, September 24, 2002 to read this draft and make necessary corrections.

Bill Higgins, Chairman of the Nominating Committee, shared that there was still some work his committee needed to complete. The Committee on Committees was meeting at the same time the Executive Committee was meeting to try to finish their work.

Mike Smith, Chairman of the Evangelism Committee, shared that the "Celebrate Jesus—2002" Crusade went well, though the Crusade Task Force was disappointed with attendance.

Cam Dowdle, Chairman of the Recreation Committee, said that the softball season had been a good one.

Glenn Stroud, Chairman of the Properties Committee, reported that we still need money to fix bathrooms in the office wing of the resource center and the parking lot pavement.

Highlights from the last quarter:

- Fair Ministry was very good. Approximately 130 professions of faith were reported—some were carnival workers; 200 patients were seen at the Medical/Dental Van and 1,500 blood pressure checks were made—a lot of them to the general public.
- Bele Chere—13 professions of faith were reported
- Missions Camp—number of re-dedications. A missionary from the North American Mission Board was at the camp.
- Backyard Bible Clubs were held near the Asheville Parks and Recreation sites.
- One VBS was held at Los Pinos, Hispanic Mission of Fairview Baptist Church

- CWJC—there are five mentors now trained
- LEAD.R was held in August with good leadership.

New Work Committee is very close to a recommendation. The committee will meet on October 3 to finalize the report to be presented at the annual meeting.

D. J. Abernathy made the motion and James Sams seconded it to adjourn the meeting.

Ron Kiser led the closing prayer.

Independent Auditor's Report

To the Finance Committee
Buncombe Baptist Association, Inc.
Asheville, North Carolina

I have audited the accompanying statement of financial position of the Buncombe Baptist Association, Inc. as of December 31, 2001, and the related statements of activities, functional expenses and cash flows for the year ended December 31, 2001. These financial statements are the responsibility of the Association's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Buncombe Baptist Association, Inc. as of December 31, 2001, and the changes in net assets and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

"THE RED BOX MINISTRY"

The Christmas boxes will be packed again like we did last year. We are asking each church to prepare the boxes individually. We will have the red boxes at the resource center for you to pick up. Call to let us know how many boxes you need. We will need 300 boxes in all. They will be going to the following: Women's Prison, Fruitland Wives, Western Carolina Rescue Mission, Martha Home; ABCCM, Baptist Maternity Home, Juvenile Detention Center and Asheville Pregnancy Support Services.

Below is the list of items to be put in each box:

1	6.4 oz. tooth paste	1	bar of soap (individually wrapped)
1	toothbrush	1	plastic soap dish
1	toothbrush holder (full-length, not cap cover)	2	washcloths
1	hairbrush (no mirrors)	2	chapsticks
1	comb (no "rat-tail" combs with sharp handles)	1	shampoo
2 pr	knee or crew socks	1	conditioner
2	ballpoint pens (clear-see-through casings)	1	10 oz. body lotion
2	writing pads (no spiral bound; 6X9)		
1	roll or stick deodorant (lady's)		

Remember:

- No glass bottles, mirrors, etc., just clear ballpoint pens, no stamps, and no sharp items.
- Bring items in the requested sizes (or as near as possible) so inmates will receive identical gifts

District Leaders and project leaders will be in touch with your churches to remind you as we get nearer the time. All boxes should be into the Resource Center by December 5, 2002.

"Angel Tree"

ANGEL TREE
A Ministry of Prison Fellowship

This project is coordinated with Prison Fellowship to sponsor inmates' children with Christmas toys and clothes. Sponsoring a child includes giving two gifts of the child's choice up to $40 per child. Gifts are taken to the child's home and presented in honor of the parent who is incarcerated and in the name of Christ. We will begin receiving applications from Prison Fellowship in October.

To sponsor a child, please call Norma Melton (252-1864).

October 28, 2002
7:00 – 9:00 p.m.
Baptist Resource Center
No charge for seminar

Dr. Lynn Buzzard, Seminar Leader

- Dr. Buzzard is Professor of Constitutional and Church-State Law at the Norman Adrian Wiggins School of Law at Campbell University in Buies Creek, NC.

- He has written extensively in areas of church law, and authored monographs for pastors and churches on such areas as Baptist church incorporation, clergy confidentiality, political activity restrictions on churches, and hiring and volunteer selection guidelines for churches including background checks.

- He will cover the basics of church incorporation: why it will benefit congregations, how to work with an attorney, plus ways to manage and reduce risks faced by church staff and lay people

- He wrote "Church Incorporation for North Carolina Baptist Churches" and "Risky Business: A Church Hiring and Volunteer Selection Guide."

- Dr. Buzzard is currently working on another resource, "A Church Policy Manual Guidebook." It is designed to help churches write their own policy manual. Participants can reserve a copy at the meeting. The manual will feature a CD-ROM that will assist churches in producing professional looking church policy manuals.

Constitutional Changes

The key changes are:

- A new paragraph in Article III of the Constitution ("Membership"), which more clearly defines "a cooperating church" as one that supports the missions efforts, and activities of the Association.

- Changing the title of the bodies described in Articles IX, X and XI from "Teams" to "Groups", and reserving the word "Team" to describe those engaged in specific ministry and missions activities. "Group" describes the larger planning unit of which each team is a part.

- A grammatical correction in Bylaw III, Section 1, "The moderator shall... appoint the Order of Business Committee".

- Deletion of the words "Recreation Ministry, Scholarship Ministry" from the Bylaw IV, Section 3, to make the Ministry Team listings consistent with those described in the Subsections of Bylaw IV, Section 3. Note: We are not doing away with Recreation or Scholarship Ministry, just removing them from the document, as they have already been removed from the list of standing committees. The duties of those committees/teams will be defined in the Manual of Policies and Procedures, not in the Bylaws.

- The inclusion of a subsection H to the Bylaws IV, Section 5. The duties of the Membership Committee were inadvertently omitted from the constitution as presented last year.

DIRECTOR OF MISSIONS
QUARTERLY REPORT: October–December 2002
By Ron Kiser

The fall quarter was highlighted by the Association's Annual Meeting, which was held at Morningside (October 14) and Trinity of Fairview (October 15). Both churches were excellent hosts! Both sessions were well attended. A total of messengers and guests participated in this year's meeting. Dr. Michael Blackwell, President of the North Carolina Baptist Children's Homes, was this year's missionary speaker. Rev. Roy Houston brought the annual sermon.

There were three major presentations at this year's annual meeting: the revision of our constitution, which moved our association from a committee/council based body to a team based ministry; the adoption of associational strategy plans for 2003-2005; and adoption of a set of policies regarding new church starts. Detailed copies of these changes were available to messengers at the annual meeting. Additional copies were mailed to pastors and key church leaders.

The church start issues grabbed many people's attention, but I am excited about the flexibility the new structure gives, and the direction provided by the strategic goals. A biannual meeting with messenger representation at both sessions means more of your church can participate directly in the decision-making processes of the association. Open-ended teams mean people can volunteer for association ministries as God leads them, without waiting to be nominated and elected by a committee, while elected "core leaders" of each team provide direction and accountability. Goals include a greater association emphasis on assisting in local churches in evangelism and a greater emphasis on partnership and community missions.

The association continued to sponsor a variety of workshops and ministries during the fall quarter. On October 28, Dr. Lynn Buzzard led a well-attended workshop at BBRC entitled "Incorporation and Risk Management". On October 29, the association hosted a listening session and dinner for bivocational pastors and small church pastors. The suggestions received from these pastors will be the basis for planning future association ministries for our smaller churches. On October 31, Dr. Darrell Robinson, the former Evangelism Director of the Home Mission Board, led a workshop on "Spiritual Gifts." On November 2, Calvary Church hosted the second annual RA Sailboat Race. Nancy Keegan did an excellent job of organizing and promoting this well-attended event. On November 9, the Baptist Men of BBA sponsored a Missions Rally, held at Swannanoa First. More than twenty missions groups with BBA connections were represented at the rally. In conjunction with this event, and in partnership with Rev. Russell Hilliard and Rev. Sabas Amador, the association hosted the N.C. Medical /Dental van, which provided dental care for several Hispanic and Latino families. November also saw the launching of our Men's Basketball League, under the leadership of Cam Dowdle, and the Young Men's Basketball League, under the leadership of Donnie Pressley. The annual Ministers' Christmas Dinner was held at Pole Creek on December 9.

The Partnership Missions Team met December 17 to develop plans for missions outreach efforts in 2003. You will hear their recommendation at this Leadership Council meeting. The Ordination Team met on December 12 to bless the ministry of Al Dorn of Bent Creek Baptist.

The association welcomed these new pastors during the fall quarter: Jim Russell (Merrimon Avenue), Tommy Bridges (Bent Creek), Travis Harrison (moved to Flat Creek), Richard Kinsland (Oteen). Cecil Fox has been named Interim Pastor at Antioch.

Norma Melton and Nancy Owen continue to do an excellent job. Under our present reduced staff structure, Norma leads Church and Community ministries, WMU and women's ministries, and serves as staff liaison for the Music and Worship team. Details of Norma's work can be seen in her report. Due to a glitch in our computer system, Nancy Owen had to re-enter all our data bases in the updated computer operating system we use (ACS). Nancy is nearly finished with this task, which she has done while maintaining all her other duties. We are blessed to have these two wonderful ladies on our staff!

A major virus hit our computer system this fall. As a result, our email was shut down for nearly a month, and all our programming had to be "cleaned", upgraded, re-installed, and an improved computer security system put in place. Former staff member Jim Graham provided the assistance we needed to fix our system, and saved the association several thousand dollars in the process. Our thanks to Jim and his associates! (We're still getting a few "bugs" out of the address books in our system. If you're on our email list, and are not receiving email from us, please let us know.)

There are some "bugs" in Baptist life too, but our Lord is very much at work among the churches of Buncombe Baptist Association. We thank God for the ministries we share!

Church and Community Ministries
Quarterly Report
October, November, December 2002
Norma Melton

October 5-9, 2002 I had the unique opportunity to return to Bradley County Association, my home association in Cleveland, Tennessee. I participated in an **On Mission Celebration** (formerly called World Missions Conference). I had the opportunity to share in my home church and other churches about ministry and missions in Buncombe Baptist Association.

The **associational WMU** sponsored a **Women on Mission Retreat** at the First Baptist Church of Asheville on October 5, 2002 with approximately forty-five attending. The retreat was led by Rev. Eddie Morgan, Minister to Youth and Families at First Baptist Church of Asheville. Rev. Morgan spoke on "Coping with Everyday Crises". **World Day of Prayer meetings** were held in districts on November 4, 2002. There were a total of 172 persons present. An offering of $637.00 was collected and sent to the Baptist World Alliance Women's

Department. The **WMU Red Box Ministry** collected 310 boxes which were distributed to women at Black Mountain Correctional Center, Baptist Maternity Home, ABCCM Women's Shelter, HelpMate, CWJC, Martha Home, Buncombe County Children's Home, Asheville Pregnancy Support Services, and wives of students attending Fruitland Baptist Bible Institute. WMU coordinated a Christmas party at the **Black Mountain Correctional Center for Women.**

Christian Women's Job Corps® (CWJC), a ministry of WMU, has continued to give a helping hand to ladies in need. Under the excellent leadership of Belinda Grant, this mentoring program has now had the first participant to complete a one-year enrollment in the CWJC program.

The **Music Leadership Team** provided opportunity for an **associational adult choir** to sing at the **Biltmore House** during the Christmas holidays. Under the direction of Mike Adcock, Minister of Music at Beverly Hills Baptist Church, this choir shared four performances at the Biltmore House. Over 150 adults from twenty-three churches participated. Also, a **student choir Christmas project** climaxed with a performance of "The Noise We Make" at Beverly Hills Baptist Church on December 7, 2002. The performance was directed by Chris Roberts, Minister of Music at Pole Creek Baptist Church. Twenty-two youth from five churches participated.

The **Angel Tree® Ministry** at Christmas gives many an opportunity to be the hands and feet of Jesus. The gifts of time, money, and prayer support are all important to the success of this ministry. Through individuals and churches, 304 children were ministered to on behalf of a parent in the prison system and in the name of Jesus.

During this quarter I have been contacting several apartment community managers who are open to church teams conducting Backyard Bible Clubs. Please pray for workers for this harvest. Consider letting God use you to meet this need during the summer of 2003.

Touching Lives...Strengthening Churches

ASSOCIATIONAL MISSIONS WEEK
MAY 18-24

- **PRAY FOR OUR ASSOCIATION**
- **RECEIVE A LOVE OFFERING FOR BBA ON MAY 18**

TOUCHING LIVES...THROUGH DISASTER RELIEF AND COMMUNITY ASSISTANCE

The Disaster Relief Team from Swannanoa FBC has continued to serve in the Grifton area, and to provide flood relief in Kentucky and West Virginia. The final financial contributions received in the Hurricane Floyd Designated Funds were distributed to Seven Springs Baptist Church, to assist in payment of their new building and to the Neuse Association, to provide additional relief for the remaining houses to be repaired or rebuilt in Grifton. Harvey Hart will also lead two association teams in building ramps for handicapped and needy persons in our community on "Ramp Festival Day", May 10. For more information, contact Harvey at 686 7544.

TOUCHING LIVES...THROUGH THE CHRISTIAN WOMEN'S JOB CORPS

BBA continues to partner with ABCCM in offering the Christian Women's Job Corps (CWJC) to the greater Asheville community. The CWJC program matches Christian mentors with clients who want to improve their job skills. As part of their commitment to CWJC. clients pledge to be a part of a Bible study. Mentors work with each client for 6 months to one year, offering guidance, support and encouragement.

We have had a number of participants in the program as clients. Two persons have graduated from the CWJC program. One graduate, Michelle, accepted Jesus Christ as her Lord and Savior while enrolled in the program.

There have been some organizational changes in the structure of CWJC. Belinda Grant served faithfully and effectively as site coordinator for the past two years. The new site coordinators are Billie Baldwin and Sandra Haynes. Billie will coordinate work with the clients. Sandra will coordinate the work of the mentors.

Two mentor training classes will be held in May. Participants only need to attend one of the two sessions. Dates are:

- May 17, 2003 — 8:00 a.m. till 5:00 p.m.

or

- May 22, 2003— 5:30 till 9:00
and
May 29, 2003—5:30 till 9:00

For more information about mentoring, contact Sandra Haynes at 683-6550.

*TOUCHING LIVES...*THROUGH NEW STAFF MEMBERS

SUSIE BLACK

We welcome Susie Black to the Association staff! Susie joins the staff as Administrative Assistant to the Director of Missions. Susie's duties include maintaining records, files and appointments for Ron, coordinating the work of associational volunteers, and maintaining the associational media center and resume files.

Susie is married to Kim Black. Kim and Susie have one son, Adam, who is in the Air Force.

Susie is an active member of Pole Creek Baptist, where she serves as Choir President and Missions Leader.

MEGAN PRESSLEY

Megan Pressley will again serve as the Summer Student Missionary Intern for the Buncombe Baptist Association. Megan is a rising Junior at King College in Bristol, Tennessee. She is an Asheville native. Megan and her family are members of West Asheville Baptist Church.

Megan's duties will include leading many of our summer missions projects, including our camps, campground ministries and Backyard Bible Clubs. She will also work with Vacation Bible Schools in several of our smaller churches.

*TOUCHING LIVES...*THROUGH PROJECT HOPE: RESTORATIVE JUSTICE

The Associational WMU will again sponsor "Project Hope", a ministry of the national WMU. This year's theme is *Restorative Justice*. Sharon Malone will serve as consultant for this year's project.

Restorative Justice emphasizes helping churches become involved in ministry to persons who are serving in the courts system, as employees or as inmates.

This theme was featured at this year's well-attended WMU Annual Meeting, which was held at the Resource Center on April 7, 2003. Chaplain George Holley spoke on the needs of inmates, and suggested ways churches can help meet those needs. Special music for the program was provided by The Prodigal Sons, a quartet from Buncombe Correctional Center, led by Chaplain Steve Plemmons. Chaplain Wayne Morrow was also present for the program.

One aspect of this year's *Restorative Justice* ministry includes an associational trip to New York City, where we will partner with the NY Metro Association in providing a meal and Christmas gifts for the officers and spouses of a local precinct in New York City that served during the Twin Towers collapse on 9-11.

We are still working with Lisa Rose of the Metro Association to get details worked out, but this trip will probably take place at the last of November or the first of December. We will provide more information as soon as we receive it from Lisa.

TOUCHING LIVES... THROUGH RECREATIONAL MINISTRIES

The Association Churches have been involved in a variety of recreational ministries in recent months. The Association sponsored both a Men and a Young Men's Basketball League this year. Games for both leagues were played at the Pole Creek Family Life Center. Some of the men's games were played at Woodland Hills. The Young Men's League championship game was played at the Asheville Civic Center, just prior to an Asheville Altitude game.

The Royal Ambassadors of our Association remain active in missions and recreation. In November, Nancy Keegan and Calvary Church hosted the second annual RA "Sailboat Race". Calvary also hosted this year's RA Car Race on March 5. Both events were well conducted and well attended.

The Assocational R.A. Track meet was held April 19 at A.C. Reynolds High School. The event had been postponed from April 12 because of our unexpected spring snows. Though the date change affected attendance, we still had an excellent meet, and will be well-represented at the N.C. State R.A. Track meet, which will be held May 3, 2003, at the East Randolph High School, east of Asheboro and Ramseur, NC.

The associational softball league has been organized for this year, with the final coaches' meeting to be held on Thursday, May 1.

Recreation Chair Cam Dowdle and Youth Basketball Coordinator Donnie Pressley and those who assist them are to be thanked for all the work they do in making our recreation ministries possible.

*TOUCHING LIVES...*THROUGH RESORT MINISTRIES

MOUNTAIN STATE FAIR MINISTRY

Plans are underway for this year's MSF Ministry. This year's plans include a "shuttle service" provided by our Baptist Men, a more "hands on" Disaster Relief booth, and an expanded Evangelism and Witness ministry.

REST AREA MINISTRY

At the Easter Rest Area Ministry, coffee and a Christian witness were shared with I-26 travelers. One volunteer shared a prayer and witness with a trucker who had lost a son in a fire. A Spanish-speaking family received a copy of the Jesus Video and many Spanish tracts to share with their family members who do not know Christ. Another late-night traveler asked the rest area ministry team to pray with him, for he was on his way to seek forgiveness and reconciliation with his father, whom he had not seen for three years.

The Association will sponsor a second rest area ministry event May 23-24. Drawings for the time to serve will be held on Thursday, May 1, at 6:00 p.m. at the Resource Center.

CAMP GROUND MINISTRY

For the first time in recent years, the Association will sponsor a campground ministry at KOA in Swannanoa. Neal and Cheryl Brown of Trinity of Fairview will coordinate this ministry.

TOUCHING LIVES... THROUGH THE IRAQI FOOD PROJECT

DONATE $$$$$!

A donation of $60 will provide a box of food. All money received will be forwarded to the IMB.

HELP LOAD TRUCKS!

We need teams of men with strong back to help load the trucks. We need crews to work during the following times. Can you help?

- Sunday, May 18 2 p.m. to 5:00 p.m.
- Monday, May 19 10:00 p.m. to 5:00 p.m.

TOUCHING LIVES... THROUGH THE MINISTRIES OF THE BAPTIST STUDENT UNION

Buncombe Baptists know about the meals our WMU's provide for the Baptist Student Union at UNC-A. But most Buncombe Baptists do not know that the BSU is a ministry whose activities are funded in part by the Association budget. In addition to the meals provided, Association funds can be used to subsidize BSU mission projects, to purchase supplies and materials for the BSU house, and to supplement staff support.

Buncombe Baptists provide vital guidance to the students in BSU. Mark Moore (Woodland Hills) has been serving as interim BSU Director during the current semester. Jud Hollifield (West Asheville) leads a Wednesday Bible study. Many pastors, ministers of education, ministers to students and others from our churches lead the Thursday night praise and prayer time. Ron Kiser led the BSU Maundy Thursday service.

The State Convention hopes to have a new BSU Director on the field by the September semester.

Our thanks to Mark Moore, our churches, and the student leadership for carrying the torch through this transition season!

STRENGTHENING CHURCHES... THROUGH VACATION BIBLE SCHOOL WORKSHOPS

On March 25, the Association hosted a VBS overview at the Resource Center. The workshop provided churches with an opportunity to explore several different curricula of VBS materials and gave leaders an opportunity to share ideas for improving VBS in local churches.

On Tuesday, April 29, Woodland Hills Church will host the Associational LifeWay *"Kingdom Caper"* Clinic. This workshop will provide valuable insights into using this year's LifeWay VBS materials. Bring all teachers and workers to this important training, which begins at 7:00 p.m.

STRENGTHENING CHURCHES ... THROUGH A "CHANGES IN LIFEWAY CURRICULUM" WORKSHOP

IMPORTANT! SCHEDULE CHANGE!!!

LifeWay is making many changes in its Sunday School literature this year. Linda Thompson from LifeWay will be in our association to explain these changes ON TUESDAY, MAY 20, 2003 at the Resource Center at 7:00. THIS MEETING WAS ORIGINALLY SCHEDULED FOR MAY 12, BUT WE HAD TO CHANGE THE DATE TO ACCOMMODATE LINDA'S SCHEDULE. Please notify your Sunday School Leaders of this important meeting.

STRENGTHENING CHURCHES...

THROUGH *Unveiling Islam:* AN INTERFAITH WITNESS WORKSHOP

On April 7, Dr. Emir Caner of Southeastern Seminary led a workshop based on his book, *Unveiling Islam.* Dr. Caner's father was a Turkish Muslim who disowned his two sons when they accepted Jesus Christ.

Dr. Caner's conference was divided into three parts. He preached a testimony sermon from Isaiah 9, sharing how Jesus came to be Lord of his life. Then he brought a lecture from his book, "10 Things Every Christian Should Know about Islam." The final session was a question-and-answer period.

Tapes of the conference are available upon request. Contact Nancy Owen (252 1864 extension 301) if you would like to have a copy.

The book, *Unveiling Islam,* is in the BBA Media Center. Copies of this book by Dr. Caner and his brother can also be purchased at LifeWay Christian Resources.

STRENGTHENING CHURCHES...

THROUGH A PRESCHOOL SAFETY CONFERENCE

On April 1, the Associational Christian Education Team provided a "Preschool Safety Conference" led by Janice Haywood of the State Convention Staff. The conference was coordinated by Paul Raybon and was held at Beverly Hills Baptist.

Ms. Haywood stressed these important points every church needs to know when ministering to preschoolers:

- ALWAYS have two adults (18 years or older) every preschool group, even if there is just one in child in the group
- Incorporate your church, so all individual members are not personally liable if an accident occurs
- Make sure all equipment and materials in the preschool department are "child-proof"
- Follow state guidelines regarding safety and building codes

We're looking for a few good men and women to be on our SWAT team!

THE JESUS VIDEO PROJECT

Susan Jackson (Biltmore Baptist Church) has accepted the task as Project Leader for the Jesus Video project.

The purpose of this project is to raise funds to mail a Jesus Video to every home in Buncombe County, then have our churches follow-up with visits in their community, to share Christ with those who have received the video.

We need a team of strong leaders from the Baptist family and the larger Christian community to help carry out this project.

We need persons who will work in the following areas:

Administration, Church Coordination, Fund Raising

We need persons who will be donors, corporations that will give generously, and churches that will give sacrifically and be willing to help with the follow-up.

Above all, we need a strong prayer team in every church that will pray daily for this exciting ministry.

How can you help?

TOUCHING LIVES...STRENGTHENING CHURCHES

Annual Report to the Buncombe Baptist Association (2002-2003)
By Ron Kiser, Director of Missions
and Norma Melton, CCM Director

Touching Lives...Strengthening Churches is the theme for the spring and fall sessions of the Buncombe Baptist Association. These phrases are more than a slogan; they summarize the concluding year of ministry, and describe our mission for the coming years.

How has Buncombe Association touched lives in 2002-2003?

Ask a young lady we'll call Ruby. Ruby is a waitress in a local restaurant. She heard Ralph Cannon describing work at the Mountain State Fair, and Ruby, with face aglow, told how she had trusted Christ through BBA's witness at the Fair, and how Jesus was making a daily difference in her life. Ruby is one of 350 persons who trusted Christ through the Fair ministries, over the past two years.

Ask another young lady we'll call Monica. Monica participated in BBA's Christian Women's Job Corps ministry. She was teamed with a Christian mentor who worked with her every week for about a year. Monica just graduated from the CWJC program. She needed (and got) a hand up, not just a hand out, and her life is changed.

Ask a Russian mother we'll call Erika. She has been learning to speak English through the support of an "English as second language" tutor who is a part of the Association's literacy ministry. Listen as with excitement, Erika quotes three Scripture verses in English to a friend.

Ask Samuel. In partnership with New Life Community Church, the Baptist State Convention, our association and a handful of other partners, Samuel has come here from his native Honduras to start a new church. Your prayers and gifts are making this new ministry possible.

Ask many others in our Hispanic community about the support and witness they receive from our other Hispanic Mission pastors, Russell Hilliard and Sabas Amador. Many have been helped and some have come to know Christ as a result of these men and their ministry.

Ask the victims of flooding in West Virginia and Kentucky, and the victims of hurricanes Floyd and Isabel. Helping hands from BBA have touched and continue to touch their lives in Jesus' name.

Ask the residents of Alaska, New York City, Honduras and other mission points around the world that have been touched this year by the ministry of Buncombe Baptists.

Ask the Baptist Student Union at UNC-A. The financial gifts of the association and the great meals provided by women from our churches have helped the BSU through a difficult year. BSU stands ready to "re-tool" to reach a new harvest of students, thanks to the support of BBA churches.

Ask the children who participated in this summer's Backyard Bible Clubs, and the students and leaders who led these activities. They'll tell you what a thrill it was to learn about Jesus, and to tell others about him.

Ask the prisoner's children who received Christmas gifts from incarcerated Dads and Moms, because Buncombe Baptists cared in the name of Jesus.

Ask the recipients of the food drive for the Baptist Children's Homes of NC, and the recipients of the Iraqi Food Project if the gifts and supplies mattered.

That's not all we've done. But these are a few of the faces...and the faces are the reason we Baptists choose to cooperate and support one another...accomplishing some things together we might not get done all by ourselves.

We also strengthen churches. Here's some of the ways the association has helped in 2002-2003.

We provided a powerful conference on "What Every Christian Should Know about Islam", with Dr. Emir Caner. We provided about 25 other Leadership Conferences with topics ranging from "What Every Church Should Learn from K-Mart" to "Planning for your Retirement". We trained Sunday School workers (Linda Thompson, national LifeWay consultant, led one of our conferences). We provided VBS workshops and offered a workshop on Preschool safety led by State consultants. Jane McCoy directed an excellent choir camp for children, while Steve Harris conducted our largest missions camp in a decade (Our missionary leadership for this camp was excellent!). Dr. Darrell Robinson did a fall conference (2002) on "Spiritual Gifts". We continue to provide consultation for churches in missions development, strategy planning, pastor search committee training and leadership development. We also conducted missions conferences in churches and in other settings, and I had opportunity to preach and visit in a number of our churches, as well as work with several churches and pastors in times of transition. We have enlarged our association library, providing many new books, videos and educational CDs for churches and individuals

And what about the future? In 2004, we plan to expand our ministry to Senior Adults, enlarge our resort ministries, provide new learning opportunities via satellite, get our website up and running and provide advanced leadership workshops for pastors and other church leaders. We will also be joining in the Jesus Video Project for our county, and will have a one-night "Celebrate Jesus" worship rally in May, 2004.

Touching lives...strengthening churches.

There's a name for it.

It is called *missions*.

Thank you for your part in our mission work.

EVANGELISM TEAM
Mike Smith, Team Leader

The Evangelism Team has met on a regular basis. We have planned several events and have also joined in on the Jesus Video Project.

We are working on S.W.A.T. Teams (Soul-Winning Assist Team) to help churches with their one-on-one witnessing efforts. We want to assist all churches that would request our help.

We had great response at the Mountain State Fair. There were 175 various decisions made. God used Buncombe Baptists in a great way in many areas of ministry.

Celebrate Jesus in on our schedule for 1004. On May 23, 2004, we will have a great one-day rally at the Asheville High School Football Stadium. Jay Dennis from Orlando, Florida will be our speaker. We are planning a good program for the whole family. Mark your calendar and be there.

Thank you for letting us serve you.

ORDINATIONS TEAM

Dean Huggins, Team Leader
July 1, 2002- June 30, 2003

The Ordinations Committee counts it a privilege to assist churches in examining and recommending candidates to the gospel ministry. At the request of the member church, the Buncombe Baptist Association Ordinations Committee will examine a candidate and recommend him back to the member church for ordination. The church is then responsible to ordain the candidate, usually in an ordination service. A pamphlet entitled "Suggested Guidelines Leading to Ordination" is available in the associational office for anyone needing assistance with or information concerning ordination.

The following candidates were examined for ordination to the gospel ministry:

Scotty Ward, Emma , August 5, 2002
Steve Conard, Trinity of Fairview, August 5, 2002
Mike Schrader, Merrimon Avenue, August 25, 2002
Al Dorn, Bent Creek, December 12, 2002
Darren Browning, West Asheville, February 4, 2003
Mark Lewis, Newfound, April 22, 2003
Troy Greene, Clear Branch, May 15, 2003
Chris Reece, West Asheville, September 9, 2003
John Davis, Turkey Creek, October 1, 2003

MINISTERS CONFERENCE COMMITTEE REPORT

The question before our committee was: How do we best meet the needs of the ministers who serve in the Buncombe Baptist Association?

The recommendation: We recommend that we provide a multi-tiered approach to meeting ministers' needs:

- That we have one scheduled program per month aimed at meeting ministry needs. At least one meeting per quarter will be held at night to accommodate the ministers who serve bi-vocationally. We recommend that we select a Planning Team to plan the programs for these monthly meetings. The team will meet and plan a whole year's programs, and will have the liberty to select the dates, times, format and places for these meetings. The whole year's schedule and programs will be published and distributed to all ministers in the association.

- That we continue to have weekly, informal times of prayer and fellowship for ministers. These weekly times will be known as "the Ministers Prayer Circle". We will not have formal "programs" at these meetings, nor record minutes, but will focus exclusively on prayer and fellowship. These sessions will be led by a Prayer Coordinator, who shall be elected by the Ministers Conference, and shall be an officer of the conference. We further recommend that that weekly Ministers Prayer Circle meet on Mondays, at 11 a.m.

- That we have the following officers: President, Vice-President, Secretary-Treasurer, and Prayer Coordinator, and Planning Team (4 additional members, plus these officers). The Director of Missions also shall be an ex officio member of the Planning Team. The President and Vice-President shall be presiding officers at the monthly meetings. The Secretary Treasurer shall receive dues, send cards and handle funds for flowers or other memorials. The Prayer Coordinator shall facilitate the weekly prayer circle.

- That we raise dues to $10 per year to cover costs of an expanded conference.

- That we temporarily set aside our Constitution and try this new format for one year.

Christian Life & Public Affairs Annual Report

Gail M. Harding, consultant, 667-4899, gailharding@brinet.com

The monthly Christian Life & Public Affairs INFO PAGE, formerly included in the Association's newsletter, is now being distributed by Email (since April). This is wise stewardship, saving expense and giving opportunity to get timely issues to our readership quickly. If you would like to have your name added to the Email list, please contact Nancy Owen at the Buncombe Baptist Resource Center (BBRC). We still anticipate providing detailed info at the web site in the not-too-distant future.

Our goals include making resources readily available from the BBRC. We have made progress in that direction.

--**Twenty -one books and videos** dealing with critical issues are now available for you to check out :
Citizenship/Religious Liberty: Heroes Among Us; The Changing of the Guard; Valor, a Gathering of Eagles.
Entertainment & Pop Culture: Fantasy and Your Family
Family: For Faith & Family; Parenting with Scripture
Gambling: Seducing America, Turning the Tables on Gambling; The Lottery Lie; Losing America: The Crisis of Problem Gambling (a video); When Gambling Comes Home (a video)
Human Rights: Good News About Injustice; We Shall Not Be Moved (a video)
Pornography: The Silent War; Pure Desire
Racial Reconciliation: Black and White
Sanctity of Life: Proclaiming the Pro-Life Message
Sexual Purity: The Name of the Game
Substance Abuse/Addiction: Freedom From Addiction
World Hunger: A Church Called Graffiti; When Will We Cry? (a video)
--**The Gray Notebook** contains the following info about critical issues: fact sheets, Life Light bulletin inserts, sermon and Bible study helps. The Gray Notebook is NOT to be checked out. Books, videos, the Gray Notebook and a Christian Life and Public Affairs bulletin board are located together in the BBRC media area closest to the water fountain and the large conference room. Please avail yourselves of these resources.

Though no **lottery** bills were passed during the 2003 General Assembly, the issue is NOT dead. Watch for what might be introduced in 2004.

A large amount of time and space has been devoted to **The Ten Commandments and religious liberty issues** (first amendment), **the gains of the homosexual movement, and the redefining of marriage.**

--HR 3190 - Safeguarding Our Religious Liberties Act has been introduced by Rep. Chip Pickering, R-Miss. A similar bill (**S 1558 - the Religious Liberties Restoration Act**) was introduced in the Senate by Sen. Wayne Allard, R-Colo. Both bills point to Article III, section 2 of the U.S. Constitution as the authority for taking certain matters out of the hands of federal courts (at least those below the Supreme Court) and reserving them as matters for individual states to decide. These bills would prohibit federal courts from ruling on constitutional challenges to the display of the Ten Commandments, recitation of the Pledge of Allegiance, and the mere existence of the national motto - all important religious liberty issues. Now is the time to share our comments with our elected officials (Senators Dole and Edwards, Rep. Taylor).

--The Federal Marriage Amendment would write into our constitution the one man, one woman definition of marriage. Amendments are proposed by a 2/3 vote of a quorum of both Houses of Congress or by application for a Constitutional convention by 2/3 of the states. Amendments must be then ratified by 3/4 of the states. Accomplishing this will be a lengthy process (years), but many believe it is necessary to preserve Biblical marriage. Thirty-seven states have passed Defense of Marriage (DOM) legislation. A coalition of Christian organizations (Focus on the Family, Family Research Council - working with state councils, and Alliance Defense Fund) has joined hands to work together for passage of the Federal Marriage Amendment. **Marriage Protection Week**, October 12-18, has been established, encouraging churches to get involved in the battle to preserve traditional marriage. How? Preach sermons addressing biblical marriage; write letters to the editor in support of traditional marriage; sign a petition in support of traditional marriage to be sent to Congress and the President (www.nogaymarriage.com).

Many Christians believe American society is at a critical crossroad, with repercussions from decisions and legislation in these areas charting the course for years to come. We need to be in prayer, informed, and involved as salt-and-light Christians.

Baptist Children's Homes of North Carolina

Baptists make a difference... This summer Baptist Children's Homes had a very special guest on the Mills Home campus in Thomasville. Many Baptists will remember Patricia Sutherland. She has shared her story at multiple state conventions, and her life has been shared in ***Charity & Children*** on a couple of occasions. Patricia is a beautiful young woman and a rising senior at Toccoa Falls College in northern Georgia. Looking at Patricia today, you would not recognize her as the same little girl who came to Baptist Children's Homes 11 years ago.

As a young child she lived with abusive, alcoholic and drug-addicted parents who forced her to lie about their abuse. The little girl was threatened with a pistol held to her head and made to sleep on cold hardwood floors. Her abuse and neglect were compounded by a severe medical condition. Because her parents were unable to properly care for Patricia, she went months at a time without the daily medication she so desperately needed.

Then one day, Patricia found the security she had longed for at our Broyhill Home in Clyde. But even at Broyhill Home her life wasn't easy. Patricia has Turner's syndrome, a condition affecting her balance and coordination and stunting her growth. Because she was awkward and clumsy, other children made fun of her at school. But her physical problems only seemed to make her stronger.

While at Mills Home this summer, Patricia was asked to share her story with the girls on campus. She boldly assured them that God has a plan for their life. But then she challenged the girls by telling them it is their choice. They can put their past behind them and trust God and follow His lead, or they can wander through life lost.

Because of your help, children like Patricia are rescued from the jaws of hopelessness and despair, set on solid ground, supported by loving Christian men and women, and are given hope so they can realize their dreams – dreams that at one time in their lives, they could never imagine were possible.

Baptists Respond to Needs Donating Towels, Bedding and Food. If you ask North Carolina Baptists for help, expect them to provide in a big way. When the word went out to North Carolina's WMU that Baptist Children's Homes needed towels and washcloths, hundreds of women in churches across the state provided them. Towels and washcloths flooded in to all BCH locations. When Baptists learned that pillows and sheets were needed in BCH cottages, an avalanche of bedding poured in. And BCH's first statewide food roundup is bringing great enthusiasm and response.

14,640 Baptists Pray for North Carolina Children. More than one hundred BCH children and staff presented the Chain of Prayer at the 172nd Baptist State Convention in Winston-Salem. The chain consisted of 14,640 strips of brightly colored paper inscribed with the written prayers of North Carolina Baptist men, women, and children. Each prayer made up an individual link in the Chain of Prayer. The effort was a BCH initiative and was promoted in North Carolina Baptist churches. The Chain of Prayer united thousands of people and represented their belief in the power of God to meet the needs voiced in the prayers.

BCH Hosts National Child Care Executive Meeting. BCH president Michael C. Blackwell and Baptist Children's Homes of North Carolina hosted the fifty-fifth annual meeting of the Baptist Child Care Executives April 22-24 in Greensboro. Directors and other top management of Baptist child care agencies representing as many as 19 states attended the annual meeting. The conference serves as a time of fellowship and continuing education for participants. A highlight took place Wednesday evening with "pig-pickin' in Mayberry" at Mills Home in Thomasville. Children and staff recreated the sights and sounds of the popular sixties television program ***The Andy Griffith Show.***

Historic Ice Storm Wreaks Havoc. Mills Home in Thomasville, BCH's oldest facility and flagship campus, suffered major damage due to one of the worse ice storms to ever hit the Piedmont. The cost due to the loss, cleanup and repairs reached tens of thousands of dollars. No injury or harm came to the children and staff. Duke Power called the ice storm the worst in its 100-year history. Parts of the campus remained without electricity for as long as five days. Baptists from across the state sent funds and relief groups to aid in the clean-up efforts reducing the storm's economic effects.

North Carolina Baptist Church Donates Property and $100,000 to Help Build a New Group Home for Developmentally Disabled Adults. Asheville's Calvary Baptist Church dedicated property they donated to Baptist Children's Homes and presented $100,000 to help construct the Alverta Bolick Home for developmentally disabled adults on June 8, 2003. The financial gift was made possible through the generosity of the late Alverta Bolick. The group home will be built adjacent to the church and provide a home for six residents.

Baptist Children's Homes Faces Serious Financial Challenges. This year, Baptist Children's Homes took necessary actions to offset further economic hardships. With an overwhelming decline in income and a projected budget deficit of $4 million for fiscal 2003-2004, BCH cut the 2003-2004 budget (effective October 1, 2003). The cuts resulted in the closing of one or more cottages in four of BCH's Family Service Areas, the closing of Baptist Maternity Home in Asheville, the elimination of the agency's Intensive Family Preservation Services, and a reduction of 68 and one half budgeted positions. (Due to positions currently vacant and the reassignment of some staff, the actual net loss of people was 31.)

BCH...Focused on the Future. Despite the trying times, Baptist Children's Homes continues to be committed to providing only the highest quality of service. Children who come through BCH's doors continue to receive an abundance of love, care and healing. A dedicated staff serves and gives of themselves sacrificially. The lives of children and families are worth every effort. Although facing critical financial times, BCH holds true to its mission of ***"helping hurting children... healing broken families."***

The support of North Carolina Baptists through the Thanksgiving Offering, Cooperative Missions giving, church and individual gifts, memorials, honors, and estate gifts enables BCH to provide care for more than 2000 children through our locations across the state. ***Thank you, North Carolina Baptists, for your continued prayers and support. We could not do what we do without you.***

Michael C. Blackwell, President
James D. Goldston, III, Board of Trustees Chair
Fall 2003

Two "thank-you" notes were received from BCH.

Dear Ron,

I want to personally thank you for allowing BCH to "use" your Resource Center as a collection point for our food drive. You nor I knew what we were in for!

We have truly been blessed by the outpouring of love from our Baptist churches and friends all across NC. To say our food drive was a success is an understatement! To quote BCH President Michael C. Blackwell, "The Food Roundup has taken on a life of its own."

We have to give God the Glory! He will provide. And He did it so abundantly. Thanks again for your partnership with BCH. Please continue to pray for this child-centered ministry.

Jane Hill

Dear Ron,

Thank you and the fine people and churches of Buncombe Baptist Association for your outpouring of love through Baptist Children's Homes' food drive Because of caring people like you and other Baptists across the state, more than 473,000 pounds of food have been delivered to our children's homes.

Thanks a million!

Meeting the Challenges of Health Care

2003 *Report to the Associations*

"Touching Lives With Hope"

BAPTIST HOSPITAL AND NORTH CAROLINA BAPTISTS: EXTENDING THE HEALING TOUCH OF CHRIST

North Carolina Baptist Hospital admitted its first patient on May 30, 1923, culminating a vision of the Baptist State Convention to extend the healing ministry of Jesus Christ. Eighty years later, in 2003, we remain firmly committed to the original mission of providing the highest quality medical care marked by excellence, integrity, innovation, and compassion consistent with the teachings of Christ. This report highlights our partnership in missions with North Carolina Baptists.

BAPTIST BENEVOLENT CARE FUND

The Convention established the annual Mother's Day Offering in 1924 to help patients in financial need pay their hospital bills, to lift heavy burdens in the name of Jesus Christ and his love. Since that time every dollar of every gift has been used for that purpose—caring for children like Haleigh in her battle with cancer, and adults like Wade and Vickie. You have made a tremendous difference in their lives and many others just like them. Please read their inspiring stories of thankfulness in the new Mother's Day Offering web site (**www.ncbhmothersday.org**). ***Thank you,*** North Carolina Baptists, for giving $600,372 to this ministry in 2002!

SCHOOL OF PASTORAL CARE

The fruits of Cooperative Giving by North Carolina Baptists are evidenced in life-changing ministries of the School of Pastoral Care. Our mission is "***to provide ministries of growth, hope, and healing in the Spirit of Christ.***" ***Thank you,*** North Carolina Baptists, for extending the healing reach of Christ to thousands of hurting people through our ministries.

Baptist Hospital CareNet Counseling Centers, our Department of Pastoral Counseling, annually provides over 24,500 hours of counseling at 22 locations across our state. This ministry brings emotional and spiritual healing, consistent with the compassion of Christ, to those who have been broken. Our counselors are licensed professionals with deeply held personal faith. They extend the ministry of churches, receiving many referrals from Baptist pastors on behalf of church members who are hurting. Approximately 40% of our counseling hours are provided to Baptists.

The Center for Congregational Health has continued to develop vital ministries. Nearly 600 church leaders received training in the past year through the Center's programs of ***leadership development.*** "The Pastor as Spiritual Guide" and "Young Leaders" programs have proven to be highly beneficial for N.C. Baptist ministers, deepening their faith as spiritual leaders for their churches. Approximately 25 churches per month have benefited from the Center's ***consulting ministry***. Initial, expert consultations are provided free to N.C. Baptist churches thanks to Cooperative Giving. ***Intentional Interim ministers*** trained by the Center continue to serve churches in our state, across the nation, and Australia. Mentoring programs for young ministers are also being provided.

The Department of Chaplaincy and Pastoral Education provides ministry to patients, families, and staff through more than 61,000 pastoral contacts each year, extending great compassion and hope in the name of Jesus Christ. Specialized training in hospital ministry was provided to 63 students in the past year, making our Clinical Pastoral Education program one of the largest in the nation.

The Department of Church and Community Relations receives no Cooperative Program funds, but serves as a vital liaison to N.C. Baptist churches. The department ministers to over 150 Baptists per year by facilitating physician appointments or helping others with concerns about medical bills. Many of those who are helped have no health insurance and are burdened by financial need.

ADDITIONAL HIGHLIGHTS AT NORTH CAROLINA BAPTIST HOSPITAL

Ministry to Ministers and Their Families –

- Baptist Hospital provides a ***subsidy of up to 25%*** for the hospital bills of N.C. Baptist ministers and their families. This amounted to $79,248 in FY 2003. The subsidy comes from the hospital's W.K. McGee Patient Service Fund, with assistance from the Mother's Day Offering as needed.
- The ***Ministers Care Plan*** provides a subsidy to full-time, ordained ministers serving North Carolina Baptist churches, and their immediate family members, who need the support of counseling to recover from emotional pain and stress. Clients pay $20 per session at a CareNet Counseling Center. The Baptist State Convention and CareNet pay for the remainder of the cost. Please call Rev. Paul Mullen, Director of Church and Community Relations, for more information (336-716-3027).

Ranked Among the Nation's Best Hospitals

- North Carolina Baptist Hospital is ranked in the top 50 among ***"America's Best Hospitals"*** according to the July 2003 issue of *U.S. News and World Report*.
- Our hospital continues to be ranked in the ***top 1 percent in patient satisfaction*** among our peers in the United States, according to Press Ganey, the health care industry's top patient satisfaction measurement firm.

CLOSING WORDS FROM THE PRESIDENT

The initial vision of North Carolina Baptists to extend the healing touch of Christ has unfolded in remarkable ways at Baptist Hospital over the past 80 years. As Christ ministered to those who were broken in body, mind, or spirit and made them whole, we continually strive to follow his example. We consider it a sacred responsibility and profound privilege to serve him in this mission of healing. We are thankful to you, North Carolina Baptists, for being our partners in ministry.

Baptist State Convention of North Carolina Annual Missions Report – 2003

(For your Book of Reports)

The Baptist State Convention of North Carolina provides on-going leadership development and direct mission ministries through its General Board programs of work, primarily conducted by staff located at the Baptist Building in Cary.

The majority of the General Board-supported ministries are in the Mission Growth Evangelism and Congregational Services groups. In addition, many of the direct mission projects (partnership missions, etc.) are administered through the two convention auxiliaries--- Baptist Men and Woman's Missionary Union. Many of these mission and ministries are conducted cooperatively with the various associations across the state.

Partnership mission projects (with the approximate number of volunteers) for 2003 include Honduras (700 volunteers), Alaska (1,000 volunteers) and Southeast Asia (75 volunteers). To date, almost 1,300 volunteers have served with the Baptist Men's Medical/Dental Bus in 42 associations across the state. In addition, 1,400 people were trained for disaster relief ministries.

The annual Baptist Men's Convention registered approximately 2,000 participants with 880 boys attending the Royal Ambassador Congress. The Co-ed Student Missions conference registered 45 participants with 500 people scheduled to attend the Camporee Project.

The estimated number of participants in Deep Impact and World Changers include Deep Impact Honduras (130), Deep Impact Spring Weekend at Caswell (300), Deep Impact Charlotte set for November (300) and Mission Connect (1,050).

Woman's Missionary Union of North Carolina provided training for over 2,000 people at the two weekend Missions Extravaganza meetings at Ridgecrest this year. During two weekend meetings, $13,454 was received to help with the Project HELP: Restorative Justice program.

WMU-sponsored events in 2003, and number of participants, include Baptist Nursing Fellowship (190), Girls in Action Days (645), Children in Action Days (175), Camp Mundo Vista summer program (1,069), GA Mother/Daughter Camp (354) and Young Women on Mission Retreat (225)...

Other WMU-related ministries for the year included training 566 ladies in associational leadership meeting, providing a woman's prison retreat at Camp Mundo Vista for 60 inmates, send 2,300 Red Christmas Boxes, 134 gifts to missionaries and conducting a ministers' wives retreat.

Christian Women's Job Corp (CWJC), a national WMU program designed to help women who need to enter the job market, includes 16 sites across the state, involving more than 95 volunteers. Since 1999, CWJC has served approximately 100 participants per year.

Student mission projects for 2003, and number of participants, include Youth Corp (21), BSU-funded (24), Wilmington Area Resort Ministries (4), Resort Area Ministry, Boone (2), Raleigh Area Ministry (2), Caraway (23), Mundo Vista (43), Praise and Worship Team (15) and Language Ministry with migrants (1).

International Student Ministry projects involve a fall conference at Ridgecrest (90 students) and a spring conference at Caswell (300 students). The BSC annual convention at Ridgecrest registered almost 400 students with 220 students attending the spring student leadership conference at Caraway.

Baptist State Convention congregational leadership projects are held across the state throughout the year, including the ETC (Equipping Today's Church) meetings at Ridgecrest and Caswell), Children's Bible Drills and Youth Speakers' Tournaments, youth weeks at Caswell, and program-related training events on a statewide, regional and associational levels.

In addition, the Baptist State Convention includes three social service agencies (Baptist Children's Homes, Baptist Retirement Homes and Baptist Hospital) and five college and universities (Chowan, Campbell, Wingate, Gardner-Webb and Mars Hill). The convention also supports two agencies--the Biblical Recorder and Baptist Foundation.

Council on Christian Higher Education

Baptist State Convention of North Carolina

2003

Christian higher education represents one of the enduring values of the Baptist State Convention. Since it's founding in 1830, North Carolina Baptists have supported Christian higher education through gifts to the Cooperative Missions Budget, Baptist State Convention.

Our state and Convention depends upon the graduates of our institutions to lead us. The classrooms across our state are filled with teachers who have received their training from one of our campuses. North Carolina businesses are staffed with people who have been challenged during their formal education on our Baptist campuses to consider the ethical and moral consequences of their decisions. Our churches are filled with God called men and women who have undergone academic preparation to lead our churches, associations and Convention. Where would we be without those graduates?

This success story has been made possible as a result of the faithfulness of North Carolina Baptists who support the Baptist State Convention through their gifts to the Cooperative Missions Budget.

Our five Baptist campuses take pride in their association with our Convention. Campbell, Chowan, Gardner-Webb, Mars Hill and Wingate are institutions of Christian distinction. Each considers their Baptist witness to be a hallmark of their institutional mission.

Campbell, Chowan, Gardner-Webb, Mars Hill and Wingate welcome the challenge to prepare the next generation of leaders to serve our state and our Lord. A large majority of the students on each campus identify themselves as Baptist. Among those who are Baptist, some are receiving special financial support as a result of your faithfulness to our Convention's mission.

Last year six hundred eighty-seven (687) North Carolina Baptists received special scholarship aid made possible by your gifts to the Convention. This group represents five hundred four (504) different churches and seventy-three (73) different associations.

Churches that give through Optional Giving Plans B & C are helping another special group of North Carolina Baptists. Both giving plans make it possible for the Council to release theological grants to North Carolina Baptists who have heard God's Call and who are engaged in the pursuit of their first professional theological degree. Last year, 320 recipients received this special assistance. As one student told the Council office, "That grant was a major life-saver for me." His comments reflect other students' sentiments, as well.

What does the future hold?

No one knows for sure; but we know that our North Carolina Baptist colleges/universities will continue to receive your students and provide opportunities for them to grow intellectually and spiritually. We can be assured that when they graduate from our campuses, they will carry on with the tradition of those who preceded them through their service to our state and Convention.

REPORT for 2003 BOOK of REPORTS

OFFICE of ANNUITY

The last three years have indeed been challenging for participants in the Annuity Board retirement plans. During a time that climaxed the worst three-year stock market cycle since 1941 many of our retirement participants have been challenged to look more carefully and monitor more closely their asset allocation with a determined focus on their long-term retirement goals. AB Funds Trust through the Annuity Board has continued to perform at or above respective bench marks in the equity and bond investment industries despite volatile market conditions.

In an effort to meet constituency needs the Capital Preservation Fund was offered as a 14th investment choice on April 1, 2003. The fund seeks to maximize current income while seeking to maintain a stable value per share. The crediting rate is reset quarterly, is net of all fees and will be announced at least two weeks prior to the quarter's end. The fund is suitable for investors who want to preserve capital and are seeking higher current income than a money market fund over most time periods.

The continuing national health crises characterized by increases in drug costs, provider expenses, consumer demand, and government regulation tops the list in fueling rising health care costs. General inflation and industry litigation fees have also added to the costs. The Annuity Board continues to seek ways to provide affordable health care products. New health initiatives/plans are under consideration and will be available on January 1, 2004.

As a result of these escalating costs for medical insurance, too many of our churches have decided they can not provide this coverage as a benefit for their ministers/church employees. Unfortunately, those who labor under the burden of a "pay package" have seen an enormous erosion of their disposable income. We continue to encourage churches to provide adequate benefits (insurance coverage, retirement, and social security offset) separate from salaries for their ministers and staff and to structure/administer compensation that takes full advantage of the tax laws. The 2002 SBC Compensation Study has proved to be a very valuable resource in assisting church leaders as they strive to provide fair and equitable compensation for those whom God has called to provide spiritual leadership to our Baptist churches across the state of North Carolina from Manteo to Murphy.

The relief ministry through the Annuity Board continues to provide assistance to those needy, retired ministers and to their widowed spouses. Presently, 386 North Carolinians are being helped by the Adopt An Annuitant and Relief Ministries.

As of June 30, 2003, 61% (2,326) of our NC churches were actively participating in the retirement plan, and a record number of 2,879 were receiving benefits. Of course, our goal is to have all of our churches actively participating in the retirement plan provided by the Annuity Board of the SBC.

In closing, we remain committed to serve all of our churches, ministers, and other church employees. For more information related to products or services, call the Baptist State Convention of NC at 1.800.395.5102 extensions 171 or 174, visit our Web site at www.bscnc.org, call the Annuity Board at 1.800.262.0511, or visit the Annuity Board Web site at www.absbc.org.

Biblical Recorder

2003 Associational Report

The *Biblical Recorder* is celebrating its 170th anniversary in 2003 by remaining true to its original mission of publishing relevant news and fostering healthy dialogue among members of the Baptist State Convention of North Carolina.

The world is far different than it was when Thomas Meredith founded the *Biblical Recorder*, but the importance of communication and conversation among Baptists remains unchanged, and the current landscape has many similarities with the one Meredith faced in 1833. Baptists were struggling for growth and shaping their identity in 1833. In time, Baptists came to dominate the denominational landscape of North Carolina, but a variety of societal, demographic and other changes have diminished the overall Baptist presence once again.

And, as early Baptists were often divided over theology, with some clinging to predestination while others championed free will, today's North Carolina Baptists face a changing landscape that features a variety of ways to express our Baptist identity. It has never been more important for North Carolina Baptists to be informed of the many issues affecting Baptist life, mission work and mutual cooperation.

The *Biblical Recorder* exists to provide this needed service to Baptists in North Carolina and beyond. The *Recorder* staff works diligently to provide regular, dependable and balanced news coverage and analysis of the most significant matters relating to Baptist life. In addition, the *Biblical Recorder* includes a variety of supportive resources and feature articles designed to encourage and inspire as well as to inform.

The *Recorder* was privately owned and operated in support of Baptist work in North Carolina until 1938, when the paper was purchased by the Baptist State Convention and incorporated as an agency of the convention. It serves as the official news publication of the Convention, and seeks to serve the full spectrum of its churches.

The *Biblical Recorder* is widely acknowledged to be in the top echelon of state Baptist papers, winning national honors from the Baptist Communicator's Association for editorial writing in 2000, for design in 2001, and for news writing in 2000, 2001, and 2002 -- including the association's grand prize for news writing in 2001.

In addition to its printed form, the *Biblical Recorder* maintains a popular and rapidly growing presence on the World Wide Web at www.biblicalrecorder.org. The Web site provides much of each paper's content online, as well as to access classified ads, online Bible study resources and a portal to other news services. Thousands of interested readers around the world consult the online version regularly.

The Web presence became even more important in late 2003, as the *Recorder* shifted from a publication schedule of 40 issues per year to 27 regular issues plus periodic special issues. The move, made as a matter of stewardship, coincided with the addition of new features and improvements to the Website, including more frequent news updates.

As a BSCNC agency, the *Biblical Recorder* receives annual support from Cooperative Program gifts, making it possible to offer the *Recorder* at subscription rates below the actual cost. Subscription packets and free sample issues are available. For more information, please contact:

(2) Our Future—the future of the church is victory.
    a. Persecution from without
    b. Problem from within
    c. Plan for victory—"shall not prevail."
    d. Church is not going down, it is going up.
(3) Our Work
    a. Power--keys to the kingdom is the ability and power to unlock the gospel story so that hearts can be saved. Christ has called us to go out and share the gospel. A lot of people are doing a lot of things for people, but none are telling people about Christ.
    b. Promise to carry out the decisions God has made in heaven. It is our right, privilege, and challenge to ask the Lord what he wants our churches to do.

Determine to serve as a servant, determine to serve with a loyalty of a disciple and determine to decide what Christ wants for you in that place, then pursue it with fortitude, determination and all-out commitment.

14. The Moderator asked the members of the New Work committee to sit in the choir to be available for questions at the time of the committee's report.

15. Howard Candler, treasurer, presented the financial report for January 1, 2002 through September 30, 2002. He read the columns for September, the third quarter, and year to date for 2002 and the figures at the bottom of the page. He referred to the report of "Receipts from the Churches" and noted that sixteen of our churches did not contribute to the support of the association during 2002. The Moderator asked if there were any questions concerning the report. Hearing none, the Moderator stated the financial report is approved as presented.

16. Charles Kiser, chairman of the Finance Committee presented the proposed 2003 Budget. He stated that because of financial restraints there had been budget cuts.
James Garrison (Arden First Baptist), referred to the line item "AIDS Ministry," (Church and Community Ministries). There is no figure for 2002 or 2003. "Why are we not doing something to address the needs of many people in our area who are affected by HIV/AIDS?" And "if there was nothing listed for last year, why is there nothing listed for this year?" Charles Kiser stated that some areas had to be cut. This was one place where no active work had been done.
Annette Webber (Oakley). Why the difference in Resource Center payment." Separated Interest and principal so it is listed in two different places.
Lennie Thornton (Calvary) "Why is there no funding for the Multi-Ethnic ministry?" Charles Kiser stated that there had been no active work done in the last year.

Steve Ackerman (Barnardsville). Even though there are no line items for these particular ministries, there are ministries going on. Churches may be supporting it or it may be done in other ways.

A vote was taken to approve the proposed 2003 budget by the raising of the ballots. The budget was approved.

Ron Kiser referred to his report as printed in the Book of Reports. He chose to affirm the past and present staff members. He asked the people to give a standing ovation to Nancy Owen, Secretary – Receptionist. Barbara Wright, financial secretary and Cassandra Smith, part-time secretary were recognized. Due to budget cuts, their jobs were eliminated. A gift was given to Jim Graham, Interim Church Development Director, whose job was terminated September 30.

Ron stated that work on the constitution was started by the Association Strategy Planning Committee in 1994 at the request of the Association to bring about a revision of our constitution to help us become more effective in the work we do. The committee visited ten associations and heard from four our five others looking at different ways to do our work. Three years ago the committee recommended to the association in its annual meeting to develop a team-based structure that would allow us to move forward and involve more people in the work of our association. It then became the

responsibility of the Constitution Committee to bring together a revision of our constitution that would enable us to go about our task and initiate that structure.

18. The Moderator expressed appreciation to Nancy, Barbara and the number of volunteers for their tremendous work.

19. The Moderator reminded us that at last evening's session, we amended the Order of Business and included a time for the ASP to present their report.

20. Steve Ackerman, chairman of the Association Strategy Planning Committee shared his committee's report. He asked everyone to look over the green sheet that had been distributed earlier. He stated that the association asked the ASP to develop plans and ministry goals for the intervening three years. The process would be rooted in scripture and bathed in prayer. What we do as an Association should come out of who we are as a people of God. What is God's will for the local church? How can our association help the churches accomplish these goals? After much discussion. these were narrowed into four basic groups: Evangelism, Missions, Fellowship and Leadership Development. The ASP Committee presented as a motion to adopt these proposed ministry goals. The moderator asked if anyone had any questions. There were none. A vote was taken by the raising of ballots. The motion carried.

21. The moderator recognized Steve Summers, chairman of the Constitution Committee, to give that committee's report. He also stated that since the vote requires a 2/3 vote to pass, that Wayne Higgins, and the parliamentarian, Chris Roberts would help count votes. He recognized other members of the committee, thanked them and the staff for their help, and the ASP committee for their work.

The purpose of the report was to try to streamline the structure of the association to be more effective. We hope to move away from meetings where there is a lot of duplication of committee meetings and open the way for a more ministry-type base.

This is accomplished by three main structural shifts:
One annual meeting to two semi-annual meetings—one in the spring and one in the fall.
The Executive Committee would be come the leadership council. Team leaders and committee leaders would join other officers leading us in between the association meetings.
More effort is shifted to team ministry. This allows more and more people to be able to join.
These ministry teams are organized on four main stack poles:

- Administrative team committees
- Mission teams
- Church ministry teams
- Fellowship teams

Steve stated that on behalf of the constitution committee, he make a motion to adopt the proposed changes to the Constitution and Bylaws. The moderator asked if anyone had any questions.

Lenora Sentelle of Enka Baptist Church asked the purpose of the two meetings and if we go to two meetings would we have the extensive reporting that now goes on at one meeting? The Order of Business Committee would make that decision. The rationale behind the two meetings is to involve more people from our churches. Attendance at the three associational board meetings has not been very good, but we felt we needed more than just one meeting. The vote was taken by standing. The motion carried and the revised changes to the Constitution and Bylaws were adopted

22. James Lamb, Chairman of the Place and Preacher Committee, gave that committee's report. Mr. Lamb expressed his thanks for the hospitality received from both host churches and for the message given. He also stated his appreciation of Earl Moseley and Dean Huggins. He announced

that the spring meeting is scheduled for May 19, 2003 at Beaverdam Baptist with the alternate being Liberty Baptist. The fall meeting will be October 13, 2003 at Swannanoa First Baptist and October 14, 2003 at Mount Carmel Baptist. The preacher will be Charlie Sams with the alternate being Todd Royal. The committee's recommendation was adopted. The vote was taken by raising the ballots.

22. James McCoy of the Resolutions Committee brought two resolutions of appreciation. The first resolution was one of thanks and appreciation to both host churches, the moderator, Ron Kiser and the staff of the Association for the contribution to this annual meeting.
23. The second resolution extended the Association's thanks and appreciation to Barbara Wright, Cassandra Smith and Jim Graham. A vote of approval was taken by raising the ballots. These reports were adopted.
24. Steve Harris, Chairman of the New Work Committee, presented that committee's report. The recommendation is that this report forms the basis for new work policy for the association and he encouraged the messengers to give it prayerful consideration and enthusiastic support.

Speaking to the motion, Mr. Harris, asked the messengers to look on page two of the report to see the two questions that had been given to the New Work Committee.

1. *If a new church start, sponsored by one or more churches already affiliated with the Buncombe Baptist Association and located in the geographical boundaries of Buncombe County, expressed an interest in friendly cooperation with both the Buncombe Baptist Association and the Cooperative Baptist Fellowship (but not with the Southern Baptist Convention), would the Association welcome such cooperation?*
2. *If such a mission church met other appropriate and relevant criteria for support of new church starts would the Association endorse that new church start's application for assistance from the Baptist State Convention of North Carolina and/or offer its own financial support?*

He emphasized the fact that we are not voting on these two questions. We are voting on the New Work Committee Report. These two questions were given to the committee and the committee's report is its response to them.

He shared that four listening sessions had been held at various churches. He endeavored to clarify the polarization that exists in the convention. The New Work Committee's task was to determine how to respond to those seeking endorsement from the New Work Committee and the Association in order to receive funding from the Association and/or the North Carolina Baptist State Convention.

He summarized information given on page three of the report that each Baptist church is autonomous. Baptist entities are autonomous. This means there is no hierarchical structure that exerts control over it. They cooperate freely with state conventions. There is a difference between a denomination and a convention. A denomination would exert hierarchical control over its churches. A convention is an organization where churches come together for free cooperation.

The key to the report are the criteria. There were four alternatives to the questions:
1. Yes, yes. 2. But 3. No 4. No, but
2. Our answer is "No, But." "No" we will not give a blanket endorsement to a CBF only church plant, "but" we will give honest, open and genuine consideration to any church that comes to request our help and assistance in being planted.

Joe Babb, a member of the New Work Committee, gave the following minority report. *Mr. Moderator, brothers and sisters in Christ, I speak to you in a dual role: first, as a*

member of the New Work Committee; and, secondly, as a messenger of Arden First Baptist Church. As a member of the New Work Committee, I attended every listening session and every meeting of the committee.

I appreciate the opportunity to offer a minority view of the report before you. I agree with most of the report. I agree with much of the committee's proposals beginning on the bottom of page 4 of the report, especially its first paragraph.

However, I do not concur nor approve with the proposals interpretations found at the end of page five beginning with the sentence "In the light of these criteria, the Association's New Work Committee does not give a blanket endorsement of a 'CBF' only new church start." And continuing to the end of that section with the sentence "Neither does the committee assure that it will give blanket endorsement to a 'SBC' church start."

I believe these applications are in conflict with our practice as Buncombe Baptists as well as the current requirements for membership as stated in the Constitution and Bylaws. In effect, these provisions would go beyond those requirements for membership and prohibit the full exercise of church autonomy referred to in the report itself. In my view, these contradictory elements should be rejected.
I therefore move this report be amended by the deletion of the part noted above and if I receive a second would like to speak to the motion.

Bill Snyder (Asheville FBC) seconded the motion to amend the report by deleting this particular section.

Mr. Babb further stated that in presenting this amendment that he does not intend to divide the association. But he felt this section would divide us rather than bring us together.

Bill Horton (West Asheville Baptist) asked to speak against the amendment.
He felt that the New Work Committee has done a tremendous job. The report is a very comprehensive one, the recommendations are very vital and this committee has given us their very best in helping us move past this point of division and controversy.

Stephen Summers (Arden FBC) spoke for the amendment. He stated that he when he read the first part of their proposal it sounded very open, any church meeting the guidelines the association would bless it; but the second part, to him took the opposite turn and didn't seem to fit—it seemed to close the door. He agreed with Mr. Babb's amendment to delete this section. Maybe a better determination would be that we will not make a determination based on denominational affiliation but we will make a determination based on these criteria.

Ryland Whitehorn (Biltmore Baptist) spoke against the amendment. He stated that the committee had taken a great amount of time praying and discussing this document. This document sought to preserve the integrity, autonomy and dignity of every church in the association as well as the historic relationship that the majority of the churches has shared with the Southern Baptist Convention. It does not strip away the opportunity of any church to be autonomous, but is a serious compromise in trying to unify the Buncombe Baptist Association.

James Garrison (Arden FBC) spoke for the amendment. The constitution and bylaws doesn't say anything about churches being a member of SBC, CBF or any other national body. Churches should be allowed to affiliate in this association and to join with other bodies (BSC, SBC, CBF) as they feel led by God's spirit. He feels the report would divide us.

Joe Yelton (Hominy) moved the question. David Brott (Arden FBC) seconded the motion.

The moderator stated that we are voting to vote; that is to close the discussion on the amendment and then vote on it. It requires a 2/3 majority. The vote was adopted.

Vote on the amendment was taken by raising the ballots. The motion to amend was defeated. Joe Yelton (Hominy) called for a division of the house. The moderator stated that he, the vice moderator and the parliamentarian ruled the vote to be overwhelming.

We are now ready to deal with the original motion to accept the New Work Committee's report.

Joe Yelton (Hominy) brought a recommendation to amend. He referred the body to look at page 4, paragraph beginning "But, it must be remembered that local churches determine their direction." His amendment is that the remainder of that paragraph be deleted. James Roddy (Hominy) seconded the motion.

Steve Harris (New Life Community), chairman of the New Work Committee, spoke against this amendment. The intent is not to slam anyone, but rather to acknowledge that when the New Work committee sits down with a new church, they don't know the direction the church might take. The focus was on the criteria in planting a healthy church, not political issues.

Perry Brindley (Skyland) moved the previous question. Tim Moore (Woodland Hills) seconded the motion.

The vote on the previous question was taken by raising the ballots. The vote was adopted.

Vote was taken on this amendment by raising the ballots. The amendment was defeated.

Joe Yelton (Hominy) made a motion to extend time for discussion for five additional minutes. James Garrison (Arden FBC) seconded the motion. It requires a 2/3 majority. The vote to extend the time was defeated.

Vote was taken on adopting the New Work Committee's report. By raising the ballots, the Committee's report was adopted.

Earl Moseley (Beaverdam) Chairman of the Memorials Committee stated that, since our last meeting, 315 people from our churches have died. Fourteen were ordained deacons and six ordained ministers: Dr. G. Hanford Hamby, Reverend Bob Featherstone, Reverend Clifford Spencer (Asheville First Baptist, Reverend Ralph Hensley (Beverly Hills), Reverend Franklin Wagoner (Biltmore) and Dr. Francis Chesson (Weaverville FBC). The Memorials Committee recommends that the 2002 Associational Minutes be dedicated to these ordained ministers. The motion was accepted. Mr. Moseley then led us in a prayer to remember these people.

The Moderator announced that five minutes had been allotted for miscellaneous business. Joe Yelton (Hominy) brought the following recommendation: *The Association recommend to the North Carolina Baptist State Convention that the state convention take the responsibility for determining where church start-up funds have come from, thereby which plan they have been designated through—A,B,C or D. And that based upon those plans, that if a church from the plan they have appropriated that money wishes to begin a church and receive start-up funds from that plan they have been contributing to, that the State Convention will make the decision for that plan fund disbursement.*

James Garrison (Arden FBC) seconded the motion.

Speaking to his motion, Mr. Yelton stated that he felt that the state convention had the responsibility to make a decision that should not have been passed off to the association. Church start-up funds are given by churches to the state convention and the convention disperses these funds through various giving plans. Had the state convention made the decision to distribute the funds through the various plans (i.e. if you wish to begin a CBF church, then only CBF (Plan C) funds could be used for that.) His desire is that we, as an association, tell the state convention to do what it is they are should have done in the first place.

The Moderator asked Mr. Yelton to re-state his motion. The Moderator ruled the motion out of order. He felt that this was not new business, but rather an amendment to the New Work Committee report that had already been adopted.

Mr. Yelton felt his motion did not affect the adoption of the New Work Committee report, but deals with speaking to the state convention to develop a system whereby these funds are distributed through the giving plans as they have been received.

The Moderator stated again that he felt the motion did deal with new work policy and that he did rule it out of order.

Herbert Hyde (Calvary) appealed the ruling of the Moderator.

The moderator made an appeal to the body to uphold the decision of the chair. The vote was taken by raising the ballots. The vote to uphold the decision of the chair was adopted. The motion by Joe Yelton was ruled out of order.

Guy Sayles (Asheville FBC) stated that he was disappointed and discouraged by the report of the New Work Committee, he was grateful to the members of the committee, the moderator and the association for taking his request seriously.

Ronnie Owen (Mt. Carmel) dismissed the meeting with prayer.

Mr. Carver also noted that several churches were receiving offerings during Association Missions Week. The annual Association audit is in the process and the report should be ready the last of June. He referred the messengers to the complete financial report on PG 40-43 of the Associational Annual Directory. The financial report was adopted as presented.

BUNCOMBE BAPTIST ASSOCIATION
CONSTITUTION

PREAMBLE

We the members of missionary Baptist Churches in the County of Buncombe, State of North Carolina, and territory adjacent hereto, do hereby propose to establish and maintain the principles and rules of order of a district association in conformity to the following plan:

ARTICLE I-NAME

The name of this body shall be the Buncombe Baptist Association, Inc., hereinafter referred to as the Association.

ARTICLE II-PURPOSE

The purpose of the Buncombe Baptist Association is to partner with congregations in missions and ministry and to foster fellowship among the churches.

ARTICLE III-MEMBERSHIP

SECTION 1.The Association shall be composed of cooperating Baptist Churches in the area of the Association. A cooperating church is defined as:

(1) A church that contributes regularly to the support of missions through the Association budget.

(2) A church that sends messengers to the Association's general sessions.

(3) A church that supports the missions efforts and activities of the Association.

"THE RED BOX MINISTRY"

The Christmas boxes will be packed again like we did last year. We are asking each church to prepare the boxes individually. We will have the red boxes at the resource center for you to pick up. Call to let us know how many boxes you need. We will need 300 boxes in all. They will be going to the following: Women's Prison, Fruitland Wives, Western Carolina Rescue Mission, Martha Home; ABCCM, Baptist Maternity Home, Juvenile Detention Center and Asheville Pregnancy Support Services.

Below is the list of items to be put in each box:

1	6.4 oz. tooth paste	1	bar of soap (individually wrapped)
1	toothbrush	1	plastic soap dish
1	toothbrush holder (full-length, not cap cover)	2	washcloths
1	hairbrush (no mirrors)	2	chapsticks
1	comb (no "rat-tail" combs with sharp handles)	1	shampoo
2 pr	knee or crew socks	1	conditioner
2	ballpoint pens (clear-see-through casings)	1	10 oz. body lotion
2	writing pads (no spiral bound; 6X9)		
1	roll or stick deodorant (lady's)		

Remember:

- No glass bottles, mirrors, etc., just clear ballpoint pens, no stamps, and no sharp items.
- Bring items in the requested sizes (or as near as possible) so inmates will receive identical gifts

District Leaders and project leaders will be in touch with your churches to remind you as we get nearer the time. All boxes should be into the Resource Center by December 5, 2002.

ANGEL TREE

A Ministry of Prison Fellowship

"Angel Tree"

This project is coordinated with Prison Fellowship to sponsor inmates' children with Christmas toys and clothes. Sponsoring a child includes giving two gifts of the child's choice up to $40 per child. Gifts are taken to the child's home and presented in honor of the parent who is incarcerated and in the name of Christ. We will begin receiving applications from Prison Fellowship in October.

To sponsor a child, please call Norma Melton (252-1864).

Interim Director of Missions Report
Gayle D. Brown

Buncombe Baptist Association is in the middle of transition. With the passing of our former Director of Missions, Ron Kiser, in late January 2004, the past eight months have been spent carrying on ministries, programs of the association at a very high level, selecting a Director of Missions Search Committee, and pursuing reconciliation with a low key effort.

On October 22 and 23, there will be an "Association Vision Casting" conference that will involve leadership of the Association. Corporate Officer, the Leadership Council, Planning Team, Director of Missions Search Committee, and the association staff will meet on Friday evening, October 22 and most of the day on Saturday, October 23, for the purpose of setting priorities for the association. The Reverend J. Leon Boyd, retired Home Mission Board (NAMB) will lead us with the "Vision Casting" conference. We are grateful to the North Carolina Baptist State Convention for partnering with us for this conference.

Nine simultaneous district prayer meetings have begun for the specific purpose of praying for the Director of Missions Search Committee, association staff, and churches in each of the nine districts. These prayer meetings began Thursday, October 7, and will continue the first Thursday of each month for seven months running through April 7, 2005.

The Buncombe Baptist Ministers' Conference has returned to a Monday morning conference starting at 10:00 a.m. every Monday morning (unless otherwise advised). The "Pastors' Prayer Circle" will continue to meet at 11:15 a.m. each Monday morning and is open to all pastors who would like to meet and pray for all concerns.

One of the most exciting things coming down the pike is CCN (Church Communication Network). This is an excellent opportunity for training and equipping for all pastors, church staff, and church leaders. Live broadcasts involving national and international speakers offer tremendous opportunities for sharpening ministry skills. Speakers like Max Lucado, Lee Strobel, Charles Colson, Joni Eareckson Tada, Ken Blanchard and George Barna are samples of outstanding conference leaders. Reverend Stan Willet, pastor, Beaverdam Baptist Church, is serving as Buncombe Baptist Association CCN facilitator.

These are exciting as well as challenging days for Buncombe Baptists. We will continue to seek God's direction as we move forward on several fronts. Please pray for all of the above! In addition, there are many wonderful opportunities with partnership missions, disaster relief efforts, and new work (church planting starts, and the Buncombe County Jesus Video Project.

I am grateful to serve with a dedicated staff and association leaders during this interim period until God sends our new Director of Missions.

ASSOCIATIONAL STAFF REPORT
April-September 2004
Norma Melton, Director of Church and Community Ministries

"Touching Lives . . . Strengthening Churches" continued to be the theme for 2003-2004. Buncombe Baptists have worked together to accomplish ministries and mission endeavors that have resulted in lives changed for God's glory. Highlights for April-September include the following.

Seven participants in an English as a Second Language Workshop taught at the Resource Center received certification from the North American Mission Board.

Biltmore Baptist Church hosted the associational Children's Bible Drills with four churches participating and sending children to the State Drills.

The WMU Annual Meeting held in April featured a celebration of fifty years of GA's, a celebration of Christian Women's Job Corps and a celebration of efforts for Project Help: Restorative Justice.

The RA Track Meet gave boys from various churches an opportunity to fellowship and compete with winners going to the State Track Meet.

VBS Clinics which helped prepare teachers to minister in their churches were held.

In May Buncombe Baptists joined efforts with the Baptist State Convention of North Carolina and the International Mission Board to prepare health kits to be sent to Iraq.

Excitement for the summer Children's Mission Camp was created by a Mission Camp Reunion at the Resource Center.

Memorial Day weekend teams from churches served for twenty four hours at the I-26 Rest Areas sharing Bibles, tracts, and Jesus videos with travelers.

June 4-13 an associational team was in Nenana, Alaska assisting Nenana Community Church with Vacation Bible School and various community service projects. Twelve older boys and girls came to know Christ through VBS. During July 26-August 2, another team ministered in New York, where another person accepted Christ.

For nine weeks beginning in June, Carla Bowlin served as our associational summer missionary. She assisted in Vacation Bible Schools, Backyard Bible Clubs, Children's Choir Camp, Children's Mission Camp and various tasks at the Resource Center.

In July teams served at a ministry booth at Bele Chere, where twelve persons received Christ.

Christian Women's Job Corps continues to provide a "hands up" to women in need through a mentoring program.

In the midst of Hurricane Ivan Buncombe Baptists joined seven other associations to serve carnival workers and fair goers at the WNC Mountain State Fair where over 160 persons accepted Christ as their Savior.

ORDINATIONS TEAM
Dean Huggins, Team Leader
July 1, 2003 – June 30, 2004

The Ordinations Committee counts it a privilege to assist churches in examining and recommending candidates to the gospel ministry. At the request of the member church, the Buncombe Baptist Association Ordinations Committee will examine a candidate and make a recommendation back to the member church. The church is then responsible for the ordination for the candidate should he be approved. A pamphlet entitled "Suggested Guidelines Leading to Ordination" is available in the associational office for anyone needing assistance with or information concerning ordination.

The following candidates were examined for ordination to the gospel ministry:

John Davis, Turkey Creek, October 1, 2003
Dan Rice, Trinity of Fairview, November 19, 2003
Tim Earwood, Berea, February 4, 2004
Mike Anderson, Gashes Creek, March 18, 2004
Charles Cole, Newfound, March 18, 2004
Jonathan Gibson, Merrimon Avenue, May 20, 2004

BUNCOMBE BAPTIST MINISTERS' CONFERENCE

Over the past year we have explored various ways for our conference to meet the needs of the ministers who serve in Buncombe Baptist Association. Beginning October 4, 2004 we began meeting with the following format for the future.

- The Buncombe Baptist Ministers' Conference will meet each Monday morning at 10:00 a.m. (However, these meetings will not be held on the Mondays designated as such in the Constitution and ByLaws.)
- The conference will begin with a song followed by a welcome by the president of the conference and the introduction of guests. After prayer requests are taken, the president will ask someone to lead the group in a brief prayer. The program will begin at 10:15 a.m. and conclude by 10:45 a.m.
- Announcements and business will take place at 10:45 a.m.
- The "Pastor of the Week" will be recognized. The Director of Missions will give a brief overview of the pastor's ministry, family and church.
- The "Pastor of the Week" will conclude the conference with the closing prayer.
- At 11:15 a.m. the Pastor's Prayer Circle will meet in the large conference room to pray for specific needs. All pastors are encouraged to attend this prayer circle.

MEMBERSHIP COMMITTEE

James Lamb, Chairman

On Tuesday evening, October 14, 2003, at Mount Carmel Baptist Church, the membership committee recommended that Fountain of Life First Hispanic Baptist Church of Asheville be received into the association under watch care for one year.

After one year, we recommend that the Fountain of Life Baptist Church be accepted into full membership of the Buncombe Baptist Association with all its rights and benefits, along with its responsibilities.

The Membership Committee, made up of James Lamb, Nina Fisher, Jackie Collins, Ronnie Owens and D.J. Abernathy, along with Norma Melton met on August 25 at 10:00 with Pastor John Thomas and Deacon Chairman Jerry Dotson.

Ecclesia Baptist made a request to become a member of the Buncombe Baptist Association. This congregation had their beginning on Easter Sunday 2004. They now have a building located at 15 Spivey Lake Road, Fairview, North Carolina, for a regular place of worship and study.

Hearing of their plans and having a copy of their Statement of Faith and Membership Covenant, this Committee believes they are set to do the work of God in their community and to all the world. We recommend that this fellowship of believers be received into watch care membership for one year with all its rights and benefits provided in the Constitution and By-laws of the Buncombe Baptist Association.

ORDER OF BUSINESS COMMITTEE

Mike Adcock, Chairman

The Order of Business Committee would like to make the following recommendation:

The 124th meeting, Spring 2005, will be held at Grace Baptist Church on Monday, May 16, 2005. The speaker for the evening will be The Reverend Charles Roesel, pastor, First Baptist Church, Leesburg, Florida.

DIRECTOR OF MISSIONS SEARCH COMMITTEE REPORT
September 30, 2004

Your Director of Missions Search Committee has begun what we envision to be a lengthy process to discover the Director of Missions whom God has chosen to lead Buncombe Baptists into a bright and fulfilling future.

Our first task as a committee has been to build a trust relationship with one another. Ours is a diverse group representing our association well, including past, present and future leaders. Each person on our committee brings to the task unique gifts and perspective that will be valuable in our search.

Presently, we are pursuing the development of an associational profile which will provide an objective look at the association and will be a helpful tool as we begin to screen resumes and look at individual candidates.

Surveys designed to help develop an associational profile have been sent out by email to association program and organization leaders. Five hundred and fifty letters have been mailed to church staff and leaders of all organizations and programs requesting that the survey be completed and returned by October 15.

After receiving and compiling these survey responses into an associational profile we will develop a Director of Missions profile which we will use to screen prospective candidates.

We intend to judge how well each candidate fits the association's DOM profile and prioritize the resumes accordingly. Then we will begin our contacts and follow-up with those candidates that fit best our profile. To date, we have received approximately 30 resumes. We have placed notices in all of the state papers adjacent to our state and have received resumes from far and near.

We have bathed this process thus far with prayer and our interim Director of Missions, Gayle Brown, has been instrumental in establishing prayer meetings across our association in support of our work and our association in this interim time.

Additionally, a "Vision Casting" meeting of key associational leadership and staff will take place on Friday, October 22 and Saturday, October 23, 2004 for the purpose of looking at the history of our association, judging what we are presently doing well and what we are not doing well and look at priorities for the next 3-5 years.

Two years ago, I chaired the Associational Strategy Planning Committee that provided suggested priorities for the association for the next few years. The association adopted that report in our October 2002 annual meeting, but times have changed and times are changing and we need to "update" our vision.

Continue to pray for our committee as we pursue God's anointed person for our Buncombe Baptist Association.

James Lamb, pastor, Grove Stone Baptist, Chair; Kevin Bennett, pastor, Mountain View Baptist Harold Blankenship, former missionary, Black Mountain FBC; Ava Peek, member, Merrimon Avenue Baptist; Wayne Roper, member, Woodland Hills Baptist; Kellie Tatham, Minister of Children, West Asheville Baptist.

IN MEMORIAM

Since our Fall meeting, October 2003, a total of 279 persons *"have fought the good fight, have finished the course, and have kept the faith."* One was Ron Kiser our Director of Missions, Dee Foreman , a former Director of Church Development, Tom Lolley, our Western Area Missionary, *one* charter member, *eleven* deacons and *four* other ordained ministers.

The Order of Business Committee makes a motion that the 2004 Buncombe Baptist Association Minutes be dedicated to the following ordained ministers:

Reverend Gordon Hux, Asheville First Baptist Church

Reverend Tom Lolley, Beverly Hills Baptist Church

Reverend Lewis Drummond, Biltmore Baptist Church

Reverend Ron Kiser, Grace Baptist Church

Dr. Jerry Pereira, Swannanoa First Baptist Church

Reverend Wayne Morrow, Victory Baptist Church

Christian Life & Public Affairs Annual Report
Gail Harding, Consultant

There is never a dearth of issues requiring the attention of concerned Christian citizens. This year has again proven that to be true. Twelve monthly Christian Life & Public Affairs INFO PAGEs were prepared, as well as a SPECIAL INFO PAGE dealing with election activity - what pastors and churches may and may not do. **NOTE:** The North Carolina Family Policy Council is making available (in bundles of 100) to churches, free of charge, nonpartisan Voter Guides for the 2004 General election, including all candidates for federal and state offices in North Carolina and covering a wide variety of issues. Such voter guides are LEGAL. Contact them at 919 807-0800.

>The issue of major concern has been **whether marriage in America will be redefined to include same-sex unions.** The Supreme Court Lawrence v. Texas decision, which for all practical purposes made null and void all existing state anti-sodomy laws, and the Massachusetts court decision legalizing homosexual marriage, together with the San Francisco mayor's decision to issue same sex marriage licenses, have caused a push for a Federal Marriage Amendment (FMA) to the U.S. Constitution which would define marriage as we have know it to be since Adam and Eve - "only as the union of a man and woman." The U.S. House of Representatives will vote on FMA on September 30. If passed, it will be sent back to the U.S. Senate where a 48-50 procedural vote previously killed the amendment Louisiana and Missouri have voted for constitutional amendments protecting marriage and eleven other states will have this issue on their November ballots. Although Defense of Marriage Acts (DOMAs) exist in many states and at the federal level, their constitutionality is being challenged by the homosexual community.

>**Foreign influence on U.S. Supreme Court decision-making** is another area of concern that could have many ramifications. Justice Sandra Day O'Conner, in a speech last October in Atlanta, said: "Over time we will rely increasingly or take notice at least increasingly, of international and foreign courts in examining domestic issues." American judges must learn how our constitution "fits into the governing documents of other nations" and we must bow to

"globalization," according to Justice Steven Breyer. Justice Ruth Bader Ginsburg recently stated that America cannot be an "island" or a "lone ranger," and the Supreme Court will increasingly follow "extra-national opinions" of foreign judges. Justice Anthony Kennedy, (Lawrence v Texas which struck down state sodomy laws) indicated that "other nations have taken action" to secure homosexual rights and that homosexual sodomy has been "accepted as an integral part of human freedom in many other countries."

>**"Under God" in the Pledge of Allegiance being safeguarded -** The U.S. House of Representatives passed the **Pledge Protection Act** (247-173) preventing federal courts, including the U.S. Supreme Court, from hearing cases that deal with the constitutionality of the Pledge. The Senate is not expected to take action this year.

>**Partial birth Abortion Ban -** After finally being passed by both house of Congress and signed by President Bush, three judges, in separate appeals, have ruled the ban unconstitutional.

>Other issues addressed include **gambling, stem cell research, religious liberty issues, pornography, pro-life legislation, public access TV.**

Our ongoing challenge is to be salt and light in a needy world. To accomplish this we must be vigilant, prayerful, informed and involved. Are we accepting the challenge? Your comments and suggestions are always welcome.

ANNUITY BOARD REPORT

Johnny Ross, Senior Consultant
Baptist State Convention of North Carolina

After a tumultuous three-year period resulting in a dramatic economic downturn which adversely affected retirement accounts of millions of Americans, a dramatic rebound occurred during the last year. As a result, the asset base of the Annuity Board gained over 1 billion dollars in one year for the first time since the Annuity Board was established in 1918 to serve ministers and employees of Southern Baptist churches.

Secondly, the ongoing national health care crisis continues to present serious challenges to our churches who strive to be responsible employers by providing adequate medical insurance in a rapidly escalating cost environment. To assist in this effort, the Annuity Board responded this year by offering new medical insurance plans. These new plans offer more flexibility with varying levels of deductibles and monthly rates. Along with the new plans, the Board emphasized a three-step approach to address the rising cost of health care. First, the Annuity Board is aggressively managing costs and continuing to create plans that provide more options for participants. Second, participants are encouraged to develop healthy habits related to eating and exercise. And, third, churches need to take the initiative, if at all possible, to provide medical coverage as a benefit for their ministers and staff rather than as a part of the salary package. Those churches who live within the constraints of an antiquated "pay package" approach have seen a dramatic decline in disposable income if they have tried to maintain adequate medical insurance for themselves and their families.

Thirdly, as a result of actions taken by messengers at the annual meeting of the Southern Baptist Convention in Indianapolis, the Annuity Board gained permission to serve evangelical ministry organizations outside the SBC and to change the official name of the Annuity Board to GuideStone Financial Resources of the Southern Baptist Convention. The name change will become official with an affirmative vote at next year's annual convention in Nashville, Tennessee.

Fourthly, the Endowment ministry of the Annuity Board continued its work to make Southern Baptists aware of the tragic plight of retired ministers and their widows who were unable to plan adequately for retirement. Individuals and churches responded with open hearts and open hands as they helped to underwrite the financial assistance given to those who are in desperate need. More than 3,000 persons in our convention presently receive financial assistance with 335 residing in North Carolina.

As of May 31, 2004, North Carolina participants in the retirement plan moved above 5,200 in 2,332 (61%) of our churches. Our goal is to have all of our churches actively participating in the retirement plan provided by the Annuity Board of the SBC.

In closing, we remain committed to serve all of our churches, ministers, and other church employees. For more information related to products or service, call the Baptist State Convention of NC at 1.800.395.5102 extensions 329 or 321, visit our Web site at www.bscnc.org, call the Annuity Board at 1.800.262.0511, or visit the Annuity Board Web site at www.absbc.org.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA
Michael C. Blackwell, President
Abe Elmore, Board of Trustees Chair

Above and beyond—these words best describe what North Carolina Baptists did last year!... Churches round the state came mightily to the aid of Baptist Children's Homes in 1003-2004 as their beloved institution faced on of its most critical financial times. Prayers, money, and gifts of food, towels, sheets, school supplies, and clothes flooded in. These showers of blessings softened the blow of a nearly four million-dollar budget cut. ***Thank you!***

History was made as churches from all 80 Baptist Associations gave good to BCH's first-ever statewide food roundup. Nearly 50,000 pounds of food were collected filling every available space on our campuses. Directors of Missions graciously opened their offices as collection points for the food. Churches delivered food filling their offices, halls and storage rooms, Trucking companies picked up the food from the Association offices and delivered this great expression of your love and concern. ***Thank you!***

(The next food Roundup is slated for April 2005)

Last year, nearly 2000 videos of *Jennifer's Story* were distributed to churches. The video told how North Carolina Baptists made a difference in the life of Jennifer Shore. Jennifer found hope and healing at Baptist Children's Homes. As an adult she and her husband returned to become child care workers. More than 600 churches invited BCH representatives to share how the lives of children, children like Jennifer, are being changed every day. United together, North Carolina Baptists not only met the 2003 Thanksgiving Offering goal, but exceeded it! ***Thank you!***

Baptist Children's Homes is at the center of North Carolina Baptists' hearts. Their actions prove it! Jesus challenged us all when he said "In the same way, let your light shine before men, that they may see your good deeds and praise your Father in heaven." Our children and staff, the people in your communities, and the citizens of North Carolina saw Jesus in action and our Heavenly Father was glorified! ***Thank you!***

Blackwell marks 20th year as president...On July 1, 1983, Michael C. Blackwell became president of BCH. Trustees honored his twenty years of ministry during their September 2003 board meeting with "A Celebration of Ministry."

BCH begins strategic planning process...BCH president Michael C. Blackwell initiated an agency year-long strategic planning effort. Blackwell says this is the most comprehensive effort since he became president. All areas of the agency are involved in the development of the plan. Recommendations will be presented to the Trustees at their September meeting. The plan will debut in January 2005.

Shine your light!...Inspired by North Carolina Baptists, this year's Thanksgiving Offering theme is "Shine your light." Although blessings flowed freely in 2003 helping to avert more difficult hardships, our need remains great. Children and families continue to pour out their hurt on our doorsteps. Alone and suffering, children need to know that in their journey of darkness there is a light shining, guiding them to a better day. You help keep the light on and shining bright as we, day-to-day, offer help in Jesus' name. Our statewide Thanksgiving Offering goal this year is $1,300,000. This represents a $75,000 increase over last year's offering goal. An increase demanded by necessity. Challenge your church to participate in the 2004 Thanksgiving Offering. ***Our success depends on you.***

BCH...Focused on the Future. Despite the trying times, Baptist Children's homes continue to be committed to providing only the highest quality of service. Children who come through BCH's doors continue to receive an abundance of love, care and healing. A dedicated staff serves and gives of themselves sacrificially. The lives of children and families are worth every effort. BCH holds true to its mission of "***helping hurting children...healing broken families.***"

The support of North Carolina Baptists through the Thanksgiving Offering, Cooperative Missions giving, church and individual gifts, memorials, honors, and estate gifts enables BCH to provide care for more than 2000 children through our locations across the state. ***Thank you, North Carolina Baptists, for your continued prayers and support. We could not do what we do without you.***

BAPTIST RETIREMENT HOMES OF NORTH CAROLINA, INC.

"Lord. . . you have made my lot secure. The boundary lines have fallen for me in pleasant places; surely I have a delightful inheritance." Psalm 16-5-6

Because of your generosity Psalm 16 is a fitting scripture for the over 700 older adults who reside at the Baptist Retirement Homes of North Carolina.

Their lot has been made secure--

All of your gifts through the Cooperative Giving Plans of the Baptist State Convention, through the February North Carolina offering for Older Adults and through direct gifts from the churches are designated to provide care for those who otherwise could not receive care. Many of our

assisted living care residents and the majority of our nursing care residents receive financial assistance from you. Furthermore our promise to each of our residents I care that will last for as long as they live.

Their boundary lines have fallen in pleasant places—
At the Western North Carolina Baptist Home in Asheville, at Brookridge Retirement Community in Winston-Salem, at The Gardens of Taylor Glen in Concord, at The Taylor House in Albemarle and at Hamilton Baptist Home in northeastern North Carolina—beauty, security and comfort are found in full measure.

They have a delightful inheritance—

COUNCIL ON CHRISTIAN HIGHER EDUCATION

GREAT WORKS STAND THE TEST OF TIME

The classics. They are the books that are required reading in classrooms around the world. They are the masterpieces that hang in Louvre and other great museums. They are the compositions from Beethoven, Bach, Mozart, Strauss and countless others that ar taught and studied and appreciated generation after generation.

What makes them classics? What makes them stand the test of time? Put simply, these works were developed by people who took painstaking care with their craft. Attention was paid to every individual detail as if the very life of the work itself depended on it. Love and devotion and skill were combined with each vision to produce an explosion of creativity and unique expression.

If these explanations truly define the classics and the great works, then the Baptist colleges of North Carolina belong in that very category. Five institutions that define the spirit and commitment of North Carolina Baptists draw their very essence from the North Carolina Baptist State Convention, an institution that was created in part to fulfill the mission of Christian higher education in this state.

Begun in 1850, the Baptist State Convention of North Carolina has stood the test of time. Using the same qualities as the great composers, artists and authors from throughout the centuries, the Baptist State Convention has poured love and devotion and care into the pursuit of offering only the finest in college education.

Campbell University, Chowan College, Gardner-Webb University, Mars Hill College and Wingate University are the five institutions affiliated with the convention. Why is that important? Because heritage and history make for strong foundations. With the support received from the convention through scholarships, resources, prayer, encouragement and leadership, these institutions grow stronger each year in reputation, prestige, character, quality and respect.

Gifts to the Cooperative Missions Budget of the Baptist State Convention of NC last year made it possible for 499 members from 316 convention related churches to attend our five affiliated institutions of higher education. Some of the recipients would not have been able to pursue their dream of a degree from an accredited college or university without the financial assistance provided by generous Baptists like you.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC.
Harold C. Koger, Chair, Board of Directors
M. Clay Warf, Executive Director

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

During 2003, the Foundation assisted individuals in establishing 23 endowment funds and 8 charitable remainder trusts totaling $644,000 and received $2.7 million in contributions to existing endowments of all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for churches and associations during the year to promote "Make Your Will Month." Christian estate stewardship, and church fund management. Over $2.0 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes. Overall, the Foundation received $5.3 million in contributions during 2003 for Christian causes.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Salomon Smith Barney to help select top money managers and evaluate performance. As of December 31, 2003, the Foundation held $112.9 million under management.

During 2003, our distributions totaled $5.7 million, with charity receiving $3.8 million and individuals, through trusts, receiving $1.9 million. During the 83-year history of the North Carolina Baptist Foundation, Inc., $25 million has been distributed to individuals and $44.1 million to Baptist churches, institutions and mission causes for a grand historical total of $69.1 million.

NORTH CAROLINA BAPTIST HOSPITAL

Len B. Preslar, Jr., President

Baptist Hospital and North Carolina Baptists:

Partners in Ministry

The mission of North Carolina Baptist Hospital, **"to provide and advance excellent healthcare, embracing the healing presence of God,"** reflects our distinctive heritage of extending the healing ministry of Jesus Christ. Since 1923 we have been privileged and grateful to be partners in mission with North Carolina Baptists, touching the lives of hurting people with great hope and strengthening the ministries of churches.

The Mother's Day Offering:

Partners in Benevolent Care

Real needs...Real Hope...In the Name of Christ and His love

Thank you, North Carolina Baptists, for giving compassionate witness to the love of Christ through the Mother's Day Offering! Every dollar of every gift (***$584,958 IN 2003)*** relieves the anxious burden of hospital bills for our patients in serious financial need. Having no where else to turn for help, they find Christ reaching to them through you.

A recent recipient, suffering from a life-threatening illness and worried sick about the burden of her hospital bill, received a letter that changed her life. ***"You hospital bill has been paid by compassionate and mission-minded North Carolina Baptists in the name of Jesus Christ and His love."***

With deep thankfulness she replied, ***"I greatly appreciate the love of God that North Carolina Baptists have shared with me. This gift in the name of Jesus Christ has lifted a heaven burden, and I could never say thank you enough. God bless those who give for their compassion."***

The needs of many patients far exceed the resources available to help them. Please give generously so more can be helped in the name of Christ's love.

THE SCHOOL OF PASTORAL CARE:

Partners in Ministries of Growth, Hope, and Healing

North Carolina Baptist, by ***Cooperative Missions Giving,*** provide healing ministry to thousands of hurting people, strengthen the effectiveness of hundreds of churches, and equip scores of ministers for service through the School of Pastoral Care.

Baptist Hospital's CareNet Counseling Centers provide a statewide, faith-based counseling network that extends the ministry of churches. Pastors are the largest single referral source, and members of Baptist churches are the largest group being served. Through 22 locations we will provide nearly 23,000 hours of pastoral counseling in 2004. Thanks to Cooperative Missions Giving, counseling that shares Christ's compassion and hope is made affordable and subsidized for those who need assistance.

The Center for Congregational Health, with the support of North Carolina Baptists, provides three vital ministries that enhance the effectiveness of churches. The Center is strengthening 25 churches per month through **consultation services,** assisting churches with strategic planning, team development, and conflict resolution. **Leadership development** programs are training 20 ministers per month, strengthening these clergy for more effective service. The Center has trained nearly 1,400 pastors as **interim ministers** and intentional interim specialists.

The Department of Chaplaincy and Pastoral Education provides training in pastoral ministry to nearly 55 students per year, and extends compassionate spiritual care to patients and families through 60,000 ministry contacts. Our North Carolina Baptist partners, through

Cooperative Missions Giving, allow tuition to be affordable for these ministers. Our churches reap the benefits, as pastors learn to provide high quality pastoral care in times of crises, deepen their own faith, and enhance their evangelism.

The compassionate, healing ministry of Christ continues to be realized in remarkable ways at North Carolina Baptist Hospital. MARS HILL COLLEGE

There is much good news to report from our portion of the state. Our new student enrollment for the 2004-2005 school year is the highest in 25 years! This semester we welcomed 440 new students to campus, with a total enrollment of approximately 1,100 students. The large numbers of new students has necessitated some creativity on our part in terms of housing. We are in 90% capacity in our dorms and residential living, a figure more than 20 points higher than

the national average—a good problem to have!

Our Capital Campaign, while only 9 months old, is going quite well. We have received gifts and/or pledges for 40% of our total goal of $40 million With this money we seek to primarily improve housing for our students by building a new dormitory, and improve our students educational experience by constructing a new Science Building. As we continue to grow the student population, more needs will arise. We anticipate more scholarship money needed to keep up with the increased numbers of students in our programs, and we continue to be grateful for the generosity of North Carolina Baptists. Thanks to Baptist churches and individuals around the state, many of our students see their tuition bills decrease. On behalf of our students, faculty and staff, thank you North Carolina Baptists!

We continue to look forward to the celebration of our Sesquicentennial slated to take place during the 2006-2007 school year. The theme for the Sesquicentennial is: "Preserving the Past, Assuring the Future." Many activities for the year are in the planning stages, including the writing of a new history of the college, a coffee table book of pictures, large-scale community service projects, a lecture series, an original drama, musical productions, and a celebration of the College's religious heritage involving congregations of some of the College's founding families.

Under the direction of new President Dan Lunsford, the College is in sound financial shape, has increased its endowment, and experienced a rejuvenation of support and goodwill among faculty, staff and alumni. The Administrative Action Plan has been successfully addressed, with attention being given to student enrollment, academic organization, marketing efforts, capital improvements and financial stability.

The excitement of all this good news has been tempered of late by the death of Dr. Fred Bentley, President Emeritus of Mars Hill College. Dr. Bentley presided over perhaps the most significant period of change in the school's history—the years between 1966 and 1996. We give thanks to God for Dr. Bentley and for the groundwork he laid at Mars Hill.

FRUITLAND BAPTIST BIBLE INSTITUTE

Our mission at Fruitland is to provide quality training for Christian ministry that balances academic, devotional, and practical emphases. Academically, we aim to lay a foundation for any further study that the student may undertake. Our graduates have demonstrated the academic quality of our program by doing well in a number of schools across the country to which they have transferred. The devotional atmosphere which we week to maintain in our classrooms and on our campus challenges students to grow spiritually. Worship in chapel is a daily part of our campus life. The fact that most of our faculty members are involved in some regular ministry enhances our practical emphasis and helps prepare our graduates to enter various positions of Christian ministry.

Our student body is diverse in ages and backgrounds. Several international students have been enrolled. Several of our students are involved in regular ministries during their studies. Student family housing and dormitory housing provide for resident students and we have many commuting students. Our cumulative, non-duplicated enrollment for the past year was 257. In consultation with Hispanic church leader and Larry Phillips of the State Convention staff, we

began classes in Spanish in the Spring of 2004.

On September 9, 2003, administration, faculty, staff, students, and alumni joined in the celebration of the fiftieth anniversary of Dr. John Rymer as a faculty member. Although Dr. Rymer has taught several different subjects during the years, he continues to teach Old Testament which he has taught during his entire tenure. Joe Stoneham is the newest faculty member. He teaches Computer Science. He is a native of Dallas, Texas, where his parents were married by Dr. George W. Truett, noted pastor of the First Baptist church. He is a graduate of Old Dominion University, Norfolk, Virginia, with a B.S. degree in Electrical Engineering Technology. He is married to Judy Bates Stoneham who is a staff member at Blue Ridge Community College. They are active in The First Baptist Church of Hendersonville, North Carolina. In the Fall Quarter of 2003 we had Dr. D. L. Lowrie of Lubbock, Texas as visiting professor of Old Testament and Pastoral Ministries. Dr. Lowrie is scheduled to return for the Fall Quarter of 2004.

A number of special events are held on our campus annually. In October we observed Alumni Day and Preaching Week. Visiting speakers were Joe Brown of Charlotte, North Carolina and D. L. Lowrie of Lubbock, Texas. On Founders' Days in May our guest speakers were Dr. Gray Allison of Memphis, Tennessee and Dr. Elmer Towns of Lynchburg, Virginia. Alice Lowrie was the guest leader for the Women's Retreat held in October. Sunday School Seminars were conducted by the staff of the Baptist State Convention in November.

Preliminary plans have been made to renovate the Crouch Building which houses our chapel and eight classrooms. This would include the enlargement of the chapel to provide better for graduations and special events and the equipping of the classrooms for the use of the latest technology in multi-media presentations.

Fruitland continues to adapt to changing needs and opportunities while endeavoring always to remain "true to God's Word and loyal to His purpose." We are grateful for the continuing support of the Baptist State Convention in providing for us the opportunity to participate as partners moving toward the fulfillment of the Great Commission.

Our alumni continue to assist us in the fulfillment of our mission by praying, recommending the school to prospective students, and giving. Visiting groups and individuals are welcome to visit our beautiful campus. Our offices are open except for holidays. For a tour of the campus contact Todd Edmiston, our Campus Services Director by telephone at 828-685-8886 or by e-mail at fruitland@mchsi.com.

Buncombe Baptist Association
Leadership Council Meeting
Monday, January 19, 2004

Minutes

The evening began with supper at 6:00 p.m. At 6:30 p.m., Wayne Higgins, Moderator, called the meeting to order. There were 19 in attendance.

Steve Harris shared a prayer concern for a couple in his church who were on the ski patrol that attended a young man killed in a skiing accident at Wolf Laurel. Bill Higgins led in prayer.

Bud Dotson, treasurer, gave the treasurer's report. We had a good year, in spite of trying situations. There were no questions to the report. Bill Higgins and Mike Smith seconded a motion that this report be adopted. The vote to accept this report was unanimous.

Glenn Stroud, Chairman of the Properties Committee, gave that committee's report.

Recommendation #1: Two or three more persons will be asked to look at the roof over the front entrance, which leaks periodically. If possible, budgeted funds will be used to repair the roof.

Recommendation #2: A new refrigerator is needed in the kitchen in the Resource Center. There is a refrigerator in the Ministry Annex that can be moved to the Resource Center. A smaller one can be purchased for the Annex. If possible, a refrigerator may be donated. If not, budgeted funds will be used (as needed) to secure a new refrigerator.

Recommendation #3:We have a broken water heater in the staff restrooms. It is recommended that we replace and relocate the water heater. It is further recommended that reserve funds be used to make this purchase and needed move.

Recommendation $4: To correct a moisture problem in the tower, some repair is needed. One option is to put in an exhaust fan near the top to draw out moisture. A second option is to seal the interior walls like you would a basement to prevent moisture from between the brick exterior and block interior from penetrating into the tower. It is recommended that this repair be made when the weather warms up, and that we use reserve funds to make this repair.

Matters of information:

1. Contracts for the custodian, groundskeeper, and furnace/AC maintenance need to be updated. We are asking that new contracts be issued to these persons, and that the contracts be kept current each year.
2. The Association voted last year to sign on with the Church Communication Network (CCN) so we can offer training events for our churches, through satellite communications. The satellite will be installed within the next couple of weeks. This action has already been approved by the association and included in the 2004 budget.

Mike Smith, Leader of the Evangelism Team, gave a report on the upcoming "Celebrate Jesus Event." The event is scheduled for Sunday, May 23, 2004, at the Asheville High Athletic Field. Jay Dennis, from Lakeland, Florida will be guest speaker. The evening will begin at 4:30 p.m. with a pizza blast for youth. Greg Cope, Youth Minister at New Morgan Hill Baptist Church, is youth coordinator for the event. Chris Roberts, Minister of Music at Mud Creek Baptist Church in Hendersonville, will be the worship leader.

On April 25, 2004, each church is being asked to take a special offering for the "Celebrate Jesus Event." It is suggested that an offering of $1.00 per person in attendance that day be given.

Kyle Carver, Chairman of the Finance Committee, brought two recommendations.

Recommendation #1: We recommend that a salary adjustment increase of $500.00 be added to the Communications Secretary's salary in the 2004 budget.

Recommendation #2: We recommend that a salary adjustment increase of $1,653.60 be added to the Director of Missions salary in the 2004 budget.

We will adjust our budget line items to reflect this change--reducing the amount in the insurance line item, and moving these funds to the salary line item. These changes do not involve an additional increase in salary or employee costs. They simply redistribute the funds the association has already approved.

Susie Black shared information on upcoming missions trips.

- Four trips are planned to eastern North Carolina to continue disaster relief and reconstruction work there.
- Two associational trips are planned to Alaska.
- Four trips are planned by West Asheville Baptist to Alaska.

Susie shared that we want to celebrate the volunteer missions work of our churches at the 2004 Fall meeting of the association. Please notify Susie Black of all your church's missions trips.

Ron shared that in the Fall meeting, our Association voted to subscribe to the Church Communication Network. The CCN is a way of offering Christian training to our church leaders from nationally and internationally leaders via satellite. We will be guaranteed 24-36 conferences in a year's time. The base fee is approximately $2,000 per year. There will be no charge except to provide materials, because some conferences may require a workbook.

Three kinds of training will be offered:

- Training seminars for church staff and leaders
- Outreach events
- Special events

These conferences feature nationally known leaders such as Chuck Colson, Lee Strobel, George Barna, H. B. London, James Dobson, and Dick Towner.

Our association will be able to present the conferences live, and then we will have the right to record them for future presentations. We will show each in "real time" and offer each at later times for those who can't attend the "real time" sessions.

The satellite has already arrived and we hope to be on line by February 21, 2004.

Christian Women's Job Corps
Norma shared about two participants who have graduated from the CWJC participant-mentor program and wanted to give something back to those mentors who have helped them.

The proposal states that the loan will be a 10-year fixed rate @4.75% loan.
Monthly payment will be $2,430.37, a decrease of $224.63.
There were no origination fee, discount fee, appraisal fee or closing costs.

Susie reminded the members of the Council that we want to celebrate the volunteer missions work of all our churches at the 2004 Fall Association meeting. Please contact her with information on your trip.

Volunteers have gone from Buncombe Association to help with disaster recovery efforts in the eastern part of our state. Ron Knighten of Mountain View Baptist and Bobby Peek of Merrimon Avenue Baptist led these associational teams. This week David Brott of Arden First Baptist is leading a team.

Bobby Peek shared about these trips and told about their second trip where the team worked on a house of a grandmother with a fifteen-year old granddaughter who has cancer. Her name is Ashley Gray. Special prayer was requested for her.

Association Staff Report

Norma gave an update on the Church Communication Network. The beginning date to begin leadership training through the Church Communication Network has been postponed until September 2004.

The I-26 Rest Area Ministry on Easter weekend was good. There was a report of two professions of faith.

She made reference to the information on "The Elliott Project—Family Health Kits for Iraq." Boxes are available at the Resource Center and examples of products to be put in the boxes.

Wayne announced that a Regional Baptist Men's Rally was scheduled for Tuesday, May 11, at Woodland Hills Baptist Church at 6:30 p.m.

Wayne also told the group that he and Norma had made a presentation to Julian Lanning for his years of service to the Association.

He further shared with the group that someone had marked on the Ministry Annex. A police report has been filed; but because of lack of evidence, very little can be done. Someone has been contacted to look at it to see how to remove it.

Report from the Personnel Committee and Corporation Officers.

Wayne read from the bylaws: *Bylaw IV, Section 1 Staff. A. Director of Missions. When a vacancy occurs, the Director of Missions shall be selected in the following manner: A Search Committee shall be selected by the Leadership Council to seek a new Director of Missions. When the Search Committee chooses a candidate, the prospective Director of Missions shall be*

presented to the Association in a general or called session. If elected, the Director of Missions shall continue to serve until terminated by mutual consent or request by either party.

The committee would consist of seven people--3 pastors or staff persons, 3 laypersons (men and women.)

Listening sessions will be scheduled to allow the people of our churches to have input as to the kind of person we will be asking to lead us.

The chore of this committee will be to select an interim director of missions to begin to work toward securing a permanent director of missions.

Those persons who have agreed to serve are: James Lamb, pastor, Grove Stone; Steve Summers, pastor, Arden FBC (will give definite answer this week); Harold Blankenship, member, Black Mountain FBC; Ava Peek, member, Merrimon Avenue; Wayne Roper, member, Woodland Hills.

Steve Harris (New Life) nominated Kevin Bennett, pastor, Mountain View. Norma asked the question if the persons would be contacted in the order in which they had been nominated. Wayne stated that that would be a decision of this group (Leadership Council). Bud said this would expedite the process.

Tommy Wilkes nominated Norma Melton as a staff person. It was clarified that "staff person" meant "church staff" not "associational staff." Bud stated that the committee felt that due to the heavy work load on the staff now, it would not be in the best interest of the association for the staff to serve on this committee. Paul Raybon nominated Sherry Campbell, member, Woodland Hills and Kellie Tatham, Minister of Children, West Asheville.

The Personnel Committee and Corporate Officers will contact these persons nominated. If additional nominees are needed, the Personnel Committee and Corporate Officers will make those nominations.

Steve Harris (New Life) asked whether or not the Leadership Council needed to look at the job description with a clear understanding of the kind of person we are looking for.

Wayne stated that he felt the process would unfold as the listening sessions are held. Part of the responsibility of the Search Committee will be to look at the job description based on input they're getting and develop a job description. This would be brought back to the Leadership Council for review. Cathryn Kinser stated that an important part of the process would be to interview the staff.

Bill Higgins made the suggestion that the names of the members of the Selection Committee be made available so our churches could pray for them.

Miscellaneous Business

Leadership Council will recommend that the conference room at the Resource Center be named "The Ron Kiser Conference Room." A plaque will be placed on the door or wall. Steve Harris (Trinity of Fairview) made the motion and James Lamb seconded the motion.

The question was asked if a memorial fund had been established in Ron's memory. The Kiser family had requested that funds be designated for "General Fund." To date, over $3,600 has been received and more was received today.

Bobby Peek shared with the group about Albert Woods. Albert was involved in an accident and has been paralyzed since. Bobby shared that extensive remodeling to the house and repairs to the road would need to be made to accommodate Albert's wheelchair. A van, with a lift and a high roof, is also needed. An account has been established at First Citizens Bank. Volunteers and money are needed to help with this project. More information will be available later.

BUNCOMBE BAPTIST ASSOCIATION
LEADERSHIP COUNCIL MEEETING
Monday, August 2, 2004

MINUTES

The evening began with supper at 6:00 p.m. At 6:45 p.m. Wayne Higgins, Moderator, called the meeting to order. Members present were: Wayne Higgins, Nancy Owen, Steve Ackerman, Perry Brindley, Scott Shields, Kyle Carver, Gayle Brown, Norma Melton, Stan Willet, Dean Huggins, James Lamb, Gene King, Steve Harris (New Life), Bobby Peek, Cathryn Kinser, Shirley Lawson, Gail Harding, Glenn Stroud, Annette Anderson, Edwina Messer and Dwayne Dills.

Director of Missions Search Committee Report:
Steve Ackerman, Chairperson of the committee, gave that committee's report.

- The committee has selected Gayle Brown as Interim Director of Missions.
- Encouraged the Council to continue to pray for the committee as they continue their process.

Properties Committee Report:
Glenn Stroud, chairperson, gave updates on recommendations made at the January 2004 Leadership Council meeting.

1. Joe Ball has given a bid of $775 to repair the damaged roof. The committee recommends that Mr. Ball be contracted to repair the roof. The recommendation was adopted.

2. A refrigerator from the Ministry Center has been moved to the kitchen of the Resource Center. At a later date, maybe a smaller refrigerator can be donated or purchased for the Ministry Center.
3. The water heater in the staff bathroom has been repaired at no cost.
4. Two quotes have been received to paint over graffiti that was sprayed on the Ministry Center--$1,100 and $450. The painting has not been done at this time.
5. Lights that shine on the tower, plus entrance lights were also damaged. Insurance was filed and paid on these two vandalism incidences.

Church Communication Network:
Stan Willet shared that the association is now capable of receiving live satellite programs, featuring well-known speakers and conference leaders. We will show each in "real time" and can tape them to offer at later times here at the Resource Center. These events are designed for church staff, parents, women, men, singles, youth and couples. There is something for everyone and the greatest news is that all the programming is already paid for and covered by the Buncombe Baptist Association. A schedule of upcoming conferences will be printed in the monthly newsletter.

Nominating Committee Report:
Perry Brindley, chairperson, recommended that three positions had been filled since the April 2004 meeting:

1. Christian Education Leader, Stan Willet
2. Properties, Kim Black, Chairperson
3. Planning, Kevin Bennett, Chairperson

Persons are still needed to fill the positions of: Evangelism Team leader, Discipleship Director, Student Ministries Director, Capital Funds Chairperson. Perry encouraged the Council to continue to pray for the committee and to share with the committee names of persons who might serve in these leadership positions.

The committee's report was adopted.

Treasurer's Report
In the absence of Bud Dotson, treasurer, Dwayne Dills, CPA for the Association, gave the treasurer's report. June was a very strong month, partially because some churches contribute quarterly. For the end of year, there is a surplus of $28, 295. Some of this surplus is due to the fact that no salary has been paid to Director of Missions.

The transaction to refinance the loan of the Ministry Center through HomeTrust Bank has been completed. The note is signed at 4.75% and some payments have already been made.

Also in July, a principal payment of $5,000 was made in addition to the regular payment on the loan.

The list of contributions included in the Book of Reports was for "Budget" giving only.

Gene King made a motion and Steve Ackerman seconded it to adopt the treasurer's report. The motion was adopted.

Finance Committee
Kyle Carver, chairman of the Finance Committee, expressed thanks to our churches for their continued giving to the ministries of the association. The Finance Committee will be meeting August 17 to complete the 2005 budget. He also thanked the members of the Finance Committee for their faithfulness.

"Celebrate Jesus" Report
Participating and involvement in the "Celebrate Jesus" events has been dropping the past several years. The event scheduled on May 23, 2004 was good this year. Several decisions for rededication were made. The Steering Committee, composed of leaders from several denominations, is looking toward having an area-wide Franklin Graham festival, probably two years from now. Area Directors of Missions will be meeting to discuss this possibility. All bills have been paid with some funds left over.

Partnership Missions Report
New York
Perry Brindley expressed thanks for guidance, prayer, and assistance in planning the opportunities to participate in partnership missions. Twenty people just returned from New York, working with Park Slope Church in Brooklyn doing Backyard Bible Clubs and construction work. Seeds were sown and God will bless them. He emphasized the fact that any church can have a part in partnership missions.

Alaska

Twelve persons went to Nenana Community Church in Nenana, Alaska, where they did VBS. Ten professions of faith were made—one of those was the mayor's son. In the afternoon, the team did many community projects. Property has been purchased and building plans have been done for the construction of a new church building.

Bobby Peek led the construction team to complete several repair/paint jobs for different persons.

ARTICLE I-NAME

The name of this body shall be the Buncombe Baptist Association, Inc., hereinafter referred to as the Association.

ARTICLE II-PURPOSE

The purpose of the Buncombe Baptist Association is to partner with congregations in missions and ministry and to foster fellowship among the churches.

ARTICLE III-MEMBERSHIP

SECTION 1. The Association shall be composed of cooperating Baptist Churches in the area of the Association. A cooperating church is defined as:

(1) A church that contributes regularly to the support of missions through the Association budget.

(2) A church that send messengers to the Association's general sessions.

(3) A church that supports the missions efforts and activities of the Association.

(4) A church that makes an annual report to the Association as requested by the Association.

SECTION 2. Churches desiring membership in the Association shall petition through the Membership Committee. Any church requesting membership shall attach to their petition for membership a copy of their Articles of Faith and/or Church Covenant. The Membership Committee shall interview key church leaders and examine the church's operating documents in light of the scriptures and then make a recommendation to the Association regarding the church's request for admission. The Association is an autonomous body, and shall determine its own membership by vote in its general sessions. If the requesting church is recommended by the Membership Committee and accepted by the Association, the congregation shall come under the watch care of the Association for one year with all the benefits of membership except the right to vote in sessions or to hold corporate office. At the end of one year, upon further recommendation by the Membership Committee, the church shall be granted full membership by affirmative vote of the Association. The Association may receive churches or reject churches in accordance with its Constitution and Bylaws. Churches may also voluntarily withdraw from the Association.
